Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) This act shall be known and may be cited as the attracting powerful economic expansion act.

(b) For purposes of the attracting powerful economic expansion act:

(1) "Act" means the attracting powerful economic expansion act, sections 1 through 14, and amendments thereto.

(2) "Applicant" means a legal entity seeking to certify as a qualified firm for the economic development benefits pursuant to this act.

(3) "Commence investment" means to begin to invest, with action being directly connected to documentation describing the project previously submitted to the department.

(4) "Commencement of commercial operations" means the date, as determined by the secretary, that the qualified business facility is first available for use by the qualified firm, or first capable of being used by the qualified firm, in the revenue producing enterprise in which the qualified firm intends to use the qualified business facility.

(5) "Commitment to invest" means one or both of the following:

(A) The qualified firm relocates assets that it already owns to Kansas from an out-of-state location; or

(B) the qualified firm enters into a written agreement that provides either party with legally enforceable remedies if the agreement is breached.

(6) "Construction" means construction, reconstruction, enlarging or remodeling for the purpose of constructing a qualified business facility.

(7) "Department" means the Kansas department of commerce.

(8) "Headquarters" means a qualified business facility that meets the following conditions:

(A) The main activity at the qualified business facility is providing direction, management, or administrative support for the operation of multiple company-owned worksites or facilities in which the applicant company has an ownership interest greater than 50%; and

(B) the qualified business facility is capable of being geographically located anywhere.

(9) "New employee" means a qualified business facility employee who is newly employed by the qualified firm or qualified supplier in the qualified firm or qualified supplier's business operating in Kansas during the taxable year for which benefits are sought. Qualified business facility employees performing functions directly related to a relocating, expanding, or new business facility, office, department or other operation shall be considered "new employees."

(10) "On-the-job training" means training situations during which a product or service that can be sold or used in internal operations is generated.

(11) "Qualified business facility" means a facility as defined in subparagraph (C) that satisfies the requirements of subparagraphs (A) and (B):

(A) Such facility is for use by the qualified firm or qualified supplier in the operation of a revenue producing enterprise, as defined in this section. Such facility shall not be considered a "qualified business facility" in the hands of the qualified firm or qualified supplier if the qualified firm's or qualified supplier's only activity with respect to such facility is to lease it to another person or persons. If the qualified firm or qualified supplier employs only a portion of such facility in the operation of a revenue producing enterprise, and leases another portion of such facility to another person or persons or does not otherwise use such other portions in the operation of a revenue producing enterprise, the portion employed by the qualified firm or qualified supplier in the operation of a revenue producing enterprise shall be considered a "qualified business facility," if the requirements of subparagraph (B) are satisfied.

(B) If such facility was acquired or leased by the qualified firm from another person or persons, the facility was not used, either immediately prior to the transfer of title to the qualified firm, or to the commencement of the term of the lease to the qualified firm, by any other person or persons in the operation of a revenue producing enterprise that is the same or substantially the same as the revenue producing enterprise continued by the qualified firm at the facility.

(C) "Facility" means any factory, mill, plant, refinery, warehouse, building or complex of buildings located within the state, including the land on which such facility is located and all machinery, equipment and other real and tangible personal property located at or within such facility used in connection with the operation of such facility. "Building" means only structures within which individuals are customarily employed or that are customarily used to house machinery, equipment or other property.

(12) (A) "Qualified business facility employee" means an individual employed by a qualified firm or a qualified supplier at a qualified business facility project site, employed full-time and scheduled to work for an average minimum of 30 hours per week, employed for at least three consecutive months on the last day of the period covered by a Kansas department of labor quarterly wage report and unemployment tax return.

(B) "Qualified business facility employee" does not include an employee at a qualified business facility project site who has not been employed for three consecutive months.

