Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

Kansas Permit No. I-AR94-CO55 Federal Permit No. KS0089753

Legal Description: SW¼, S28, T27S, R1W, Sedgwick County, KS

Facility Description: This action consists of renewal of an existing permit for discharge of cooling water from an existing facility. This facility manufactures self-adhesive vinyl graphics and pinstriping for automotive trim by converting, cutting and printing. The discharge consists of once-through, noncontact cooling water used in air conditioning condensers and a rotary printing press. Domestic waste, floor cleaning and mopping waste, and acid etching waste (under pretreatment permit #5372) are directed to the city sanitary sewer. The proposed permit requires monitoring for acetone. Contained in the permit is a schedule of compliance requiring the permittee to conduct additional testing on the supply well water and the effluent water for VOCs to determine the source of the acetone in the wastewater and develop and implement a plan to reduce/eliminate the acetone contamination.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before September 8 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-12-226/233, KS-Q-12-061/081) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdheks.gov/feedlots>. Division of Environ-

ment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

Notice of Hearing

In the Matter of the Designation of the Sheridan 6 Local Enhanced Management Area (LEMA), 12 WATER 8366:

The Northwest Kansas Groundwater Management District #4 has recommended the approval of a local enhanced management plan. The proposed LEMA is to be located in portions of Sheridan and Thomas counties and within the boundaries of the district. The plan was submitted to the chief engineer for review and is considered acceptable for consideration. Therefore, the chief engineer has scheduled an initial public hearing to consider whether to designate the Sheridan 6 LEMA at 10:30 a.m. Thursday, September 13, on the third floor of the Sheri-

(continued)

dan County Courthouse, 925 9th St., Hoxie. The hearing is scheduled for one day and may continue as long as necessary for a full disclosure of relevant facts.

Facts relevant to the hearing are:

(1) Whether one or more of the circumstances specified in subsection (a) through (d) of K.S.A. 82a-1036, and amendments thereto, exist;

(2) whether the public interest of K.S.A. 82a-1020, and amendments thereto, requires that one or more corrective control provisions be adopted; and

(3) whether the geographic boundaries are reasonable.

A hearing officer, delegated by the chief engineer, shall resolve the findings of fact at the initial public hearing. If the hearing officer's findings are favorable on all three issues of fact and an expansion of geographic boundaries is not recommended, a subsequent hearing will be held to determine whether the area should be designated and the GMD's proposed local enhanced management plan for the area be adopted.

Anyone may submit written or oral statements to be included in the hearing record. Oral statements will be accepted only at the initial public hearing. Written statements may be submitted at the initial public hearing or may be sent to the Sheridan 6 LEMA hearing officer, c/o Leslie Garner, Kansas Department of Agriculture, 109 S.W. 9th St., 4th Floor, Topeka, 66612, faxed to 785-368-6668 or emailed to leslie.garner@kda.ks.gov. Written comments will be accepted if delivered or postmarked on or before September 17.

Interested members of the public are encouraged to attend the initial public hearing.

Real Estate Appraisal Board

Permanent Administrative Regulations

Article 2.—QUALIFICATIONS CRITERIA — RESIDENTIAL REAL ESTATE APPRAISER CLASSIFICATION

117-2-2. Licensed classification; appraisal experience requirement. (a)(1) Each applicant for the licensed classification shall have 2,000 hours of appraisal experience obtained in at least 12 months.

(2) At least six hours of real property appraisal experience shall be on an improved property.

(3) Acceptable appraisal experience shall include at least 1,500 hours of real property appraisal experience.

(4) Acceptable appraisal experience may include an aggregate maximum of 25% of the total number of experience hours in the following appraisal categories:

- (A) Mass appraisal;
- (B) real estate consulting;
- (C) review appraisal;
- (D) highest and best use analysis;
- (E) feasibility analysis study;
- (F) drive-by appraisals; and

(G) restricted appraisal reports.

