**40-23 KA-1869-01**

**Corridor Management Study**

Develop a transportation management plan for the area of influence associated with the US-40 and K-10 interchange.

The study area includes a segment of US-40 beginning at George Williams Way in Lawrence, proceeding west approximately 1.5 mile, and ending at East 800 Road in Douglas County. The study area also will include the K-10 interchange ramps and ramp terminals, and an area approximately .25 to .5 mile on either side of the highway centerline(s). Consideration also will be given to existing and proposed interchange facilities along K-10 that influence the subject area.

US-40 and K-10 are both regionally significant highway facilities. State and local government recognize the significant development potential in the vicinity of the US-40 and K-10 interchange. Any large-scale commercial development will eventually present a variety of transportation challenges and it is critical the government stakeholders have a strategy in place that enables growth to occur without compromising safe and efficient traffic movement.

The consultant will engage local stakeholders, analyze relevant local planning products, evaluate potential development(s), and identify necessary transportation improvements to meet future demands. The timing associated with recommended improvements also will be established along with planning level cost estimates.

*(continued)*

Highway facilities will be evaluated along with the interfacing and parallel local street network.

The management plan shall, at a minimum, incorporate an innovative and multi-disciplinary approach that advocates principles set forth in sustainability, access management, design and traffic engineering, complete streets, multimodal planning, transportation planning, land-use planning, environmental planning, public and stakeholder involvement, governmental transparency, and public/private partnerships.

This project will be administered by the Kansas Department of Transportation, in cooperation with the city of Lawrence, Douglas County, and the Lawrence-Douglas County Metropolitan Planning Organization.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firms:

1. Size and professional qualifications.
2. Experience of staff.
3. Location of firm with respect to proposed project.
4. Work load of firm.
5. Firm's performance record.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract:

- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable costs by contract or project records that will reconcile with the general ledger.

Department of Agriculture  
Division of Water ResourcesPermanent Administrative  
RegulationsArticle 22.—EQUUS BEDS GROUNDWATER  
MANAGEMENT DISTRICT NO. 2

**5-22-7. Safe yield.** (a) Except as specified in subsection (b), the approval of each application for a change in the point of diversion, term permit, and permit to appro-

appropriate water for beneficial use shall be subject to the following requirements:

(1) The sum of prior appropriations shall include all of the following:

- (A) The proposed application;
- (B) vested rights;
- (C) appropriation rights;
- (D) term permits;
- (E) earlier priority applications; and
- (F) baseflow nodes.

The sum of prior appropriations shall not exceed the allowable safe-yield amount for the area of consideration. The non-consumptive use of groundwater previously authorized by the chief engineer shall be excluded from the sum of prior appropriations.

(2) The quantity authorized on all prior permits, certificates, and vested rights, the quantity requested on prior applications, and the quantities allocated to baseflow nodes shall be used to calculate the sum of prior appropriations and baseflow allocations.

(3) All conditions and limitation clauses listed on all prior appropriations and applications in the area of consideration shall be considered in effect.

(4) The baseflow allocation for baseflow nodes shall be calculated using the formula  $Q_a = T/N$  where:

(A)  $Q_a$  is the baseflow allocation per baseflow node in acre-feet per year;

(B)  $T$  is the total baseflow allocation for a reach of a stream in acre-feet per calendar year.  $T$  is the average of the 12 calendar months' daily flow values in cubic feet per second that were equaled or exceeded 90 percent of the time during a specifically designated hydrologically significant period of record, times a factor of 724; and

(C)  $N$  is the number of baseflow nodes established on a stream or reach of a stream. Nodes are located at the upstream end of the watercourse reach and thereafter at the intersection of the channel of a watercourse and an arc of a 1,320 foot-radius circle whose center is located on the previously established baseflow node.

(5) The allowable safe-yield amount shall be calculated using the formula  $S = A \times K$  where:

(A)  $S$  is the allowable safe-yield amount in acre-feet per year;

(B)  $A$  is the area of consideration; and

(C)  $K$  is an aquifer recharge value in feet. Everywhere in the district, except in McPherson county,  $K$  is equal to 0.5 feet per year. In McPherson county,  $K$  is a constant equaling 0.25 feet per year.  $K$  is calculated by multiplying the recharge percentage, which is 10 percent in McPherson county and 20 percent for the rest of the district, times the average annual precipitation of 2.5 feet per year.

(6) When evaluating an application for a change in the point of diversion, each application with a priority earlier than the priority established by the filing of the application of change shall be included in the safe-yield analysis.

(7) If the perimeter of the area under consideration intersects a group of wells authorized under prior applications, permits, certificates, or vested rights, a reasonable quantity of water shall be assigned to each well based upon the best available information.

