Office of Information Technology Services

Request for Comments

The State of Kansas intends to solicit assistance from the Department of Defense’s Innovative Readiness Training (IRT) Program. The assistance will include cross governmental cyber collaboration and preparedness exercises and training. The proposed assistance will take place in Topeka, Kansas in April–May 2025. Organizations and individuals who have questions or who wish to voice opposition to military assistance for this project may contact Jeff Maxon with the Kansas Information Security Office via email at [jeff.maxon@ks.gov](mailto:jeff.maxon@ks.gov) no later than seven (7) days after the first publication of this notice. Persons not filing comments within the time frame noted will be considered to have waived their objections to military assistance for this project.

State of Kansas

Department of Transportation

Request for Comments

The Kansas Department of Transportation (KDOT) requests comments on the amendment of the Statewide Transportation Improvement Program (STIP) FY 24-27. The comprehensive list of projects being amended to the STIP may be viewed online at <http://www.ksdot.org/bureaus/burProgProjMgmt/stip/stip.asp>. The project list includes projects for counties, cities, and projects on the state highway system.

The amendment of the STIP requires a public com-

ment period of 14 days. To make comment on this STIP amendment, contact KDOT’s Division of Program and Project Management, 2nd Floor Tower, 700 SW Harrison, Topeka, KS 66603-3754; phone 785-296-3254.

This information is available in alternative accessible formats. To obtain an alternative format, contact the KDOT Office of Public Affairs at 785-296-3585 (Voice/Hearing Impaired–711).

The comment period regarding the STIP amendment for these projects will conclude October 4, 2023.

State of Kansas

Department of Transportation

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://ksdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the “Bid Holders List,” or to be included on the “Non-Bid Holders List” as a subcontractor/supplier. KDOT’s approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <https://bidx.com/ks/main> until 1:00 p.m. (Central Time) on letting day. The KDOT bid letting will be conducted remotely by audio broadcast only at 3:00 p.m. (Central Time) on letting day. For the conference call information see <https://www.ksdot.org/bureaus/burconsmain/lettinginfo.asp>. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

Projects for the October 18, 2023 letting.

**District One – Northeast**

**Douglas:** 23 TE-0500-01 – LeCompton, various locations, pedestrian and bicycle paths, 1.8 miles. (Federal Funds)

**Leavenworth:** 92-52 KA-7100-01 – K-92, from the Jefferson/Leavenworth County line east to 15th Street (city of Leavenworth), sealing, 15.2 miles. (State Funds)

**Pottawatomie:** 24-75 KA-7102-01 – US-24, from 3.9 miles east of the Riley/Pottawatomie County line east to 12.8 miles east of the Riley/Pottawatomie County line, sealing, 8.9 miles. (State Funds)

**Riley:** 18-81 KA-7043-01 – K-18, from the K-177/K-18 east junction east to the Riley/Wabaunsee County line, milling and overlay, 8.9 miles. (State Funds)

**Wabaunsee:** 18-99 KA-7088-01 – K-18, from the Riley/Wabaunsee County line east to the K-99/K-18 junction, milling and overlay, 5.2 miles. (Federal Funds)

**Wyandotte:** 105 U-2436-01 – Bridge in Kansas City, Thorn Drive South of Old Kansas Avenue over Davis Creek, bridge replacement, 0.1 mile. (Federal Funds)

**District Two – North Central**

**Clay:** 14 C-5149-01 – Bridge, located 5.3 miles south and 1 mile east of Green over tributary to Spring Creek, bridge replacement, 0.2 mile. (Federal Funds)

**Cloud:** 9-15 KA-7150-01 – K-9, from the Cloud/Mitchell County line east to the west city limits of Concordia, milling and overlay, 19.4 miles. (Federal Funds)

Secretary

Department of Transportation

Doc. No. 051496

**State of Kansas**

**Department of Transportation**

**Notice to Consulting Firms**

Beginning September 14, 2023, the Kansas Department of Transportation (KDOT) has officially made the switch to Bid Express for all request for proposal (RFP) solicitations for design and consulting services.

You can sign up now for a FREE “vendor” account on Bid Express at [https://www.infotechexpress.com/registration/new?app\\_id=08b3d1713188df08d8970b79c2d30ea5628af16e53abe624a239557b2dcf3429&return\\_to=https%3A%2F%2Fwww.bidexpress.com%3A443](https://www.infotechexpress.com/registration/new?app_id=08b3d1713188df08d8970b79c2d30ea5628af16e53abe624a239557b2dcf3429&return_to=https%3A%2F%2Fwww.bidexpress.com%3A443).

- Every individual who might want to see KDOT RFPs needs to sign up for their own account (it is not a single account for each company).
- There is value to you and value to KDOT in associating all individuals from your company with the same company “instance” in Bid Express rather than creating new companies for each person.
- After signing up and logging into your personal account, vendors/consultants must enable free “follower notifications” from KDOT’s Bid Express landing page to receive notifications each time a solicitation is advertised, addenda of any kind are issued (including Q&A), or if an advertisement is withdrawn from view.
- Note: KDOT is sponsoring the cost of this tool. Therefore, signing up and responding to KDOT RFQs or RFPs is free.

Currently, KDOT plans to continue soliciting on-call service requests via email through the end of 2023. This will switch to Bid Express for on-calls in January 2024.

KDOT recently hosted a Bid Express training webinar for consultants. If you were unable to attend or would like a recap, watch a recording of the webinar training at <https://vimeo.com/861309148/8981e31946?share=copy>.

For more information about the service, please refer to the Bid Express service’s Knowledge Center at <https://infotechinc.zendesk.com/hc/en-us/categories/360003900254-Bid-Express-at-www-bidexpress-com> or navigate to KDOT’s Bid Express landing page at <https://www.bidexpress.com/businesses/70801/home>. For technical assistance, please call the Bid Express Customer Success team at 888-352-2439, option #1 available Monday–Friday from 7:00 a.m. to 8:00 p.m. (Eastern Time). You can also email them at [support@bidexpress.com](mailto:support@bidexpress.com).

Address any RFP questions to LeAnn Oblander, and contract questions to Marcia Turner, both at [KDOT.DesignContracts@ks.gov](mailto:KDOT.DesignContracts@ks.gov).

