Bids

Subject to the Notice of Bond Sale dated November 17, 2016, written and electronic bids will be received on behalf of the clerk of Leavenworth County, Kansas (the issuer), in the case of written bids, at the address set forth below, and in the case of electronic bids, through PARITY® until 9 a.m. (CST) December 8, 2016, for the purchase of the above-referenced bonds (the bonds). No bid of less than 100 percent of the principal amount of the bonds and accrued interest thereon to the date of delivery will be considered. Bids may be submitted for one or more series of the bonds. A separate bid must be submitted for each series of bonds.

Bond Details

The bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The bonds will be dated December 22, 2016, and will become due on March 1 in the years as follows:

Series 2016-A	
Year	Principal Amount*
2018	\$200,000
2019	290,000
2020	315,000

2034	665,000
2035	695,000
2036	735,000
2037	775,000

The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on September 1, 2017.

Adjustment of Issue Size

The issuer reserves the right to increase or decrease the total principal amount of either series of the bonds, depending on the purchase price and interest rates bid and the offering prices specified by the successful bidder(s). The principal amount of any maturity may be adjusted by the issuer in order to properly size the bond issues. The successful bidder may not withdraw its bid or change the interest rates bid as a result of any changes made to the principal amount of the bonds or principal of any maturity as described herein. If there is an adjustment in the final aggregate principal amount of the bonds or the schedule of principal payments as described above, the issuer will notify the successful bidder by means of telephone or facsimile transmission, subsequently confirmed in writing, no later than 11 a.m. (CST) on the sale date. The actual purchase price for the bonds shall be calculated by applying the percentage of par value bid by the successful bidder against the final aggregate principal amount of the bonds, as adjusted, plus accrued interest from the date of the bonds to the date of delivery.

Book-Entry-Only System

The bonds shall be registered under a book-entry-only system administered through DTC.

Paying Agent and Bond Registrar

Kansas State Treasurer, Topeka, Kansas.

Good Faith Deposit

Each bid shall be accompanied by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America, a qualified financial surety bond or a wire transfer in Federal Reserve funds immediately available for use by the issuer in the amount of 2 percent of the total par value of the applicable series of bonds.

Delivery

The issuer will pay for preparation of the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or about December 22, 2016, to DTC for the account of the successful bidder.

Assessed Valuation and Indebtedness

The equalized assessed tangible valuation for computation of bonded debt limitations for the year 2016 is

(continued)

\$693,714,883. The total general obligation indebtedness of the issuer as of the dated date, including the bonds being sold, is \$25,340,000.

Approval of Bonds

The bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Kansas City, Missouri, bond counsel to the issuer, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the issuer, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

Request for Bids for Transit Vehicles

The Kansas Department of Transportation’s Office of Public Transportation announces that the Kansas Coor-

State of Kansas

Department for Aging and Disability Services

Request for Comments

On March 17, 2014, the Centers for Medicare and Medicaid Services (CMS) issued the Home and Community Based Services Settings Rule (called the Rule in this transition plan). The Rule requires states to review and evaluate Home and Community-Based Services (HCBS) Settings, including residential and nonresidential settings. States are required to analyze all HCBS settings where HCBS participants receive services to determine current compliance with the Rule. The Kansas Department for Aging and Disability Services (KDADS) has created a Transition Plan to assess compliance with the HCBS Settings Rule and identify strategies and timelines for coming into compliance with the Rule. The federal regulation for the new rule is 42 CFR 441.301(c)(4)-(5). More information on the Rule can be found on the CMS website at www.medicaid.gov/hcbs. The plan includes all HCBS waivers in Kansas.

The Rule applies to all programs that provide home and community based services. In Kansas, the Rule applies to all settings where home and community based services are provided in the following programs:

minated Transit District Council (KCTDC) is now accepting courtesy bids for Kansas' transit vehicles.

These courtesy bids will cover four types of 2017/2018 model-year transit vehicles, including ramp minivans, full-size vans, and 20-passenger small transit buses with optional wheelchair lifts. The transit vehicles will be funded by the Federal Transit Administration and the state of Kansas, and must comply with all applicable federal laws (including FMVSS and ADA requirements) and state laws for passenger vehicles of this type. These vehicles will be used in the KDOT Public Transportation Program to transport the elderly, persons with disabilities, and the general public.

The bid opening is scheduled for 11 a.m. January 17, 2017, in Topeka, Kansas. Inquiries or requests for a bid package (on CD-ROM) should be made directly to Ms. Sarah Krom, Chairperson, Kansas Coordinated Transit District Council, P.O. Box 838, Great Bend, KS 67530, 620-792-1321.

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the KDOT website at <http://www.ksdot.org/burconsmain/contracts/proposal.asp>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic Internet proposals using the Bid Express website at <http://www.bidx.com> until 1 p.m. local time December 14, 2016. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 S.W. Harrison, Topeka, Kansas, at 1:30 p.m. local time December 14, 2016. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract

provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

The proposed action consists of reissuing an existing pretreatment permit for an existing facility. This facility manufactures customized agricultural products, such as truck flatbeds and grain hoppers made of steel. A conversion coating (phosphating) operation is used to prepare the steel products for painting. The phosphating chemical is sprayed on the steel in a wash bay. Outfall 001 represents wastewater from the conversion coating operation, from the wash bay. The proposed permit contains limits for total toxic organics, cadmium, chromium, copper, lead, nickel, silver, zinc, cyanide, and pH, as well as monitoring of flow.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before December 24, 2016, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-16-203/206, KS-AG-R-16-030, KS-Q-16-141/147, KS-PT-16-007/008) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the secretary of Health and Environment will issue a determination regarding final agen-

cy action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 S.W. Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdheks.gov/feedlots>. Request for Comments

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Deffenbaugh Industries, Inc. has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance.