(5) Experience hours may be granted for appraisals performed without a traditional client. However, appraisal experience gained from work without a traditional client shall not exceed 50% of the total appraisal experience requirement. Practicum courses that are approved by the appraiser qualifications board's course-approval program or by a state appraiser regulatory agency may also be used to meet the requirement for non-traditional client experience. Each practicum course shall include the generally applicable methods of appraisal practice for the state licensed classification. The course content shall include the following:

(A) Requiring the student to produce credible appraisals that utilize an actual subject property;

(B) performing market research containing sales analysis; and

(C) applying and reporting the applicable appraisal approaches in conformity with the uniform standards of professional appraisal practice.

Each assignment shall require problem-solving skills for a variety of property types for the state licensed classification. Experience credit shall be granted for the actual number of classroom hours of instruction and hours of documented research and analysis as awarded from the practicum course approval process.

(6) For the purposes of this regulation, "traditional client" shall mean a client who hires an appraiser for a business purpose.

(b) All appraisal experience shall be in compliance with the uniform standards of professional appraisal practice (USPAP) as required by K.S.A. 58-4121 and amendments thereto. Each applicant's experience shall be appraisal work conforming to standards 1, 2, 3, 5, and 6, in which the applicant demonstrates proficiency in the appraisal principles, methodology, procedures, and reporting conclusions.

(c) The real property appraisal experience requirement specified in paragraph (a)(3) shall be met by time involved in the appraisal process. The appraisal process shall consist of the following:

(1) Analyzing factors that affect value;

(2) defining the problem;

(3) gathering and analyzing data;

(4) applying the appropriate analysis and methodology; and

(5) arriving at an opinion and correctly reporting the opinion in compliance with USPAP.

(d)(1) In order for the board to determine whether or not the experience requirements have been satisfied, each applicant shall submit appraisal experience log sheets, in a format prescribed by the board, listing the appraisal reports completed by the applicant within the five-year period preceding the date of application. Each appraisal report shall be signed by the applicant or the preparer of the report who supervised the applicant. If the applicant does not sign the appraisal report, the preparer shall indicate whether or not the applicant provided significant professional assistance in the appraisal process.

(2) Each applicant shall maintain a record of the actual number of hours involved in completing an appraisal. Unless the board approves a greater number of experience hours for a particular appraisal based upon the un-

usually difficult or complex nature of the appraisal, the maximum number of experience hours for each appraisal shall be based upon the following formulas:

(A) Residential appraisal. To estimate the number of hours for each residential appraisal, the following calculation shall be used:

(i) Multiply the number of approaches taken by two; and

(ii) to the figure computed in paragraph (d)(2)(A)(i), add one of the following numbers according to the type of appraisal report generated: six for self-contained, four for summary, or zero for restricted use.

(B) Commercial or agricultural appraisal. To estimate the number of hours for each commercial or agricultural appraisal, the following calculation shall be used:

(i) Multiply the number of approaches taken by eight; and

(ii) to the figure computed in paragraph (d)(2)(B)(i), add one of the following numbers according to the type of appraisal report generated: 16 for self-contained, eight for summary, or zero for restricted use.

(3) Each applicant shall maintain a separate log of appraisals completed with each supervising appraiser.

Each page of each supervised experience log shall include the certification number and the signature of the applicant's supervising appraiser, which shall serve as verification of the accuracy of the information.

(e) Upon request of the board, each applicant shall submit at least three appraisal reports selected by the board from the applicant's log sheet and one appraisal report selected by the applicant from the log sheet. The selected appraisal reports shall be reviewed in accordance with standard rule 3 by the board or the board's designee for competency, within the scope of practice of the appraisal work authorized for the licensed classification, by using the criteria specified in K.S.A. 58-4109(d) and amendments thereto and, in particular, standards 1 and 2 of the edition of USPAP in effect when the appraisal was performed. Approval of an applicant's experience hours shall be subject to board approval of the requisite number of experience hours and board approval of the selected appraisal reports. (Authorized by and implementing K.S.A. 58-4109; effective Jan. 21, 1991; amended, T-117-6-10-91, June 10, 1991; amended Aug. 5, 1991; amended July 25, 1994; amended June 5, 1995; amended March 7, 1997; amended March 26, 1999; amended Oct. 8, 2004; amended Sept. 1, 2006; amended Jan. 1, 2008; amended April 16, 2010; amended Aug. 24, 2012.)

