Hi-Plains Cooperative Association

Request For Proposals

Interested parties are invited to submit a proposal to complete the following scope of work for The Hi-Plains Cooperative Association’s proposed industry track construction project in Dresden, Kansas. This project is the recipient of a KDOT Rail Service Improvement Fund grant and the contract for work will be directly with The Hi-Plains Cooperative Association which reserves the right to reject any or all bids.

Scope of Work

Hi-Plains Cooperative Association, Dresden, Kansas project to remove and replace approximately 500 feet of existing siding track and install a new railcar scale. Bidder will provide all necessary labor, equipment, and logistical services to supply all materials called for to complete all rehabilitation and track construction work, ties, rail, ballast, OTM, etc.

- Provide and install 112 lb. #1 relay rail.
 - Crossties: #1 relay except new black ties to be used at all turnouts.
 - All OTM: New.
 - Install new ballast (must be approved by Kyle Railroad).
 - Raise track to proper elevation, level out 75’ on either side of scale.
 - Machine tamp and hand regulate.
- Install two 12’ 6” separate scales that both sets of wheels will set on at the same time and are legal for trade.
 - Excavate material for concrete foundation work (includes over excavation for a 20 foot wide mud mat).
 - Contractor will pour concrete foundation to specifications, including an area in the middle of dead span 2’ wide by 10” deep across the width of the unload conveyor.

- Remove track from road crossing to east derail.
 - Unbolt rail east of road crossing and at east derail.
 - Pull tracks out of ground and move to the side.
 - Cut grade so that west approach is level with road crossing (to be done by others), approximately 100 feet.
 - Cut grade so that east approach will slope down approximately 14.5” to east side of approach (375 feet from derail to scale approach) to be done by others.
 - Compact ground and reuse some track bed material for 6 feet of subbase (done by others).
 - Reinstall track replacing 53 ties (approximately every 4th tie).
 - Raise track to proper slope and elevation.

Minimum Requirements

- Contractor is to adhere to Roadway Worker Safety and Protection.
- Contractors shall comply with all parts of 49 CFR Part 214 and 219 regarding FRA Roadway Worker Safety at all times. Workers and equipment shall remain clear of the track unless they have gained Roadway Worker Protection from a qualified person.
- Contractor, contractor employees, agents, and/or subcontractors must be enrolled and comply with the FRA 219 approved drug testing program.
- Subcontracted work will need to be approved by The Hi-Plains Cooperative Association prior to any work starting.
- Work interruption of The Hi-Plains Cooperative Association business of receiving and shipping grain during all phases of the project, should be kept at a minimum to ensure the public and worker safety.

Standards

All standards referenced by the project plans and specifications, as well as all applicable AREMA standards must be upheld during all phases of the project work.

- All rail shall be at standard gauge of 56-1/2” with proper slope and drainage.
- All technical professionals involved in the project are required to meet the applicable licensing and/or certification requirements as stated in K.S.A. 74-7001, *et seq.*
- Design standards shall conform to state and federal design criteria appropriate for the project to satisfy FRA Track Safety Class I level requirements.

Submittals

The following documents shall be submitted by the contractor as part of the project:

- Schedule of Work Plan – Submitted with proposal.
- Certificate of Insurance – Submitted prior to construction.
- Safety Plan – Submitted prior to construction.
- Rail Testing (If AREMA #1 Relay Rail is used) – Submitted prior to installation.
- Rail Weld UT Test Requirements (all rail comp welds) – Submitted with billing.
- The Hi-Plains Cooperative requires copies of all material Bill of Ladings.

(continued)

Other Responsibilities

- Permits – Contractor is responsible for all state and local permits required for the work.
- Utilities – Contractor is responsible to locate and protect site utilities.
- Site Clean-up – Contractor is responsible for proper site restoration and proper disposal of materials removed in accordance with all local, state, and federal laws.

Insurance

Contractor shall purchase required coverage and submit for verification to The Hi-Plains Cooperative Association that meet state requirements for:

- Commercial General Liability.
- Automobile Liability.
- Workers Compensation and Employer's Liability.