Calvin Reed  
Secretary

Department of Transportation

Doc. No. 051492

**State of Kansas**

**Department of Transportation**

**Notice to Consulting Firms**

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in Table 1 below. Interested consultants must email a proposal to [KDOT.DesignContracts@ks.gov](mailto:KDOT.DesignContracts@ks.gov) by 12:00 p.m. (Central Time) October 4, 2023, to be considered for selection.

**Consultant Prequalification**

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category:

- 323 Underwater Bridge Inspection.

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice

for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

**Table 1: Background and Scope of Project**

Project Number	Background and Scope of Project
C-4906-04	The consultant will perform underwater bridge inspections on the local system and prepare individually sealed reports for each bridge.

**Anticipated Consultant Scope**

KDOT anticipates the following to be included in the consultant’s scope:

This inspection program will include bridges in multiple locations across the state. The full list of bridges which need to be inspected will be broken into annual lists, completed over the course of four years. The list of bridges to be inspected in a given calendar year will be provided at the beginning of each year. See the attachments (available at <https://www.bidexpress.com/businesses/70801/home>) for a full list of the bridges KDOT currently anticipates including in this program. Bridges affected and timings of inspections are subject to change.

The KMZ file provides a quick picture of the locations and timing KDOT anticipates for each inspection.

Legend for the KMZ file:

- Purple indicates a 2024 inspection with a 60-month frequency.
- Yellow indicates a 2024 inspection that, due to CFR interim guidance, is currently listed as a 24-month inspection frequency but is likely to change after collection of additional data.
- Orange indicates a 2025 inspection with a 24-month frequency.
- Cyan indicates a 2025 inspection with a 60-month frequency.
- Lime indicates a 2026 inspection with a 60-month frequency.

The consultant will follow the Scope of Services for Local Underwater Inspections, found in Appendix C of the KDOT–Bureau of Local Projects Local Bridge Inspection Manual. The consultant may also need to perform scour analysis for some bridges.

**Anticipated Schedule and Key Dates**

1. Proposals are due by or before 12:00 p.m. (Central Time) October 4, 2023.
2. Ranking of proposals is expected to occur on or around October 24, 2023. Negotiations with the most highly ranked firm are expected to begin on or around October 31, 2023. An executed agreement is anticipated around November 30, 2023.
3. This program will begin in fiscal year 2024 (FY2024 = July 2023–June 2024).

Upon distribution of this Request for Proposals, KDOT anticipates the following numbers of inspections each year:

- 2024: 19 bridges inspected
- 2025: 24 bridges inspected
- 2026: 25 bridges inspected
- 2027: 3 bridges inspected

Inspections for each annual list of bridges shall be performed prior to September 30 and reports shall be finalized and submitted before December 31.

**Instructions for Proposal**

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to [KDOT.DesignContracts@ks.gov](mailto:KDOT.DesignContracts@ks.gov) by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
  - a. “C-4906-04\_Local Statewide Underwater Brdg. Inspnt.\_FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one here at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.
6. The outline in Table 2 below describes the expected proposal organization and content sections.
7. Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.

**Table 2: Proposal Content**

Section	Description of Intent	Page Limit
Cover Letter		1 Page
Project Approach	Demonstrate a unique approach to accomplish the design efficiently and to a high standard. Include cost-effective and optimized solutions to address the anticipated improvements in the design. Include unique qualifications or experience related to the project approach.	
Approach to Schedule	Describe the approach to accomplish the scope of services within the schedule requirements. Include anticipated key milestone dates and availability of staff.	
Approach to Quality Control	Describe methods or procedures your firm will use to provide all drawings, reports and other services with professional quality and technical accuracy.	

(continued)

<b>Qualifications and Experience</b>	For key personnel to be assigned to the project provide names, office location, qualifications, education, training, and expertise. Identify their area(s) of responsibility and percent of their time dedicated to the project. List work for which you do not have in-house capability and name the firm you propose to subcontract with.	
<b>Past Performance</b>	Describe team’s past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information.	
<b>Familiarity with KDOT and Project Area</b>	Describe team’s familiarity with KDOT’s design process and standards. Describe familiarity with the project area and any identified special site conditions.	

**Table 3: Evaluation Factors**

Evaluation Factor	Weight
Qualifications and experience of project manager and other key project team members proposed for services	25%
Demonstrated understanding of nature and scope of project	20%
Past performance history for similar projects/services for KDOT	15%
Quality and completeness of the response	15%
Project approach	10%
Unique qualifications	10%
Approach and commitment to meet advertised schedule	5%

**Contract Terms and Conditions**

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

**Questions**

All questions regarding this Request for Proposals shall be emailed to [KDOT.DesignContracts@ks.gov](mailto:KDOT.DesignContracts@ks.gov).

Questions can be submitted until September 21, 2023; answers will be provided to all prequalified consultants on September 28, 2023.

Calvin Reed  
Secretary  
Department of Transportation

Doc. No. 051471

**State of Kansas**

**Department of Transportation**

**Notice to Consulting Firms**

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in

Table 1 below. Interested consultants must email a proposal to [KDOT.DesignContracts@ks.gov](mailto:KDOT.DesignContracts@ks.gov) by 12:00 p.m. (Central Time) October 4, 2023, to be considered for selection.

**Consultant Prequalification**

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category(s):

- 211 Highway Design–Major Facility
- 222 Standard Span Bridge Design
- 231 Traffic Control Analysis and Design
- 301 Land Surveying
- 302 Engineering Surveying

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

**Table 1: Background and Scope of Project**

Project Number	Background and Scope of Project
KA-6022-01	Existing conditions–2-lane highway. Purpose–Reconstruct to a 4-lane expressway Phase–PLNMR is complete. Consultant project scope will include development of final plans.

**Table 2: Project Summary**

Project Number	Route and Scope	Length (mi)	Project Termini
KA-6022-01	056-005 Reconstruct US-56 to a 4-lane Expressway	2.3 Miles	East city limits of Great Bend (Kiowa Road) to K-156/US-56/K-96 junction.
Project Number	Structure BR#, Structure Scope, Structure Size and Type		
KA-6022-01	BR#0077–44 ft. RCSH (1 @ 33, 1 @ 44, and 1 @ 33) over Walnut Creek Drainage BR#0078–44 ft. SMCC -6 (1 @ 50, 1 @ 70, and 1 @ 50) over Walnut Creek Additional bridges to accommodate the 4-lane expressway.		

**Anticipated Consultant Scope**

KDOT anticipates the following to be included in the consultant’s scope: Survey Services, Preliminary Design Services, RR Involvement, Final Design Services, Public Involvement Services, Environmental Documentation Preparation (Permitting).