(13) "Qualified business facility investment" or "qualified investment" means the value of the real and tangible personal property, except inventory or property held for sale to customers in the ordinary course of the qualified firm's or qualified supplier's business, that constitutes the qualified business facility, or that is used by the qualified firm or qualified supplier in the operation of the qualified business facility, including such property used for administrative or managerial functions, during the taxable years for which the credit allowed by sections 2 and 3, and amendments thereto, is claimed. "Qualified business facility investment" does not include any building, land, or other real or tangible personal property that is granted, leased or transferred to the qualified firm without cost to the qualified firm. Real or tangible personal property that is granted, leased or transferred to the qualified firm at a cost of less than fair market value shall be reduced in value, for purposes of calculating the qualified business facility investment, by the difference in cost to the qualified firm and fair market value. The value of such property during such taxable year shall be:

(A) Such property's original cost if owned by the qualified firm or qualified supplier; or

(B) eight times the net annual rental rate, if leased by the qualified firm or qualified supplier. The net annual rental rate shall be the annual rental rate paid by the qualified firm or qualified supplier less any annual rental rate received by the qualified firm or qualified supplier

(continued)

from subrentals. The “qualified business facility investment” shall be determined by dividing by 12 the sum of the total value of such property on the last business day of each calendar month of the taxable year. Notwithstanding the provisions of this paragraph, for the purpose of computing the credit allowed by section 3, and amendments thereto, in the case of a “qualified business facility investment” in a qualified business facility that existed and was operated by the qualified firm or qualified supplier or a related taxpayer prior to the investment, the amount of the qualified firm’s or qualified supplier’s investment shall be computed as follows: Such investment amount shall be reduced by the average amount, computed as provided in this paragraph, of the investment of the qualified firm or qualified supplier or a related taxpayer in the facility for the taxable year preceding the taxable year in which the “qualified business facility investment” was made in the facility.

(14) (A) “Qualified firm” means a for-profit business establishment, subject to state income, sales or property taxes, that is:

(i) Engaged in one or more of the following industries, as defined by the secretary of commerce:

- (a) Advanced manufacturing;
- (b) aerospace;

(ii) engaged in any industry or revenue-producing activity if seeking benefits with respect to a qualified business facility that is the national corporate headquarters of the for-profit business establishment.

(B) Notwithstanding clauses (i) and (ii), “qualified firm” does not include a business establishment engaged in mining, swine production, ranching or gaming.

(15) “Qualified supplier” means any business that is a supplier of components, sub-assemblies, chemicals or other process-related tangible goods, is located in Kansas and that is owned by:

(A) An individual, any partnership, association, limited liability corporation or corporation domiciled in Kansas; or

(16) “Revenue producing enterprise” means an enterprise that creates revenue subject to potential tax liability in this state.

(17) “Secretary” means the secretary of commerce.

(18) (A) “Total payroll cost” means the payroll amount defined by the Kansas department of labor as total wages on the quarterly wage report and unemployment tax return. For a qualified business facility, “total payroll cost” during the appropriate measurement period may be combined with any pretax earnings in which an employee has elected to direct to a:

- (i) Flexible-spending plan;
- (ii) deferred compensation plan; or
- (iii) retirement plan that includes earnings the employee would otherwise have received in the form of taxable wages had it not been for the voluntary deferral.

(B) “Total payroll cost” does not include company-paid costs for health insurance, dental insurance and any other employee benefits that are not reported to the Kansas department of labor on the employer’s quarterly wage report and unemployment tax return.

(19) “Training and education eligible expense” means the amount actually paid for training and education of the group of employees, or portion thereof, and from which the qualified firm or qualified supplier expects to derive increased productivity or quality.

(A) “Training and education eligible expense” includes instructor salaries, curriculum planning and development, travel, materials and supplies, textbooks, manuals, minor training equipment, certain training facility costs and any other expenditure that is eligible under the Kansas industrial training or the Kansas industrial retraining programs.

- (i) Wages of employees during eligible training;
- (ii) employee instructors’ salaries; and
- (iii) training-related travel expenses, with a maximum meals allowance of \$60 per day and lodging costs of \$150 per night.