117-2-2a. Licensed classification; experience supervision requirements. (a) In order for an applicant's experience to be approved by the board when the applicant is applying for the licensed classification, the experience shall have been supervised by an appraiser according to all of the following conditions:

(1) The supervising appraiser was a certified appraiser in good standing during the period of supervision. On and after July 1, 2013, the supervising appraiser was in good standing for the two years immediately preceding supervision and during the period of supervision.

(2) The supervising appraiser was state licensed or certified as an appraiser for at least two years immediately preceding the date on which the supervision began.

(3) The supervising appraiser did not supervise more than three applicants or provisional licensed appraisers, or any combination of these, at the same time.

(4) The supervising appraiser maintained responsibility for supervision of the applicant by meeting both of the following requirements:

(A) Before signing the certification section or addendum, the supervising appraiser reviewed each appraisal report that the applicant prepared or provided assistance in developing, preparing, or communicating.

(B) The supervising appraiser met the following requirements:

(i) Ensured that at least the first 25 properties for which the applicant provided assistance in developing, preparing, or communicating an appraisal report were personally inspected by a supervising appraiser; and

(ii) continued to personally inspect each property for which the applicant provided assistance in developing, preparing, or communicating an appraisal report until the supervising appraiser was satisfied that the applicant was competent to appraise the property type, in accordance with the competency provision of the uniform standards of professional appraisal practice (USPAP) as required by K.S.A. 58-4121 and amendments thereto.

(b) Each applicant shall be permitted to have more than one supervising appraiser.

(c) The supervising appraiser shall supervise the work of an applicant on appraisal reports performed on properties only if both of the following conditions are met:

(1) The supervising appraiser is permitted by the supervising appraiser's current credential to appraise the properties.

(2) The supervising appraiser is competent to appraise the properties. (Authorized by and implementing K.S.A. 58-4109; effective July 1, 2007; amended Jan. 18, 2008; amended April 17, 2009; amended Aug. 24, 2012.)

Article 3.—QUALIFICATIONS CRITERIA — GENERAL REAL ESTATE APPRAISER CLASSIFICATION

117-3-2. General classification; appraisal experience requirement. (a)(1) Each applicant for the general classification shall have 3,000 hours of appraisal experience obtained over a period of at least 30 months.

(2) At least six hours of real property appraisal experience shall be on an improved property.

(3) At least 1,500 hours of appraisal experience shall have been nonresidential appraisal work. For purposes of this regulation, "residential" shall be defined as residential units for one to four families.

(4) Acceptable appraisal experience shall include at least 2,250 experience hours of real property appraisal experience.

(5) Acceptable appraisal experience may include an aggregate maximum of 25% of the total number of experience hours in the following appraisal categories:

- (A) Mass appraisal;
- (B) review appraisal;
- (C) highest and best use analysis;
- (D) feasibility analysis study;

(continued)

- (E) drive-by appraisals; and
- (F) restricted appraisal reports.

(6) Experience hours may be granted for appraisals performed without a traditional client. However, appraisal experience gained from work without a traditional client shall not exceed 50% of the total appraisal experience requirement. Practicum courses that are approved by the appraiser qualifications board's course-approval program or by a state appraiser regulatory agency may also be used to meet the requirement for non-traditional client experience. Each practicum course shall include the generally applicable methods of appraisal practice for the general classification. The course content shall include the following:

- (A) Requiring the student to produce credible appraisals that utilize an actual subject property;
- (B) performing market research containing sales analysis; and
- (C) applying and reporting the applicable appraisal approaches in conformity with the uniform standards of professional appraisal practice.

Each practicum course assignment shall require problem-solving skills for a variety of property types for the general classification. Experience credit shall be granted for the actual number of classroom hours of instruction and hours of documented research and analysis as awarded from the practicum course approval process.