Materials

All materials shall meet the requirements found in the project plans and/or specifications as well as applicable AREMA requirements. Material storage is granted on The Hi-Plains Cooperative Association's right of way to the contractor. However, no materials shall be stored closer than 15 feet from the centerline of any active track at any time. Material and equipment laydown areas and reclaimed materials stockpiling locations shall be discussed and further clarified at the pre-proposal meeting. Contractor is responsible for removal and proper disposal of all removed materials in accordance with all local, state, and federal laws.

Non-Project Areas

All areas (public, private, and railroad right of way) that are used for access to the project, including parts of the railroad right of way which have no proposed work, shall be maintained and/or remediated, and incidentals to the project by the contractor to the satisfaction of the property owner and tenant if any damage to these areas occurs.

Project Completion

All work pertaining to this project shall be completed by January 1, 2024, and signed off after approval of FRA Inspector.

Pre-Proposal Meeting

The Hi-Plains Cooperative Association shall hold a pre-proposal meeting at the project site at 10:00 a.m. (Central Time) Thursday, July 6, 2023, at the Dresden Hi-Plains Cooperative Association Office, Dresden, Kansas. Contractors are required to be present at this meeting to submit a proposal.

Submission of a Proposal

All proposals must be submitted no later than 5:00 p.m. (Central Time) July 20, 2023. All submitted proposals shall be reviewed by The Hi-Plains Cooperative Association. Please ensure your proposal includes all required information. All incomplete or late proposals shall be rejected. Contractors who wish to submit a proposal must attend the pre-proposal meeting.

The structure of your proposal must be clearly understood with all proposals providing the following line items and costs as listed below:

1. Provide a total sum of all line items on the proposal.
2. Mobilization and demobilization – lump sum.
3. Material costs (Itemized by material, i.e., cross-ties, ballast, OTM, etc.).
4. Labor costs.
5. Other costs (freight, sales tax, etc.).
6. Tamp and regulate – lump sum.
7. Performance Bond (sum not less than amount of the contract as awarded) – lump sum.
8. Clean up work site to completion – lump sum.

Work Reporting

Weekly work reports must be filled out and submitted to Dan Spresser via email at dans@hpcoop.net. Weekly progress reports should include updates to project schedules, any delays to the project, or any change in the scope of work. A detailed summary report must be submitted at the completion of the project.

For further information or questions regarding the Request for Proposal and submission of a proposal, contact Dan Spresser at 785-443-3903 or dans@hpcoop.net.

(Published in the Kansas Register June 15, 2023.)

The Scoular Company**Notice to Bidders**

The Scoular Company is seeking bidders for a rail yard construction project at their facility in Pittsburg, Kansas. Interested bidders should contact Michael Lesmeister at mlesmeister@scoular.com to request bid package. The bid package will include site layout, track plan, and track construction specifications. Bid packages for the project will be sent to all interested bidders on or about June 16, 2023.

Scope of Work

The work consists of the following items: add approximately 2,495 track feet of #90lb rail construction, base plates, and joint bars (owner provided). Contractor supplies all other track materials, but not limited to, new ties, new bolts, new prime spikes, ballast, new derail, new turnouts, and OTM. This project is the recipient of a KDOT State Rail Service Improvement Fund program grant and the contract for work will be directly with The Scoular Company, which reserves the right to reject any or all bids. Questions regarding the project should be directed to Michael Lesmeister.

MSA and Roadway Worker Protection

Contractors must complete, and have on file, a current Master Services Agreement with The Scoular Company before work begins.

1. Contractors shall comply with all parts of 49 CFR Part 214 and 219 regarding FRA Roadway Worker Safety at all times. Men and equipment shall remain clear of the track unless they have gained Roadway Worker Protection from a qualified person.
2. Contractor, contractor employees, agents, and/or

subcontractors must be enrolled and comply with the FRA 219 approved drug testing program.

3. Any subcontracted work will need to be approved prior to construction.

Work Windows

Impact to current railroad operations must be kept to a minimum. When work must take place that causes an active track to be taken out of service for the purposes of performing work that pertains to the project, the contractor must pre-arrange a defined work window with The Scoular Company. Contractor can anticipate a minimum work window of eight hours.