Additional scope which may be added later (at the Secretary’s discretion) and may include Right of Way; Letting and Construction Phase Services; and 3D Electronic Deliverables Preparation.

Current expectations for consultant scope are detailed below. The scope included herein may not be all-inclusive. A scoping meeting will take place after consultant selection is made.

**Survey Services**

- KDOT will provide existing design survey.
- KDOT will provide existing right of way.

- If additional design survey coverage is needed, then this will be discussed and determined during the scoping meeting.

### Project Management

- Identify ways to accelerate the design process:
  - Example: KDOT is considering employing a phased approach to develop and produce multiple plan packages at various times in the project lifecycle to potentially accelerate construction letting on a portion of the project.
- Quickly develop scope and hour estimates.
- Anticipate receiving an early, limited notice to proceed.
- Develop a comprehensive schedule that will be tracked on a bi-monthly basis.
- Coordinate closely with the cities and counties involved.
- Develop and communicate Project Management Plan and Quality Assurance Plan.
- Perform quality control checks according to Quality Assurance Plan.
- Provide electronic plan files compliant with the latest electronic deliverables including CAD conformance checks and ControlCAD indexed DGN files with ProjectWise attributes.
- Provide bi-annual construction cost estimates and at major project milestones.

### Road Design

- Review alignments and typical sections.
- Analyze and Recommend intersection options at Kiowa Road and Fort Zarah:
  - It was determined that the intersection at US-56 and K-156 will be designed as a Continuous Green-T.
- Perform roadway geometric design, drainage design, and roadside safety analysis.
- Develop Preliminary Plans to Field Check.
- Develop Right of Way Plans.
- Develop final plans for Construction.
- Stormwater control measures (SCM) are required on this project:
  - KDOT will provide the SCM report completed as a part of the NEPA process.
- Visit the project site location.
- Coordination with property owners for relocated driveways.

### Bridge Design

- Field Check:
  - Preliminary layouts for bridges, 10 to 20-foot culverts, and retaining walls.
  - The consultant shall propose and evaluate different (curved and possibly skewed) framing layouts for review and acceptance by the KDOT Bridge Office; focus shall be to minimize disruption to the traveling public and facilitate efficient construction to minimize closure.
  - Preliminary hydraulic assessment checklists, construction layouts, contour maps, and bridge sections.
  - Hydraulic analysis including supporting information for no-rise conditions.

- Final Design:
  - Provide final plans for construction for all bridge-sized and 10 to 20-foot structures.
  - Final hydraulic assessment checklists, construction layouts, contour maps, and bridge sections.
  - Provide final plans for construction for all retaining walls.

### Traffic Engineering

- Field Check:
  - Construction sequencing.
  - Guide sign, lighting.
  - Traffic signal schematic layouts.
- Final Design:
  - Traffic Control Plans:
    - Project Requirement: Traffic shall be carried by this corridor throughout construction.
  - Permanent signing and pavement marking plans.
  - Foundations and truss design (as necessary).
  - Traffic signal plans.
  - Preliminary and final lighting plans.

### Public Involvement Services

- The successful consultant will be required to provide project updates and other information as needed to support communication thereby; involvement in meetings may also be required.
- The public engagement goals are to maintain effective communication with identified stakeholder groups.

### KDOT Provided Services

- Public Involvement:
  - The consultant is responsible for developing and implementing a communication plan for the project. The document will include goals, objectives, strategies, channels, and messages and will be inclusive with all outreach and engagement efforts. This will be a living document maintained over the course of the project through the end of construction.
- Right of Way Services:
  - KDOT will provide the existing right of way files and property owners stripmap:
    - KDOT will manage right of way acquisition.

### Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) October 4, 2023.
2. Ranking of proposals is expected to occur on or around October 24, 2023. Negotiations with the most highly ranked firm are expected to begin on or around October 31, 2023. An executed agreement is anticipated around November 30, 2023.
3. The program fiscal year for this project is FY2027 (July 2026–June 2027).

Upon distribution of this Request for Proposals, KDOT anticipates the following activity dates:

- Field Check – March 14, 2024
- PLROW – May 29, 2024
- Envcl – March 31, 2025
- PLCOM – July 21, 2026

(continued)

**Instructions for Proposal**

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to [KDOT.DesignContracts@ks.gov](mailto:KDOT.DesignContracts@ks.gov) by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
  - a. “KA-6022-01\_Great Bend Expansion Project FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.
6. The outline in Table 3 below describes the expected proposal organization and content sections.
7. Table 4 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Depending on the number and quality of responses received, KDOT anticipates shortlisting (based on proposals) and holding interviews prior to final selection (which may be based on both proposals and interview content). If KDOT deems them necessary, evaluation criteria for interviews will be distributed to shortlisted consultant teams in advance.

**Table 3: Proposal Content**

Section	Description of Intent	Page Limit
Cover Letter		1 Page
Project Approach	Demonstrate a unique approach to accomplish the design efficiently and to a high standard. Include cost-effective and optimized solutions to address the anticipated improvements in the design. Include unique qualifications or experience related to the project approach.	
Approach to Schedule	Describe the approach to accomplish the scope of services within the schedule requirements. Include anticipated key milestone dates and availability of staff.	
Approach to Quality Control	Describe methods or procedures your firm will use to provide all drawings, reports and other services with professional quality and technical accuracy.	

<b>Qualifications and Experience</b>	For key personnel to be assigned to the project provide names, office location, qualifications, education, training, and expertise. List work for which you do not have in-house capability and name the firm you propose to subcontract with.	
<b>Past Performance</b>	Describe team’s past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information.	
<b>Familiarity with KDOT and Project Area</b>	Describe team’s familiarity with KDOT’s design process and standards. Describe familiarity with the project area and any identified special site conditions.	

**Table 4: Evaluation Factors**

Evaluation Factor	Weight
Qualifications and experience of project manager and other key project team members proposed for services	15%
Project approach	25%
Approach and commitment to meet advertised schedule	20%
Past performance history for similar projects/services for KDOT	10%
Approach to quality control	15%
Knowledge of the NEPA process	5%
Demonstrated understanding of nature and scope of project	10%

**Contract Terms and Conditions**

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

**Special Contract Conditions**

The project will be managed by KDOT; Design will be complete according to 883 completion dates.

