The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Evonik Corporation, PO Box 12291, Wichita KS, 67277 owns and operates an organic chemical manufacturing facility located at 6601 S. Ridge Rd., Haysville, KS 67060.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the City of Wichita, Division of Environmental Health (WDEH), 1900 E. 9th St., Wichita, KS 67214. To obtain or review the proposed permit and supporting documentation, contact Rick Bolfig, 785-296-1576, at the central office of the KDHE or Randy Owen, 316-268-8390 at the WDEH. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Rick Bolfig, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than noon Monday, July 2, 2018.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, un-

less the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

## State of Kansas

### Office of the Governor

#### Message from the Governor Regarding House Substitute for Senate Bill 109

Pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return House Substitute for Senate Bill 109 with my signature approving the bill, except for the items enumerated below.

#### Kansas Highway Patrol—Claim

Section 9 is vetoed in its entirety.

This provision would require the highway patrol to pay \$11,833.60 to an individual for the repayment of cash funds alleged to have been improperly seized and turned over to a federal agency in 1995. Adherence to the rule of law requires that such matters be properly adjudicated in the courts. The individual in question here could have sought recovery against the proper parties in the proper forums, but either failed to do so or did not do so successfully. Furthermore, the criminal history of this individual, which includes multiple felony convictions for burglary and theft, as well as drug trafficking, casts doubt upon the veracity and soundness of the claim. It would be bad precedent, and bad policy, to make this payment in this manner, especially with bill language that accuses law enforcement officers of an improper act without the benefit of due process.

#### Insurance Department—Insurance Department Service Regulation Fund

Section 43(b) is vetoed in its entirety.

The 2018 Legislature reduced the transfer from the Insurance Department Service Regulation Fund to the State General Fund by \$8.0 million in FY 2019. This transfer was part of the budget approved by the 2017 Legislature. I veto this transfer reduction.

#### Board of Indigents' Defense Services—Legal Services for Prisoners, Inc. Health Insurance

Section 44(a) and Section 45(a) legal services for prisoners are line item vetoed.

The Legislature appropriated \$25,000 from the State General Fund in both FY 2018 and FY 2019 for legal services for prisoners. Legal Services for Prisoners, Inc. is a non-profit corporation that provides legal assistance to indigent inmates of Kansas correctional institutions. The two employees of the corporation are private contractors and not state employees. Therefore, the state has no oversight over the corporation's health insurance plan design or selection. I therefore veto the line items that provide this funding in the bill.

#### Department of Commerce—Global Trade Services

Section 58(e) Global Trade Services line-item is vetoed.

The 2018 Legislature overspent resources in the Economic Development Initiatives Fund (EDIF) by \$309,802 in FY 2019, which will require reductions to balance the EDIF budget. Global Trade Services is currently funded with the Department of Commerce's EDIF Operating Grant.

The Legislature created a separate line item of \$125,000 to provide enhanced funding for this program in FY 2018. However, the enhanced funding is not needed to fully fund and operate this program for the last few months of the fiscal year. Because EDIF resources are being overspent, this item is vetoed. Funding for this program will continue from the EDIF Operating Grant in FY 2018.

#### **Department of Commerce—Kansas International Trade Show Assistance**

Section 58(e) and Section 59(a) Kansas International Trade Show Assistance line-items are vetoed.

The 2018 Legislature overspent resources in the EDIF by \$309,802 in FY 2019, which will require reductions to balance the EDIF budget. Kansas International Trade Show Assistance is currently funded with the Department of Commerce's EDIF Operating Grant in both FY 2018 and FY 2019 and the Legislature created separate line items of \$50,000 in FY 2018 and \$127,000 in FY 2019 to fund this program. Because EDIF resources are being overspent, these items are vetoed. Funding for this program will continue from the EDIF Operating Grant in both FY 2018 and FY 2019. The Legislature added additional funding for this program in FY 2019; however, the enhanced funding is not needed to fully fund and operate this program.

#### **Department of Commerce—Innovation Growth Program**

Section 59(a) Innovation Growth Program line-item is vetoed.

The 2018 Legislature overspent resources in the EDIF by \$309,802 in FY 2019, which will require reductions to balance the EDIF budget. The Legislature created a new line item of \$65,643 in FY 2019 for the Innovation Growth Program. The Department of Commerce previously operated this program; however, funding was eliminated in FY 2016. Because EDIF resources are being overspent, this item is vetoed.

#### **Department of Health and Environment—PRTF 60 Day Admission Policy**

Section 67(i) & 68(i) are vetoed in their entireties.

The Mental Health Parity Act prohibits states from imposing conditions or limits on mental health services that are not imposed on physical health services. Instead, medical necessity should be determined and if a mental health service is deemed necessary, the state is required to cover it. In October 2015, the Department for Aging and Disability Services discontinued its policy of requiring mental health screenings prior to admission to inpatient psychiatric beds at community hospitals and residential treatment facilities. The screenings were discontinued in response to the potential loss of federal funding as outlined in the Mental Health Parity Act. This administration is working on Psychiatric Residential Treatment Facility (PRTF) issues and is aware of concerns with length of stays at PRTFs. The administration will continue to work with the Kansas Department of Health and Environment, the Kansas Department for Aging and Disability Services and the Mental Health Task Force to resolve

any issues. While the cost may be justified by the benefits to be obtained from the screenings, approving this provision could additionally jeopardize substantial federal funding of inpatient Medicaid services. I therefore veto these sections of the bill.