Standards

All standards referenced by the project plans and specifications, as well as all applicable AREMA standards, must be upheld during all phases of the project work, unless certain standards are excluded from the project with written approval.

Submittals

The following documents shall be submitted by the contractor as part of the project, at the times listed:

1. Schedule of Work – Submitted with proposal.
2. Certificate of Insurance – Submitted prior to construction.
3. Safety Plan – Submitted prior to construction.
4. Proof of Roadway Worker Training – Submitted prior to construction.
5. All contractors must recognize this is a federal contract and agree to comply with federal requirements such as the Davis-Bacon Act, “Buy America,” and the Disadvantaged Business Enterprise (DBE), where applicable.

Other Responsibilities

1. Permits – Contractor is responsible for all federal, state, and local permits required for the work.
2. Utilities – Contractor is responsible to locate and protect site utilities.
3. Site Clean-up – Contractor is responsible for proper site restoration and proper disposal of materials removed in accordance with all local, state and federal laws.

Insurance

Contractor shall purchase required coverage and submit for verification a Certificate of Insurance.

Materials

All materials shall meet the requirements found in the project plans and/or specifications as well as applicable AREMA requirements. Material storage is granted on railroad right of way to the contractor. However, no materials shall be stored closer than 15 feet from the centerline of any active track at any time. Material and equipment laydown areas and reclaimed materials stockpiling locations shall be discussed and further clarified at the pre-proposal meeting. All removed materials remain property of The Scoular Company, to be stockpiled as directed by a representative.

Non-Project Areas

The Scoular Company has secured access to the project through the railroad right of way. Other access may

be obtained by the contractor if he so chooses. All areas (public, private, and railroad right of way) that are used for access to the project, including parts of the railroad right of way which have no proposed work, shall be maintained and/or remediated, incidental to the project, by the contractor to the satisfaction of the property owner if any damage to these areas occurs.

Project Completion

All work pertaining to this project shall be completed by October 30, 2023.

Submission of a Proposal

All proposals must be submitted no later than June 30, 2023. All submitted proposals shall be reviewed by The Scoular Company. Please ensure your proposal includes all required information. All incomplete proposals shall be rejected. The structure of your proposal must be able to be clearly understood, all proposals shall provide the following line items and provide costs as required below:

1. Provide a total sum of all line items on the proposal.
2. Mobilization and demobilization – lump sum.
3. Material (supply), labor (install), and equipment for each line item.
4. Tamp and regulate – lump sum.
5. Performance bond (sum not less than amount of the contract as awarded) – lump sum.
6. Clean up work site to completion – lump sum.

Work Reporting

Daily work reports must be filled out and submitted to the designated Scoular representative. Weekly reports should include updates to project schedules, any delays, or any change in the scope of work. A detailed summary report must be submitted at the completion of the project.

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm, or team of firms,

to perform construction inspection services on multiple projects in various counties. Summary information for each project is provided below in Table 1.

Interested consultants must email a proposal to KDOT.DesignContracts@ks.gov by 12:00 p.m. (Central Time) June 28, 2023, to be considered for selection.

Consultant Prequalification

Consulting firms interested in providing service on any project listed below must be prequalified by KDOT in Category 241–Construction Inspection and Testing

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Projects

With this single solicitation, KDOT is requesting consulting services for construction inspections on the projects listed in Table 1. This table provides summary information for each project. One consultant will be selected to perform services associated with each group listed. Firms can express interest in the groups for which they would like to be considered by submitting a response as indicated below. There is no guarantee that a firm which has expressed interest will be selected for any project(s).

(continued)

Table 1: Summary of Project Information

Group	RT-CO	Project #	Scope, County	Anticipated Start	Working Days or CCD	Office	Comments
144	U075-089	KA-6739-01	Bridge Repair, Shawnee	July 10, 2023	80	Topeka/Emporia	This project is slated to be performed by the same contractor.
144	I470-089	KA-6733-01	Bridge Repair, Shawnee	July 10, 2023	80	Topeka/Emporia	This project is slated to be performed by the same contractor.