**Questions**

All questions regarding this Request for Proposals shall be emailed to [KDOT.DesignContracts@ks.gov](mailto:KDOT.DesignContracts@ks.gov).

Questions can be submitted until September 21, 2023; answers will be provided to all prequalified consultants on September 28, 2023.

Calvin Reed  
Secretary  
Department of Transportation

Doc. No. 051474

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in Table 1 below. Interested consultants must email a proposal to [KDOT.DesignContracts@ks.gov](mailto:KDOT.DesignContracts@ks.gov) by 12:00 p.m. (Central Time) October 4, 2023, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category(s):

- 211 Highway Design–Major Facility
- 222 Standard Span Bridge Design
- 231 Traffic Control Analysis and Design
- 325 Hydraulic and Hydrologic Studies
- 336 Right of Way Services
- 401 Landscape Seeding and Erosion Control

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Table 1: Background and Scope of Project

Project Number	Background and Scope of Project
KA-6589-01	Construct a new ramp from west bound US-50 to northbound I-135 in Newton, Harvey County.

Table 2: Project Summary

Project Number	Route and Scope	Length (mi)	Project Termini
KA-6589-01	135-040 Construct Ramp	0.5 Miles	I-135/US-50 Interchange, approximately 0.4 miles north of E. Old Trail Road

Project Number	Structure BR#, Structure Scope, Structure Size and Type
KA-6589-01	No structure currently anticipated however, we could need a new bridge or modification/widening to existing bridge #0085.

Anticipated Consultant Scope

KDOT anticipates the following to be included in the consultant’s scope: Preliminary Design Services, Final Design Services, Public Involvement Services, Environmental Documentation Preparation (Permitting), Access Modification Justification Report (AMJR).

Additional scope which may be added later (at the Secretary’s discretion) and may include Right of Way; Letting and Construction Phase Services; and 3D Electronic Deliverables Preparation.

Current expectations for consultant scope are detailed below. The scope included herein may not be all-inclu-

sive. A scoping meeting will take place after consultant selection is made.

Project Management

- Develop and communicate Project Management Plan and Quality Assurance Plan.
- Perform quality control checks according to Quality Assurance Plan.
- Provide electronic plan files compliant with the latest electronic deliverables including CAD conformance checks and ControlCAD indexed DGN files with ProjectWise attributes.
- Coordinate closely with the city and county involved.
- Provide bi-annual construction cost estimates and at major project milestones.

Road Design

- Perform roadway geometric design, drainage design, and roadside safety analysis.
- Develop Plans to Materials and Research.
- Develop Preliminary Plans to Field Check.
- Develop Right of Way Plans.
- Develop Final Plans for Construction.
- Visit the project site location.

Bridge Design

- Bridge design services may or may not be needed based on the chosen design.
- If bridge design services are needed:
  - The consultant will propose and evaluate different framing layouts for review and acceptance by the KDOT Bridge Office.
  - Develop Preliminary and Final Design Plans.

Traffic Engineering

- Develop permanent signing, lighting, and pavement marking plans.
- Develop Traffic Control Plans.
- Foundation and truss design (as necessary).
- ITS design and plans (as necessary).

Public Involvement Services

- The successful consultant will be required to provide project updates and other information as needed to support communication thereby; involvement in meetings may also be required.
- The public engagement goals are to maintain effective communication with identified stakeholder groups.

KDOT Provided Services

- Public Involvement:
  - KDOT is responsible for developing and implementing a communication plan for the project. The document will include goals, objectives, strategies, channels, and messages and will be inclusive with all outreach and engagement efforts. This will be a living document maintained over the course of the project through the end of construction.
- Environmental Services.
- Utility Coordination.
- Geotechnical Services including soil investigations, bridge foundation geology, pavement field investigation and design, and surfacing recommendations.

(continued)

- Survey has been completed and data will be provided by KDOT.

**Anticipated Schedule and Key Dates**

1. Proposals are due by or before 12:00 p.m. (Central Time) October 4, 2023.
2. Ranking of proposals is expected to occur on or around October 24, 2023. Negotiations with the most highly ranked firm are expected to begin on or around October 31, 2023. An executed agreement is anticipated around November 30, 2023.
3. The program fiscal year for this project is FY2027 (July 2026–June 2027).

Upon distribution of this Request for Proposals, KDOT anticipates the following activity dates:

- Materials and Research Plans – April 1, 2024
- Field Check – October 14, 2024
- Plans to ROW – November 11, 2024
- Plans Complete – June 18, 2026

**Instructions for Proposal**

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to [KDOT.DesignContracts@ks.gov](mailto:KDOT.DesignContracts@ks.gov) by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
  - a. “KA-6589-01\_I-135 Ramp in Newton FIRM NAME”
5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one here at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.
6. The outline in Table 3 below describes the expected proposal organization and content sections.
7. Table 4 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Depending on the number and quality of responses received, KDOT anticipates shortlisting (based on proposals) and holding interviews prior to final selection (which may be based on both proposals and interview content). If KDOT deems them necessary, evaluation criteria for interviews will be distributed to shortlisted consultant teams in advance.

**State of Kansas**

**Wichita State University**

**Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University’s campus designated as the “Innovation Campus,” for the private development and operation of a partnership building or buildings. The university is interested

in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university’s educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. If interested, please contact Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at [john.tomblin@wichita.edu](mailto:john.tomblin@wichita.edu) or Property Manager Crystal Stegeman at [crystal.stegeman@wichita.edu](mailto:crystal.stegeman@wichita.edu). This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

**Wichita State University**

**Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This location would be designated for private development committed to supporting broadband infrastructure and Internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU’s vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. WSU intends to lease such space for a mutually agreeable period of time, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with WSU’s educational mission and identify anticipated benefits to the university, its students, and the sur-

rounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. **Notice Concerning Amendment to  
Kansas Air Quality Construction Permit**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding the amendment of two previously issued air quality construction permits. MGPI Process-

ing, Inc., 1300 Main St., Atchison, KS 66002, owns and operates the stationary source located at 1300 Main St., Atchison, Atchison County, KS 66002. Certain requirements were found to no longer be appropriate in the construction permits dated July 9, 2021 (CSP02955v1.0) and July 26, 2021 (CSP00022v1.1). These requirements are being modified.

A copy of the modification is available for public inspection, from the date of publication, during normal business hours, at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, and at the Northeast District Office, 800 W. 24th St., Lawrence, KS 66049. To obtain or review the modification, contact Jonathan Tennis, 785-296-1581, at the central office of the KDHE, and to review the proposed permit only, contact Wendi Kessler, 785-842-4600, at the Northeast District Office. The standard departmental cost will be assessed for any copies requested.

