Notice of Requested Architectural
Programming Services

Notice is hereby given of the commencement of the selection process for architectural programming services for Kansas State University. The firm will assist the university in the development of programming for capital projects. These capital projects may include buildings,

utilities, infrastructure, site work/landscaping, etc. Minimum requirements for programs include background and justification, project budgets, and project schedules. For new building construction or major renovations to buildings, the programs must also include space projections, space summaries, space descriptions, a discussion of the impact the additional space will have on overall campus space, and new building operating costs and the proposed source of funding for such operating costs (or a statement that such will not be requested). Additional information that the university deems necessary may also be requested. The contract will be for three years.

For more information, contact Rosanna Carvalho at 785-532-1732 or rcarvalho@ksu.edu.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction-compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than 5 Mb and follow the current State Building Advisory Commission guidelines which can be found in Part B – Chapter 2 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction-compliance/building-design-and-construction-manual-bdcm>. Paper copies and flash drives containing copies of the proposals are not required.

Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions, call 785-296-0749. The PDF proposal submissions shall be delivered to the attention of Randy Riveland by 2:00 p.m. on or before September 23, 2022.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Notice of Requested "On-Call" Engineering Services

Notice is hereby given of the commencement of the selection process for "on-call" mechanical-electrical-plumbing engineering services for the Kansas Adjutant General's Department. Services are required for restricted (small) projects with a project budget of \$1,000,000 or

less. Up to three firms will be selected. The contracts will be for three years.

For more information, contact Chris Hargis at christopher.m.hargis.mil@army.mil, phone 785-646-0730. Firms interested in providing these services should be familiar with the requirements which can be found in Part B-Chapter 4 of the Building Design and Construction Manual at the website below.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than 5 Mb and follow the current State Building Advisory Commission guidelines which can be found in Part B – Chapter 2 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/building-design-and-construction-manual-bdcm>. Paper copies and flash drives containing copies of the proposals are not required.

Proposals should be sent to professional.qualifications@ks.gov. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions, call 785-296-0749. The PDF proposal submissions shall be delivered to the attention of Randy Riveland by 2:00 p.m. on or before September 23, 2022.

Kansas Housing Resources Corporation

Notice of Hearing

Kansas Housing Resources Corporation (KHRC) will conduct a virtual public hearing to receive comments on the draft copy of the Weatherization Assistance Program Bipartisan Infrastructure Law (WAPBIL) State Plan. The draft plan can be found on KHRC’s website at <https://kshousingcorp.org/homeowners/weatherization-assistance>, near the bottom of the page under documents and forms. The WAPBIL State Plan is very similar to the 2022 annual plan with regard to policies and procedures, but revisions have been made to add Southeast Kansas Community Action Program (SEKCAP) as a subrecipient. This hearing shall serve as the opportunity to re-

ceive public comment on the additional of SEKCAP per 10 CFR 440. Instructions and requirements of the WAP State Plan Application can be found at <https://www.energy.gov/eere/wap/articles/weatherization-program-notice-bil-22-1-and-22-2>.

This public hearing will be held virtually at 2:00 p.m. September 20, 2022 at <https://msteams.link/BEI8>. You may use your device’s audio or call 1-785-422-9949 with access code: 106997897# Comments and suggestions received will become part of the public record. Additionally, written comments may be submitted on the plan. All written comments must be received by noon on September 20, 2022. Please address comments to Scott Kuhn, Senior Weatherization Program Manager, at skuhn@kshousingcorp.org.

If you are in need of a sign language interpreter, large print, or other material for accommodations to participate in this meeting, you must notify KHRC at least one week prior to the meeting. Requests may be addressed to the Weatherization Program, KHRC, 611 S. Kansas Ave., Suite 300, Topeka, KS 66603-3803, by telephone at 1-800-752-4422, or via the Kansas relay service.

Division Director

Doc. No. 050480

State of Kansas

**Department of Agriculture
Division of Water Resources**

Notice of Hearing

Pursuant to K.S.A. 82a-1041, the Western Kansas Groundwater Management District No. 1 (GMD No. 1) has requested the designation of the Four County Local Enhanced Management Area (Four County LEMA) in a designated area in Greeley, Lane, Scott, and Wallace counties within the boundaries of GMD No. 1. The plan for the proposed designation of the Four County LEMA was previously submitted to the chief engineer by GMD No. 1 and was found to be acceptable for further consideration.

Therefore, the chief engineer has scheduled an initial public hearing pursuant to K.S.A. 82a-1041. The hearing will be held at 9:00 a.m. (CDT) October 17, 2022, at the William Carpenter Building, Scott County Fairgrounds, 608 N. Fairground Rd., Scott City, Kansas. A secondary location with virtual access to the hearing will also be available at Risen King Community Church, 504 Chesley Ave., Weskan, Kansas. The hearing will continue as long as is necessary for a full disclosure of relevant facts. If a full disclosure of relevant facts cannot be achieved on October 17, 2022, the hearing will continue on a future date that allows adequate notice to be given as required by K.S.A. 82a-1041.

The chief engineer has also scheduled a pre-hearing conference to take place prior to the hearing. The pre-hearing conference will be held virtually via Zoom at 10:00 a.m. (CDT) September 27, 2022. Members of the public who wish to attend the prehearing conference must pre-register. A link to pre-register is located at <http://www.agriculture.ks.gov/FourCountyLEMA> and

(continued)

can also be obtained by contacting Ronda Hutton at 785-564-6715 or ronda.hutton@ks.gov. The chief engineer may complete the hearing without the participation of any party who fails to participate in the pre-hearing conference, the hearing, or any other stage of the proceedings. At this time, the formal parties to the hearing are the Kansas Department of Agriculture's Division of Water Resources, 1320 Research Park Dr., Manhattan, KS 66502 and GMD No. 1, 906 W. 5th, PO Box 604, Scott City, KS 67871.

At the hearing, the chief engineer will serve as the hearing officer. The hearing will be conducted pursuant to K.S.A. 82a-1041, K.A.R. 5-19-3, and K.A.R. 5-19-5 and will determine whether one or more of the circumstances specified in K.S.A. 82a-1036(a) through (d), and amendments thereto, exist within the boundaries of the proposed LEMA; whether the public interest of K.S.A. 82a-1020, and amendments thereto, requires that one or more corrective control provisions be adopted; and whether the geographic boundaries of the proposed LEMA are reasonable. If the chief engineer's findings as to all of these factors are favorable, then the chief engineer will hold a subsequent public hearing as required by K.S.A. 82a-1041, at a future date that allows adequate notice to be given as required by that statute.

Anyone may submit written or oral comments to be included in the hearing record. Oral comments will be accepted only from in-person attendees at the hearing locations in Scott City, Kansas and Weskan, Kansas. Written comments may be submitted at the public hearing, at either location, or sent to the Four County LEMA, c/o Ronda Hutton, 1320 Research Park Dr., Manhattan, KS 66502; faxed to 785-564-6777; or emailed to ronda.hutton@ks.gov. Written comments may be submitted until October 27, 2022 and must be postmarked by that date. After that date, the chief engineer will close the record of the initial hearing and will determine whether a subsequent hearing to consider the designation of the Four County LEMA should be held.

A copy of the proposed Four County LEMA plan and related documents are available at <http://www.agriculture.ks.gov/FourCountyLEMA>. Interested members of the public are encouraged to attend the public hearing.