339	U024-097	KA-6542-01	Lighting, Thomas	September 1, 2023	20	Atwood	This project is slated to be performed by the same contractor.
339	I070-091	KA-6539-01	Lighting, Sherman	September 1, 2023	45	Atwood	This project is slated to be performed by the same contractor.
242	I070-031	KA-6773-01	Bridge Repair, Gear	July 10, 2023	CCD November 22, 2023	Junction City	KDOT will provide Project Manager
242	I070-031	KA-6062-01	Grading and Surfacing, Gear	July 10, 2023	CCD November 14, 2025	Junction City	KDOT will provide Project Manager
528	U160-096	KA-3888-01	Bridge Replacement, Sumner	July 10, 2023	210	Winfield	

Additional project information including construction scope to be inspected, a detailed description of the project location, and resources and inspection scope specifically requested from consultants in this request can be viewed in an online table at <https://ike.ksdot.gov/about/construction-inspection-rfps>. Upon publication of this Request for Proposals (RFP), KDOT anticipates each of these inspection efforts will require full teams (project manager and inspectors, as opposed to single role staff augmentation as is occasionally request) for various types of construction inspection except as noted in the table. Watch the website linked above for updated information. Tabulated information (both in this RFP and on the website) shall not be relied upon during inspections. It is provided for the convenience of consultants, specifically to aid in making decisions about which projects they are interested in performing.

Specific project needs are subject to modification and/or cancellation at KDOT's discretion.

Anticipated Consultant Scope

The scope of construction inspection services and certifications required will vary for each project and are listed in the table available on the website noted above. Inspection efforts will be managed out of the offices listed. Also included for the convenience of consultants are indications of which grouped projects are currently slated to be performed by the same contractors.

Anticipated Schedule and Key Dates

- Proposals are due by or before 12:00 p.m. (Central Time) June 28, 2023.
- Ranking of proposals is expected to occur on or around July 5, 2023. Negotiations with the most highly ranked firm are expected to begin on or around July 12, 2023. An executed agreement is anticipated shortly thereafter.
- Anticipated scope start dates and working days or anticipated calendar completion dates are shown in the table. All dates are subject to change.

Instructions for Proposal

- No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
- The consultant's proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be counted as two or more pages depending on size.
- A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to KDOT.DesignContracts@ks.gov by the proposal due date and time.
- The subject line of the email and the PDF file name must read:
 - "ConstInsp Multiple Projects_2023.06 Release FIRM NAME"
- The proposal must be accompanied by Special Attachments No. 8 ("Tax Clearance Certificate") and No. 10 ("Policy Regarding Sexual Harassment"). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.
- The outline in Table 2 below describes the expected proposal organization, content sections, and limits on number of pages.
 - Each team is limited to a single, one-page cover letter.
 - Consultants may indicate interest in any and all projects, indicate preference (s) for up to three projects, and shall both indicate interest and preferences on the "June 2023 Construction Inspections Interest & Preference Form: (available at <https://ike.ksdot.gov/about/construction-inspection-rfps>). Also, consultants are to use the

bottom of that form to indicate any capacity limitations that need to be taken into account when making selections.

- c. Thereafter, each team is limited to two pages per project in which they express interest. In these pages, consultants shall:
 - i. Describe the approach they plan to execute to deliver success on the project.
 - ii. Present the relevant qualifications and experience of the people they are proposing will provide the services.
 - iii. Provide the firm’s familiarity with KDOT and the project area.
 - d. Finally, consultants are limited to a single, on-page descriptions of general qualifications (“Past Performance” selection plus “Approach to Quality Control” section) regardless of the number of projects in which they are expressing interest.
7. Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Although not anticipated at this time, KDOT reserves the right to interview for the requested services associated with any of the listed projects prior to making final selections.

Table 2: Proposal Content

Section	Description of Intent	Page Limit
Cover Letter		1 Page
Consultant Project Interest and Preference	Fill out “May 2023 Construction Inspections Interest & Preference Form” and submit with your proposal.	1 Page
Project Approach	Describe how your firm will meet the fluctuating inspection needs of the project.	2 Pages per project in which team is interested
Qualifications and Experience	For key personnel to be assigned to the project provide names, qualifications, education, training, and expertise. Identify their area(s) of responsibility and percent of their time dedicated to the project. List work for which you do not have in-house capability and name the firm you propose to subcontract with.	
Familiarity with KDOT and Project Area	Describe team’s familiarity with KDOT’s inspection processes and standards. Describe familiarity with the project area and any identified special site conditions.	1 Page total
Past Performance	Describe team’s past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information.	
Approach to Quality Control	Describe methods or procedures your firm will use to provide all services with professional quality and technical accuracy.	