Please direct written comments or questions regarding the proposed modification to Jonathan Tennis, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than the 12:00 p.m. Monday, October 23, 2023.

A person may request a public hearing be held on the proposed modification. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Jonathan Tennis, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, October 23, 2023, in order for the Secretary of Health and Environment to consider the request.

**Notice of Proposed Permit Renewal Action**

The Kansas Department of Health and Environment (KDHE) is announcing its intent to renew and issue a Resource Conservation and Recovery Act hazardous waste permit, EPA identification number KSD007246846, to Clean Harbors Kansas, LLC the owner and the operator of the facility located at 2549 N. New York Ave., Wichita, Kansas. The permit will allow the facility to treat and store on-site facility-generated and off-site customer-generated containerized hazardous waste and requires the continued implementation of previously approved corrective actions by the Environmental Protection Agency to protect human health and the environment. The permit does not authorize the on-site disposal of hazardous waste and any treatment or storage of hazardous waste not authorized in the permit is prohibited.

The draft permit is being considered for issuance under authority of the Kansas Statutes Annotated (K.S.A.) 65-3430 *et seq.* and Kansas Administrative Regulations (K.A.R.) 28-31-4 through 28-31-279a. Documents that

*(continued)*

support the draft permit conditions and all data submitted by the applicant are part of the administrative record.

State hazardous waste laws require that the public be given at least 45 days to review the administrative record for the draft permit prior to KDHE taking a final action. The purpose of having a public comment period is to ensure that interested parties have an opportunity to evaluate the conditions specified in the draft permit and to provide their input into the permit decision-making process. A copy of the administrative record which includes the draft permit, the fact sheet, the permit application, and all information pertaining to this permit action is available for public review September 21, through November 6, 2023, Monday through Friday 8:00 a.m. to 5:00 p.m., during normal business hours at the following locations:

Kansas Department of Health and Environment  
Hazardous Waste Permits Section  
1000 SW Jackson, Suite 320  
Topeka, KS 66612  
Contact: Akhter Hossain  
785-296-1610

Wichita Public Library  
711 W. 2nd St.,  
Wichita, KS 67203  
Contact: Sarah Kittrell  
316-261-8580  
[skittrell@wichita.gov](mailto:skittrell@wichita.gov)

Administrative records can also be accessed on the KDHE website at <http://kdhe.ks.gov/621/>.

Anyone wishing to comment on the draft permit must submit written comments postmarked no later than November 6, 2023, to the KDHE contact at the above listed address.

A public hearing has not been scheduled; however, any interested person may request a public hearing in writing which states the nature of the issues proposed to be raised in a public hearing. If written requests are received which indicate a significant degree of public interest in the draft permit, a public hearing will be scheduled, and advanced notice of hearing will be given to the public. After consideration of all comments received, the Secretary of KDHE will make a final decision to issue or deny the permit. Notice of the Secretary's decision will be given to the applicant, all persons who submitted written comments, those who commented at the public hearing, and those who requested notice of the final permit decision. If no comments are received during the public comment period, the permit will become effective immediately upon its issuance. If comments are received during the public comment period the permit will become effective 30 days after service of notice of the final permit decision to allow for public review of the department's response to comments and any revisions to the draft permit in accordance with 40 CFR 124.15 and K.A.R. 28-31-124(c) (8). Any appeal of the final permit decision must be filed within 15 days after service of notice in accordance with K.S.A 65-3440 and K.S.A. 77-601 *et seq.*

Doc. No. 051502

## State of Kansas

### Department of Health and Environment

#### Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. Si desea obtener más información en español o tiene otras preguntas, por favor, comuníquese con el Coordinador de No Discriminación al 785-296-5156 o en [KDHE.NonDiscrimination@ks.gov](mailto:KDHE.NonDiscrimination@ks.gov).

#### Public Notice No. KS-AG-23-268/276

##### Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Irsik & Doll Feed Services - Ingalls Feed Yard 10505 US-50 Hwy. Ingalls, KS 67853	NW/4 of Section 26 & All of Section 27 & S/2 of Section 23 T25S, R29W Gray County	Upper Arkansas River Basin

Kansas Permit No. A-UAGY-C006  
Federal Permit No. KS0115274

The proposed action is to modify and reissue the existing NPDES permit for a facility for a proposed maximum capacity of 42,000 head (42,000 animal units) of beef cattle weighing greater than 700 pounds. This represents an increase in the permitted animal units from the previous permit. This permit is also being modified to add 8.23 acres of open lot pens within the facility footprint. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Fort Hays State University Farm 600 Park St. Hays, KS 67601	SE/4 of Section 31 & SW/4 of Section 32 T13S, R18W Ellis County	Smoky Hill River Basin

Kansas Permit No. A-SHEL-M001

The proposed action is to modify and reissue an existing state permit for this education and research facility to a maximum capacity of 200 head (80 animal units) of swine more than 55 pounds, 130 head (13 animal units) of swine less than 55 pounds, 300 head (300 animal units) of cattle weighing more than 700 pounds, 150 head (75 animal units) of cattle weighing less than 700 pounds, 200 head (20 animal units) of sheep/lambs/goats, and 4 head (8 animal units) of horses, for a total of 984 head of livestock (496 animal units). This represents an increase in the permitted animal units from the previous permit. This permit is being modified to include a new animal mortality composting facility. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Darbyshire Grow Yard Dennis Darbyshire 2111 Road 80 Hartford, KS 66854	NW/4 of Section 33 T20S, R13E Lyon County	Neosho River Basin

Kansas Permit No. A-NELY-C008  
Federal Permit No. KS0099406

The proposed action is to reissue an existing NPDES permit for an existing facility for 2,500 head (1,250 animal units) of cattle weighing less than 700 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Bekemeyer Enterprises, Inc. 1497 17th Rd. Washington, KS 66968	SW/4 of Section 05 T03S, R03E Washington County	Big Blue River Basin

Kansas Permit No. A-BBWS-C006  
Federal Permit No. KS0095320

The proposed action is to reissue an existing NPDES permit for an existing facility for 2,160 head (2,160 animal units) of cattle weighing more than 700 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Hemphills, Inc. 90020 NW 90th Ave. Byers, KS 67021	SW/4 of Section 18 T26S, R14W Pratt County	Lower Arkansas River Basin

