Social and Rehabilitation Services

Public Notice

The Department of Social and Rehabilitation Services will be implementing a parental fee program February 1 that will include parents of children participating in the Autism Home and Community Based Services Waiver, the Physical Disability (PD) Waiver and the Traumatic Brain (TBI) Waiver. These waivers serve individuals under the age of 18 and as part of the eligibility determination process allow financial eligibility to be determined without considering the parent's income.

The parental fee program was created for waivers to increase fairness and shared responsibility by charging families who have the means a portion of the cost of services provided to their minor children. SRS was authorized to utilized parental fee programs by the 2002 Legislature through a proviso to the omnibus appropriations bill. The fee assessed the family is based on the parents' income according to a sliding scale. Persons caring for a child with a disability who would not have to pay a fee include:

- Grandparents and other relatives
- Adoptive parents and foster parents
- Biological parents with incomes below 200 percent of the federal poverty level (FPL)

In certain circumstances (i.e., the loss of income or an increase in family size), SRS may waive or reduce a family's parent fee. Parents must make an official request for the fee to be waived.

More information regarding the current parental fee program may be found at www.srskansas.org/hcp/mo/MOParentalFeeInfo.htm. Comments should be sent by January 22 to Margaret Zillinger, Director of Community Supports and Services, Department of Social and Rehabilitation Services, 9th Floor East, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612. Comments also may be faxed to (785) 296-0557 or e-mailed to Margaret.Zillinger@srs.ks.gov.

Notice to Private Activity Bond Applicants

Applications for allocation of 2010 Private Activity Bond (PAB) authority are now being accepted for qualified uses, as defined by the Internal Revenue Code of 1986, and amendments thereto.

The state of Kansas is projected to receive \$273,775,000 of federal authority for the issuance of PABs in calendar year 2010. Historically, the primary uses of this federal authority have included "qualified small issue bonds" used for construction and equipping of manufacturing facilities and beginning farmer programs; "exempt facility bonds" used by for-profit entities providing a public benefit, i.e., certain waste treatment facilities, qualified residential rental facilities, etc.; and "qualified mortgage bonds" issued to benefit first-time homebuyers. Allocations awarded by the Secretary of Commerce are subject to the provisions of K.S.A. 74-5060 et seq. and the limitations of the state volume cap.

Fees associated with PAB application and issuance are as follows:

- (1) Application fee—A nonrefundable fee must accompany the application before the request can be processed. The application fee is determined as follows:
 - \$250 for allocation requests up to \$5,000,000
 - \$500 for allocation requests from \$5,000,001 to \$10,000,000
 - \$1,000 for allocation requests from \$10,000,001 and above
- (2) Issuance fee—An issuance fee for allocation amounts utilized, other than "Qualified Mortgage bonds" issued, shall be due and payable to the Kansas Department of Commerce at bond closing. Issuance fees shall be determined as follows:

Allocation Used Fee To \$2,000,000 5 basis points (.05%) \$2,000,001 and above 10 basis points (.10%)

"Qualified Mortgage Bond" programs will be assessed a fee, upon issuance of each mortgage loan assisted through the program, equal to .5% of the PAB allocation used.

Issuance fees shall be remitted within 30 days of bond closing. Checks for both the application and issuance fees for non-housing issues should be made payable to the Kansas Department of Commerce Bond Fee Fund. Checks for the issuance fees for housing activities should be made out to the State Housing Trust Fund.

For more information or to obtain application materials, contact Ed Serrano or Steve Kelly, Kansas Department of Commerce, 1000 S.W. Jackson, Suite 100, Topeka, 66612-1354, (785) 296-5298 or TTY (785) 296-3487.

Notice of Hearings

The Department of Commerce, Division of Rural Development, will conduct two public hearing on the proposed FFY 2011 Community Development Block Grant Program. The purpose of these hearings is to gain citizen input on the proposed changes to the federally funded CDBG Program, as well as take comments on the performance of past administration of this program. No preregistration is required. All citizens are invited to attend the public hearings scheduled as follows:

1	0	
Date	Time	Location
Wednesday,	10:30 to	Kansas Department of Commerce
February 17	11:30 a.m.	Curtis State Office Building
		1000 S.W. Jackson, Suite 100, Topeka
Thursday,	9 to 10 a.m.	Commerce Office
February 18		Hays Workforce Center
•		332 E. 8th St., Hays

Anyone needing special accommodations should contact the Kansas Department of Commerce at least five business days in advance of the hearing at (785) 296-3737, fax (785) 296-3776 or TTY (785) 296-3487.