Table 3: Evaluation Factors

Evaluation Factor	Weight
The quality and completeness of the response	10%
Availability to respond to the work	20%
Qualifications and experience of project manager and other key project team members proposed for services	20%
Past performance history for similar projects/services for KDOT	20%
Understanding of the project area	10%
Understanding of KDOT contract administration and closeout procedures	20%

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Special Contract Conditions

Batch RFP.

Questions

All questions regarding this RFP shall be emailed to KDOT.DesignContracts@ks.gov.

Questions can be submitted until June 14, 2023; answers will be provided to all pre-qualified consultants on June 21, 2023.

Notice of Requested Architectural Services

Notice is hereby given of the commencement of the selection process for architectural and engineering services for Phase One of the Wichita State University Wilkins Stadium Expansion Project.

The Phase 1 expansion will include a new approximately 12,000 gsf team facility and 14,400 gsf indoor in-field facility that will be located on the West side of the stadium adjacent to the Heskett Center. The team facility will include a new locker room, coach's locker room, classroom, team room, athletic training room, staff offices, break room, work room, and team laundry room. The indoor facility will include a full indoor infield, nets for indoor batting cages, storage areas, and a small tech area to view video replay of practice and in-game replays. The project construction budget is \$7,300,000.

An architectural/engineering program is available at <http://admin.ks.gov/offices/ofpm/dcc/arch-eng-programs>. For more information contact Emily Patterson at emily.patterson@wichita.edu or 316-978-3444.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than 5 Mb and follow the current State Building Advisory Commission guidelines which can be found in Part B – Chapter 2 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/building-design-and-construction-manual-bdcm>. Paper copies and flash drives containing copies of the proposals are not required.

Proposals should be sent to professional.qualifications@ks.gov. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions, call 785-296-0749. The PDF proposal submissions shall be delivered to the attention of the State Building Advisory Commission by 2:00 p.m. on or before June 30, 2023.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, then the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Notice of Requested Architectural Programming Services

Notice is hereby given of the commencement of the selection process for architectural services for Pittsburg State University. The firm will assist the university in the development of an Architectural Building Program for a major expansion to the Tyler Research Center, home of PSU's National Institute for Materials Advancement (NIMA). The program scope will include designing and equipping a prove out facility, part of an initiative to re-shore technology-based jobs and production to the region. Testing labs, office, and other support spaces would be part of the program as well as a basic master-plan for continued, efficient development of the site and an adjacent city parcel. Requirements for the Program include project background and justification, budgets, and schedules. The Program must also include space projections, summaries, and descriptions, in addition to a discussion of the impact the additional space will have on overall campus space, including building operating costs. Additional information that the university deems necessary may also be requested. The agency retains the right to engage the selected firm for design and construction services.

For more information contact Lindell Haverstic at 620-235-4130 or lhaverstic@pittstate.edu.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should

be less than 5 Mb and follow the current State Building Advisory Commission guidelines which can be found in Part B – Chapter 2 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/building-design-and-construction-manual-bdcm>. Notice of Requested On-Call Engineering Services

Notice is hereby given of the commencement of the selection process for on-call mechanical-electrical-plumbing (MEP) engineering services for Pittsburg State University. Services are required for restricted (small) projects with a project budget of \$1,500,000 or less. Multiple firms will be selected. The contracts will be for three years with two one-year renewal options.