(C) “Training and education eligible expense” does not include:

(i) Compensation paid to an employee trainee who is receiving on-the-job training;

(ii) compensation paid to an employee during self-training, except for time in which the employee is involved in activities related to an approved computerized course of study;

(iii) bonus pay received as compensation related to the company’s financial performance or the employee’s job performance, or both;

(iv) overtime pay, unless the employee is being paid at an overtime rate while participating in eligible training;

(v) operations manuals and reference manuals, except that training-specific manuals may be allowable; and

(vi) training and education costs covered by monies or grants obtained from state, federal or other government-sponsored workforce training programs.

New Sec. 2. (a) There is hereby established the attracting powerful economic expansion program to be administered by the secretary of commerce. The purpose of the attracting powerful economic expansion program is to attract large capital investments by businesses engaged in specified industries in new business facilities and operations in Kansas, or large capital investments in new national headquarters in Kansas by any business, and to encourage the development of a Kansas-based supply chain for such large enterprises.

(b) A qualified firm that makes a qualified business facility investment of at least \$1,000,000,000 in a qualified business facility pursuant to the requirements of this act may be eligible for the following incentives as approved by the secretary:

(1) The investment tax credit pursuant to section 3, and amendments thereto;

(2) reimbursement of a percentage of total payroll, pursuant to sections 5 and 6, and amendments thereto;

(3) reimbursement of a percentage of eligible employee training and education expense pursuant to sections 7 and 8, and amendments thereto;

(4) a sales tax exemption for construction costs of the qualified business facility pursuant to K.S.A. 79-3606, and amendments thereto, and section 9, and amendments thereto; and

(5) reimbursement of a percentage of relocation expenses and incentives for relocation of employees to Kansas pursuant to sections 12 and 13, and amendments thereto.

(c) To be eligible to receive an incentive listed in subsection (b), a qualified firm shall meet the requirements of this act, including any requirements or provisions specific to each such incentive, and any rules and regulations of the secretary pursuant to this act and shall:

(1) Submit an application to the secretary in the form and manner prescribed by the secretary and including all information as required by the secretary;

(2) if requested by the secretary, prior to making a commitment to invest in a qualified business facility, submit a certificate of intent to invest in the qualified business facility to the secretary in the form and manner required by the secretary, including, if requested by the secretary, a date investment will commence;

(3) commit to a qualified business investment of at least \$1,000,000,000 in the qualified business facility to be completed within five years of the commitment to invest on such date specified in the agreement pursuant to paragraph (5);

(4) complete the project and commence commercial operations within five years of either the commitment to invest or the date of the agreement with the secretary made pursuant to this section, as designated by the secretary and on such date as specified in the agreement pursuant to paragraph (5);

(5) if the application is approved by the secretary, enter into a binding agreement with the secretary with such terms and conditions as required by the secretary and including the commitments required by this act. The agreement shall be entered into before any benefits may be provided under this act. The agreement shall be subject to the approval of the state finance council as provided in subsection (e). The secretary shall not enter into an agreement with more than one qualified firm in calendar year 2022 and shall not enter into an agreement with more than one qualified firm in calendar year 2023. The secretary shall not enter into an agreement with any qualified firm after December 31, 2023;

(6) obtain and submit a bond to the secretary if required as follows: The secretary shall determine a minimum investment grade rating requirement for each project of a qualified firm seeking benefits under this act. In determining the minimum investment grade rating, the secretary shall consider the aspects of the qualified firm and the qualified business facility or project and shall consult ratings from three nation-

ally recognized rating agencies selected by the secretary that provide investment grade ratings. A qualifying firm or qualifying business facility that does not meet the minimum investment grade rating determined by the secretary shall obtain and submit a bond in an amount, as determined by the secretary, of the costs associated with the primary construction of the building or buildings of the qualified business facility to a degree of completion specified by the secretary. The bond shall be paid to the state if, in the judgment of the secretary, the qualified business facility has not been constructed to the degree specified; and

(7) commit to repayment of any benefit or benefits received, connected to or associated with a term or a condition of the agreement that has been breached as determined by the secretary and to the forfeiture of any such earned benefits and the suspension or cessation of such future benefits for as long as the breach is not corrected. The secretary shall report any material breach of the terms and conditions of the agreement to the state finance council within 14 calendar days of the secretary first becoming aware of such breach.