(7) For the purposes of this regulation, "traditional client" shall mean a client who hires an appraiser for a business purpose.

(b) All appraisal experience shall be in compliance with the uniform standards of professional appraisal practice (USPAP) as required by K.S.A. 58-4121 and amendments thereto. Each applicant's experience shall be appraisal work conforming to standards 1, 2, 3, 5, and 6, in which the applicant demonstrates proficiency in the appraisal principles, methodology, procedures, and report conclusions.

(c) The real property appraisal experience requirement specified in paragraph (a)(4) shall be met by time involved in the appraisal process. The appraisal process shall consist of the following:

- (1) Analyzing factors that affect value;
- (2) defining the problem;
- (3) gathering and analyzing data;
- (4) applying the appropriate analysis and methodology; and
- (5) arriving at an opinion and correctly reporting the opinion in compliance with USPAP.

(d)(1) In order for the board to determine whether or not the experience requirements have been satisfied, each applicant shall submit appraisal experience log sheets, in a format prescribed by the board, listing the appraisal reports completed by the applicant within the five-year period preceding the date of application. Each appraisal report shall be signed by the applicant or the preparer of the report who supervised the applicant. If the applicant does not sign the appraisal report, the preparer shall indicate whether or not the applicant provided significant professional assistance in the appraisal process.

(2) Each applicant shall maintain a record of the actual number of hours involved in completing an appraisal.

Unless the board approves a greater number of experience hours for a particular appraisal based upon the unusually difficult or complex nature of the appraisal, the maximum number of experience hours for each appraisal shall be based upon the following formulas:

(A) Residential appraisal. To estimate the number of hours for each residential appraisal, the following calculation shall be used:

(i) Multiply the number of approaches taken by two; and

(ii) to the figure computed in paragraph (d)(2)(A)(i), add one of the following numbers according to the type of appraisal report generated: six for self-contained, four for summary, or zero for restricted use.

(B) Commercial or agricultural appraisal. To estimate the number of hours for each commercial or agricultural appraisal, the following calculation shall be used:

(i) Multiply the number of approaches taken by eight; and

(ii) to the figure computed in paragraph (d)(2)(B)(i), add one of the following numbers according to the type of appraisal report generated: 16 for self-contained, eight for summary, or zero for restricted use.

(3) If an applicant has both supervised experience and unsupervised experience, the applicant shall maintain a separate log of appraisals for each type of experience.

When logging supervised experience, the applicant shall maintain a separate log of appraisals completed with each supervising appraiser. Each page of each supervised experience log shall include the certification number and the signature of that applicant's supervising appraiser, which shall serve as verification of the accuracy of the information.

(e) Upon request of the board, each applicant shall submit at least three appraisal reports selected by the board from the applicant's log sheet and one appraisal report selected by the applicant from the log sheet. The selected appraisal reports shall be reviewed by the board or the board's designee, in accordance with standard rule 3, for competency within the scope of practice of the appraisal work authorized for the general classification, by using the criteria specified in K.S.A. 58-4109(d) and amendments thereto and, in particular, standard rules 1 and 2 of the edition of USPAP in effect when the appraisal was performed. Approval of an applicant's experience hours shall be subject to board approval of the requisite number of experience hours and board approval of the selected appraisal reports. (Authorized by and implementing K.S.A. 58-4109; effective Jan. 21, 1991; amended, T-117-6-10-91, June 10, 1991; amended Aug. 5, 1991; amended July 25, 1994; amended June 5, 1995; amended March 7, 1997; amended Jan. 9, 1998; amended March 26, 1999; amended Oct. 8, 2004; amended Sept. 1, 2006; amended Jan. 1, 2008; amended April 16, 2010; amended Aug. 24, 2012.)

117-3-2a. General classification; experience supervision requirements. (a) In order for an applicant's experience to be approved by the board when the applicant is applying for the general classification, all experience attained by an unlicensed or uncertified individual or by a licensed or certified appraiser whose experience is outside that appraiser's scope of practice shall have been su-

pervised by an appraiser according to the following terms and conditions:

(1) The supervising appraiser was a certified appraiser in good standing during the period of supervision.