For more information, contact Lindell Haverstic at lhaverstic@pittstate.edu or 620-235-4130. Firms interested in providing these services should be familiar with the requirements which can be found in Part B-Chapter 4 of the Building Design and Construction Manual at the website below.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/forms-and-documents>. State of Kansas

**Wichita State University
Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University’s campus designated as the “Innovation Campus,” for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university’s educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This location would be designated for private development committed to supporting broadband infrastructure and internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU’s vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. WSU intends to lease such space for a mutually agreeable period of time, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with WSU’s educational mission and identify anticipated benefits to the university, its students, and the surrounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-AG-23-142/144

Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Perrier Feed Yard – Whirlwind John Perrier 10550 Whirlwind Rd. Dodge City, KS 67801	SE/4 of Section 25 & NE/4 of Section 36 T28S, R26W Ford County	Cimarron River Basin

Kansas Permit No. A-CIFO-C002
 Federal Permit No. KS0115711

The proposed action is to reissue an existing NPDES permit for an existing facility for 4,500 head (4,500 animal units) of cattle weighing more than 700 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Ruff Farms, Inc. Ruff Farms Feedlot 39344 SE O Rd. Hanston, KS 67849	S/2 of Section 24 T22S, R22W Hodgeman County	Upper Arkansas River Basin

Kansas Permit No. A-UAHG-C004
 Kansas Permit No. KS0085413

The proposed action is to reissue an existing NPDES permit for an existing facility for 4,950 head (4,950 animal units) of cattle weighing more than 700 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
TMC Feeders LLC dba Cutler Cattle 5010 Big Valley Dr. Scott City, KS 67871	SW/4 of Section 22 T17S, R33W Scott County	Smoky Hill River Basin

Kansas Permit No. A-SHSC-C011
 Federal Permit No. KS0087513

The proposed action is to reissue an existing NPDES permit for an existing facility for 4,900 head (4,900 animal units) of cattle weighing more than 700 pounds and 10 head (20 animal units) of horses. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Public Notice No. KS-AG-R-23-012

Per Kansas Statutes Annotated 65-171d, the following registration has been received for a proposed facility:

Name and Address of Registrant	Legal Description	County
4J Land & Cattle, LLC 1223 20th Ave. Galva, KS 67443	SE/4 of Section 32 T19S, R02W	McPherson

Public Notice No. KS-Q-23-089/092

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Hiawatha, City of 701 Oregon St. Hiawatha, KS 66434	Missouri River via North Fork Wolf Creek	Treated Domestic Wastewater

Kansas Permit No. M-MO08-0003
Federal Permit No. KS0096440

Legal Description: NE¼, SW¼, NE¼, Section 32, Township 2S, Range 17E of Brown County, Kansas

Facility Location: Latitude: 39.83642, Longitude: -95.53264

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a mechanical wastewater treatment plant consisting of: Lift station, vortex grit removal, mechanical screen, extended aeration activated sludge Aero-Mod system, UV disinfection, sludge belt filter press, and effluent reuse for golf course irrigation. The facility receives domestic wastewater from residential and commercial areas and industrial wastewater from local manufacturers. The proposed permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, pH, Ammonia, and E. coli; as well as monitoring for Total Phosphorus, Nitrates + Nitrites, Total Kjeldahl Nitrogen, and Total Nitrogen. Permittee has received a Consent Order Case Docket No. 21-E-036 BOW from KDHE. Permittee shall implement the requirements of the Consent Order and any amendments or replacements thereto. The final effluent limits shall be effective September 1, 2025.

Name and Address of Applicant	Receiving Stream	Type of Discharge
La Harpe, City of PO Box 10 La Harpe, KS 66751	Elm Creek via unnamed tributary via constructed wetlands	Treated Domestic Wastewater

Kansas Permit No. M-NE39-0002
Federal Permit No. KS0094251

Legal Description: NE¼, SW¼, Section 34, Township 24S, Range 19E of Allen County, Kansas

Facility Location: Latitude: 37.91281, Longitude: -95.31094

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a three-cell wastewater stabilization lagoon system with a minimum of 120 days detention time. The facility receives domestic wastewater from residential and commercial areas and leachate from a local solid waste landfill. The detention time at design flow is 121 days. The proposed permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, and Ammonia; as well as monitoring for pH, E. coli, Total Phosphorus, Nitrates + Nitrites, Total Kjeldahl Nitrogen, and Total Nitrogen.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Oswego, City of PO Box 210 Oswego, KS 67356	Labette Creek via unnamed tributary	Treated Domestic Wastewater