(d) A qualified supplier, that meets the requirements of paragraphs (1) and (2), as determined by the secretary, may be eligible for the incentives listed in subsection (b)(1), (3) or (4) or a partial retention of payroll withholding taxes for employees as provided by section 4, and amendments thereto, upon designation by a qualified firm as eligible for incentives pursuant to paragraph (1). No benefits under sections 4 or 7, and amendments thereto, shall be awarded to the qualified supplier until the commencement of such qualified firm's operations at the qualified business facility, as determined by the secretary. If the qualified business facility fails to commence operations as required by subsection (c)(4), all incentives that may have been awarded to the qualified supplier under this act shall be forfeited and the qualified supplier shall cease to be eligible for further benefits until the requirements of this act are met with respect to the same qualified firm that has entered into a new agreement with the secretary or a different qualified firm. To be eligible to receive benefits, a qualified supplier shall meet the requirements of this act, including any requirements or provisions specific to each such incentive, and any rules and regulations of the secretary pursuant to this act and shall:

(1) Be selected by the qualified firm as a qualified supplier eligible to receive incentives under this act and identified to the secretary of commerce. Not more than five qualified suppliers may be selected by any one qualified firm. Such selection shall not be changed unless a qualified supplier selected by the qualified firm breaches the terms of an agreement under this act and is disqualified by the secretary. In such case, the qualified firm may select a replacement qualified supplier;

(2) within each period of one year for which incentives may be earned, beginning with the year in which the qualified supplier was designated as eligible for benefits by the qualified firm, have made sales, as defined by the secretary, of more than \$10,000,000 to the qualified business facility. This requirement may be waived by the secretary upon a showing of exceptional circumstances;

(3) submit an application to the secretary, in the form and manner as designated by the secretary, and provide all information requested by the secretary, including, but not limited to, evidence establishing sales of more than \$10,000,000 to the qualified firm for the qualified business facility as required by paragraph (2). The qualified firm shall submit evidence to the secretary as requested regarding the date operations at the qualified business facility commenced and the sales to the qualified business facility by the qualified supplier;

(4) if the application is approved by the secretary, enter into a binding agreement with the secretary with such terms and conditions as required by the secretary and the commitments required by this act, including, but not limited to, providing the secretary with evidence showing the amount of sales to the qualified firm for each year that an incentive is claimed. The agreement shall be entered into before any benefits may be provided under this act. The agreement shall be subject to the approval of the state finance council, as provided in subsection (e); and

(5) commit to repayment of the amount of all benefits received under this act in the event the qualified supplier breaches the terms and conditions of the agreement entered into pursuant to paragraph (4).

(e) Any agreement with a qualified firm or qualified supplier pursuant to this section shall not be effective unless reviewed and approved by the affirmative vote of the governor and by a majority vote of the legislative members of the state finance council prior to the finalization of the agreement by the secretary. If the state finance council does not approve the agreement, the secretary shall not enter into the agreement, but may negotiate further with the firm and submit another