(b) The following shall not be subject to this regulation:

(1) An application to appropriate groundwater in an area not closed by regulation or intensive groundwater use control area order by the chief engineer to new non-domestic, non-temporary permits and term permits for five or fewer years, if all of the following conditions are met:

(A) The annual quantity of water requested in the application does not exceed 15 acre-feet;

(B) the sum of the annual quantity of water requested in the application and the total annual quantities of water authorized by prior approvals of applications allowed because of an exemption pursuant to this regulation does not exceed 45 acre-feet in a two-mile-radius circle surrounding the proposed point of diversion;

(C) the approval of the application does not authorize an additional quantity of water out of an existing authorized point of diversion with a nondomestic approval of application or water right that would then authorize a total combined annual quantity of water from that point of diversion in excess of 15 acre-feet;

(D) the approval of the application does not authorize an additional quantity of water to be used on a currently authorized non-domestic place of use in excess of 15 acre-feet;

(E) the approval of the application does not authorize an additional quantity of water to be pumped through a common distribution system in excess of 15 acre-feet;

(F) the application meets the well spacing criteria in K.A.R. 5-22-2; and

(G) the application meets the requirements of all other applicable regulations in effect when the application is filed;

(2) an application for a non-consumptive use of groundwater;

(3) an application for change in point of diversion, if the following conditions are met:

(A) The diversion works were completed 300 feet or less from the originally authorized point of diversion and within 150 feet of the location approved by the chief engineer; and

(B) a notice of completion was timely filed with the chief engineer under the original approval of application;

(4) an application requesting only an additional rate of diversion on an existing well, if the approval of the application meets the following requirements:

(A) Is limited to the maximum annual quantity of water authorized by a prior certified, vested, or appropriation right; and

(B) contains both of the following requirements:

(i) The approved application for additional rate shall be dismissed if the prior certified, vested, or appropriation right is dismissed and terminated; and

(ii) the approved or certified maximum annual quantity of water shall be reduced in an amount equal to any subsequent reduction in the maximum annual quantity of water authorized by the prior certified, vested, or appropriation right;

(5) an application for a standby well;

(6) an application for a bank storage well only to the extent that the bank storage well is withdrawing bank storage water; and

*(continued)*

(7) an application for an aquifer storage and recovery well. (Authorized by and implementing K.S.A. 82a-706a and K.S.A. 2008 Supp. 82a-1028; effective May 1, 1983; amended Oct. 15, 1990; amended March 7, 1994; amended Nov. 12, 2004; amended May 14, 2010.)

(c) As used in this section, the term "cited or identified" shall not include a request to an employee of a public agency that a document be prepared.

(d) If a public record contains material which is not subject to disclosure pursuant to this act, the public agency shall separate or delete such material and make available to the requester that material in the public record which is subject to disclosure pursuant to this act. If a public record is not subject to disclosure because it pertains to an identifiable individual, the public agency shall delete the identifying portions of the record and make available to the requester any remaining portions which are subject to disclosure pursuant to this act, unless the request is for a record pertaining to a specific individual or to such a limited group of individuals that the individuals' identities are reasonably ascertainable, the public agency shall not be required to disclose those portions of the record which pertain to such individual or individuals.

(e) The provisions of this section shall not be construed to exempt from public disclosure statistical information not descriptive of any identifiable person.

(f) Notwithstanding the provisions of subsection (a), any public record which has been in existence more than 70 years shall be open for inspection by any person unless disclosure of the record is specifically prohibited or restricted by federal law, state statute or rule of the Kansas supreme court or by a policy adopted pursuant to K.S.A. 72-6214, and amendments thereto.

(g) Any confidential records or information relating to security measures provided or received under the provisions of subsection

(a)(45) shall not be subject to subpoena, discovery or other demand in any administrative, criminal or civil action.

Sec. 3. On and after July 1, 2010, K.S.A. 2009 Supp. 45-229 is hereby amended to read as follows: 45-229. (a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

- (1) The public record is of a sensitive or personal nature concerning individuals;
- (2) the public record is necessary for the effective and efficient administration of a governmental program; or
- (3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsection (h), all exceptions to disclosure in existence on July 1, 2000, shall expire on July 1, 2005, and any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception which will expire in the following year which meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law which creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law which creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

- (1) Is required by federal law;
  - (2) applies solely to the legislature or to the state court system.
- (h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:
- (A) What specific records are affected by the exception;
  - (B) whom does the exception uniquely affect, as opposed to the general public;
  - (C) what is the identifiable public purpose or goal of the exception;
  - (D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

(2) An exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is suffi-

ciently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

(A) Allows the effective and efficient administration of a governmental program, which administration would be significantly impaired without the exception;

(B) protects information of a sensitive personal nature concerning individuals, the release of which information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or

(C) protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information which is used to protect or further a business advantage over those who do not know or use it, the disclosure of which information would injure the affected entity in the marketplace.

(3) Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. In deciding whether the records shall be made public, the legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exception of the type specified in paragraph (2)(B) or (2)(C) of this subsection (h) would occur if the records were made public.