State of Kansas

Department of Health and Environment

Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Chanute Municipal Power Plant #2 has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each

source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Chanute Municipal Power Plant #2, PO Box 907, 1415 N. Garfield, Chanute, KS 66720, owns and operates a facility that provides electric services located at 1415 N. Garfield, Chanute, Neosho County, KS 66720.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southeast District Office, 308 W. 14th St., Chanute, KS 66720. To obtain or review the proposed permit and supporting documentation, contact Cathy Richardson, 785-296-1947, at the central office of the KDHE or Ryan Jack, 620-860-7325, at the Southeast District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Cathy Richardson, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, October 10, 2022.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Cathy Richardson, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, October 10, 2022, in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-AG-22-220

Application(s) for New or Expansion of Existing Swine Facilities

Nemaha County

Kansas River Basin

Kansas Permit No. A-KSNM-S038

The proposed action is to reissue an existing state permit for an existing facility for 2,490 head (996 animal units) of swine more than 55 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant **Legal Description** **Receiving Water**

D&L Farms
D&L Partnership
13305 Road Z
Colby, KS 67701

SW/4 of Section 05
T05S, R23W
Norton County

Solomon River Basin

Kansas Permit No. A-SONT-B007

The proposed action is to reissue an existing state permit for an existing facility for 999 head (999 animal units) of cattle more than 700 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant **Legal Description** **Receiving Water**

Dale Haverkamp
2100 96th Rd.
Goff, KS 66428

NW/4 of Section 04
T04S, R14E
Nemaha County

Kansas River Basin

Kansas Permit No. A-KSNM-S032

The proposed action is to reissue an existing state permit for an existing facility for 2,400 head (960 animal units) of swine more than 55 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant **Legal Description** **Receiving Water**

KRB Pork, Inc.
4th and Jade Rd.
Palmer, KS 66962

SE/4 of Section 10
T05S, R02E
Washington County

Lower Republican River Basin

Kansas Permit No. A-LRWS-H007
Federal Permit No. KS0094956

The proposed action is to approve an update to the Nutrient Management Plan (NMP) received for this existing facility currently permitted for 8,000 head (3,200 animal units) of swine weighing more than 55 pounds. The facility’s NMP was updated to include changes in the application rate limitations for their fields. One of the field’s application rate limitation became less restrictive than the previous permit. There are no changes to the permit or in the permitted number of animal units. Only the updated portion of the Nutrient Management Plan is subject to comment. This facility has an approved Nutrient Management Plan on file with KDHE.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before October 8th, 2022, will be considered in the formulation of the final determination regarding this public

notice. Please refer to the appropriate Kansas document number (KS-AG-22-220/232) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Paige Drury, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Michael Beezhold at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Mirina Landry at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at kdhe.feedlots@ks.gov. For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Neal Niceswanger, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-6804 or email at Neal.Niceswanger@ks.gov. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Doc. No. 050488

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking qualified consulting firms or teams of firms to perform professional services for the FY27 Priority Bridge Replacement Program (PBRP). Summary information for each project included in the program is provided in Table 1 with additional information available in the file entitled "FY27 PBRP.xlsx" which can be found at the location linked below Table 1.

Interested consultants must email a proposal to KDOT.DesignContracts@ks.gov by 12:00 p.m. (CDT) September 28, 2022, to be considered for selection.

Consultant Prequalification

Consulting firms interested in providing service on a given project must be prequalified by KDOT in one of each of All the following category bullets:

- 211 Highway Design–Major Facility OR 212 Highway Design–Minor Facility (see "FY27 PBRP.xlsx") and
- 221 Non-Standard Span Bridge Design OR 222 Standard Span Bridge Design (see "FY27 PBRP.xlsx") and
- 231 Traffic Control Analysis and Design and
- 301 Land Surveying and

- 302 Engineering Surveying and
- 336 Right of Way Services

In addition, consultants hoping to execute projects which will begin at Discovery Phase must be prequalified in Category 201 Location and Design Concept Studies/Corridor Studies.

If a firm is not currently prequalified by KDOT in a required category, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Pre-Qualification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Project

As part of KDOT's annual preservation program, the agency selects and commences design for the replacement of a number of bridges. Design for some of those bridges is handled in-house; design for other bridges is solicited to consultants. With this single solicitation, KDOT is requesting consulting services for the latter subset of projects which are programmed to be let for construction in FY27.

Table 1 provides basic information for each project included in the FY27 PBRP. Firms can express interest in the projects for which they would like to be considered by submitting responses for each as indicated below. There is no guarantee that a firm which has expressed interest will be selected for any project.

Table 1: Summary of Project Information

Rt-Co	Project #	County	Br #*	Project Letting**	Location	Feature Crossed	Feature Carried
68-30	KA-6723-01	Franklin	076	Fall	38.6229, -95.0705	Turkey Creek	K-68 Hwy.

70-105		Wyandotte	290	Discovery	39.1028, -94.6213	Railroad Yard	I-70 EB on RP 3-E

* For clarity, "BR #" is short hand for "bridge serial number."

** If "Project Letting" field on a project states "Discovery," it means that KDOT intends to select a consultant to provide Discovery Phase services only (at this time) but could add subsequent phases to the selected consultant's scope (at KDOT's discretion). KDOT anticipates these will be significant and more complex discovery efforts.

*** For BR/serial #039, the selected consultant shall only provide bridge design services (KDOT will perform highway design for that bridge).

Additional project information including "FY27 PBRP. xlsx," bridge inspection reports, and old plans can be accessed at <https://bit.ly/FY27-PBRP>. Tabulated information shall not be relied upon in design. It is being provided for the convenience of consultants, specifically to aid in their decision making about which projects they are interested in executing.

Anticipated Consultant Scope

The scope of services required will vary for each project and may include Survey Services, Right of Way Services, Discovery Phase Services, Preliminary Design Services, Final Design Services, Environmental Documentation Preparation (Permitting). Initial agreements will be signed for the first required phase of each project. Subsequent phases of any particular project may be added to the selected consultant's scope via supplemental (at KDOT Secretary's discretion), are not guaranteed to progress to subsequent phases, and may be resolicited (at KDOT Secretary's discretion).

Depending on the project, KDOT anticipates some variation of the following will be included in the selected consultant's scope: land and engineering survey to support right of way development, bridge type selection, bridge design, road design, traffic engineering, hydrology/hydraulics, designer construction services, and permitting assistance for some projects. Current expectations for consultant scope and what will be provided by KDOT are detailed below. The scope included herein may not be all-inclusive and is subject to change. A scoping meeting will take place for each project after consultant selection is made.

Project Management

- Develop and communicate Project Management Plan and Quality Assurance Plan.
- Perform quality control checks according to Quality Assurance Plan.
- Provide electronic plan files compliant with KDOT Graphic Standards Manual, including CAD conformance checks and ControlCAD indexed DGN files with ProjectWise attributes.
- Provide bi-annual construction cost estimates and at major project milestones.

Road Design

- Discovery Phase (for projects listed as beginning at that phase).
- Develop plans to Materials and Research.
- Building of the existing right of way.
- Develop Preliminary Plans to Field Check.
- Perform roadway geometric design, drainage design, and roadside safety analysis. Note that, in most cases:
 - The existing horizontal and vertical alignments will be utilized for the proposed condition in most cases.
 - Retaining the existing typical section of the roadway will be a priority so that no new right of way (including temporary easements) will need to be acquired.
- Visit the project site location.

Survey and Right of Way

- Provide a full survey including structures in the existing right of way. The deliverables shall incorporate the full project including the roadway and bridge surveys and will be provided in the Kansas Regional Coordinate System.
- Establish and determine impacts to right of way and utilities.
- Based upon consultant's field survey data and historical KDOT project information, consultant shall establish and compile into a right of way strip map the positions and locations of the existing highway right of way and property lines for the ownership adjacent thereto. Consultant shall perform these activities using coordinate geometry and Bentley Open Site Designer.
- Visit the project site location.

Bridge Design

- For some projects, the consultant will propose and evaluate different (e.g.: skewed) framing layouts for review and acceptance by the KDOT Bridge Office. Focus shall be to minimize disruption to the site and facilitate efficient construction to minimize closures.

(continued)

- In most cases, the proposed structure will need to match the existing structure’s geometry (vertical, horizontal, and cross-slope). The proposed structure will need to preserve existing vertical clearance windows for feature(s) crossed.
- Bridge hydraulics for stream crossings.
- Develop Preliminary Plans to Field Check for the replacement.

Traffic Engineering

- Development of Traffic Management Plan, including coordination with the local government and KDOT office.
- Develop permanent signing and pavement marking plans.
- Develop Traffic Control Plans.
- Traffic Modeling may be required for projects which begin at Discovery Phase but likely will be performed by KDOT for projects not listed as such. See below for how Traffic Forecasting will likely be handled.