(2) The supervising appraiser was state licensed or certified as an appraiser for at least two years immediately preceding the date on which the supervision began. On and after July 1, 2013, the supervising appraiser was in good standing for the two years immediately preceding supervision and during the period of supervision.

(3) The supervising appraiser did not supervise more than three applicants or provisional licensed appraisers, or any combination of these, at the same time.

(4) The supervising appraiser maintained responsibility for supervision of the applicant by meeting both of the following requirements:

(A) Before signing the certification section or addendum, the supervising appraiser reviewed each appraisal report that the applicant prepared or provided assistance in developing, preparing, or communicating.

(B) The supervising appraiser met the following requirements:

(i) Ensured that at least the first 25 properties for which the applicant provided assistance in developing, preparing, or communicating an appraisal report were personally inspected by a supervising appraiser; and

(ii) continued to personally inspect each property for which the applicant provided assistance in developing, preparing, or communicating an appraisal report until the supervisor was satisfied that the applicant was competent to appraise the property type, in accordance with the competency provision of the uniform standards of professional appraisal practice (USPAP) as required by K.S.A. 58-4121 and amendments thereto.

(b) Each applicant shall be permitted to have more than one supervising appraiser.

(c) The supervising appraiser shall supervise the work of an applicant on appraisal reports performed on properties only if both of the following conditions are met:

(1) The supervising appraiser is permitted by the supervising appraiser's current credential to appraise the properties.

(2) The supervising appraiser is competent to appraise the properties. (Authorized by and implementing K.S.A. 58-4109; effective July 1, 2007; amended July 1, 2007; amended Jan. 18, 2008; amended April 17, 2009; amended Aug. 24, 2012.)

Article 4.—QUALIFICATIONS CRITERIA — CERTIFIED RESIDENTIAL REAL PROPERTY APPRAISER CLASSIFICATION

117-4-2. Residential classification; appraisal experience requirement. (a)(1) Each applicant for the residential classification shall have 2,500 hours of appraisal experience obtained over a period of at least 24 months.

(2) At least six hours of real property appraisal experience shall be on an improved property.

(3) Acceptable appraisal experience shall include at least 1,875 experience hours of real property appraisal experience.

(4) Acceptable appraisal experience may include an aggregate maximum of 25% of the total number of experience hours in the following appraisal categories:

(A) Mass appraisal;

(B) review appraisal;

(C) highest and best use analysis;

(D) feasibility analysis study;

(E) drive-by appraisals; and

(F) restricted appraisal reports.

(5) Experience hours may be granted for appraisals performed without a traditional client. Each assignment shall require problem-solving skills for a variety of property types for the residential classification. Experience credit shall be granted for the actual classroom hours of instruction and hours of documented research and analysis as awarded from the practicum course approval process.

(6) For the purposes of this regulation, "traditional client" shall mean a client who hires an appraiser for a business purpose.

(b) All appraisal experience shall be in compliance with the uniform standards of professional appraisal practice (USPAP) as required by K.S.A. 58-4121 and amendments thereto. Each applicant's experience shall be appraisal work conforming to standards 1, 2, 3, 5, and 6, in which the applicant demonstrates proficiency in the appraisal principles, methodology, procedures, and report conclusions.

(c) The real property appraisal experience requirement specified in paragraph (a)(3) shall be met by time involved in the appraisal process. The appraisal process shall consist of the following:

(1) Analyzing factors that affect value;

(2) defining the problem;

(3) gathering and analyzing data;

(4) applying the appropriate analysis and methodology; and

(5) arriving at an opinion and correctly reporting the opinion in compliance with USPAP.