proposed agreement for review and approval by the council, until an agreement approved by the council is finally executed or the secretary or the firm discontinues negotiations. The state finance council shall also affirmatively approve, prior to the finalization of an agreement by the secretary, any increase of the total payroll benefit percentage, provided pursuant to section 5, and amendments thereto, to be allowed a qualified firm above 7.5%, or such percentage greater than 7.5% shall not be effective. Prior to the finalization of an agreement by the secretary, the state finance council shall also affirmatively approve any additional portions or installments of the investment tax credit as provided by section 5(h), and amendments thereto, otherwise such increase in the portions or installments shall not be effective. This matter is hereby characterized as a matter of legislative delegation and subject to the guidelines prescribed in K.S.A. 75-3711c, and amendments thereto, except that the state finance council is expressly granted the authority to act on this matter at any time, including when the legislature is in session. The secretary of commerce or any officer or employee of the department of commerce shall appear before the state finance council to provide testimony if requested by the state finance council. Notwithstanding the provisions of the Kansas open meetings act, any review, testimony or discussion of a proposed agreement shall not be open to the public. A vote on approval of an agreement shall be made in open session. However, the details of a proposed agreement need not be disclosed publicly. With respect to the state finance council, the proposed agreement, and any associated documentation or testimony pertaining to the proposed agreement, shall be confidential and shall not be subject to the Kansas open records act. The fact that a proposed agreement or its terms or associated documents or testimony has been referenced or reviewed by the state finance council shall not make the agreement or associated documents or testimony subject to the Kansas open records act with respect to any other agency. The provisions of this paragraph providing for confidentiality of records shall expire on July 1, 2027, unless the legislature acts to reenact such provisions pursuant to K.S.A. 45-229, and amendments thereto.

(f) A qualified firm or qualified supplier that is approved by the secretary for incentives under this act shall not be eligible for participation in any other economic development program or fund administered by the secretary of commerce, including, but not limited to, the STAR bond program, the promoting employment across Kansas program, the high performance incentive program or the Kansas industrial training or Kansas industrial retraining programs.

(g) As a condition of receiving an incentive under this act, a qualified firm or qualified supplier shall agree to cooperate with any audit undertaken by the secretary of revenue as provided by subsection (i) and to provide the secretary of commerce:

(1) information required for publication in the economic development incentive program information database pursuant to K.S.A. 2021 Supp. 74-50,226, and amendments thereto;

(2) information reasonably required for the secretary's report pursuant to section 10, and amendments thereto;

(3) information required by the secretary of commerce or the secretary of revenue pursuant to subsections (h) and (i); and

(4) reasonable access by the secretary or the secretary's agents to the qualified business facility during business hours.

(h) (1) The secretary shall conduct an annual review of the activities undertaken by a qualified firm or qualified supplier to ensure that the qualified firm or qualified supplier remains in good standing with the state and in compliance with the provisions of this act, any rules and regulations adopted by the secretary with respect to this act and any agreement entered into pursuant to this act and continues to meet the requirements for the benefits provided under this act. The secretary of commerce shall certify annually to the secretary of revenue that the qualified firm or qualified supplier meets the criteria for designation as a qualified firm or qualified supplier and is eligible for such benefits. The secretary of commerce may obtain any and all information reasonably necessary to determine such eligibility. Such information shall be confidential to the same extent as information provided to the secretary to determine eligibility pursuant to K.S.A. 74-50,131, and amendments thereto.

(2) Confidential financial information, any trade secret or other information that, if known, would place the qualified firm at a disadvantage in the marketplace or would significantly interfere with the purposes of this act in the judgment of the secretary that is obtained under this section shall not be subject to disclosure pursuant to K.S.A. 45-215 et seq., and amendments thereto, but shall upon request be made

(continued)

available to the legislative post audit division. The provisions of this paragraph shall expire on July 1, 2027, unless the legislature reviews and reenacts such provisions pursuant to K.S.A. 45-229, and amendments thereto.

(i) The books and records concerning investments made, sales, employment and wages of any employees for which the qualified firm, qualified supplier or third party has retained any Kansas payroll withholding taxes or any other financial, employee or other records that pertain to eligibility for benefits or compliance with the requirements of this act shall be available for inspection by the secretary or the secretary's duly authorized agents or employees during business hours on at least 10 days' prior written notice. The secretary may request the department of revenue to audit the qualified firm or qualified supplier, or a third party if applicable, for compliance with the provisions of this act.