Activities to be performed by KDOT include:

- Traffic forecasting data will be provided by KDOT.
- Environmental Services, including lead paint testing and permit application.
 - Note: Technical data to support these activities will be required from the consultant immediately after field check.
- Permits will include NPDES – Storm Water Runoff Permit in which KDOT will require from consultant:
 - Total project site area in acres.
 - Total disturbed area in acres (from Seeding Plans).
 - Impervious area in square feet (existing and proposed).
 - Above information needs to be provided by consultant (90) days prior to letting.
- Utility coordination, if required.
- Geology and geotechnical services including soil investigations, bridge foundation geology, pavement field investigation and design, and surfacing recommendations.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (CDT) September 28, 2022
2. Ranking of proposals is expected to occur on or around October 28, 2022. Negotiations with the most highly ranked firm are expected to begin on or around November 4, 2022. An executed agreement is anticipated around December 14, 2022.
3. The program fiscal year for this project is FY27 July 2026–June 2027.

These projects must be let in Fiscal Year 2027; therefore the design activities must be scheduled to deliver complete plans between July 2026 and December 2026. Approximate letting timeframes are provided in the table above. These projects may follow an accelerated delivery schedule with some submittals required earlier than a typical KDOT design project to meet the letting requirements.

Note: If the table indicates letting may happen “Anytime”, it shall be understood that KDOT anticipates no

construction will occur during the winter months on these projects.

All dates are subject to change.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed the page limit laid out in Table 2 below (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages, depending on size.
3. A single PDF (5MB maximum size) of the proposal including all attachments must be emailed to KDOT.DesignContracts@ks.gov by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
 - a. “KDOT FY27 Priority BR Rplcmt_FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.
6. The outline in Table 2 below describes the expected proposal organization, content sections, and limits on number of pages.
 - a. Each team is limited to a single, one-page cover letter and a single page of general qualifications (“Past Performance” section plus “Familiarity with KDOT and Project Area” section) regardless of the number of projects in which they are expressing interest.
 - b. Consultants may indicate interest in any and all projects and indicate preference(s) for up to three projects and shall do so on the “FY27 Priority Bridge Replacement Program Interest and Preference Form” (available at <https://bit.ly/FY27-PBRP>).
 - c. Thereafter, each team is limited to two pages per project in which they are expressing interest. In these pages, consultants shall:
 - i. Describe the approach they plan to execute to deliver success on the project.
 - ii. Present the relevant qualifications and experience of the people they are proposing will provide the services.
7. Table 3 lists the evaluation criteria and associated weights which will be used by KDOT when making selections.

Table 2: Proposal Content

Section	Description of Intent	Page Limit
Cover Letter		1 Page

Past Performance	Describe team’s past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information.	1 Page
Familiarity with KDOT and Project Area	Describe team’s familiarity with KDOT’s design process and standards. Describe familiarity with the project area and any special conditions.	
Consultant Project Interest and Preference	Fill out “FY27 Priority Bridge Replacement Program Interest and Preference Form” and submit with your proposal.	1 Page
Project Approach	Demonstrate a unique approach to accomplish the design efficiently and to a high standard. Include cost-effective and optimized solutions to address the anticipated improvements in the design and your plan for addressing any anticipated project constraints. Include unique qualifications or experience related to the project approach.	2 Pages (PER PROJECT IN WHICH TEAM IS INTERESTED)
Approach to Schedule	Describe the approach to accomplish the scope of services within the schedule requirements. Include anticipated key milestone dates and availability of staff.	
Approach to Quality Control	Describe methods or procedures your firm will use to provide all drawings, reports and other services with professional quality and technical accuracy.	
Qualifications and Experience	For key personnel to be assigned to the project provide names, office location, qualifications, education, training, and expertise. Identify their area(s) of responsibility and percent of their time dedicated to the project. List work for which you do not have in-house capability and name the firm with which you propose to subcontract.	

Table 3: Evaluation Factors

Evaluation Factor	Weight
Qualifications and experience of project manager and other key project team members proposed for services	25%
Understanding of project constraints and technical approach	25%
Approach and commitment to meet advertised schedule	15%
Past performance history for similar projects/services for KDOT	20%
Understanding of the project area	15%

Contract Terms and Conditions

KDOT anticipates that each project will be contracted separately. A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Questions

All questions regarding this Request for Proposals shall be emailed to KDOT.DesignContracts@ks.gov.

Questions can be submitted until September 15, 2022; answers will be provided to all prequalified consultants on September 21, 2022.

Marcia Turner, P.E., Contracts Manager
Division of Engineering and Design

Doc. No. 050501

State of Kansas

Department of Transportation

Request for Qualifications

The Kansas Department of Transportation (KDOT) will release a Request for Qualifications (RFQ) Thursday, August 25, 2022, for the De Soto Local Roadway Improvements progressive design-build project. The RFQ will be available on the project website at <https://desoteroadimprovements.ksdotike.org>.

Prospective design-build teams must submit their Statement of Qualifications (SOQs) by 2:00 p.m. (CDT) Thursday, September 22, 2022. The SOQ presents, in general terms, the progressive design-build teams’ qualifications for the project. KDOT will evaluate the SOQs and announce the shortlisted teams by Thursday, October 6, 2022.

KDOT will use a two-step process to select a progressive design-build team. This RFQ to solicit SOQs is the first step KDOT will use to evaluate which teams are most qualified to successfully deliver the project. KDOT will shortlist up to four teams based on the SOQs. The second step, a Request for Proposals (RFP), is anticipated to be released by KDOT to the shortlisted teams Friday, October 7, 2022. It is anticipated that shortlisted teams will submit Proposals by 2:00 p.m. (CDT) Friday, November 4, 2022 for KDOT’s evaluation and that KDOT will select a winning team Friday, November 18, 2022.

The De Soto Local Roadway Improvements project is located generally along the existing footprint of 103rd Street between Evening Star Road and the Lexington Avenue/K-10 interchange and includes approximately one mile of the section on Main Avenue from 103rd Street south to the new Panasonic Energy Company electric vehicle battery manufacturing facility. The roadway is currently a two-lane asphalt roadway. The project will upgrade the roadway to approximately 4.5 miles of new, divided 4-lane roadway with curb and gutter, as well as sidewalks, on-street bike lanes, and a shared-use path. Additionally, the project includes intersection improvements at Evening Star Road, Edgerton Road, and Main Avenue.

If you are interested in submitting a Statement of Qualifications, please examine the RFQ posted on the project website August 25, 2022. The project website also contains additional information about the project and the progressive design build delivery method.

(continued)

If you have problems accessing the RFQ or have questions, please contact the design team at desotoroadimprovements@ksdotike.org.

Department for Children and Families

Request for Proposals

The Kansas Department for Children and Families (DCF) announces the release of the Grant Request for Proposal (RFP) for individualized adoption support. Sealed bids will be accepted no later than 2:00 p.m. (CDT) November 1, 2022. A complete copy of the RFP with details of important dates may be found at <http://www.dcf.ks.gov/Agency/Operations/Pages/OGC/Grant-RFP.aspx>, under "Grant Requests for Proposals (RFPs)." Additional files may be located at this website throughout the process, so please monitor on a regular basis for changes.

Laura Howard

Doc. No. 050499

State of Kansas

Department for Aging and Disability Services

Request for Comments

The following Interim Care Facility for Individuals with Intellectual Disabilities (ICF/IID) cost center limits are being set forth for public comment. Comments should be sent to Kansas Department for Aging and Disability Services, Attn: Trescia Power, Program Finance Oversight Manager, 503 Kansas Ave., Topeka, KS 66603. The comment period will expire 30 days from the publication of this notice.

K.A.R. 30-10-214 provides for the annual review and adjustment of Class II ICF/IID cost center limits, approved by the secretary of KDADS or designee, based on current cost information supplied by the enrolled, licensed providers of ICF/IID services, and formula set forth in the Kansas State Medicaid Plan (Attachment 4.19-D, Part II, Subpart O, page 1). The formula is as follows: Total allowable costs, including an inflation factor, are compared to the amount to be reimbursed under the current limits.