Kansas Permit No. A-ARPR-B013

The proposed action is to reissue an existing state permit for an existing facility for 999 head (499.5 animal units) of cattle weighing 700 pounds or less. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Kansas Dairies I, LLC - Frontier Dairy 11501 SW CR 31 Syracuse, KS 67878	E/2 & SW/4 of Section 31 & SW/4 of Section 32 T25S, R42W Hamilton County	Cimarron River Basin

Kansas Permit No. A-CIHM-D002  
Federal Permit No. KS0094366

The proposed action is to reissue an existing NPDES permit for an existing facility for This is a reissued permit for an expanding facility for 9,350 head (13,090 animal units) of mature dairy cows, and 6,700 head (3,350 animal units) of dairy calves; for a total of 16,440 animal units. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Virgil Ziegler 10998 S. Road 40E Park, KS 67751	SW/4 of Section 05 T10S, R27W Sheridan County	Saline River Basin

Kansas Permit No. A-SASD-S002

The proposed action is to reissue an existing state permit for an existing facility for 980 head (392 animal units) of swine more than 55 pounds. There will be no change in the operation or permitted number of animal units from the previous permit. This facility has an approved Waste Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Chuck Springer – Box Facility 6264 CR 1950 Elk City, KS 67344	SW/4 of Section 04 T31S, R14E Montgomery County	Verdigris River Basin

Kansas Permit No. A-VEMG-H010  
Federal Permit No. KS0095346

The proposed action is to approve an update to the Nutrient Management Plan (NMP) received for this existing facility currently permitted for 5,660 head (2,264 animal units) of swine weighing greater than 55 pounds and 4,220 head (422 animal units) of swine weighing 55 pounds or less; for a total of 2,686 animal units of swine. The facility's NMP was updated to include changes in the application rate limitations. The application rate limitation for three fields became less restrictive than the previous NMP. There are no changes to the permit or in the permitted number of animal units. Only the updated portion of the Nutrient Management Plan is subject to comment. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
Knight Feedlot, Inc. 1768 Ave. J Lyons, KS 67554	E/2 of Section 23 T19S, R08W Rice County	Lower Arkansas River Basin

Kansas Permit No. A-ARRC-C002  
Federal Permit No. KS0116157

The proposed action is to approve an update to the Nutrient Management Plan (NMP) received for this existing facility currently permitted for 35,000 head (35,000 animal units) of cattle weighing greater than 700 pounds. The facility's NMP was updated to include the addition of one new 158-acre liquids export field. There are no changes to the permit or in the permitted number of animal units. Only the updated portion of the Nutrient Management Plan is subject to comment. This facility has an approved Nutrient Management Plan on file with KDHE.

**Public Notice No. KS-AG-R-23-022**

Per Kansas Statutes Annotated 65-171d, the following registration has been received for a proposed facility:

Name and Address of Registrant	Legal Description	County
Red Barn Truck Wash & Service Trevor Stoppel 1200 E. Pancake Blvd. Liberal, KS 67901	SW/4 of Section 34 T34S, R33W	Seward

(continued)

**Public Notice No. KS-Q-23-164/170**

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Fairview, City of PO Box 175 Fairview, KS 66425	Walnut Creek via Spring Creek via unnamed tributary	Treated Domestic Wastewater

Kansas Permit No. M-MO06-0020  
Federal Permit No. KS0098744

Legal Description: NE¼, NW¼, SW¼, Section 27, Township 2S, Range 15E of Brown County, Kansas

Facility Location: Latitude: 39.84769, Longitude: -95.73064

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a three-cell wastewater stabilization lagoon system with a minimum of 120 days detention time. The facility receives domestic wastewater from residential and commercial areas and industrial wastewater from local manufacturers. The total detention time at design flow is 160 days. The proposed permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, and E. coli; as well as monitoring for pH, Ammonia, Total Phosphorus, and Arsenic.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Hutchinson, City of PO Box 1567 Hutchinson, KS 67504	Arkansas River via ¼ mile ditch	Treated Domestic Wastewater

Kansas Permit No. M-AR49-IO01  
Federal Permit No. KS0036188

Legal Description: S½, SW¼, NW¼, & N½, NW¼, SW¼ Section 33, Township 23S, Range 5W of Reno County, Kansas

Facility Location: Latitude: 38.00691, Longitude: -97.88339

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a mechanical wastewater treatment plant consisting of: Bar screen, aerated grit removal, primary pumping station (8 pumps), primary sedimentation tanks (3), secondary pumping station (5 pumps), Complete Mixed Activated Sludge (CMAS) basins (4), final sedimentation tanks (3), peak flow storage basins (2), UV disinfection unit, gravity secondary sludge thickeners (2), sludge storage basin, anaerobic sludge digestion (4-primary, 2-secondary), gravity belt thickener biosolids centrifuge, sludge cake storage building, collection system vacuum truck dump pad. The facility receives domestic wastewater from residential and commercial areas and industrial wastewater from local manufacturers. The proposed permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, pH, Ammonia, E. coli, and Dissolved Oxygen; as well as monitoring for Total Phosphorus, Nitrates + Nitrites, Total Kjeldahl Nitrogen, Total Nitrogen, Chlorides, and Selenium.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Sterling, City of PO Box 287 Sterling, KS 67579	Cow Creek via Bull Creek via unnamed tributary	Treated Domestic Wastewater

Kansas Permit No. M-AR85-OO01  
Federal Permit No. KS0024783

Legal Description: N½, SE¼, SW¼ and N½, SW¼, SE¼, Section 22, Township 21S, Range 8W of Rice County, Kansas

Facility Location: Latitude: 38.20592, Longitude: -98.19046

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a four-cell wastewater stabilization lagoon system with a minimum of 120 days detention time. The facility receives domestic wastewater from residential and

commercial areas and industrial wastewater from local manufacturers. The detention time at the design flow is 158 days. The proposed permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, and Ammonia; as well as monitoring for pH, E. coli, Total Phosphorus, Nitrates + Nitrites, Total Kjeldahl Nitrogen, Total Nitrogen, Chloride, and Selenium. This NPDES discharging lagoon wastewater treatment facility has been reviewed for eligibility for the MDV for ammonia and has been determined to be eligible. Eligibility was determined through analysis of the facility's highest attainable criteria (HAC) for ammonia and an Economic Eligibility Determination (EED) that assessed the impact of the cost of a new mechanical facility to the community's rate payers. The ammonia effluent limit was determined on July 13, 2022, by calculating the 99th percentile ammonia value from the Permittee has received a Consent Order Case Docket No. 19-E-01 BOW from KDHE. Permittee shall implement the requirements of the Consent Order and any amendments or replacements thereto facility's discharge monitoring reports resulting in an ammonia limit of 7.4 mg/L for this facility.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Hallmark Cards, Inc. PO Box 99 Lawrence, KS 66044	Kansas River via unnamed tributary	Processed Wastewater

