Opinion No. 2018-03

Written June 27, 2018, to Ms. Jeanette Magathan, Director of Finance, Kansas Schools for the Deaf and the Blind, 450 E. Park, Olathe, KS 66061.

Synopsis: Under the facts presented, teachers employed by the Kansas Schools for the Deaf and the Blind may not accept gifts of Garmin Vivofit devices.

Cited herein: K.S.A. 46-237a, K.A.R. 19-40-3a and Ethics Opinion No. 2004-23.

Dear Ms. Magathan,

We understand, in your capacity as Director of Finance for the Kansas Schools for the Deaf and the Blind, you request our opinion concerning application of the state conflict of interest laws, K.S.A. 46-215 *et seq.* Our opinion

in response to your request is limited to the applicability of those laws. This opinion does not address whether some other statutory system, common law theory, or agency rule or regulation applies to your inquiry.

Factual Statement

Blair Family Foundation has offered to donate Garmin Vivofit devices to teachers at the Kansas Schools for the Deaf and the Blind. Mr. Blair is a former teacher and wants to show appreciation for the teachers' work. They were already donating to Kansas City, Kansas, public school teachers and want to include those at the Schools for the Deaf and the Blind. The devices are valued at \$21.20 each.

Questions

Are the teachers allowed to accept a Garmin Vivofit device from the Blair Family Foundation?

Are the schools allowed to accept Garmin Vivofit devices as a gift from the Blair Family Foundation for teachers to use?

Analysis and Opinion

K.S.A. 46-237a states in pertinent part:

“(a) The provisions of this section shall apply to:

...

(4) all officers and employees of the executive branch of state government...

...

(b) No person subject to the provisions of this section shall solicit or accept any gift, economic opportunity, loan, gratuity, special discount or service provided because of such person's official position, except:

...

(3) anything of value received by the person on behalf of the state that inures to the benefit of the state or that becomes the property of the state.”

K.A.R. 19-40-3a defines the term “gift” as follows:

“(b) ‘Gift’ means the transfer of money or anything of value unless legal consideration of a reasonably equal or greater value is received in return...”

Since the employees (teachers) of the Kansas Schools for the Deaf and the Blind are subject to K.S.A. 46-237a and the Garmin Vivofits are things of value for which the employees have not given any consideration in return for their receipt, the Garmin Vivofits would be considered gifts pursuant to K.A.R. 19-40-3a. Employees of the schools may not accept the Garmin Vivofits on their own behalf.

In Ethics Opinion No. 2004-23, we opined if the gift of Palm Pilots to employees of the Kansas Department of Agriculture (KDA) were received by the employees on behalf of the state and inure to the benefit of the state, or became the property of the state, their acceptance would not violate K.S.A. 46-237a(b) since the subparagraph (b) (3) exception applied. At the time, Palm Pilots were in use by KDA and the state benefited by not having to purchase the Palm Pilots. Garmin Vivofits function as activity trackers by recording individual user activity. The benefit seems likewise individual to the user. Un-

like Palm Pilots, no benefit inures to the state should the Vivofits be accepted on the state's behalf for use by the schools' teachers. As a result, the subparagraph (b) (3) exception doesn't apply; the schools may not accept Garmin Vivofit devices as a gift for the teachers to use.

Sincerely,

G. Daniel Harden, Chairman
By Direction of the Commission