Deffenbaugh Industries, Inc., P.O. Box 3220, Shawnee, KS 66203 owns and operates Municipal Solid Waste Landfill located at 17955 Holiday Drive, Johnson County, KS 66203.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours, 8 a.m. to 5 p.m., at the KDHE, Bureau of Air (BOA), 1000 S.W. Jackson, Suite 310, Topeka, KS 66612-1366 and at the Johnson County Department of Health and Environment (JCDHE), 11811 S. Sunset, Suite 2700, Olathe, KS 66061. To obtain or review the proposed permit and supporting documentation, contact Allyson Prue, 785-296-1994, at the KDHE central office or Mike Boothe, 913-715-6939, at the JCDHE. The standard departmental cost will be assessed for any copies requested.

Written comments or questions regarding the proposed permit may be directed to Allyson Prue, KDHE, BOA, 1000 S.W. Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than noon Tuesday, December 27, 2016.

(continued)

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Allyson Prue, KDHE, BOA, no later than noon Tuesday, December 27, 2016 in order for the secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, December 8, 2016, in the offices of the Kansas Development Finance Authority (K DFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the K DFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the K DFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 000963—Maximum Principal Amount: \$469,500. Owner/Operator: Ryan A and Amy E Mathewson; Description: Acquisition of 160 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Ryan A and Amy E Mathewson and is located at the Southeast Quarter of Section 3, Township 1, Range 9, Marshall County, Kansas, approximately 2 miles west of Summerfield, Kansas on Arrowhead Road.

The bond, when issued, will be a limited obligation of the K DFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the K DFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the K DFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the K DFA.

Permanent Administrative Regulation

Article 31.—ACCREDITATION

91-31-32. Performance and quality criteria. (a) Each school shall be assigned its accreditation status based upon the extent to which the school has met the performance and quality criteria established by the state board in this regulation.

(b) The performance criteria shall be as follows:

(1) Except as provided in subsection (d), having met the percentage prescribed by the state board of students performing at or above the proficient level on state assessments or having increased overall student achievement by a percentage prescribed by the state board;

(2) having 95% or more of all students and 95% or more of each student subgroup take the state assessments;

(3) having an attendance rate equal to or greater than that prescribed by the state board; and

(4) for high schools, having a graduation rate equal to or greater than that prescribed by the state board.

(c) The quality criteria shall consist of the following quality measures, which shall be required to be in place at each school:

(1) A school improvement plan that includes a results-based staff development plan;

(2) an external technical assistance team;

(3) locally determined assessments that are aligned with the state standards;

(4) formal training for teachers regarding the state assessments and curriculum standards;

(5) 100% of the teachers assigned to teach in those areas assessed by the state or described as core academic subjects by the United States department of education, and 95% or more of all other faculty, fully certified for the positions they hold;

(6) policies that meet the requirements of S.B.R. 91-31-34;

(7) local graduation requirements that include at least those requirements imposed by the state board;

(8) curricula that allow each student to meet the regent's qualified admissions requirements and the state scholarship program;

(9) programs and services to support student learning and growth at both the elementary and secondary levels, including the following:

- (A) Computer literacy;
- (B) counseling services;
- (C) fine arts;
- (D) language arts;
- (E) library services;
- (F) mathematics;
- (G) physical education, which shall include instruction in health and human sexuality;
- (H) science;
- (I) services for students with special learning needs; and
- (J) history, government, and celebrate freedom week.

Each local board of education shall include the following in its history and government curriculum:

(i) Within one of the grades seven through 12, a course of instruction in Kansas history and government. The course of instruction shall be offered for at least nine consecutive weeks. The local board of education shall waive this requirement for any student who transfers into the district at a grade level above that in which the course is taught; and

(ii) for grades kindergarten through eight, instruction concerning the original intent, meaning, and importance of the declaration of independence and the United States constitution, including the bill of rights, in their historical contexts, pursuant to K.S.A. 2015 Supp. 72-1130 and amendments thereto. The study of the declaration of independence shall include the study of the relationship of the ideas expressed in that document to subsequent American history;

(10) programs and services to support student learning and growth at the secondary level, including the following:

- (A) Business;
- (B) family and consumer science;
- (C) foreign language; and
- (D) industrial and technical education;

(11) local policies ensuring compliance with other accreditation regulations and state education laws; and

(12) programs for all school staff regarding suicide awareness and prevention. Each local board of education shall include the following in its suicide awareness and prevention programs:

(A) At least one hour of training each calendar year based on programs approved by the state board of education. The training requirement may be met through independent self-review of suicide prevention training material; and

(B) a building crisis plan developed for each school building. The building crisis plan shall include the following:

- (i) Steps for recognizing suicide ideation;
- (ii) appropriate methods of intervention; and
- (iii) a crisis recovery plan.

(d) If the grade configuration of a school does not include any of the grades included in the state assessment program, the school shall use an assessment that is aligned with the state standards. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution and K.S.A. 2015 Supp. 72-1130; effective July 1, 2005; amended Jan. 10, 2014; amended Dec. 9, 2016.)