(i) Exceptions contained in the following statutes *as continued in existence in section 2 of chapter 126 of the 2005 Session Laws of Kansas and exceptions contained in the following statutes* as certified by the revisor of statutes to the president of the senate and the speaker of the house of representatives pursuant to subsection (e) of this section ~~on June 1, 2004, during 2009~~ are hereby continued in existence until July 1, ~~2010~~ 2015, at which time such exceptions shall expire: 1-401, 2-1202, 5-512, 9-1137, 9-1712, 9-2217, 10-630, 11-306, 12-189, 12-1,108, 12-1694, 12-1698, 12-2819, 12-4516, 16-715, 16a-2-304, 17-1312e, 17-2036, 17-2227, 17-5832, ~~17-7503, 17-7505~~, 17-7511, 17-7514, 17-76,139, 19-4321, 21-2511, 22-3711, 22-4707, 22-4909, 22a-243, 22a-244, 23-605, 23-9,312, 25-4161, 25-4165, 31-405, 34-251, ~~38-1508, 38-1520, 38-1565, 38-1609, 38-1610, 38-1618~~, 38-1664, 38-2212, 39-709b, 39-719e, 39-934, 39-1434, 39-1704, 40-222, 40-2,156, 40-2c20, 40-2c21, 40-2d20, 40-2d21, 40-409, 40-956, 40-1128, 40-2807, 40-3012, 40-3304, 40-3308, 40-3403b, 40-3421, 40-3613, 40-3805, 40-4205, 40-5301, 44-510j, 44-550b, 44-594, 44-635, 44-714, 44-817, 44-1005, 44-1019, subsections (a)(1) through (43), *(a)(45) and (a)(46)* of 45-221, 46-256, 46-259, 46-2201, 47-839, 47-844, 47-849, 47-1709, 48-1614, 49-406, 49-427, 55-1,102, ~~56-1a606, 56-1a607, 56a-1201, 56a-1202~~, 58-4114, 59-2135, 59-2802, 59-2979, 59-29b79, 60-3333, 60-3336, 60-3351, 65-102b, 65-118, 65-119, 65-153f, 65-170g, 65-177, 65-1,106, 65-1,113, 65-1,116, 65-1,157a, 65-1,163, 65-1,165, 65-1,168, 65-1,169, 65-1,171, 65-1,172, 65-436, 65-445, 65-507, 65-525, 65-531, 65-657, 65-1135, 65-1467, 65-1627, 65-1831, 65-2422d, 65-2438, 65-2836, 65-2839a, 65-2898a, 65-3015, 65-3447, 65-34,108, 65-34,126, 65-4019, ~~65-4608~~, 65-4922, 65-4925, 65-5602, 65-5603, 65-6002, 65-6003, 65-6004, 65-6010, 65-67a05, 65-6803, 65-6804, 66-101c, 66-117, 66-151, 66-1,190, 66-1,203, 66-1220a, 66-2010, 72-972a, 72-996, 72-4311, 72-4452, 72-5214, 72-53,106, 72-5427, 72-8903, 73-1228, 74-2424, 74-2433f, 74-4905, 74-4909, 74-50,131, 74-5515, 74-7308, 74-7338, ~~74-7405a~~, 74-8104, 74-8307, 74-8705, 74-8804, 74-9805, 74-99d05, 75-104, 75-712, 75-7b15, 75-1267, 75-2943, 75-4332, 75-4362, 75-5133, 75-5266, 75-53,105, 75-5665, 75-5666, 75-7310, 76-355, 76-359, 76-493, 76-12b11, 76-3305, 79-1119, 79-1437f, ~~79-15,118~~, 79-3234, 79-3395, 79-3420, 79-3499, 79-34,113, 79-3614, 79-3657, 79-4301 and 79-5206.

(b) The provisions of this section shall be applicable to the sentencing guidelines grid for nondrug crimes. Sentences expressed in such grid represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of

conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to judicial discretion to deviate for substantial and compelling reasons and impose a different sentence in recog-

inition of aggravating and mitigating factors as provided in this act. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. The sentencing judge shall select the center of the range in the usual case and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the prison sentence, the maximum potential reduction to such sentence as a result of good time and the period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of post-release supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence if the offense is classified in grid blocks 5-H, 5-I or 6-G shall not be considered a departure and shall not be subject to appeal.

(g) The sentence for the violation of K.S.A. 21-3415, and amendments thereto, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or K.S.A. 21-3411, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence, if the offense is classified in grid block 6-H or 6-I, shall not be considered a departure and shall not be subject to appeal.

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(i) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 21-4707 and amendments thereto. If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 21-4707, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 21-3710, and amendments thereto. Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-1567,

subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review.

seq., 79-3817 et seq., 79-4101 et seq. or 79-41a01, and amendments thereto, or for control, receipt, custody or disposal of funds due and owing under such acts who willfully fails to collect such tax, or account for and pay over such tax, or attempts in any manner to evade or defeat such tax or the payment thereof shall be personally liable for the total amount of the tax evaded, or not collected, or not accounted for and paid over, together with any interest and penalty imposed thereon. The provisions of this section shall apply regardless of the: (1) Relationship with the taxpayer held by such individual; (2) form under which the taxpayer conducts business, whether a sole proprietorship, partnership or corporation; or (3) dissolution of the business. As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.