The formula threshold requires that 60 percent of all ICF/IIDs are reimbursed 90 percent of their allowable costs. If less than 60 percent of the facilities are reimbursed at 90 percent of their allowable costs, then the cost center limits are adjusted until the threshold is met. The inflation factor is based on the IHS Global Insight, National Skilled Nursing Facility Market Basket Without Capital Index (IHS Index).

To determine where to make the adjustments, two major cost centers are analyzed according to the following prescription:

- Administrative costs are based on facility size
- Habilitation costs are based on facility size and level of care (LOC)

The cost analysis for SFY2022 demonstrates 80 percent of the Class II ICF/IIDs are being reimbursed at 90 percent or more of their allowable costs. Per the state plan the analysis indicates that adjustments are not required.

Recommendations

Based on cost report analysis and available funding, cost center limits for Class II ICF/IIDs are as follows:

Facility	Size	Level I	Level II	Level III	Level IV	Level V
A.	+16 beds	\$162.86	\$154.71	\$146.98	\$139.64	\$132.65
B.	9-16 beds	\$204.61	\$194.40	\$184.68	\$175.46	\$166.67
C.	4-8 beds	\$239.39	\$227.42	\$216.04	\$205.24	\$194.98

Administrative per diem limits are based on the size of the facility, using the same classes as referred to above.

Administrative Per Diem Limits

- A. \$12.92
- B. \$30.68
- C. \$36.18

Fiscal Impact

Due to changes to inflation factors, the estimated annual cost increase is \$34,844.

State of Kansas

Governmental Ethics Commission

Opinion No. 2022-05

Written August 24, 2022 to Tammy M. Owens, City Attorney, City Hall, 8500 Santa Fe Dr., Overland Park, KS 66212.

Synopsis: A municipal councilmember may use email addresses obtained from emails sent to the councilmember's municipally supplied email address to invite subscription to their newsletter and provide a link to their Facebook page.

Cited herein: K.S.A. 25-4169a and Opinion No. 2007-11.

Dear Ms. Owens,

We understand that you request this opinion as city attorney for Overland Park, Kansas. Our opinion regarding application of the Kansas campaign finance act, K.S.A. 25-4119e, *et seq.*, (act) responds to your request dated July 15, 2022. Pursuant to K.S.A. 75-4303a(a), jurisdiction of the Kansas Governmental Ethics Commission (commission) is limited to applicability of the act. The commission's opinion does not address whether some other statutory system, common law theory, or agency rule or regulation applies to your inquiry.

Questions

1. Is it a violation of the act to extract a resident's email address from an email sent to the Councilmember at the city's email address and automatically subscribe that individual to the councilmember's newsletter?
2. Is it a violation of the act to reply to a resident who would email the councilmember at the city email address with an invitation to subscribe to the

councilmember's newsletter and/or visit the councilmember's Facebook page?

- Is it a violation of the act to include a link to sign up for the newsletter and/or to visit the Facebook page in the Councilmember's signature block from the Councilmember's City email address?

Analysis and Conclusion

The Councilmember activities described in each question do not violate the Kansas campaign finance act. However, one caveat should be noted.

K.S.A. 25-4169a prohibits the use of municipal funds, equipment or supplies to expressly advocate the election or defeat of candidates for elective office. In Opinion No. 2007-11 we opined that such express advocacy is prohibited within a URL or link. When a councilmember includes a link to sign up for their newsletter or visit their Facebook page, words constituting express advocacy should not be included within the URL or link if the email is being emailed from municipally provided equipment or supplies such as computers and email addresses.

Your request includes "the Councilmember has considered sending a newsletter endorsing candidates." Many endorsements utilize express advocacy. If a newsletter that includes express advocacy is sent from equipment that is publicly funded, such as a city email address or from a city computer, this conduct would constitute a violation of K.S.A. 25-4169a.

Sincerely,

Nick Hale, Chairman
By Direction of the Commission

Doc. No. 050481

(Published in the Kansas Register September 8, 2022.)

City of Emporia, Kansas

Summary Notice of Bond Sale

\$7,135,000*

General Obligation Bonds Series 2022

Details of the Sale

Subject to the terms and requirements of the Official Notice of Bond Sale, dated August 17, 2022, of the City of Emporia, Kansas (the "City"), bids to purchase the City's General Obligation Bonds, Series 2022, (the "Bonds") will be received at the office of the City Clerk at City Hall, 522 Mechanic, Emporia, KS 66801, or by telefacsimile at 620-343-4254, or electronically as described in the Official Notice of Bond Sale until 9:00 a.m. (CDT) Wednesday, September 21, 2022. The bids will be considered by the governing body at its meeting at 11:00 a.m. (CDT) on the sale date.

No oral or auction bids for the Bonds shall be considered, and no bids for less than 100 percent of the total principal amount of the Bonds and accrued interest to the date of delivery shall be considered.

Good Faith Deposit

Bidders must submit a good faith deposit in the form of a wire transfer or certified or cashier's check made payable to the order of the City, or a financial surety bond (if then available), in an amount equal to 2% of the principal amount of the Bonds.

Details of the Bonds

The Bonds will be dated October 11, 2022 and will be issued as registered bonds in denominations of \$5,000, or any integral multiple thereof. Interest on the Bonds is payable semiannually on March 1 and September 1 of each year, beginning March 1, 2023. Principal of the Bonds becomes due on September 1 in the years and amounts as shown below:

Maturity Schedule

Principal Amount*	Maturity Date	Principal Amount*	Maturity Date
\$695,000	2023	\$510,000	2031
685,000	2024	525,000	2032
705,000	2025	210,000	2033
720,000	2026	215,000	2034
740,000	2027	220,000	2035
470,000	2028	230,000	2036
480,000	2029	235,000	2037
495,000	2030		

Payment of Principal and Interest

The Treasurer of the State of Kansas will serve as the Bond Registrar and Paying Agent for the Bonds.

Book-Entry Bonds

The Bonds will be issued and registered under a book-entry-only system administered by The Depository Trust Company, New York, New York ("DTC").

Delivery of the Bonds

The City will prepare the Bonds at its expense and will deliver the registered Bonds to DTC on or about October 11, 2022. Any bond printing costs will be paid by the City from the proceeds of the Bonds or other City funds.

Legal Opinion

The Bonds will be sold subject to the legal opinion of Triplett Woolf Garretson, LLC, Wichita, Kansas, Bond Counsel, whose fees will be paid by the City.

Financial Matters

The City's current assessed valuation for purposes of calculating statutory debt limitations is \$209,189,906. As of October 11, 2022, the City's total outstanding general obligation debt (including the Bonds), is \$21,865,000*. The City's total indebtedness which is subject to debt limitation, as of October 11, 2022, is estimated to be \$12,280,151.94*, which is 5.87%* of the assessed valuation of the City.

Additional Information

For additional information contact the City Clerk at the address and telephone number shown below, or the Financial Advisor, Mr. Greg Vahrenberg, Raymond James & Associates, Inc., 11551 Ash St., Suite 250, Leawood, KS 66211, telephone 816-391-4120.

Doc. No. 050494

State of Kansas

Attorney General

Notice of Hearing on Proposed
Administrative Regulation

A public hearing will be conducted at 1:00 p.m. Thursday, November 10, 2022, in the Auditorium of Memorial Hall, 120 SW 10th Ave., 2nd floor, Topeka, Kansas, to consider the adoption of proposed amended rule and regulation K.A.R. 16-12-4, regarding the certification of batterer's intervention programs.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to the Victim Services Division, Office of the Attorney General, 120 SW 10th Ave., 2nd floor, Topeka, KS 66612 or by email to danae.nelson@ag.ks.gov.

All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulation during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Danae Nelson at 785-296-3367. Individuals with hearing and/or speech disabilities should contact the Kansas Relay Center at 1-800-766-3777 for communication accommodations. The main entrance to Memorial Hall is accessible. Accessible parking is located on 10th Ave., at the front entrance of Memorial Hall.

Copies of the proposed regulation and the Economic Impact Statement for the proposed regulation can be viewed at <https://ag.ks.gov/victim-services/bip> or by contacting Danae Nelson at 785-296-3367, or by email at danae.nelson@ag.ks.gov.

Summaries of the proposed regulation and its economic impact follow.