Proposed changes listed below will be discussed at the public hearings:

1. Housing—If the value of the home is less than the cost of rehabilitation, do we want that to become a part of our walk away policy? This would then be true no matter the source of the additional funds. Example: The value of the home is \$30,000; the cost to bring the home to livability standard is \$35,000. We can spend \$20,000 in CDBG funds, \$11,000 in Weatherization, and \$4,000 in additional source of funds. Should we continue with the rehabilitation or walk away?

2. KAN STEP—Move the KAN STEP application round to November or December of the previous year instead of April.

3. Economic Development—Reduce the match requirement for projects utilizing more than \$500,000 of CDBG funds from \$1 of matching funds for every \$1 of CDBG funds to only \$0.50 of matching funds per \$1 of CDBG funds.

Notice to Consulting Engineers

The Kansas Department of Transportation is seeking a qualified consulting engineering firm, prequalified in category 323, for the project listed below. Eight signed copies of the response can be mailed to David Nagy, P.E., Assistant to the Bureau Chief of Design/Contracts Engineer, KDOT, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, 66603-3754. Interest responses shall be limited to four pages and must be received by noon February 2 for the consulting engineering firm to be considered.

Firms not prequalified with KDOT must submit seven copies of KDOT Form 1050 to become prequalified. The form is available at www.ksdot.org/divengdes/prequal.

From the firms expressing interest, the Consultant Selection Committee will select a list of the most highly qualified (not less than three and not more than five) and invite them to attend an individual interview conference. At this time, the consulting firms can more thoroughly discuss their experience related to the type of project at hand and will be expected to discuss, in some detail, their approach to this project and the personnel to be assigned to the project. Firms not selected to be short-listed will be notified by letter.

The Consultant Negotiating Committee, appointed by the Secretary of Transportation, will conduct the discussions with the firms invited to the individual interview conferences. The committee will select the firm to perform the professional services required for completing the advertised project. After the selection of this firm, the remaining firms will be notified by letter of the outcome.

106 KA-1675-01 Statewide

This project is to investigate and prepare reports for underwater bridge inspections in accordance with FHWA-DP-90-1 within calendar year 2010. The project has 21 locations, which includes four Missouri River crossings. The consultant will need to augment the underwater diving inspections with side-scan radar technology. The consultant also will be an "on-call" consultant for additional underwater inspections through 2014 as warranted by flood events.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firm:

- 1. Size and professional qualifications;
- 2. experience of staff;
- 3. location of firm with respect to proposed project;
- 4. work load of firm; and
- 5. firm's performance record.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract:

- Valid, reliable and current costs must be available within the system to support cost and pricing data:
- capability to provide a means of measuring the reasonableness of incurred costs;
- capability to identify and accumulate allowable costs by contract or project records that will reconcile with the general ledger; and

• ability to provide supporting documentation of actual expenditures for each billing, based on costs.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted from 2 to 4 p.m. Monday, March 15, in the Board of Regents board room, 1000 S.W. Jackson, Suite 520, Topeka, to consider the proposed amendments to the regulation dealing with the fees charged to private and out-of-state postsecondary educational institutions.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comment on the proposed regulation. All interested parties may submit written comments prior to the hearing to Jacqueline Johnson, Kansas Board of Regents, 1000 S.W. Jackson, Suite 520, Topeka, 66612-1368. All interested parties will be given a reasonable opportunity to present their views orally on the amendments of the regulation during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Naomi Adams at (785) 296-3422.

Copies of the amendments and the economic impact statement may be found at http://www.kansasregents.org/institutions/career/index.html or obtained by contacting Naomi Adams at the above-listed contact information. A summary of the proposed regulation and the economic impact follows:

K.A.R. 88-28-6 establishes fees that must be paid by private or out-of-state postsecondary institutions that operate in the state of Kansas. The proposed amendment will increase the fees paid by such institutions to the statutory maximums allowed by the authorizing statute, K.S.A. 2008 Supp. 74-32,181.