(b) A notice of assessment issued to a responsible individual shall be considered to be a proceeding for the collection of the tax liability of the business. If the liability of the business is determined in a proceeding that has become final, any notice of assessment to a responsible individual must be issued within three years after the proceeding against the business became final.

(c) Within 60 days after the mailing of a notice of assessment to a responsible individual, the person assessed may request an informal conference with the secretary of revenue under K.S.A. 79-3226, and amendments thereto, for a determination of whether such person is a responsible individual under subsection (a), and for a determination of the tax liability of the business.

(d) If a notice of assessment and a warrant are issued to a responsible individual pursuant to a jeopardy provision of chapter 79 of the Kansas Statutes Annotated, the person assessed may request that the informal conference held pursuant to subsection (c) be expedited. When such a request is made, the secretary shall schedule the conference to be held within 21 days after receipt of the request and shall issue a written final determination within 21 days after the close of the conference.

Sec. 8. K.S.A. 2009 Supp. 79-3298 is hereby amended to read as follows: 79-3298. (a) Every employer, payer, person or organization deducting and withholding tax shall remit the taxes and file returns in accordance with the following provisions:

(1) Whenever the total amount withheld exceeds \$100,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld in accordance with the following schedule: Each calendar month shall be divided into four remittance periods that end on the 7th, 15th, 21st and the last day of such month. If at the end of any one or all of such remittance periods the total undeposited taxes equal or exceed \$667, the taxes shall be remitted within three banking days. Saturdays, Sundays and legal holidays shall not be treated as banking days.

(2) Whenever the total amount withheld exceeds \$8,000 but does not exceed \$100,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld for wages paid during the first 15 days of any month on or before the 25th day of the month. The employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld for wages paid during the remainder of that month on or before the 10th day of the following month.

(3) Whenever the total amount withheld exceeds \$1,200 but does not exceed \$8,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld during any month on or before the 15th day of the following month.

(4) Whenever the total amount withheld exceeds \$200 but does not exceed \$1,200 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld in any calendar quarter on or before the 25th day of the first month following the end of that calendar quarter.

(5) Whenever the total amount withheld does not exceed \$200 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld during that year on or before January 25 of the following year.

(b) Each remittance required under the provisions of subsection (a) shall be accompanied by a Kansas withholding tax remittance form and shall be filed in the manner prescribed and furnished by the director, including electronic filing.

(c) Every employer, payer, person or organization deducting and withholding tax and making remittances pursuant to subsection (a) shall file a return on a form or in the format and shall file in the manner prescribed and furnished by the director, including electronic filing, for each calendar year on or before the last day of February of the following year.

(d) The excess of any remittance over the actual taxes withheld in any withholding period shall be credited against the liability for following withholding periods until exhausted. A refund shall be allowed in accordance with K.S.A. 79-32,105, and amendments thereto, where an overpayment cannot be adjusted by an offset against the liability for a subsequent withholding period.

(e) For purposes of determining filing requirements, determinations of amounts withheld during a calendar year by employers, payers, persons or organizations deducting and withholding tax shall be made by the director upon the basis of amounts withheld by those employers, payers, persons or organizations during the preceding calendar year or by estimates in cases of employers, payers, persons or organizations having no previous withholding histories. The director is hereby authorized to modify the filing schedule for any employer, payer, person or organization deducting and withholding tax when it is apparent that the original determination was inaccurate.

(f) Whenever the director has cause to believe that money withheld by an employer, payer, person or organization deducting and withholding tax pursuant to this act may be converted, diverted, lost, or otherwise not timely paid in accordance with this section, the director shall have the power to require returns and payment from any such employer, payer, person or organization at any time at more frequent intervals than prescribed by this section in order to secure full payment to the state of all amounts withheld by such employer, payer, person or organization in accordance with this act.

Sec. 9. K.S.A. 2009 Supp. 79-32,100c is hereby amended to read as follows: 79-32,100c. (a) If an employer, payer, person or organization deducting and withholding tax fails to deduct and withhold the tax as required under this act, and thereafter, the income tax against which the tax may be credited is paid, the tax required to be deducted and withheld shall not be collected from the employer, payer, person or organization. The payment of such tax does not, however, operate to relieve the employer, payer, person or organization from liability for penalties, interest or additions to the tax applicable with respect to such failure to deduct and withhold. The employer, payer, person or organization shall not be relieved under this provision from liability for payment of the tax required to be withheld unless it can be shown that the income tax against which the tax required to be withheld under this act may be credited has been paid.

(b) Every agent or other person having control, receipt, custody or disposal of, or paying the wages of an employee or group of employees employed by one or more employers, is for the purpose of this act designated to be an employer. In the case of the corporation, the officers and board of directors are likewise considered employers. Employers of classes named in this section shall be subject to all the provisions of law including penalties as is their principal. Any employer who willfully fails to collect the tax imposed by the Kansas withholding tax act or truthfully account for any pay over such tax, or willfully attempts in any manner to evade or defeat any tax or the payment thereof, shall be subject to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over in addition to other penalties provided by law. As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.