(d)(1) In order for the board to determine whether or not the experience requirements have been satisfied, each applicant shall submit appraisal experience log sheets, in a format prescribed by the board, listing the appraisal reports completed by the applicant within the five-year period preceding the date of application. Each appraisal report shall be signed by the applicant or the preparer of the report who supervised the applicant. If the applicant

(B) Commercial or agricultural appraisal. To estimate the number of hours for each commercial or agricultural appraisal, the following calculation shall be used:

(i) Multiply the number of approaches taken by eight; and

(ii) to the figure computed in paragraph (d)(2)(B)(i), add one of the following numbers according to the type of appraisal report generated: 16 for self-contained, eight for summary, or zero for restricted use.

(3) Each applicant shall maintain a separate log of appraisals for supervised experience and for unsupervised experience.

When logging supervised experience, the applicant shall maintain a separate log of appraisals completed with each supervising appraiser. Each page of each supervised experience log shall include the certification number and the signature of that applicant's supervising appraiser, which shall serve as verification of the accuracy of the information.

(e) Upon request of the board, each applicant shall submit at least three appraisal reports selected by the board from the applicant's log sheet and one appraisal report selected by the applicant from the log sheet. The selected appraisal reports shall be reviewed by the board or the board's designee, in accordance with standard rule 3 for competency within the scope of practice of the appraisal work authorized for the residential classification, by using the criteria specified in K.S.A. 58-4109(d) and amendments thereto and, in particular, standard rules 1 and 2 of the edition of USPAP in effect when the appraisal was performed. Approval of an applicant's experience hours shall be subject to board approval of the requisite number of experience hours and board approval of the selected appraisal reports. (Authorized by and implementing K.S.A. 58-4109; effective, T-117-6-10-91, June 10, 1991; effective Aug. 5, 1991; amended July 25, 1994; amended June 5, 1995; amended March 7, 1997; amended Jan. 9, 1998; amended March 26, 1999; amended Oct. 8, 2004; amended Sept. 1, 2006; amended Jan. 1, 2008; amended April 16, 2010; amended Aug. 24, 2012.)

117-4-2a. Residential classification; experience supervision requirements. (a) In order for an applicant's

experience to be approved by the board when the applicant is applying for the residential classification, all experience attained by an unlicensed individual or by a licensed appraiser whose experience is outside that appraiser's scope of practice shall have been supervised by an appraiser according to all of the following conditions:

(1) The supervising appraiser was a certified appraiser in good standing during the period of supervision. On and after July 1, 2013, the supervising appraiser was in good standing for the two years immediately preceding supervision and during the period of supervision.

(2) The supervising appraiser was state licensed or certified as an appraiser for at least two years immediately preceding the date on which the supervision began.

(3) The supervising appraiser did not supervise more than three applicants or provisional licensed appraisers, or any combination of these, at the same time.

(4) The supervising appraiser maintained responsibility for supervision of the applicant by meeting both of the following requirements:

(A) Before signing the certification section or addendum, the supervising appraiser reviewed each appraisal report that the applicant prepared or provided assistance in developing, preparing, or communicating.

(B) The supervising appraiser met the following requirements:

(c) The supervising appraiser shall supervise the work of an applicant on appraisal reports performed on properties only if both of the following conditions are met:

(1) The supervising appraiser is permitted by the supervising appraiser's current credential to appraise the properties.

(2) The supervising appraiser is competent to appraise the properties. (Authorized by and implementing K.S.A. 58-4109; effective July 1, 2007; amended July 1, 2007; amended Jan. 18, 2008; amended April 17, 2009; amended Aug. 24, 2012.)

Article 5.—QUALIFICATIONS CRITERIA — PROVISIONAL CLASSIFICATION

117-5-2. Provisional classification; supervised experience requirements. (a) Each provisional licensed appraiser's work in developing, preparing, or communicating an appraisal report shall be directly supervised by a supervising appraiser as specified in K.A.R. 117-5-2a.

(b) Each appraisal report shall be signed by the provisional licensed appraiser or by the preparer of the report

who supervised the provisional licensed appraiser, certifying that the report is in compliance with the uniform standards of professional appraisal practice of the appraisal foundation in effect at the time of the appraisal.