Kansas Permit No. M-NE53-0001
Federal Permit No. KS0047554

Legal Description: S½, NW¼, Section 20, Township 33S, Range 21E of Labette County, Kansas

Facility Location: Latitude: 37.15878, Longitude: -95.13577

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a three-cell wastewater stabilization lagoon system with a minimum of 120 days detention time and performs disinfection of effluent for irrigation of the local golf course. The facility receives domestic wastewater from residential and commercial areas. The detention time at design flow is 209 days. The proposed permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, and Ammonia; as well as monitoring for pH, E. coli, and Total Phosphorus.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Parsons, City of PO Box 1037 Parsons, KS 67357	Neosho River via Labette Creek	Treated Domestic Wastewater

Kansas Permit No. M-NE55-0002
Federal Permit No. KS0097560

Legal Description: SE¼, SW¼, Section 29, Township 31S, Range 20E of Labette County, Kansas

Facility Location: Latitude: 37.31247, Longitude: -95.24248

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a mechanical wastewater treatment plant consisting of: Headworks, Aeration Basins (2), Final Clarifiers (2), Aerobic Digesters (2), Sludge Holding Tanks, Belt Filter Press, Peak Flow Pump Station, Peak Wet Weather Flow Holding Basins, UV Disinfection, Reaeration, and Septage Receiving Station. The facility receives domestic wastewater from residential and commercial areas and industrial wastewater from local manufacturers. The proposed permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, pH, Ammonia, E. coli, Dissolved Oxygen, and Total Phosphorus; as well as monitoring for Total Phosphorus, Nitrates + Nitrites, Total Kjeldahl Nitrogen, and Total Nitrogen.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before July 15, 2023, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-23-142/144, KS-AG-R-23-012, KS-Q-23-089/092) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

(continued)

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione, Section Chief, Livestock Waste Management Section at the KDHE Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Mirina Landry at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at kdhe.feedlots@ks.gov. For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Neal Niceswanger, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-6804 or email at Neal.Niceswanger@ks.gov. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Doc. No. 051225

State of Kansas

Department of Health and Environment

Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Southern Star Central Gas Pipeline, Inc. has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Southern Star Central Gas Pipeline, Inc., 4700 State Route 56, Owensboro, KY 42301, owns and operates a natural gas transmission facility located at Section 11, Township 17 South, Range 16 West, Otis, Rush County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bu-

reau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Northwest District Office, 2301 E. 13th St., Hays, KS 67601. To obtain or review the proposed permit and supporting documentation, contact Cathy Richardson, 785-296-1947, at the central office of the KDHE or Byron Dotson, 785-261-6117, at the Northwest District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Cathy Richardson, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, July 17, 2023.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Cathy Richardson, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, July 17, 2023, in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, phone 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Kansas City Board of Public Utilities – Kaw has applied for

a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Kansas City Board of Public Utilities – Kaw, 4240 N. 55th St., Kansas City, KS 66104, owns and operates electric power generation facility located at 2015 Kansas Ave., Kansas City, KS 66105.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the UGPHD Division of Air Quality, 619 Ann Ave., Kansas City, KS 66101. To obtain or review the proposed permit and supporting documentation, contact Cathy Richardson, 785-296-1947, at the central office of the KDHE or Ryan Bowles, 913-573-6700, at the UGPHD Division of Air Quality. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Cathy Richardson, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, July 17, 2023.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Cathy Richardson, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, July 17, 2023, in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, phone 913-551-7960, to determine

when the 45-day EPA review period ends and the 60-day petition period commences.

Notice of Hearing

The Kansas Department of Health and Environment (KDHE), Division of Environment, Bureau of Air, will conduct a public hearing at 5:00 p.m. Tuesday, August 1, 2023,

at the Newton Public Library, Bessmer Meeting Room, 720 N. Oak, Newton, KS 67114, to consider the proposed Title V Operating Permit Renewal for Mid Continent Cabinetry, 831 S. Columbus, Newton, KS 67114.

All interested parties will be given a reasonable opportunity to present their views orally during the hearing. In order to give all parties an opportunity to speak, it may be necessary to limit any oral presentation to five minutes.