Sec. 10. K.S.A. 79-32,107 is hereby amended to read as follows: 79-32,107. (a) All penalties and interest prescribed by K.S.A. 79-32,107, and amendments thereto, for noncompliance with the income tax laws of Kansas shall be applicable for noncompliance with the provisions of the Kansas withholding and declaration of estimated tax act relating to withholding tax which shall be enforced in the same manner as the Kansas income tax act. A penalty at the same rate per annum prescribed by subsection (b) of K.S.A. 79-2968, and amendments thereto, for interest upon delinquent or unpaid taxes shall be applied and added to a taxpayer's amount of underpayment of estimated tax due from the date the estimated tax payment was due until the same is paid or until the 15th day of the fourth

month following the close of the taxable year for which such estimated tax is a credit, whichever date is earlier, but such penalty shall not be added if the total amount thereof does not exceed \$1. For purposes of this subsection, the amount of underpayment of estimated tax shall be the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to 90% of the tax shown on the return for the taxable year or, if no return was filed, 90% of the tax for such year, over the amount, if any, of the installment paid on or before the last date prescribed for payment. Amounts due from any employer on account of withholding or from any taxpayer for estimated tax may be collected by the director in the manner provided for the collection of state income tax in K.S.A. 79-3235, and amendments thereto. For purposes of this subsection, "underpayment of tax" means the difference between the amount of tax actually paid and the amount of tax which would have been required to be paid to avoid penalty pursuant to subsection (b) or (c).

(b) No penalty or interest shall be imposed upon any individual with respect to any underpayment of any installment if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

(1) The tax shown on the return of the individual for the preceding taxable year, if a return showing a liability for tax was filed by the individual for the preceding taxable year;

(2) zero if no return was required to be filed or if the tax liability on the individual's return was less than \$200 for the preceding taxable year;

(3) an amount equal to 66 2/3%, in the case of individuals referred to in subsection (b) of K.S.A. 79-32,102, and amendments thereto, and 90%, in the case of all other individuals, of the tax for the taxable year computed by placing on an annualized basis, pursuant to rules and regulations adopted by the secretary of revenue, the taxable income for the months in the taxable year ending before the month in which the installment is required to be made.

(c) No penalty or interest shall be imposed upon any corporation with respect to any underpayment of any installment of estimated tax if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

(1) The tax shown on the return of the corporation for the preceding taxable year, if a return showing a liability for tax was filed by the corporation for the preceding taxable year, or zero if no return was required to be filed, or if the tax liability on the corporation's return was less than \$500 for the preceding taxable year; or

(2) (A) an amount equal to 90% of the tax for the taxable year computed by placing on an annualized basis the taxable income: (i) For the first three months of the taxable year, in the case of the installment required to be paid in the fourth month; (ii) for the first three months or for the first five months of the taxable year, in the case of the installment required to be paid in the sixth month; (iii) for the first six months or for the first eight months of the taxable year in the case of the installment required to be paid in the ninth month; and (iv) for the first nine months or for the first 11 months of the taxable year, in the case of the installment required to be paid in the 12th month of the taxable year.

(B) For purposes of this subsection (2), the taxable income shall be placed on an annualized basis by (i) multiplying by 12 the taxable income referred to in subsection (2)(A), and (ii) dividing the resulting amount by the number of months in the taxable year (three, five, six, eight, nine, or 11, as the case may be) referred to in subsection (2)(A).

(d) If the employer, in violation of the provisions of this act, fails to deduct and withhold under this chapter, and thereafter the tax against which such withholding may be credited is paid, the amount otherwise required to be deducted and withheld shall not be collected from the employer, but. This subsection shall in no case relieve the employer from liability for any penalties or addi-

(continued)

tions to the tax otherwise applicable in respect of such failure to deduct and withhold.

(e) Any person required to collect, truthfully account for, and pay over any tax imposed by this act, who willfully fails to collect such tax, or truthfully account for and pay over such tax, or willfully attempts in any manner to evade or defeat any such tax or the payment thereof, shall in addition to the other penalties of this section be liable to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over. *As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.*

(f) In case of failure by any employer required by subsection (b) of K.S.A. 79-3298, and amendments thereto, to remit any amount of withheld taxes by the date prescribed therefor, unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there shall be imposed upon such person a penalty of 15% of the amount of the underpayment. For purposes of this subsection, the term "underpayment" means the excess of the amount of the tax required to be withheld and remitted over the amount, if any, remitted on or before the date prescribed therefor. The failure to remit for any withholding period shall be deemed not to continue beyond the last date prescribed for filing the annual return as required by subsection (d) of K.S.A. 79-3298, and amendments thereto. Penalty and interest as prescribed by K.S.A. 79-3228, and amendments thereto, shall not begin to accrue under subsection (a) of this section on the amount of any such underpayment until the due date of the annual return for the calendar year in which such failure to remit occurs.

(g) Whenever the secretary or the secretary's designee determines that the failure of the taxpayer to comply with the provisions of subsections (a), (e), or (f) of this section was due to reasonable causes, the secretary or the secretary's designee may waive or reduce any of said penalties and may reduce the interest rate to the underpayment rate prescribed and determined for the applicable period under section 6621 of the federal internal revenue code as in effect on January 1, 1994, upon making a record of the reasons therefor.