There is no anticipated economic impact on the board, as its duties will not expand with the promulgation of the amendment to this regulation. However, with the enhanced revenues that this regulatory change will bring about, KBOR will be better positioned to address and handle the increased workload. There is no anticipated economic impact upon other governmental agencies or entities, or private citizens. There will be an economic impact upon those private and out-of-state post-secondary educational institutions to which the Act applies.

Request for Comments

The Kansas Department of Health and Environment and the U.S. Environmental Protection Agency, Region VII, have received a Resource Conservation and Recovery Act (RCRA) hazardous waste Part A and Part B permit renewal applications from Clean Harbors PPM, LLC, located at 2474 Highway 169 North Industrial Park, Coffeyville. KDHE and the EPA are providing notice of their intent to renew a jointly issued RCRA hazardous waste treatment and storage permit to Clean Harbors PPM, LLC, the operator and owner of the facility.

The facility was originally permitted to store and incinerate hazardous wastes in 1991. The facility no longer burns hazardous waste. The facility clean closed the incinerator in 2005. The facility's assigned EPA identification number is KSD981506025.

In October 1985, the state of Kansas received final authorization from the EPA to implement its own hazardous waste management program in lieu of the federal program except for the portions covered by the Hazardous and Solid Waste Amendments (HSWA) of 1984. The KDHE portion of the permit (Part I) will be issued under the authority of K.S.A. 65-3430 et seq. and K.A.R. 28-31-9, and the EPA portion of the permit (Part II) will be issued under the authority of Sections 3001(g), 3001(h), 3002 (b), 3004(d), 3004 (u) and (v), 3005 and 6001 of the RCRA.

Part I of the permit will allow Clean Harbors PPM, LLC to receive hazardous waste in both bulk and containers

from off-site generators to store a total of 107,800 gallons of hazardous waste in 1960 55-gallon containers in the "A" Building. The materials stored at the facility will include corrosive, toxic and listed hazardous wastes. Container storage areas complies with 40 CFR Part 264 Subpart I, Subpart CC and Part 270 requirements for container storage areas. Emergency equipment is available at the facility and appropriate warning signs are posted on the perimeter fences. The EPA portion (Part II) of the joint permit will address the requirements of HSWA

A copy of the administrative record, which includes the draft permit, the permit application and all information pertaining to this permit action, is available for public review January 21-March 9, Monday through Friday during normal business hours, at the following locations:

Notice of Available Grant Funding

Funding for immunization providers that wish to apply for financial assistance to load or exchange immunization data with the Kansas Immunization Registry (KSWebIZ) is available upon listed requirements. The total amount available for Kansas providers is \$55,000. All funding is one-time funding and may be a partial or full award of requested funds. The number of awards and amounts of awards will be dependent on the number of applicants, volume of clinic and type of immunization service provided, giving priority to the two-way interface applicants and/or Vaccine for Children (VFC) providers.

A grantee must fall under one of the following options:

1) Funding will be made available for two-way interface enhancement for immunization provider site. This does not include the development of the inter-

- face itself. It would only be for those practices to purchase the interface component once a vendor has an established two-way interface developed.
- 2) Funding will be made available for a one-time extract out of an electronic medical record (EMR) or a billing system that does not have the capability for a two-way interface if the provider intends to do direct entry into KSWebIZ thereafter.
- 3) Funding will be made available for data entry services for a provider to hire personnel to manually data enter immunization historical data into KSWebIZ. This would primarily be for clinics that have no electronic source for data extract, and would eliminate clinic staff time from entering historical records while patient is waiting.

Applications may be obtained by contacting Nichole Lambrecht, KSWebIZ Project Manager, Kansas Immunization Program, KDHE, 1000 S.W. Jackson, Suite 210, Topeka, 66612-1274, (785) 296-8119 or toll free (877) 296-0464, by fax at (785) 291-3142, by e-mail at nlambrecht@kdheks.gov, or online at www.kdheks.gov/immunize/webiz.html. Providers that wish to apply should complete and return the application form by February 26 to Nichole Lambrecht at the address above.
