**Department of Administration
Office of Facilities and Property Management****Notice of Commencement of Negotiations
for Construction Manager At-Risk Services**

Notice is hereby given of the commencement of negotiations for construction management at-risk services for the Wichita State University (WSU) Marcus Welcome Center addition and interior finish upgrade. This project will bring together the Office of Industry Engagement and Applied Learning and the Career Development Center within an addition to the Marcus Welcome Center on the north end of campus. Locating these services alongside the admissions team will highlight the importance of applied

learning and career development to prospective students at the beginning of their higher education journey. The approximately 8,000 gross square foot addition will create a new entry point on the south side of the building and will provide a connection to the Innovation Campus and pedestrian mall. The project also includes an interior finish refresh of the public areas of the building (reception/lobby/lecture theater) as well as opening the corridor outside of the existing event rooms to create a "history walk" to feature WSU artifacts from the WSU Alumni Center collection. The estimated construction budget is \$2,920,000.

The Construction Manager At-Risk (CMAR) will provide services for both the pre-construction phase and the construction phase including: program evaluation and consultation; cost estimating, scheduling, constructability reviews and value engineering studies; procurement of equipment, prequalify subcontractors, and take bids; review bids with the design team and owner for the determination of bids to accept; prepare cost estimate(s) for the unbid portion(s); provide a Guaranteed Maximum Price (GMP) for the cost of the work and construction schedule; manage construction and track all construction costs for the design team and owner's review.

To be considered for nomination to interview, the proposed CMAR Team proposals must show (1) up-to-date, relevant, and demonstrated successful similar project experience; (2) experience in CMAR delivery system; (3) references from design professionals and owners from previous projects; (4) description of the construction manager project management approach; (5) financial statements; and (6) bonding capacity.

Questions about the proposed scope of services should be submitted to Emily Patterson at 316-978-5829 or email at emily.patterson@wichita.edu. An architectural/engineering program is available at <https://admin.ks.gov/offices/facilities-property-management/design-construction-compliance/architectural-engineering-programs>.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051 through 054, inclusive, and information regarding similar projects. Forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction-compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should follow the current State Building Advisory Commission guidelines for Phase I of the Construction Management at Risk process, which can be found in Part B – Chapter 7 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction-compliance/building-design-and-construction-manual-bdcm>.

Proposals should be sent to professional.qualifications@ks.gov. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions, please call 785-296-0749. The PDF proposal submissions shall be delivered to the attention of Randy Riveland by 2:00 p.m. on or before March 18, 2022.

Governmental Ethics Commission

Opinion No. 2022-01

Written February 23, 2022, to Lee W. Hendricks, Stumbo Hanson, LLP, 2887 SW MacVicar Ave., Topeka, KS 66611.

Synopsis: A lease agreement in which a local governmental officer is the tenant is not a substantial interest in the landlord.

Cited herein: K.S.A. 75-4301a, 75-4302a, 75-4303a, and Opinions 2008-11, 2010-06, 2011-04.

Dear Mr. Hendricks,

In response to your January 21, 2022, letter request, this opinion is provided by the Kansas Governmental Ethics Commission (commission), concerning application of the local conflict of interest laws, K.S.A. 75-4301a *et seq.* The commission's jurisdiction is limited to applicability of this law. This opinion, provided pursuant to K.S.A. 75-4303a(a), does not address whether some other statutory system, common law theory, agency rule or regulation applies to your inquiry.

Factual Statement

We understand that your firm requests this opinion as counsel for the City of Edgerton. Your letter provides the following facts regarding a conflict based upon the relationship a member of the city council has with their landlord, Hillsdale Land & Cattle, LLC ("Hillsdale"):

Northpoint Development ("Northpoint") is an industrial property developer and has been a partner with Edgerton in the growth and expansion of Logistics Park Kansas City. Northpoint would best be described as the master developer of Logistics Park, and is a party to two master development agreements with the City. Northpoint would best be described as the master developer of Logistics Park, and is a party to two master development agreements with the City. Northpoint has numerous subsidiary companies, some of which own properties in and around the City of Edgerton. One of those subsidiaries is Hillsdale. The city has had very few agenda items requiring a vote involving Hillsdale specifically, but did vote on a request from the entity to annex and rezone a property into the City limits in December of 2020. That was prior to the tenancy at issue, and it is worth noting that the councilmember involved in this request voted against Hillsdale's requests. The City does however have numerous agenda items annually which involve Northpoint.

The allegation is that due to the one-year, written lease the councilmember has with Hillsdale, he should [... file] notice of a substantial interest involving Hillsdale/Northpoint and should [...abstain] from voting on any matters involving both entities. [...The] lease [...] is a one-year lease and includes an anti-assignment, non-sublease clause.

The councilmember has not received any financial benefit from the lease. The councilmember doesn't have any ownership interest in either business, isn't compensated

by either business, and isn't a partner, director, or officer of either business.

Questions

1. Does the councilmember have a substantial interest in Hillsdale?
2. If so, would the substantial interest extend to Northpoint?
3. Does a substantial interest bar the councilmember from voting on non-contractual matters involving Hillsdale or Northpoint?

Analysis and Opinion

Edgerton, Kansas, is a "governmental subdivision" and a member of its council is a "local governmental officer." K.S.A. 75-4301(f), 75-4301(d). The councilmember in question is subject to the requirements of the local level conflict of interest laws, K.S.A. 75-4301, *et seq.*

Substantial interests, as provided in K.S.A. 75-4301a(a)(1)-(a)(5), subject to thresholds and other limitations, require that the councilmember: (1) have a pecuniary interest in a business, (2) receive compensation from a business or combination of businesses, (3) receive goods or services without reasonable and valuable consideration, (4) hold a position in a business, or (5) receive compensation which is a portion or percentage of a fee or compensation to a business. The facts do not provide a basis for the councilmember to have a substantial interest in Hillsdale or its parent Northpoint. The facts only reveal a lease agreement between Hillsdale and the councilmember in which the latter is the tenant. The lease agreement prohibits subleasing. The tenant does not receive compensation, goods and services without reasonable consideration, or a portion of fees or commissions paid to Hillsdale or Northpoint. The tenant does not hold a position or pecuniary interest in Hillsdale or Northpoint.

Without a substantial interest in Hillsdale or Northpoint, the third question is moot. However, the commission has addressed the issue in prior opinions, including Opinion 2008-11 (ordinance), Opinion 2010-06 (special use permit) and Opinion 2011-04 (building permit).

Sincerely,

Nicholas Hale, Chairman
By Direction of the Commission