(c) If the provisional licensed appraiser does not sign the appraisal report, the preparer of the report who supervised the provisional licensed appraiser shall describe, in the certification section or in the dated and signed addendum to the certification page of the appraisal report, the extent to which the provisional licensed appraiser provided assistance in developing, preparing, or communicating the appraisal through generally accepted appraisal methods and techniques.

(d) Each provisional licensed appraiser shall be permitted to have more than one supervising appraiser.

(e) In order to be licensed as a real property appraiser, certified as a general real property appraiser, or certified as a residential real property appraiser, the provisional licensed appraiser shall complete the experience requirements in K.A.R. 117-2-2, K.A.R. 117-3-2, or K.A.R. 117-4-2.

(f) The requirements for real property appraisal experience specified in K.A.R. 117-2-2, K.A.R. 117-3-2, and K.A.R. 117-4-2 shall be met by time involved in the appraisal process. The appraisal process shall consist of the following:

- (1) Analyzing factors that affect value;
- (2) defining the problem;
- (3) gathering and analyzing data;
- (4) applying the appropriate analysis and methodology; and
- (5) arriving at an opinion and correctly reporting the opinion in compliance with the national uniform standards of professional appraisal practice.

(g)(1) In order for the board to determine whether or not the experience requirements have been satisfied, each provisional licensed appraiser shall submit appraisal experience log sheets, in a format prescribed by the board, listing the appraisal reports completed by the applicant within the five-year period preceding the date of application.

(2) Each page of the log shall include the certification number and the signature of the supervising appraiser, which shall serve as verification of the accuracy of the information.

(3) Each applicant shall maintain a record of the actual number of hours involved in completing an appraisal. Unless the board approves a greater number of experience hours for a particular appraisal based upon the unusually difficult or complex nature of the appraisal, the maximum number of experience hours for each appraisal shall be based upon the formulas in K.A.R. 117-2-2, K.A.R. 117-3-2, or K.A.R. 117-4-2.

(h) Each provisional licensed appraiser shall maintain a separate log of appraisals completed with each supervising appraiser. (Authorized by and implementing K.S.A. 58-4109; effective April 24, 1998; amended Dec. 5, 2003; amended April 17, 2009; amended Aug. 24, 2012.)

117-5-2a. Provisional classification; supervisor requirements. (a) In order for a provisional licensed appraiser's experience to be approved by the board, that

individual's experience shall have been supervised by an appraiser according to all of the following conditions:

(1) The supervising appraiser was a certified appraiser in good standing during the period of supervision. On and after July 1, 2013, the supervising appraiser was in good standing for the two years immediately preceding supervision and during the period of supervision.

(2) The supervising appraiser was state licensed or certified as an appraiser for a at least two years immediately preceding the date on which the supervision began.

(3) The supervising appraiser did not supervise more than three provisional licensed appraisers or applicants, or any combination of these, at the same time.

(4) The supervising appraiser maintained responsibility for supervision of the provisional licensed appraiser by meeting both of the following requirements:

(A) Before signing the certification section or addendum, the supervising appraiser reviewed each appraisal report that the applicant prepared or provided assistance in developing, preparing, or communicating.

(B) The supervising appraiser met the following requirements:

(i) Ensured that at least the first 25 properties for which the applicant provided assistance in developing, preparing, or communicating an appraisal report were personally inspected by a supervising appraiser; and

(ii) continued to personally inspect each property for which the applicant provided assistance in developing, preparing, or communicating an appraisal report until the supervising appraiser was satisfied that the applicant was competent to appraise the property type, in accordance with the competency provision of the uniform standards of professional appraisal practice (USPAP).

(b) The supervising appraiser shall supervise the work of a provisional licensed appraiser on appraisal reports performed on properties only if both of the following conditions are met:

(1) The supervising appraiser is permitted by the supervising appraiser's current credential to appraise the properties.

(2) The supervising appraiser is competent to appraise the properties. (Authorized by and implementing K.S.A. 58-4109; effective July 1, 2007; amended Jan. 18, 2008; amended April 17, 2009; amended Aug. 24, 2012.)

Article 8.—UNIFORM STANDARDS OF PROFESSIONAL APPRAISAL PRACTICE