K.A.R. 16-12-4—Program requirements: Amendments to K.A.R. 16-12-4 make effective revisions to two documents incorporated by reference, “the essential elements and standards of batterer intervention programs in Kansas” and the “certified batterer intervention program statistical report.”

“The essential elements and standards of batterer intervention programs in Kansas” specifies minimum standards for batterer intervention programs certified to provide batterer intervention program (BIP) services in Kansas. The proposed changes include the addition of minimum standards for juvenile BIP due to recent changes in the Kansas Juvenile Code that allow for juveniles to be ordered in BIP classes. There are also changes in allowing unlicensed professionals who are trained as described to assist in the completion of specific forms used in the assessment process as long as the full domes-

tic violence offender assessment is reviewed and completed by a licensed professional, who meets all training requirements of an assessor as laid out in the standards. Only a licensed professional can complete the Kansas Domestic Violence Offender Assessment (KDVOA). Additional changes include adding parameters for virtual programming and a new requirement for new and certified programs to complete KBI criminal record checks for all BIP direct service staff as part of new or renewal certification processes.

The “certified batterer intervention program statistical report” is a document identifying specified statistical information submitted by certified BIPs twice yearly to the Batterer Intervention Program Unit. The proposed changes include reformatting the document and the addition of demographic and referral information categories.

Economic Impact

Certified Batterer Intervention Programs are responsible for setting the cost for services for participants. This includes the cost of assessments and group fees, which can include materials. The Office of the Kansas Attorney General does not dictate how much these services cost for each program. Programs set up their payments depending on the type of business program operated. These programs can be private business, non-profit agencies, or local, state and federal government agencies.

The cost for a KBI criminal record check for all BIP direct service staff as part of new or renewal certification is \$20.00 per individual. For programs not already performing a record check, this will be an added cost. In 2021, BIPs reported a total of approximately 130 direct service BIP staff in 41 certified BIPs, with an average of 3.2 (median 2) direct service staff per program. $\$20 \times 130 \text{ staff} = \$2600 / 2 \text{ years} = \$1300/\text{year}$ (or $\$20 \times 3.2 = \$64 / 2 \text{ years} = \$32/\text{year}/\text{program}$, based on average number of direct service staff reported by BIPs in 2021).

Revisions also include minimum operating requirements for those programs seeking to provide virtual/tele or juvenile BIP services, but does not mandate programs provide these services. If programs choose to provide services in these capacities, those programs may incur additional operational costs.

Derek Schmidt
Attorney General

Doc. No. 050486

State of Kansas

Behavioral Sciences Regulatory Board

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted by the staff of the Behavioral Sciences Regulatory Board (BSRB) from 10:00 a.m. to 11:00 a.m. Tuesday, November 8, 2022, in the BSRB conference room at 700 SW Harrison St. Ste. 420, Topeka, Kansas, to consider proposed changes to administrative regulations for several professions regulated by the BSRB. There is metered parking all around the Eisenhower State Office Building. The public entrance is on the north side of the building. To ensure that there is adequate space for public attendees, all individuals wishing

to attend the hearing must notify David Fye, Executive Director for the BSRB, no later than two business days prior to the hearing by email to david.fye@ks.gov. At the hearing on November 8, all interested parties will be given a reasonable opportunity to present their views orally. To give all parties an opportunity to present their views, it may be necessary to request each participant limit any oral presentation to five minutes or less, depending on the number of attendees that wish to speak. Oral comments will be recorded by staff members of the BSRB and summarized for the Board at the next full Board meeting when changes or adoption of the regulations are considered by the Board.

Any individual with a disability may request accommodation to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation to participate in the hearing should be made at least five business days in advance of the hearing by contacting Leslie Allen, Assistant Director, at 785-296-3240 or leslie.allen@ks.gov.

This 60-day notice of the public hearing constitutes a public comment period for purposes of receiving written public comments on the proposed amendments. All interested parties may submit written comments prior to the hearing to David B. Fye, JD, Executive Director, Behavioral Sciences Regulatory Board, 700 SW Harrison St., Suite 420, Topeka, KS 66603. Email comments may be directed to david.fye@ks.gov.

A copy of the full text of the regulations and the economic impact statements may be reviewed or obtained at the board office. They are also available on the board website at <http://ksbsrb.ks.gov> under proposed regulations. The board does not have a less costly or less intrusive method for achieving the stated purpose of these regulations. The regulations that will be considered during the regulatory hearing portion of the meeting are as follows:

K.A.R. 102-1-1 and K.A.R. 102-1-5a language is being changed to allow individuals seeking licensure as Licensed Psychologists to attain all required supervision hours either in person or by televideo, rather than requiring some hours to be in the same physical space as the supervisor. Additionally, the modifications allow for supervision by phone, under extenuating circumstances as approved by the Board. These changes better align with statutory changes enacted for other professions under the BSRB in 2021 Senate Sub. for HB 2208.

K.A.R. 102-2-1a, K.A.R. 102-2-8, and K.A.R. 102-2-12 language is being changed to sync regulatory language with statutory language changes enacted in 2021 Senate Sub. for HB 2208, which allows individuals seeking licensure as a Clinical Level Social Worker to attain all required supervision hours either in person or by televideo, rather than requiring some hours to be in the same physical space as the supervisor; allows for supervision by phone, under extenuating circumstances as approved by the Board; allows all required postgraduate supervised hours of experience to be in person, by televideo, or by phone; and deletes previous statutory language requiring not less than 350 hours of direct client contact as

part of a practicum (other decreases in supervision hours were enacted by the 2019 Legislature). These changes also include a definition of "one-hour" to provide clarity to questions relating to the length of supervision and include changes to supervision requirements to bring the language for this profession more in line with requirements of other professions overseen by the BSRB.

K.A.R. 102-3-1a, K.A.R. 102-3-3a, and K.A.R. 102-3-7a language is being changed to sync regulatory language with statutory language changes enacted in 2021 Senate Sub. for HB 2208, which allows individuals seeking licensure as a Clinical Professional Counselor to attain all required supervision hours either in person or by televideo, rather than requiring some hours to be in the same physical space as the supervisor; allows for supervision by phone, under extenuating circumstances as approved by the Board; allows all required postgraduate supervised hours of experience to be in person, by televideo, or by phone; decreases the number of direct client contact hours during the practicum experience from 350 hours to 280 hours; and decreases the number of hours of post-graduate supervised work experience required for clinical licensure from 4,000 hours to 3,000 hours and decreases the number of direct supervision hours required for clinical licensure from 150 hours to 100 hours. The changes also provide a definition of "one-hour" and "quarter credit hour" to provide clarity to questions relating to the length of supervision and better align with other professions under the BSRB. A definition of "related field" was added to clarify what other areas of practice could qualify for licensure as a professional counselor.

K.A.R. 102-4-1a and K.A.R. 102-4-7a language is being changed to sync regulatory language with statutory language changes enacted in 2021 Senate Sub. for HB 2208, which allows individuals seeking licensure as Clinical Psychotherapists (the clinical level for Master's Level Psychologists) to attain all required supervision hours either in person or by televideo, rather than requiring some hours to be in the same physical space as the supervisor; allows for supervision by phone, under extenuating circumstances as approved by the Board; allows all required postgraduate supervised hours of experience to be in person, by televideo, or by phone; and decreases the number of direct supervision hours required for clinical licensure from 150 hours to 100 hours. These changes also provide a definition of "one hour" to provide clarity to questions relating to the length of supervision.

K.A.R. 102-5-1 and K.A.R. 102-5-7a language is being changed to sync regulatory language with statutory language changes enacted in 2021 Senate Sub. for HB 2208, which allows individuals seeking licensure as a Clinical Level Marriage and Family Therapist to attain all required supervision hours either in person or by televideo, rather than requiring some hours to be in the same physical space as the supervisor; allows for supervision by phone, under extenuating circumstances as approved by the Board; allows all required postgraduate supervised hours of experience to be in person, by televideo, or by phone; and decreases the number of hours of post-grad-

(continued)

uate supervised work experience required for clinical licensure from 4,000 hours to 3,000 hours and decreases the number of direct supervision hours required for clinical licensure from 150 hours to 100 hours. These changes also include a definition of “one-hour” to provide clarity to questions relating to the length of supervision.