Kansas Permit No. I-KS31-CO06  
Federal Permit No. KS0091481

Facility Location: Latitude: 38.98487, Longitude: -95.25943

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility manufactures greeting cards, decorative ribbons, and stickers. Operations include cutting, stamping, and folding of paper stock, printing, extrusion, plastic molding, and packaging. Domestic wastes and cafeteria wastes are processed through an oil / water separator and directed to the city sanitary sewer. In addition, wastewater from washing process areas and compressor condensate are also processed through an oil/water separator and are discharged to city sanitary sewer. Oils from oil water separators and other sources are shipped off-site for disposal. The facility uses boiler for heat and steam. The boiler blowdown is discharged to the Publicly Owned Treatment Works (POTW). The facility uses cooling tower for air conditioning during summer months. Daily blowdown of the cooling towers no longer occurs. When the cooling towers are operating, about 1,000 gallons per day of non-contact cooling tower blowdown and additional stormwater runoff are discharged from each outfall 001A and 002A to the Kansas River via an unnamed tributary. The proposed permit contains generic language to protect the waters of the state.

Name and Address of Applicant	Receiving Stream	Type of Discharge
City of Wichita 1815 W. Pine Wichita, KS 67203	Arkansas River via Storm Sewer	Processed Wastewater

Kansas Permit No. I-AR94-PO10  
Federal Permit No. KS0099757

Legal Description: SE¼, Section 18, Township 27S, Range 1E of Sedgwick County, Kansas

Facility Location: Latitude: 37.69518, Longitude: -97.36131

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This is the main public water treatment plant for Wichita. This permit is for the discharge of non-chlorinated filter influent water, filter backwash water and miscellaneous waters from online monitoring equipment, etc. The non-chlorinated waters are routed without treatment to the Arkansas River via a storm sewer. The lime solids from primary settling is not part of this discharge but is related by a separate permit. Estimated design flow from outfall 001A1 is 0.72 MGD. The proposed permit contains limits for Total Suspended Solids and pH, as well as monitoring for Total Phosphorus and Chlorides.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Public Wholesale Supply District #23 PO Box 328 Fredonia, KS 66736	Verdigris River via Fall River via Salt Creek	Processed Wastewater

Kansas Permit No. I-VE18-PO05  
 Federal Permit No. KS0101192

Legal Description: NW¼ of Section 23, Township 29S, Range 14E of Wilson County, Kansas

Facility Location: Latitude: 37.51730, Longitude: -95.84069

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This is a surface water treatment plant that is designed to treat 6 MGD, utilizing lime softening processes. Raw water will be treated using pre-sedimentation basins, circular clarifiers, solids contact clarifiers, gravity sand filters and a chlorine contact basin. Chlorine will be used for primary disinfection before the water is sent to the clear well. Water is then pumped to storage, prior to distribution. Sludge from the pre-sedimentation basins (20,000 gpd), lime softening wastes from clarifiers (50,000 gpd), filter to waste (25,000 gpd), filter backwash (65,000 gpd) and floor drains from the HSP building (2 gpd) will be pumped to a two-cell lagoon system for treatment. Online monitoring and laboratory wastewater (6,900 gpd) and miscellaneous floor drains from the shop area (170 gpd) and domestic wastes will be sent to the Fredonia sanitary sewer. Outfall 001A consists of the discharge from either of the two lagoons, which will discharge to Salt Creek, via an underground pipeline. The proposed permit contains limits for Total Residual Chlorine and Total Suspended Solids, as well as monitoring for pH.

Name and Address of Applicant	Receiving Stream	Type of Discharge
The Coleman Company, Inc. PO Box 2931 Wichita, KS 67201	Arkansas River via Storm Sewer	Processed Wastewater

Kansas Permit No. I-AR94-PO76  
 Federal Permit No. KS0091855

Legal Description: NW¼ of Section 21, Township 27S, Range 1E of Sedgwick County, Kansas

Facility Location: Latitude: 37.6889, Longitude: -97.3304

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This is a previous manufacturing site, which was identified by Bureau of Environmental Remediation (BER) to have groundwater contaminated with volatile organic compounds (VOC). Since 1991, this facility has been engaged in ongoing remediation efforts including groundwater extraction and treatment. Urban redevelopment of the site has resulted in demolition of most of the old factory buildings, which have been replaced with an office building and two parking lots. Groundwater extraction for the western half of the site (Factory A) is pumped from two wells (RW6 and RW7R) at a rate of 80 gallons per minute and treated with an air stripper prior to discharge to Outfall 004A. Groundwater extraction for the eastern half of the site (Factory B) is pumped from one well (RW5) at a rate of 40 gallons per minute and treated with an air stripper prior to discharge to Outfall 005A. The proposed permit contains limits for Trichloroethylene, Tetrachloroethylene, and pH; as well as monitoring for Flow, Total Chloride, Total Nitrogen, Total Phosphorus, and Radioactivity.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before October 21, 2023, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-23-268/276, KS-AG-R-23-022, KS-Q-23-164/170) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a

determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione, Section Chief, Livestock Waste Management Section at the KDHE Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Mirina Landry at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at [kdhe.feedlots@ks.gov](mailto:kdhe.feedlots@ks.gov). Las preguntas o comentarios por escrito deben dirigirse a Erich Glave, Director, Bureau of Environmental Field Services en KDHE: 1000 SW Jackson St., Suite 430, Topeka, KS 66612-1367; por correo electrónico: [kdhe.feedlots@ks.gov](mailto:kdhe.feedlots@ks.gov); por teléfono: 785-296-6432. For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Neal Niceswanger, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-6804 or email at [Neal.Niceswanger@ks.gov](mailto:Neal.Niceswanger@ks.gov). These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

 Division of Property Valuation

Notice of Hearing

A public hearing will be held at 2:00 p.m. Wednesday, November 29, 2023, to consider a proposed appraisal directive (#23-039) outlining the assessment classification and valuation of bed and breakfast and other mixed-use facilities, including hotel/motel and RV park properties. For convenience, the hearing will be held at the Flint Hills training room in the Property Valuation Division Office, 300 SW 29th St., Topeka, Kansas, as well as having remote access. Participants wanting to participate shall

(continued)

contact Bob Kent at the Division of Property Valuation, 300 SW 29th St., PO Box 3506, Topeka, KS 66601-3506, by email at [bob.kent@ks.gov](mailto:bob.kent@ks.gov) or by phone at 785-296-4104 for instructions.