#### **Department of Health and Environment—KanCare Funding**

The portion of Section 68(a) that reads as follows is line item vetoed:

*Provided, however, That during fiscal years 2018 and 2019, if any new eligibility requirements or limitations are imposed by any state agency to receive state medicaid services under the Kansas medical assistance program, then on the effective date of such imposition, the amounts appropriated for the department of health and environment – division of health care for the fiscal year ending June 30, 2019, by section 95(a) of chapter 104 of the 2017 Session Laws of Kansas and this act from the state general fund in the other medical assistance account are hereby lapsed.*

Section 118 of this bill addresses the Legislature's concerns with potential changes to the KanCare Program; this proviso is not necessary.

#### **Department for Children and Families—Jobs for America's Graduates-Kansas**

Section 74(e) is vetoed in its entirety.

Jobs for America's Graduates-Kansas (JAG-K) is a program that targets children at-risk of failing in school by offering in-class instruction, mentoring, leadership development and job and postsecondary placement to participants. JAG-K is funded entirely with funding received from the Federal Government through the Temporary Assistance for Needy Families Block Grant; no state funds are used for the program. The Temporary Assistance for Needy Families Fund has a history of having no expenditure limitation placed upon it and there is no recent history of placing an expenditures limitation upon the JAG-K Program. This section would place an expenditure limitation totaling \$5.8 million upon the JAG-K Program in FY 2019. Limiting funding for the JAG-K Program could prevent the agency from providing assistance to at-risk children that would otherwise qualify to participate in the program; therefore, I veto this section to allow the agency flexibility to assist more at-risk children if given the opportunity.

#### **Kansas Highway Patrol—Troop B Building**

Sections 100 (b), 100 (c) and 100(d) are vetoed in their entirety.

The Kansas Highway Patrol currently leases the land and improvements comprising the Troop B headquarters located in Shawnee County. Lease payments have been made from a Federal Forfeiture revenue stream. While there is a concern that this funding resource may be discontinued in the future, funds are available presently to cover lease payments. The option to purchase could be reviewed at such time Federal Forfeiture funds are no longer sufficient to cover lease obligations. Continuing with a lease arrangement that provides maintenance is  
(continued)

desirable over purchasing and adding the responsibility of ongoing maintenance. In addition, this veto prevents an increase in the state's outstanding debt. The funds used for debt service of the bonds to purchase the facility were to be financed from the State Highway Fund. As a result of this veto, the State Highway Fund will have an additional \$300,000 for highway projects.

Dated May 15, 2018.

(b) Each month, the first purchaser of the production shall perform the following:

(1) Before paying for the production, deduct an amount equal to the assessment for every 1,000 cubic feet of gas produced and removed from the lease;

(2) remit the amounts deducted, in a single check if the purchaser desires, to the conservation division when the purchaser makes regular gas payments for this period; and

(3) show all deductions on the regular payment statements to producers, royalty owners, and other interested persons.

(c) The assessment established by the commission shall not apply to gas that is being returned to the ground for repressuring purposes within the field, but shall apply to gas that is produced and removed from the lease and returned to the ground for storage purposes. (Authorized by K.S.A. 2017 Supp. 55-152; implementing K.S.A. 2017 Supp. 55-176; effective, T-83-44, Dec. 8, 1982; effective May 1, 1983; amended April 23, 1990; amended Aug. 19, 1991; amended Dec. 6, 1993; amended Nov. 15, 1996; amended June 1, 2001; amended Dec. 22, 2006; amended June 15, 2018.)

(c) For the purpose of this regulation, "food processing plant" shall not include either of the following:

(1) A facility in which fresh fruits and vegetables are harvested and washed, if the fruits and vegetables are not otherwise processed at the facility; or

(2) a storage facility used solely for the storage of grain or other raw agricultural commodities.

(d) Each license issued shall expire on March 31 each year.

(e) Each license shall require annual renewal by the licensee's submission of an online application for renewal available on the department's web site and the payment of the applicable license fee specified in subsection (a). (Authorized by and implementing K.S.A. 2017 Supp. 65-688; effective Feb. 18, 2005; amended Dec. 5, 2008; amended Feb. 8, 2013; amended June 15, 2018.)