K.A.R. 102-7-1 and K.A.R. 102-7-6 language is being changed to sync regulatory language with statutory language changes enacted in 2021 Senate Sub. for HB 2208, which allows individuals seeking licensure as a Clinical Level Addiction Counselors to attain all required supervision hours either in person or by televideo, rather than requiring some hours to be in the same physical space as the supervisor; allows for supervision by phone, under extenuating circumstances as approved by the Board; allows all required postgraduate supervised hours of experience to be in person, by televideo, or by phone; and decreases the number of hours of post-graduate supervised work experience required for clinical licensure from 4,000 hours to 3,000 hours and decreases the number of direct supervision hours required for clinical licensure from 150 hours to 100 hours. These changes also provide a definition of “one-hour” to provide clarity to questions relating to the length of supervision.

Economic impact: There would be a small economic impact for individuals seeking a license as a psychologist, clinical social worker, clinical professional counselor, clinical psychotherapist, clinical marriage and family therapist, and clinical addiction counselor, as these applicants would be able to complete necessary supervision hours and other postgraduate supervised work experience requirements more quickly.

David B. Fye, JD
Executive Director

Doc. No. 050483

State of Kansas

Board of Healing Arts

Temporary Administrative Regulations

Article 69.—ATHLETIC TRAINING

100-69-10. License renewal; continuing education.

(a) As a condition of renewal, each licensed athletic trainer shall submit, in addition to the annual application for renewal of licensure, evidence of satisfactory completion of at least 20 hours of continuing education within the preceding year and proof of continuous certification in emergency cardiac care procedures including administration of an automated external defibrillator (AED) through a nationally recognized provider approved by the board. Each course approved by the board of certification for the athletic trainer shall meet this requirement.

(1) Acceptable providers of certification in emergency cardiac care (ECC) procedures shall be those adhering to the most current international guidelines for cardiopulmonary resuscitation and emergency cardiac care.

(2) Online ECC courses shall not be accepted, unless the provider confirms in writing that the skills were demonstrated and tested in person by a qualified instructor.

(3) Instructor certifications shall not be accepted, unless the provider confirms in writing that the instructors are required to maintain and successfully demonstrate provider skills to renew instructor status.

(b) Any licensee who suffered an illness or injury during the 12-month period before the expiration date of the license that made it impossible or extremely difficult to reasonably obtain the required continuing education hours may be granted an extension of not more than six months, in order to complete the continuing education requirements.

(c) Each athletic trainer initially licensed within one year of the expiration date of the license shall be exempt from the continuing education required by subsection (a) for that first renewal period.

(d) All continuing education shall be related to the field of athletic training and shall be presented by providers approved by the board. In order to qualify as board-approved, the continuing education shall be delivered by an approved provider or shall be intended for an audience of credentialed health care providers. The content shall be at least entry-level and shall pertain to one of the current domains of athletic training practice identified by the board. The current domains of athletic training practice identified by the board of certification of athletic trainers shall meet this requirement.

(e) One hour shall be 60 minutes of continuing education meeting the requirements of subsection (f).

(f) The categories of continuing education experiences shall be the following:

(1) Category A. The number of hours for all category A continuing education experiences shall be granted upon receipt of documented evidence of attendance or documented evidence of satisfactory completion issued by a national, state, or local organization meeting the requirements of subsections (a) and (d). Category A continuing education experiences shall include the following:

(A) Symposium. “Symposium” shall mean a conference of more than a single session organized for the purpose of discussing a specific subject from various viewpoints and by various speakers.

(B) Seminar. “Seminar” shall mean directed advanced study or discussion in a specific field of interest.

(C) Workshop. “Workshop” shall mean a series of meetings designed for intensive study, work, or discussion in a specific field of interest.

(D) Conference. “Conference” shall mean a formal meeting of a number of people for a discussion in a specific field of interest.

(E) Home study course. “Home study course” shall mean an online webinar course designed for advanced study in a specific field of interest.

(2) Category B. Category B continuing education experiences shall include the following:

(A) Scholarly presentations. The number of hours granted for scholarly presentations shall be the following:

(i) 10 hours for a speaker at a clinical symposium where the primary audience is allied health care professionals; and

(ii) five hours for a speaker at a seminar, workshop, or conference where the primary audience is allied health care professionals.

(B) Publication activities. The number of hours granted for writing a professional publication shall be the following:

- (i) Five hours to author an article in a nonrefereed journal;
- (ii) 15 hours to author an article in a refereed journal;
- (iii) 10 hours to coauthor an article in a refereed journal;
- (iv) 20 hours to author a published textbook;
- (v) 10 hours to coauthor a published textbook;
- (vi) five hours for being a contributing author of a published textbook;
- (vii) 10 hours to author a refereed or peer-reviewed poster presentation; and
- (viii) five hours to coauthor a poster presentation.

(3) Category C. Category C continuing education experiences shall consist of postcertification education. The number of hours assigned to category C continuing education experiences shall be 10 hours for each credit hour for postcertification education. The content shall be related to one of the domains of athletic training.

(4) Category D. Category D continuing education experiences shall consist of miscellaneous activities, which shall include evidence-based practice. The number of hours granted upon receipt of documented evidence of satisfactory completion for category D continuing education experiences shall be the following:

(A) One hour shall be granted for each hour of attendance at continuing education program activities that are not approved by the board for category A or category B, but that are related to specific athletic training and sports medicine topics.

(B) One hour shall be granted for each hour of listening to unapproved continuing education programs or other multimedia products related to one of the domains of athletic training. No more than five hours per renewal period shall be allowed.

(g) No credit shall be granted for making any repeated presentations of the same subject matter.

(h) No credit shall be granted for reiteration of material or information obtained from attendance at a continuing education program.

(i) To provide evidence of satisfactory completion of continuing education, the following shall be submitted to the board:

(1) Documented evidence of attendance at category A and category D activities;

(2) proof of participation in category B activities, which shall include a copy of any professional publication or documentation of any presentation;

(3) receipt and verification of completion of approved self-instruction from home study courses;

(4) a copy of each transcript or grade report for category C activities; and

(5) personal verification of listening to or viewing continuing education program videotapes, audiotapes, or other multimedia products, as described in paragraph (f)(4)(B). (Authorized by K.S.A. 65-6905; implementing K.S.A. 65-6905 and 65-6909; effective Jan. 9, 1998; amended Nov. 15, 2002; amended Sept. 9, 2005; amended May 15, 2009; amended Jan. 10, 2020; amended, T-100-8-31-22, Aug. 31, 2022.)

Article 73.—RADIOLOGIC TECHNOLOGISTS

100-73-7. License renewal; continuing education.

(a) On the license renewal form, each licensed radiologic technologist shall certify either of the following:

(1) The person completed at least 12 credits of continuing education during the 12-month period immediately preceding the license expiration date. Each person renewing a license for the first time shall be exempt from the 12-month requirement.

(2) The person completed at least 24 credits of continuing education during the 24-month period beginning on the first day of the person's next birth month after initial certification from the American registry of radiologic technologists and extending 24 months to the end of the month before the birth month. Each subsequent 24-month period shall be measured using the same beginning and ending months.

(b) Any licensee may request that the board grant an extension of the time to complete the required continuing education if, during the 12-month period immediately preceding the license expiration date, the person experienced an undue hardship resulting from illness, injury, or any other circumstance preventing the licensee's timely completion of continuing education.

(c) One credit shall be 50 minutes of continuing education meeting the requirements of subsection (f).

(d) Each person who certifies completion of continuing education shall, for at least three years following the date of certification, maintain documentation of completion that shall include one of the following:

(1) A verification of completion issued by a national, state, or local organization meeting the requirements of subsections (f) and (g);

(2) a copy of the written materials provided with the continuing education activity, along with documentation of all of the following:

(A) The name, address, and telephone number of the activity sponsor and the name and telephone number of a contact person for the activity sponsor;

(B) the title of the continuing education activity;

(C) the date and location of the activity;

(D) specification of whether the activity was presented in person or by video, satellite, or internet;

(E) the number of continuing education credits completed;

(F) the activity agenda;

(G) the name and professional biographical information of each presenter; and

(H) written proof of participation; or

(3) a notarized certificate of current registration with the American registry of radiologic technologists or the nuclear medicine technology certification board.