(j) The secretary of revenue, in consultation with the secretary of commerce, shall develop a form that shall be completed annually by any qualified firm or qualified supplier that received any tax benefit pursuant to this section and section 3 or 4, and amendments thereto. Such form shall request, at a minimum, the information required by K.S.A. 79-32,243(a)(1) through (a)(6), and amendments thereto, and such other information as shall reasonably be required by the secretary of revenue and the secretary of commerce. The contents of the completed form shall be confidential except as provided in K.S.A. 79-3234, and amendments thereto.

(k) (1) In addition to the provisions of subsection (c)(7) and any other repayment requirement pursuant to this act, as a condition of receiving benefits under this act, a qualified firm that relocates its qualified business facility operations outside this state in the 10th through the 15th year next following the year the qualified firm entered into the agreement with the secretary pursuant to subsection (c)(5), shall be subject to a benefit repayment requirement to the state in the amount of:

- (A) 100% of all benefits received if the relocation occurs in the 11th year;
- (B) 80% of all benefits received if the relocation occurs in the 12th year;
- (C) 60% of all benefits received if the relocation occurs in the 13th year;
- (D) 40% of all benefits received if the relocation occurs in the 14th year; and
- (E) 20% of all benefits received if the relocation occurs in the 15th year.

(2) The amount due to the state shall be paid pursuant to a repayment schedule and with interest as determined by the secretary and set forth in the agreement pursuant to subsection (c)(5), but in no event shall be paid in more than 10 years.

(3) The benefit repayment requirement shall be waived if the qualified firm sells the qualified business facility to another business and the operations of the qualified business facility are substantially continued in this state by such business, as determined by the secretary of commerce.

(l) The secretary of commerce or the secretary of revenue may adopt rules and regulations for the implementation of this act.

New Sec. 3. (a) (1) For taxable years commencing after December 31, 2021, a qualified firm that makes a qualified business investment in a qualified business facility and meets the requirements of section 2, and amendments thereto, and of this section shall be allowed a credit for such investment as provided by this section against the tax imposed by the Kansas income tax act, the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto. The credit shall be earned by the taxpayer each taxable year based on the amount of the qualified investment made in that taxable year as further provided in this section. The amount of the credit that is earned each taxable year shall not be claimed by the taxpayer in the taxable year that such credit is earned but shall be divided into 10 equal portions or installments. A $\frac{1}{10}$ portion or installment shall be claimed by the qualified firm commencing with the taxable year after the credit is earned and an equivalent amount of such portion or installment, respectively, shall be claimed in each of the next successive nine taxable years.

(2) The amount of the tax credit earned in a taxable year pursuant to this subsection shall be up to 15%, at the discretion of the secretary, of the amount of the qualified investment that is invested during such taxable year. In determining such percentage, the secretary shall consider

factors including the extent of prospective new employment, the quality of new jobs and wage or salary levels, the total amount of investment, the potential for development of the industry in this state and the potential for ancillary industry development and indirect economic development. The secretary shall also consider factors pursuant to subsection (d). Such percentage shall be set forth in the agreement pursuant to section 2, and amendments thereto. The total qualified investment shall be completed within five years commencing from the date specified in such agreement. The total amount of the qualified investment shall be at least \$1,000,000,000. The qualified firm shall repay to the state all tax credits received if the total qualified investment is not completed.

(b) (1) For taxable years commencing after December 31, 2021, a qualified supplier that makes a qualified investment and meets the requirements of section 2, and amendments thereto, and of this section shall be allowed a credit for such investment as provided by this section against the tax imposed by the Kansas income tax act, the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto. The credit shall be earned by the taxpayer for up to two calendar years from the date that the qualified supplier enters into the agreement with the secretary of commerce pursuant to section 2, and amendments thereto, unless all qualifying investment that is intended by the qualified supplier is completed before this date. The credit shall be taken in the earlier taxable year that would include either:

(A) The tax year following the two-calendar year expiration from entering into the agreement with the secretary; or

(B) The tax year after the calendar year that the qualified supplier determines completion of the tax credit eligible qualified investment.