Sec. 11. K.S.A. 2009 Supp. 79-3607 is hereby amended to read as follows: 79-3607. (a) Retailers shall make returns to the director at the times prescribed by this section *in the manner prescribed by the director, including electronic filing, upon forms or format prescribed and furnished by the director* stating: (1) The name and address of the retailer; (2) the total amount of gross sales of all tangible personal property and taxable services rendered by the retailer during the period for which the return is made; (3) the total amount received during the period for which the return is made on charge and time sales of tangible personal property made and taxable services rendered prior to the period for which the return is made; (4) deductions allowed by law from such total amount of gross sales and from total amount received during the period for which the return is made on such charge and time sales; (5) receipts during the period for which the return is made from the total amount of sales of tangible personal property and taxable services rendered during such period in the course of such business, after deductions allowed by law have been made; (6) receipts during the period for which the return is made from charge and time sales of tangible personal property made and taxable services rendered prior to such period in the course of such business, after deductions allowed by law have been made; (7) gross receipts during the period for which the return is made from sales of tangible personal property and taxable services rendered in the course of such business upon the basis of which the tax is imposed. The return shall include such other pertinent information as the director may require. In making such return, the retailer shall determine the market value of any consideration, other than money, received in connection with the sale of any tangible personal property in the course of the business and shall include such value in the return. Such value shall be subject to review and revision by the director as hereinafter provided. Refunds made by the retailer during the period for which the return is made on account of tangible personal property returned to the retailer shall be allowed as a deduction under subdivision (4) of this section in case the retailer has theretofore included the receipts from such sale in a return made by such retailer and paid taxes therein imposed by this act. The retailer shall, at the time of making such return, pay to the director the amount of tax

herein imposed, except as otherwise provided in this section. The director may extend the time for making returns and paying the tax required by this act for any period not to exceed 60 days under such rules and regulations as the secretary of revenue may prescribe. When the total tax for which any retailer is liable under this act, does not exceed the sum of \$80 in any calendar year, the retailer shall file an annual return on or before January 25 of the following year. When the total tax liability does not exceed \$3,200 in any calendar year, the retailer shall file returns quarterly on or before the 25th day of the month following the end of each calendar quarter. When the total tax liability exceeds \$3,200 in any calendar year, the retailer shall file a return for each month on or before the 25th day of the following month. When the total tax liability exceeds \$32,000 in any calendar year, the retailer shall be required to pay the sales tax liability for the first 15 days of each month to the director on or before the 25th day of that month. Any such payment shall accompany the return filed for the preceding month. A retailer will be considered to have complied with the requirements to pay the first 15 days' liability for any month if, on or before the 25th day of that month, the retailer paid 90% of the liability for that fifteen-day period, or 50% of such retailer's liability in the immediate preceding calendar year for the same month as the month in which the fifteen-day period occurs computed at the rate applicable in the month in which the fifteen-day period occurs, and, in either case, paid any underpayment with the payment required on or before the 25th day of the following month. Such retailers shall pay their sales tax liabilities for the remainder of each such month at the time of filing the return for such month. Determinations of amounts of liability in a calendar year for purposes of determining filing requirements shall be made by the director upon the basis of amounts of liability by those retailers during the preceding calendar year or by estimates in cases of retailers having no previous sales tax histories. The director is hereby authorized to modify the filing schedule for any retailer when it is apparent that the original determination was inaccurate.

(b) All model 1, model 2 and model 3 sellers are required to file returns electronically. Any model 1, model 2 or model 3 seller may submit its sales and use tax returns in a simplified format approved by the director. Any seller that is registered under the agreement, which does not have a legal requirement to register in this state, and is not a model 1, model 2 or model 3 seller, may submit its sales and use tax returns as follows: (1) Upon registration, the director shall provide to the seller the returns required;

(2) seller shall file a return anytime within one year of the month of initial registration, and future returns are required on an annual basis in succeeding years; and

(3) in addition to the returns required in subsection (b)(2), sellers are required to submit returns in the month following any month in which they have accumulated state and local sales tax funds for this state in the amount of \$1,600 or more.

Sec. 12. K.S.A. 2009 Supp. 79-3609 is hereby amended to read as follows: 79-3609. (a) Every person engaged in the business of selling tangible personal property at retail or furnishing services taxable in this state, shall keep records and books of all such sales, together with invoices, bills of lading, sales records, copies of bills of sale and other pertinent papers and documents. Such books and records and other papers and documents shall, at all times during business hours of the day, be available for and subject to inspection by the director, or the director's duly authorized agents and employees, for a period of three years from the last day of the calendar year or of the fiscal year of the retailer, whichever comes later, to which the records pertain. Such records shall be preserved during the entire period during which they are subject to inspection by the director, unless the director in writing previously authorizes their disposal. Any person selling tangible personal property or furnishing taxable services shall be prohibited from asserting that any sales are exempt from taxation unless the retailer has in the retailer's possession a properly executed exemption certificate provided by the consumer claiming the exemption, except as follows: (1) A retailer is relieved of liability for tax otherwise applicable if the retailer obtains a fully completed exemption certificate or captures the relevant data elements required by the director within 90 days subsequent to the date of the sale; or (2) if the retailer has not obtained an exemption certificate or all relevant data elements, the retailer, within 120 days subsequent to a request for substantiation