(e) Within 30 days following a written request by the board to a licensee, the licensee shall provide the board with proof of completion of continuing education as specified in this regulation.

(f) The categories of continuing education experiences shall be the following:

(1) Meetings and courses. Meetings and courses shall be planned, organized, and administered to enhance

(continued)

the knowledge and skills that a radiologic technologist uses to provide services to patients, the public, or the medical profession. Meetings and courses shall include the following:

(A) Symposium. "Symposium" shall mean a conference of more than a single session organized for the purpose of discussing a specific subject from various viewpoints and by various speakers.

(B) Seminar. "Seminar" shall mean directed advanced study or discussion in a specific field of interest.

(C) Workshop. "Workshop" shall mean a series of meetings designed for intensive study, work, or discussion in a specific field of interest.

(D) Conference. "Conference" shall mean a formal meeting of a number of people for a discussion in a specific field of interest.

(E) Home study course. "Home study course" shall mean a correspondence course designed for advanced study in a specific field of interest.

(2) Leadership. Leadership shall include any presentation at one of the types of meetings described in paragraphs (f)(1)(A) through (D). The number of credits granted for leadership shall be the following:

(A) Six credits for instructor or instructor-trainer at a cardiopulmonary resuscitation (CPR) course provided by the American red cross, American heart association, or American safety and health institute; and

(B) two credits for the development of each one-hour presentation that meets the requirements of paragraph (f)(1)(A), (B), (C), or (D).

(3) Classwork. Classwork shall include the following:

(A) Six credits for satisfactory completion of an advanced life support class or a pediatric life support class provided by the American red cross, the American heart association, or the American safety and health institute; and

(B) 12 credits for each academic quarter or semester credit granted by a postsecondary educational institution in a course that is relevant to radiologic technology or patient care for which the student received a grade of at least C or its equivalent, or a grade of pass in a pass-fail course. Relevant courses shall include courses in the biologic sciences, physical sciences, radiologic sciences, health and medical sciences, social studies, communication, mathematics, computers, management, and education methodology.

(g) Each continuing education activity offered using distance-learning media shall qualify for continuing education credit if the activity is in one of the categories of continuing education experiences specified in subsection (f) and meets all of the following conditions:

(1) The activity has a mechanism in place for the user to be able to contact the provider regarding questions about the continuing education activity.

(2) The provider of the activity evaluates the user's knowledge of the subject matter discussed in the continuing education activity.

(3) The activity limits the amount of time within which a user can complete the activity, which shall be no more than twice the number of hours for each credit awarded for the activity.

(4) The person or organization offering the activity provides a printed verification of completion of the ac-

tivity or allows the user to print verification when the activity is completed. (Authorized by and implementing K.S.A. 65-7307 and K.S.A. 65-7312; effective Nov. 27, 2006; amended, T-100-8-31-22, Aug. 31, 2022.)

State of Kansas

Secretary of State

Permanent Administrative Regulations

Article 36.—ABSENTEE AND ADVANCE VOTING

7-36-7. Processing advance voting ballot applications. This regulation shall govern the processing of each application for an advance voting ballot received by a county election officer if the applicant is registered to vote in that election officer's county and wants to receive the ballot by mail.

(a) If the application does not contain sufficient information or if the information is illegible, the county election officer shall contact the applicant to obtain the information before election day, if practicable.

(b) If the application is not signed or the signature on the application is not consistent with the applicant's signature on the official voter registration list, the election officer shall comply with the procedures specified in K.A.R. 7-36-9.

(c) If the application does not contain the number of the applicant's current and valid Kansas driver's license number or nondriver's identification card number or a photocopy of any other identification specified in K.S.A. 25-2908 and amendments thereto or if the number or photocopy is illegible, the county election officer shall attempt to contact the applicant by any means to obtain the information. The county election officer shall provide the applicant with the information required by K.S.A. 25-1122(e)(2), and amendments thereto.

(d) The county election officer may collect an applicant's current and valid Kansas driver's license number or nondriver's identification card number or a photocopy of any other identification specified in K.S.A. 25-2908, and amendments thereto. If the county election officer obtains the necessary identification number or photocopy and the identification number or photocopy is consistent with the voter registration list, the county election officer shall issue a regular advance voting ballot.

(e) If an applicant submits a photocopy of the qualifying photographic identification document and the document contains information that is illegible or inconsistent with the information on the voter registration list, the county election officer shall attempt to contact the applicant by any means to confirm that the applicant intended to apply for an advance voting ballot and shall attempt to obtain a satisfactory photocopy of the qualifying photographic identification document.

(f) If it is not practicable to contact the applicant before the election or if the information, signature, or photocopy provided is incomplete or inconsistent with the

voter registration list, the county election officer shall issue a provisional advance voting ballot.

(g) The county election officer shall present each provisional advance voting ballot to the county board of canvassers for a determination of validity. If the voter provided additional information, an updated signature, or an additional photocopy upon request by the county election officer and if the information, signature, or photocopy is consistent with the voter registration list, the ballot shall be counted unless the ballot is determined to be invalid for another reason. If the voter did not provide additional information, an updated signature, or an additional photocopy upon request by the county election officer or if the information, signature, or photocopy is inconsistent with the information on the voter registration list, the ballot shall not be counted. (Authorized by K.S.A. 25-1122; implementing K.S.A. 25-1122, K.S.A. 25-1123, and K.S.A. 25-1124; effective Feb. 24, 2012; amended, T-7-5-26-22, May 26, 2022; amended Sept. 23, 2022.)

7-36-9. Signature verification for advance voting by mail. (a) For purposes of this regulation, each of the following terms shall have the meaning specified in this subsection:

(1) "Application" means the submission by a registered voter to apply for an advance voting ballot to be transmitted by mail on which the voter affixes a signature, as specified in K.S.A. 25-1122 and K.S.A. 25-1122d, and amendments thereto.

(2) "Inconsistent," when used regarding a signature, means that the signature differs in multiple, significant, or obvious respects from the voter's signature in the voter registration database.

(3) "Mail ballot envelope" means the envelope containing a completed ballot on which the voter affixes a signature, as specified in K.S.A. 25-1124 and K.S.A. 25-433(b) and amendments thereto.

(4) "Match," when used regarding a signature, means that the signature is generally uniform and consistent with the voter's signature in the voter registration database.

(5) "Signature verification" means the process to verify the authenticity of a voter's signature on applications, as required by K.S.A. 25-1122(e)(1) and amendments thereto, and on mail ballot envelopes, as required by K.S.A. 25-1124(d) and (h) and K.S.A. 25-433(e) and amendments thereto.

(b) When a county election officer receives from a voter either an application or a mail ballot envelope, the county election official shall conduct signature verification as follows:

(1) If the signature matches the voter's signature on file, the application or mail ballot envelope shall be processed pursuant to K.S.A. 25-1134, K.S.A. 25-1135, and K.S.A. 25-1136, and amendments thereto.

(2) If the signature on the application or mail ballot envelope is inconsistent with the voter's signature on file or there is no signature, the county election official shall attempt to contact the voter as follows:

(A) If the voter's phone number is reasonably available, the county election official shall attempt to call the voter at least three times. The county election official shall inform the voter or leave a message with another person

who answered the call or on voice mail of the apparently inconsistent or missing signature and the way to verify the voter's identity or correct the missing signature.

(B) The county election official shall send to the voter by first-class mail a notice informing the voter of the apparently inconsistent or missing signature, with instructions on how to verify the voter's identity or correct the missing signature.

(C) The county election official may also attempt to contact the voter by any other means, including electronic mail or personal visit at the voter's residence.

(c) The county election official shall record the following:

(1)(A) For contact by phone, the date, time, and phone number for each call and specification of whether instructions were left by voice mail, by conversation with the voter, or by conversation with another individual;

(B) for contact by mail, the date the letter was sent to the voter, the address to which the letter was sent, and a copy of the letter; or

(C) for other means of contact, a general description of the means of voter contact; and

(2) for all means of contact, specification of whether the voter corrected the missing or inconsistent signature.