(2) The amount of the tax credit shall be 5% for the first \$50,000,000 in qualified investment and an additional 1% credit for each additional \$10,000,000 in qualified investment up to a maximum of \$100,000,000 in qualified investment. The amount of the credit that is earned shall be divided into ten equal portions or installments. A $\frac{1}{10}$ portion or installment shall first be claimed commencing with the time frame set forth in paragraph (1). Such remaining portions or installments shall be claimed in each of the next successive nine taxable years.

(3) Only the first five qualified suppliers designated by a qualified firm pursuant to section 2, and amendments thereto, shall qualify for the credit unless a previously designated qualified supplier breaches terms of an agreement with either the qualified firm or department of commerce and is replaced by a succeeding qualified supplier. The qualified supplier that serves as replacement shall be eligible for the tax credit pursuant to this subsection.

(4) The qualified supplier shall repay to the state all tax credits received if the total qualified investment is not completed as provided pursuant to section 2, and amendments thereto.

(c) The secretary of commerce shall set forth in the agreement entered into pursuant to section 2, and amendments thereto, a percentage of the earned tax credit that may be refundable when claimed, as provided in subsection (a) or (b). The percentage shall be determined as provided in subsection (d). Such percentage of a tax credit installment may be refundable to such taxpayer if the amount of the installment claimed for that taxable year exceeds the taxpayer's tax liability for such year. The secretary shall set forth in the agreement any additional provisions, if necessary, regarding disposition of the earned tax credits. No earned tax credit shall be refundable after the tenth successive taxable year period that a portion or installment of such credit may be claimed. An installment portion of an earned tax credit that is not refunded shall be carried forward for application first against the taxpayer's tax liability in the next successive tax year or for refund, as the case may be, within the ten taxable year period. Office of the Governor

Message from the Governor
Regarding Veto of Senate Bill 355

The process of drawing districts each decade is the core to ensuring that all Kansans have the opportunity to participate in their government and have their voices heard. The courts and the Legislature have established case law and criteria on how to draw Kansas districts fairly and constitutionally.

Those guidelines call for ensuring that districts are nearly equal to 734,470 in population as practicable while ensuring that plans have neither the purpose nor effect of diluting minority communities' voting strength. The guidelines call for protecting communities of interest, preserving the core of existing congressional districts, and ensuring that whole counties are in the same congressional district if possible. The Legislature's guidelines further state that "to a considerable degree most counties in Kansas are economic, social, and cultural units, or parts of a larger socioeconomic unit. These communities of interest should be considered during the creation of congressional districts."

SB 355, known as Ad Astra 2, does not follow these guidelines and provides no justification for deviation from those guidelines. Wyandotte County is carved into two separate congressional districts. Without explanation, this map shifts 46% of the Black population and 33% of the Hispanic population out of the third congressional district by dividing the Hispanic neighborhoods of Quindaro Bluffs, Bethel-Welborn, Strawberry Hill, Armourdale and others from Argentine, Turner and the rest of Kansas City, Kansas south of I-70. To replace lost population in the third district, this map adds in counties that are more rural to the south and west of the core of the Kansas City metropolitan area.

Ad Astra 2 also separates the city of Lawrence from Douglas County and inserts urban precincts of Lawrence into the largely rural Big First Congressional District, reducing the strength of communities of interest in Western Kansas and unnecessarily dividing communities of interest in Eastern Kansas.

Several alternatives would allow for the same deviation as Ad Astra 2 while protecting the core of the exist-

ing congressional districts and without diluting minority communities' voting strength. I am ready to work with the Legislature in a bipartisan fashion to pass a new congressional map that addresses the constitutional issues in Senate Bill 355. Together, we can come to a consensus and pass a compromise that empowers all people of Kansas.

For those reasons, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 355.