**4-28-6. Fees; risk levels; food establishment.** (a) Each food establishment required to be licensed shall be assessed by the secretary for classification by risk level according to this regulation. The following classifications shall be used to determine licensing fees and inspection frequency at food establishments:

(1) A "category I facility" shall mean a food establishment that presents a high relative risk of causing food-borne illness based upon the usage of food-handling processes associated with food-borne illness outbreaks. Factors considered in classifying a food establishment as a category I facility shall include whether the food establishment meets any of the following conditions:

(A) Cooks, cools, or reheats food that requires time and temperature control for safety;

(B) uses freezing as a means to achieve parasite destruction;

(C) handles raw, in-shell molluscan shellfish ingredients;

(D) uses specialized processing;

(E) has a required hazard analysis critical control point plan; or

(F) offers for consumption without further preparation any food containing raw or undercooked eggs, meat, poultry, fish, or shellfish.

(2) A "category II facility" shall mean a food establishment that presents a moderate relative risk of causing food-borne illness based upon the usage of a limited number of food-handling processes associated with food-borne illness outbreaks. Factors considered in classifying a food establishment as a category II facility shall

include whether the food establishment meets any of the following conditions:

(A) Prepares baked products;

(B) repackages foods from a licensed food processor in smaller quantities for distribution;

(C) heats only foods from a licensed food processor; or

(D) handles, cuts, grinds, or slices only raw animal foods or ready-to-eat meats and cheeses.

(3) A "category III facility" shall mean a food establishment that presents a low relative risk of causing food-borne illness based upon the usage of few or no food-handling processes associated with food-borne illness outbreaks. Factors considered in classifying a food establishment as a category III facility shall include whether the food establishment meets any of the following conditions:

(A) Offers self-service beverages;

(B) offers prepackaged food and beverages, including those prepackaged foods and beverages that are required to be held at a temperature of 41°F or below for food safety; or

(C) offers unpackaged food that does not require time and temperature control for safety, including mixed drinks.

(4) A "category IV facility" shall mean a food establishment that presents a very low relative risk of causing food-borne illness based upon the usage of few or no food-handling processes associated with food-borne illness outbreaks. The food establishment shall have systematic controls in place to further reduce the risk of a food-borne illness outbreak. Factors considered in classifying a food establishment as a category IV facility shall include whether the food establishment meets the following conditions:

(A)(i) Offers prepackaged food and beverages, including those prepackaged foods and beverages that are required to be held at a temperature of 41°F or below for food safety;

(ii) offers unpackaged food that does not require time and temperature control for safety; or

(iii) offers prepackaged food and beverages, including those prepackaged foods and beverages that are required to be held at a temperature of 41°F or below for food safety, and unpackaged food that does not require time and temperature control for safety; and

(B) has the following controls in place in a structure that has limited or controlled access, including an office building with keyed entrances or security guards:

(i) Continuous electronic monitoring of all food items that require temperature control for safety;

(ii) a means to prevent lawful purchase of a food that has been held outside of the time and temperature combinations specified in the Kansas food code by physical lockout, transaction lockout, or other equivalent method; and

(iii) remote monitoring and recording of video surveillance covering all areas of the food establishment.

(b) Each food establishment with operations in multiple categories shall be placed in the highest risk-level category. A history of a food establishment's noncompliance with applicable statutes and regulations may be considered and may warrant placement of the food es-

(continued)

tablishment in a higher risk-level category. The risk level assigned to a food establishment may be changed if the secretary determines that the change is warranted based upon the degree of risk of a health hazard and protection of the public health and safety.

(c) Each person operating or intending to operate a food establishment shall submit an application on a form prescribed by the secretary with the following fees, as applicable:

(1) Category I facilities.

(A) Application fee. Each person shall submit a one-time application fee based on the size of the food establishment as follows:

- (i) Less than 5,000 square feet: \$300;

- (iv) more than 50,000 square feet: \$350.

(B) License fee. Each person shall submit a license fee based on the size of the food establishment as follows:

- (i) Less than 5,000 square feet: \$250;
- (ii) 5,000 through 10,000 square feet: \$300;
- (iii) 10,001 through 50,000 square feet: \$500; and

(B) License fee. Each person shall submit a license fee of \$220.

(3) Category III facilities.

(A) Application fee. Each person shall submit a one-time application fee of \$275.

(B) License fee. Each person shall submit a license fee of \$190.

(4) Category IV facilities.

(A) Application fee. Each person shall submit a one-time application fee of \$100.

(B) License fee. Each person shall submit a license fee of \$75.

(d)(1) Each category I facility shall be inspected at least once every 12 months.

(2) Each category II facility shall be inspected at least once every 15 months.

(3) Each category III facility shall be inspected at least once every 18 months.

(4) Each category IV facility shall be inspected at least once every 36 months.

(e) Each license shall expire on the first March 31 following the date of issuance.

(f) Each license shall require annual renewal by the licensee's submission of an online application for renewal available on the department's web site and payment of the applicable license fee specified in subsection (c).

(g) For the purpose of this regulation, "mixed drink" shall mean any beverage combining two or more liquids, including any combination of alcoholic or nonalcoholic liquids. (Authorized by and implementing K.S.A. 2017 Supp. 65-688; effective Feb. 18, 2005; amended, T-4-6-28-12, July 1, 2012; amended Oct. 26, 2012; amended May 31, 2013; amended June 15, 2018.)