by the director, either may ~~prove that the transaction was not subject to tax by other means or~~ obtain a fully completed exemption certificate from the purchaser, taken in good faith *which meets the requirements specified in this subsection, or obtain other information establishing that the transaction was not subject to tax.* Otherwise, the sales shall be deemed to be taxable sales under this act. *The seller shall obtain an exemption certificate that claims an exemption that was authorized pursuant to Kansas law on the date of the transaction in the jurisdiction where the transaction is sourced pursuant to law, could be applicable to the item being purchased and is reasonable for the purchaser's type of business. If the seller obtains an exemption certificate or other information as described in this subsection, the seller is relieved of any liability for the tax on the transaction unless it is discovered through the audit process that the seller had knowledge or had reason to know at the time such information was provided that the information relating to the exemption claimed was materially false or the seller otherwise knowingly participated in activity intended to purposefully evade the tax that is properly due on the transaction, and it must be established that the seller had knowledge or had reason to know at the time the information was provided that the information was materially false.*

(b) The amount of tax imposed by this act is to be assessed within three years after the return is filed, and no proceedings in court for the collection of such taxes shall be begun after the expiration of such period. In the case of a false or fraudulent return with intent to evade tax, the tax may be assessed or a proceeding in court for collection of such tax may be begun at any time, within two years from the discovery of such fraud. No assessment shall be made for any period preceding the date of registration of the retailer by more than three years except in cases of fraud. For any refund or credit claim filed after June 15, 2009, no refund or credit shall be allowed by the director after one year from the due date of the return for the reporting period as provided by K.S.A. 79-3607, and amendments thereto, unless before the expiration of such period a claim therefor is filed by the taxpayer, and, except as otherwise provided in K.S.A. 2009 Supp. 79-3694, and amendments thereto, no suit or action to recover on any claim for refund shall be commenced until after the expiration of six months from the date of filing such claim satisfying the requirements specified by K.S.A. 2009 Supp. 79-3693, and amendments thereto, therefor with the director. A refund claim shall not be deemed filed unless such claim is complete as required by K.S.A. 2009 Supp. 79-3693, and amendments thereto. For all mailed returns, including refund claims, each return or refund claim shall be presumed to have been filed with the department on the postmark date of such return or refund claim or if such date is illegible, the date three days prior to the date such return or refund claim is received.

(c) Before the expiration of time prescribed in this section for the assessment of additional tax or the filing of a claim for refund, the director is hereby authorized to enter into an agreement in writing with the taxpayer consenting to the extension of the periods of limitations for the assessment of tax or for the filing of a claim for refund, at any time prior to the expiration of the period of limitations. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. In consideration of such agreement or agreements, interest due in excess of 48 months on any additional tax shall be waived.

(d) Interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, shall be allowed on any overpayment of tax computed from the filing date of the return claiming the refund, except that no interest shall be allowed on any such refund if the same is paid within 120 days after the filing date of the return claiming the refund or the date of payment, whichever is later, provided that such return or refund claim satisfies the requirements specified by K.S.A. 2009 Supp. 79-3693, and amendments thereto, at the time the return or refund claim is received.

(e) Notwithstanding any other provision of this section or the provisions of the Kansas compensating tax act:

(1) (A) Any claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act which is without dispute shall be allowed, but, with respect to any claim exceeding \$10,000, the refund associated therewith shall not be paid until after 510 days from the date such claim was filed and shall not include in-

terest from such date. As used in this subparagraph, a claim for refund without dispute shall not include any claim the basis for which is a judicial or quasi-judicial interpretation of such subsection occurring after the effective date of this act.

(B) Any refund of tax resulting from a final determination or adjudication with regard to any claim submitted or to be submitted for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act not described by subparagraph (A) shall, with respect to any refund exceeding \$50,000, be paid in equal annual installments over 10 years commencing with the year of such final determination or adjudication. Interest shall not accrue during the time period of such payment.

(2) No claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the application of the provisions of subsection (n) of K.S.A. 79-3606 pursuant to its interpretation by the court of appeals of the state of Kansas in its opinion filed on August 13, 1999, in the case entitled *In re appeal of Water District No. 1 of Johnson County* shall be allowed for tax paid prior to the effective date of this act. The provisions of this subsection shall not be applicable to Water District No. 1 of Johnson county.