(d) If a voter receives notice of a signature that is inconsistent with the voter's signature on file, the signature deficiency may be corrected as follows:

(1) On a mail ballot envelope, by providing an updated signature consistent with the signature on file at any time until the commencement of the county board of canvassers; or

(2) on an application, by providing an updated signature consistent with the signature on file at any time through the Tuesday of the week preceding the election.

(e) If a voter receives notice of a missing signature, the signature deficiency may be corrected as follows:

(1) On a mail ballot envelope, by appearing in person before a county election official and providing a signature at any time until the commencement of the county board of canvassers; or

(2) on an application, by submitting a new application with a signature or by appearing in person before a county election official and providing a signature at any time through the Tuesday of the week preceding the election.

(f) Before performing signature verification, the county election official shall complete training approved by the secretary of state on procedures to determine whether a voter's signature is consistent with the signature in the voter registration database.

(g) When conducting signature verification, the following shall apply:

(1) The voter's signature shall be compared to as many recorded signatures as possible from the voter registration database.

(2) Signature verification may occur by electronic device or by human inspection.

(3) All signatures that match those in the voter registration database shall be accepted.

(4) Before a signature on any application or mail ballot envelope is deemed inconsistent, at least two election officials who have been trained by the secretary of state shall agree that the signatures are inconsistent.

(continued)

(5) Signature verification shall not be required if a voter has a disability preventing the voter from signing the ballot or preventing the voter from having a signature that matches the voter's registration form. (Authorized by K.S.A. 25-124, K.S.A. 25-440, K.S.A. 25-1122, and K.S.A. 25-1131; implementing K.S.A. 25-124, K.S.A. 25-433, K.S.A. 25-1122, and K.S.A. 25-1124; effective, T-7-5-26-22, May 26, 2022; effective Sept. 23, 2022.)

Scott Schwab
Secretary of State

Doc. No. 050497

State of Kansas

Real Estate Appraisal Board

Permanent Administrative Regulation

Article 4.—QUALIFICATIONS CRITERIA— CERTIFIED RESIDENTIAL APPRAISER CLASSIFICATION

117-4-1. Residential classification; education requirements. (a) Each applicant shall meet one of the following requirements:

(1) Have a bachelor's degree or higher from an accredited four-year college or university;

(2) have an associate's degree in a field of study related to one of the following:

(A) Business administration;

(B) accounting;

(C) finance;

(D) economics; or

(E) real estate;

(3) successfully complete 30 semester hours of college-level courses in the following subjects, with the hours specified:

(A) English composition (three semester hours);

(B) microeconomics (three semester hours);

(C) macroeconomics (three semester hours);

(D) finance (three semester hours);

(E) algebra, geometry, or higher mathematics (three semester hours);

(F) statistics (three semester hours);

(G) computer science (three semester hours);

(H) business or real estate law (three semester hours);

and

(I) two elective courses in any of the following subjects:

(i) Accounting (three semester hours);

(ii) geography (three semester hours);

(iii) agricultural economics (three semester hours);

(iv) business management (three semester hours); or

(v) real estate (three semester hours);

(4) successfully complete at least 30 semester hours of college-level examination program (CLEP) examinations in the following subjects:

(A) College algebra (three semester hours);

(B) college composition (six semester hours);

(C) college composition modular (three semester hours);

(D) college mathematics (six semester hours);

(E) principles of macroeconomics (three semester hours);

(F) principles of microeconomics (three semester hours);
(G) introductory business law (three semester hours);
and

(H) information systems (three semester hours); or

(5) successfully complete any combination of paragraphs (a)(3) and (4) that ensures coverage of all topics and the associated hours listed in those paragraphs.

(b) Each applicant shall meet the following requirements:

(1) Have received credit for 200 classroom hours in the following subjects, as specified:

(A) 30 classroom hours in basic appraisal principles;

(B) 30 classroom hours in basic appraisal procedures;

(C) 15 classroom hours in the national uniform standards of professional appraisal practice course or its equivalent;

(D) 15 classroom hours in residential market analysis and highest and best use;

(E) 15 classroom hours in the residential appraiser site valuation and cost approach;

(F) 30 classroom hours in residential sales comparison and income approaches;

(G) 15 classroom hours in residential report writing and case studies;

(H) 15 classroom hours in statistics, modeling, and finance;

(I) 15 classroom hours in advanced residential applications and case studies; and

(J) 20 classroom hours in appraisal subject matter electives, which may include hours over the minimum specified in paragraph (b)(1); and

(2) provide evidence, satisfactory to the board, of one of the following:

(A) Successful completion of courses approved by the board as specified in paragraph (b)(1); or

(B) successful completion of courses not approved by the board, with evidence that the education covered all of the requirements specified in paragraph (b)(1).

(c) Credit toward the education requirements specified in paragraph (b)(1) may also be obtained by completing a degree in real estate from an accredited degree-granting college or university approved by the association to advance collegiate schools of business or a regional or national accreditation agency recognized by the U.S. secretary of education if the college or university has had its curriculum reviewed and approved by the appraiser qualifications board (AQB).

(d) Classroom hours may be obtained only if both of the following conditions are met:

(1) The length of the educational offering is at least 15 classroom hours.

(2) The applicant successfully completes an approved closed-book examination pertinent to that educational offering.

(e) Any appraiser holding a valid state license as a real property appraiser may meet the educational requirements for the certified residential classification by performing the following:

(1)(A) Satisfying the college-level educational requirements as specified in subsection (a); or

(B) having a state license for at least five years immediately preceding the date of application if there has been

no record of any adverse, final, and non-appealable disciplinary action affecting the state licensed appraiser’s legal eligibility to engage in appraisal practice within the five years immediately preceding the date of application for a certified residential credential; and

(2) completing an additional 50 hours of classroom or distance education, or both, in the following subjects:

- (A) 15 hours of statistics, modeling, and finance;
- (B) 15 hours of advanced residential applications and case studies; and
- (C) 20 hours of appraisal subject matter electives.

(f) The 200 classroom hours specified in paragraph (b)(1) may include a portion of the 150 classroom hours required for the licensed classification as required by K.A.R. 117-2-1.

(g) A distance education course may be deemed to meet the classroom hour requirement specified in paragraph (b)(1) if all of the following conditions are met:

(1) The course provides an environment in which the student has verbal or written communication with the instructor.

(2) The sponsor obtains course content approval from any of the following:

- (A) The appraiser qualifications board;
- (B) an appraiser licensing or certifying agency in this or any other state; or
- (C) an accredited college, community college, or university that offers distance education programs and is approved or accredited by the commission on colleges, a regional or national accreditation association, or an accrediting agency that is recognized by the U.S. secretary of education. Each non-academic credit college course provided by a college shall be approved by the appraiser

qualifications board or the appraiser licensing or certifying agency in this or any other state.

(3) The course design and delivery are approved by one of the following sources:

- (A) The appraiser qualifications board;
- (B) a college that qualifies for course content approval as specified in paragraph (g)(2)(C) and awards academic credit for the distance education course; or
- (C) a college that qualifies for course content approval as specified in paragraph (g)(2)(C) with a distance education delivery program that includes a delivery system incorporating interactivity.

(h) Each distance education course intended for use as qualifying education shall include a written examination proctored by an official approved by the college or university or by the sponsor.

(i) Any applicant who has completed two or more courses generally comparable in content, meaning topics covered, may receive credit only for the longest of the comparable courses completed. The national uniform standards of professional appraisal practice (USPAP) course taken in different years shall not be considered repetitive. (Authorized by and implementing K.S.A. 58-4109; effective Jan. 21, 1991; amended, T-117-6-10-91, June 10, 1991; amended Aug. 5, 1991; amended May 24, 1993; amended Jan. 1, 1994; amended Jan. 9, 1998; amended March 26, 1999; amended May 23, 2003; amended Jan. 1, 2008; amended July 10, 2009; amended April 16, 2010; amended Jan. 1, 2015; amended June 17, 2016; amended Nov. 30, 2018; amended Sept. 23, 2022.)
