**Article 501. — SOUTH CENTRAL GAMING ZONE**

**111-501-45. Making and removal of wagers.** (a) All wagers at craps shall be made by placing gaming chips on the appropriate areas of the craps layout.

(b) Wagers shall be made before the dice are thrown.

(c) Wagers may be made by a player or may be made by verbal confirmation of a desired bet communicated to the dealer by the player with subsequent placement of said bet on the appropriate portion of the layout by the dealer.

(d) A wager made on any bet may be removed or reduced at any time prior to a roll that decided the outcome of such wager except that a pass line bet and a come bet shall not be removed or reduced after a come-out point or some point is established with respect to such bet. Pass line and come bets are always active.

(e) A don't come bet and a don't pass bet may be removed or reduced at any time but may not be replaced or increased after such removal or reduction until a new come-out roll.

(f) All place bets, come odds and hardways shall be inactive on any come-out roll unless requested "on" by the player and confirmed by the dealer through placement of an "on" button on top of the wager. All other wagers shall be considered active unless a player requests to have his bets inactive. The dealer through placement of an "off" button must confirm this.

(g) Minimum and maximum table limits will be posted.

(h) If a player wagers less than the table minimum bet and the dealer does not notice it, the dealer shall take or pay the amount actually bet and instruct the player of the minimum amount that must be wagered on subsequent bets.

(i) If in error a player has been permitted to wager more than the table maximum, the dealer shall remove the excess and return it to the player, pay the bet at the correct odds, and inform the player of the permissible amount that can be wagered on subsequent bets.

(j) In the event of a dealer placing a bet for a player, chips shall not be taken from the player's hands or from the rack in front of the player. All chips for the bet shall be set down on the layout by the player and the dealer shall clarify the purpose of the chips before picking them up.