This 60-day notice of the public hearing shall constitute a public comment period for the purposes of receiving written public comments on the proposed appraisal directive. All interested parties may submit written comments prior to the hearing to the Division of Property Valuation, Attn: Bob Kent, 300 SW 29th St., PO Box 3506, Topeka, KS 66601-3506 or by email at [bob.kent@ks.gov](mailto:bob.kent@ks.gov). All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed appraisal directive during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to limit any oral presentation to five minutes.

The proposed appraisal directive may be accessed on the Division of Property Valuation website at <https://www.ksrevenue.gov/pvddirtoc.html>. Copies of the proposed appraisal directive may also be obtained by contacting the Division of Property Valuation at the address or email indicated above.

This proposed directive has no significant economic impact.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed appraisal directive in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Bob Kent at 785-296-4104 or via email at [bob.kent@ks.gov](mailto:bob.kent@ks.gov). Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 1-800-766-3777 for communication accommodations.

**State of Kansas**  
**Department of Administration**  
**Office of Facilities and Property Management**

**Notice of Hearing**

Pursuant to K.S.A. 75-37,143(d), the State Building Advisory Commission will conduct a public hearing at 9:00 a.m. Wednesday, October 11, 2023, in Suite 1200, 12th Floor, Eisenhower State Office Building, 700 SW Harrison St., Topeka, Kansas. Check in at the front desk with Security is required.

The purpose of the hearing is for the public to have an opportunity to comment on a request from the Kansas Department of Transportation to utilize Construction Management At-Risk (CMAR) alternate project delivery method for the KDOT District 1 Complex Relocation Project.

The District One Complex is being relocated from its present site at 17th and Van Buren to a location at 21st and Rice Road in Topeka, Kansas. The district office and

shop, along with the materials and research lab and various storage buildings, will all relocate to this new site.

Barbara Schilling  
Deputy Director-DCC  
Office of Facilities and Property Management  
Department of Administration

Doc. No. 051499

**State of Kansas**  
**Kansas Development Finance Authority**

**Notice of Hearing**

A public hearing will be conducted at 9:00 a.m. Tuesday, October 10, 2023, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

**Project No. 001119 Maximum Principal Amount: \$321,000.** Owner/Operator: Austin M. Harries; Description: Acquisition of 95.6 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Austin M. Harries (the "Beginning Farmer") and is located at Section 16, Township 1, Range 6 East of the 6th P.M., Marshall County, Kansas, approximately 8 miles west of Oketo, Kansas on Cherokee Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

Interested individuals may participate in the public hearing in person or via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, KS 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

## State of Kansas

## Department of Wildlife and Parks

## Permanent Administrative Regulation

## Article 20.—MISCELLANEOUS REGULATIONS

**115-20-2. Certain wildlife; legal equipment, taking methods, possession, and license requirement.** (a) Subject to federal and state laws and regulations, wildlife listed in subsection (b) may be taken for personal use on a noncommercial basis.

(b) For purposes of this regulation, wildlife shall include the following, excluding any species listed in K.A.R. 115-15-1 or K.A.R. 115-15-2:

- (1) Amphibians, except bullfrogs;
- (2) armadillo;
- (3) commensal rodents, excluding game and furbearing animals;
- (4) exotic doves;
- (5) feral pigeon;
- (6) gopher;
- (7) ground squirrel;
- (8) invertebrates;
- (9) kangaroo rat;
- (10) mole;
- (11) porcupine;
- (12) prairie dog;
- (13) reptiles, except common snapping turtles and soft-shelled turtles;
- (14) woodchuck; and
- (15) wood rat.

(c) Wildlife listed in subsection (b) shall be taken only with any of the following legal equipment or methods:

- (1) Bow and arrow;
- (2) crossbow;
- (3) deadfall;
- (4) dogs;
- (5) falconry;
- (6) firearms, except fully automatic firearms;
- (7) glue board;
- (8) hand;
- (9) net or seine;
- (10) optical scopes or sights that project no visible light toward the target and do not electronically amplify visible or infrared light;

(11) pellet and BB gun;

(12) poison, poisonous gas, or smoke, if the toxicant is registered and labeled for that use and if all permit requirements for use of the poison, poisonous gas, or smoke have been met;

(13) projectiles hand-thrown or propelled by a sling-shot;

(14) snare or noose; or

(15) trap.

(d) The open season for the taking of wildlife listed in subsection (b) shall be year-round.

(e) There shall be no maximum daily bag or possession limit for wildlife listed in subsection (b), except that no more than five total of any combination of amphibian may be possessed per person or domicile, whichever is reached first, and no more than five reptiles and no more than two individuals of any reptile species per person and/or domicile, whichever is reached first. No more than five live specimens of mussels may be possessed. Two opposing shells shall constitute one mussel.

(f) For the purpose of this regulation, “domicile” shall mean the address you declare in legal documents to pay taxes, receive social security, vote, bank, permanent abode, and register vehicles and animals.

(g) Each exotic dove possessed in excess of the aggregate daily bag limit or aggregate possession limit for migratory doves during the open season for migratory doves established in K.A.R. 115-25-19 shall retain a fully feathered wing. For the purpose of this regulation, “migratory dove” shall mean any mourning dove or white-winged dove, and “exotic dove” shall mean a Eurasian collared dove or ringed turtledove.

(h) Legally taken wildlife listed in subsection (b) may be possessed without limit in time.

(i) A hunting license shall not be required to take invertebrates. (Authorized by K.S.A. 32-807; implementing K.S.A. 32-807 and K.S.A. 32-919; as amended by L. 2023, ch. 43, sec. 4; effective Sept. 10, 1990; amended Nov. 30, 1998; amended July 13, 2001; amended Nov. 22, 2002; amended Feb. 18, 2005; amended July 28, 2017; amended Oct. 6, 2023.)