A copy of the proposed permit may be obtained by contacting Cathy Richardson at 785-296-1947 or Cathy.Richardson@ks.gov. A copy may also be viewed online and at the following district office:

- <https://keims.kdhe.ks.gov/nsuite/ncore/external/publicnotice/search>
- KDHE South Central District Office, 300 W. Douglas, Suite 700 Wichita, Kansas

Questions about this proposed permit should be directed to Cathy Richardson at 785-296-1947 or Cathy.Richardson@ks.gov. Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed permit in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Cathy Richardson at 785-296-1947.

Secretary

Department of Health and Environment

Doc. No. 051126

State of Kansas

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Thursday, July 6, 2023, in the offices of the Kansas Development Finance Authority (K DFA), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the K DFA to issue its Agricultural Development Revenue Bonds for the projects numbered below in the respective maximum principal amounts. The bonds will be issued to assist the borrowers named below (who will be the owners and operators of the projects) to finance the cost in the amount of the bonds, which are then typically purchased by a lender bank who then, through the K DFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

Project No. 001116 Maximum Principal Amount: \$64,300. Owner/Operator: Shawn R. and Stacy L. McGrath; Description: Acquisition of 13.3 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the “Project”). The Project is being financed by the Lender for Shawn R. and Stacy L. McGrath (the “Beginning Farmer”) and is located in the Northeast Quarter of Section 18, Township 2, Range 7, Marshall County, Kansas, approximately 2½ miles north and 2 miles west of Marysville, Kansas.

(continued)

Project No. 001117 Maximum Principal Amount: \$200,000. Owner/Operator: Austin A. Holthaus; Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Austin A. Holthaus (the "Beginning Farmer") and is located in the Southeast Quarter of Section 5, Township 4 South, Range 11 East in Nemaha County, Kansas, approximately 4 miles west of Centralia, Kansas at the intersection of Highway 9 and County Road C.

The bonds, when issued, will be a limited obligation of the K DFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the K DFA, nor will they be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bonds will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

Interested individuals may participate in the public hearing in person or via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bonds to finance the projects, and all written comments previously filed with the K DFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, KS 66603, will be considered. Additional information regarding the projects may be obtained by contacting the K DFA.

Rebecca Floyd
President

Kansas Development Finance Authority

Doc. No. 051236

(Published in the Kansas Register June 15, 2023.)

City of Goddard, Kansas

Notice of Intent to Seek Private Placement

\$1,720,000

General Obligation Bonds

Series 2023-A

Notice is hereby given that City of Godard, Kansas (the "Issuer") proposes to seek a private placement of the above-referenced bonds (the "Bonds"). The maximum aggregate principal amount of the Bonds shall not exceed \$1,720,000. The proposed sale of the Bonds is in all respects subject to approval of a bond purchase agreement between the Issuer and the purchaser of the Bonds and the passage of an ordinance and adoption of a resolution by the governing body authorizing the issuance of the Bonds and the execution of various documents necessary to deliver the Bonds.

Dated June 5, 2023.

Office of the Governor

Executive Directive No. 23-571
 Authorizing Personnel Transactions

(Editor's Note: The attachments referred to in this directive may be obtained by contacting the Secretary of State's Office at 785-296-2034.)

By virtue of the authority vested in the Governor as the head of the Executive Branch of the State of Kansas, the following transactions are hereby authorized:

The Kansas Civil Service Pay Plan that took effect on June 12, 2022, is hereby modified and the new pay matrix for the classified service is hereby adopted, effective June 11, 2023. The pay plan is modified to the extent provided for in the rules and regulations promulgated by the Secretary of Administration under the authority of K.S.A. 75-3706 or as hereafter modified by executive directives, and such modifications may be effective on the date of the rules and regulations or executive directives in accordance with K.S.A. 75-2938. The two attached pay matrices are hereby incorporated in and made part of the executive directive. No employee may be moved to Step 23 or Step 24 unless authorized to do so by executive directive or as otherwise approved by the Director of Personnel Services.

The request of Kraig Knowlton, Director of Personnel Services, to assign the following job classifications to the pay grades set out below and place benefits-eligible employees on the same step of the new pay grade as the step to which they are assigned in the current pay grade is hereby approved, effective June 11, 2023.
