**2018 Update to Guidelines for Takings of Private Property**

The Private Property Protection Act, K.S.A. 77-701 *et seq.*, requires the Attorney General to compile and annually update guidelines to be used by state agencies in determining whether proposed government actions may constitute a taking of private property. These guidelines are to be based on cases decided by the United States Supreme Court and the Kansas Supreme Court.<sup>1</sup> Government action is defined as legislation, regulations or directives, or agency guidelines and procedures for the issuing of licenses or permits.<sup>2</sup> The Act expressly excludes other types of activity, such as the formal exercise of eminent domain.<sup>3</sup>

Under the criteria of the Act, there are no cases to include in the 2018 update to the Attorney General's Guidelines.<sup>4</sup>

**Kansas Development Finance Authority**

**Notice of Hearing**

A public hearing will be conducted at 9:00 a.m. Thursday, January 10, 2019, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

**Project No. 001025 Maximum Principal Amount: \$140,000.** Owner/Operator: Ryan and Jessica Williams; Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Ryan and Jessica Williams (the "Beginning Farmer") and is located at the South Half of the Northeast Quarter of Section 1, Township 23, Range 1 East, Harvey County, Kansas, approximately 4 miles northeast of Newton, Kansas on Hwy. 50, and 2 miles south on Woodlawn.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

### Board of Technical Professions

#### Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10:30 a.m. Friday, April 26, 2019, at the Kansas State Board of Technical Professions, 900 SW Jackson, Suite 507, Topeka, KS 66612, to consider the adoption of proposed amendments to the rules and regulations for the education standard acceptable to the board for reciprocity applicants, the architectural experience satisfactory to the board, and the architectural experience required of a reciprocity applicant.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed amended regulations. All interested parties may submit comments prior to the hearing to Sarah J. Easter, Deputy Director, at the Board of Technical Professions' address above, or via email to KSBTPadmin@ks.gov. All interested parties will be given a reasonable opportunity to present their views, orally or in writing, concerning the amended regulations during the public hearing. In order to provide all parties with an opportunity to present their views, it may be necessary to request each participant limit any oral presentations to ten minutes.

Copies of the amended regulations as well as the economic impact statement for each amended regulation may be obtained from the Kansas State Board of Technical Professions, 900 SW Jackson, Suite 507, Topeka, KS 66612, by contacting Sarah J. Easter at 785-296-4800, or by emailing the agency at KSBTPadmin@ks.gov.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the amended regulations being considered and the economic impact statement for each in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Jessica Pierce at 785-296-3052 or at KSBTPadmin@ks.gov. Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 800-776-3777 for communication accommodations. Handicapped parking is available on Jackson Street at the front of the building.

A summary of the amended regulations and the economic impact of each follows:

**K.A.R. 66-9-7 Education standard acceptable to the board for reciprocity applicants.** This regulation is revised to allow applicants for a license to practice architecture by reciprocity an alternate path to obtain licensure without obtaining certification from NCARB. The

proposed amendment minimizes the cost to individuals applying for licensure as an architect by reciprocity; the current fee for NCARB certification is \$1,100.

**K.A.R. 66-10-1 Architectural experience satisfactory to the board.** Effective June 29, 2016 NCARB renamed the "Intern Development Program" to the "Architectural Experience Program" and reduced the number of experience hours to 3,740. This regulation is revised to remove the reference to the "Intern Development Program" and align with nationally accepted guidelines which require 3,740 experience hours. The proposed amendment minimizes the cost to individuals applying for licensure as an architect by allowing individuals to be eligible for licensure earlier in their career.

**K.A.R. 66-10-3 Architectural experience required of a reciprocity applicant.** This regulation is revised to allow applicants for a license to practice architecture by reciprocity an alternate path to obtain licensure without obtaining certification from NCARB. The proposed amendment minimizes the cost to individuals applying for licensure as an architect by reciprocity; the current fee for NCARB certification is \$1,100.