Sec. 13. K.S.A. 2009 Supp. 79-3643 is hereby amended to read as follows: 79-3643. (a) Any individual who is responsible for collection or payment of sales or compensating tax or control, receipt, custody or disposal of funds due and owing under the Kansas retailers' sales and compensating tax acts who willfully fails to collect such tax, or account for and pay over such tax, or attempts in any manner to evade or defeat such tax or the payment thereof shall be personally liable for the total amount of the tax evaded, or not collected, or not accounted for and paid over, together with any interest and penalty imposed thereon. The provisions of this section shall apply regardless of the: (1) Relationship with the retailer held by such individual; (2) form under which the retailer conducts business, whether a sole proprietorship, partnership or corporation; or (3) dissolution of the business. *As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.*

(b) A notice of assessment issued to a responsible individual shall be considered to be a proceeding for the collection of the tax liability of the business. If the liability of the business is determined in a proceeding that has become final, any notice of assessment against a responsible individual must be issued within three years after the proceeding against the business has become final.

(c) Within 60 days after the mailing of a notice of assessment against a responsible individual, the person assessed may request an informal conference with the secretary of revenue under K.S.A. 79-3226, and amendments thereto, for a determination of whether such person is a responsible individual under subsection (a) and for a determination of the tax liability of the business.

(d) If notice of assessment and warrant are issued to a responsible individual pursuant to K.S.A. 79-3610, and amendments thereto, or any other jeopardy provision of chapter 79 of the Kansas Statutes Annotated, the person assessed may request that the informal conference held pursuant to subsection (c) be expedited. When such a request is made, the secretary shall schedule the conference to be held within 21 days after receipt of the request and shall issue a written final determination within 21 days after the close of the conference.

(e) The provisions of this section shall be deemed to be supplemental to the Kansas retailers' sales and compensating tax acts.

Sec. 14. K.S.A. 2009 Supp. 79-3651 is hereby amended to read as follows: 79-3651. (a) For the purpose of the proper administration of the Kansas retailers' sales tax act and to prevent evasion of the tax imposed thereunder, it shall be presumed that all gross receipts from the sale of tangible personal property or enumerated services are subject to tax until the contrary is established. The burden of proving that a sale is not subject to tax is upon the seller unless the seller takes from the purchaser an exemption certificate to the effect that the property or service purchased is not subject to tax.

(b) An exemption certificate shall relieve the seller from collecting and remitting tax if the seller has obtained the required

identifying information as determined by the director, from the purchaser and the reason for claiming the exemption at the time of purchase and has maintained proper records of exempt transactions pursuant to subsection (a) of K.S.A. 79-3609, and amendments thereto and provided them to the director when requested, except that no such relief from liability shall apply to a seller who: fraudulently fails to collect the tax; solicits purchasers to participate in the unlawful claim of an exemption; accepts an exemption certificate claiming an entity based exemption when the subject of the transaction is actually received by the purchaser at a location operated by the seller and the director provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available. The seller shall obtain the same information for proof of a claimed exemption regardless of the medium in which the transaction occurred. The purchaser improperly claiming an exemption shall remain liable for the nonpayment of tax.

(c) The exemption certificate shall be substantially in such form as the director may prescribe. The seller shall use the standard form for claiming an exemption electronically as adopted by the director. A seller may require a purchaser to provide a copy of the purchaser's sales tax registration certificate with a resale certificate as a condition for honoring the purchaser's resale exemption claim, except that in the case of drop shipment sales into this state, the third party vendor may claim a resale exemption based on an exemption certificate provided by its customer, re-seller, or any other information acceptable to the secretary available to the third party vendor evidencing qualification for a resale exemption, regardless of whether the customer, re-seller, is registered to collect and remit sales and use tax in this state. A purchaser is not required to provide a signature to claim an exemption from tax unless a paper exemption certificate is used. A seller is relieved of liability for the tax otherwise applicable if it obtains a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. Such blanket certificate need not be renewed or updated by the seller for exemption certificate information or data elements when there is a recurring business relationship between the buyer and seller. For purposes of this subsection, a recurring business relationship exists when a period of no more than 12 months elapses between sales transactions.

(d) To lawfully present a resale exemption certificate the purchaser must be engaged in the business of selling property or services of the same kind that is purchased, hold a registration certificate, except as otherwise permitted in subsection (c) for drop shipment sales into this state, and at the time of purchase, either intend to resell the property in the regular course of business or be unable to ascertain whether the property will be resold or used for some other purpose. A resale exemption certificate may be used for resale of services to tangible personal property and not for services to real property.

(e) Any person who issues a resale certificate or other exemption certificate in order to unlawfully avoid payment of tax for business or personal gain shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$1,000 or imprisonment for not more than one year, or by both. In addition, if the director determines that a person issued a resale certificate in order to unlawfully avoid payment of tax for business or personal gain, the director shall increase any penalty that is due from the person under K.S.A. 79-3615, and amendments thereto, by \$250 or 10 times the tax due, whichever is greater, on each transaction where the misuse of a resale certificate occurred.

(f) Exemption certificates issued by an entity claiming a specific exemption under K.S.A. 79-3606, and amendments thereto, based on the status of the entity shall bear the name, address of the entity and identification number issued to the entity pursuant to K.S.A. 2009 Supp. 79-3692, and amendments thereto, and indicate the subsection under which the exemption is being claimed. Such certificate shall be signed by an officer, office manager or other administrator authorized person of the nonprofit entity, if in paper form, and contain the tax identification number of the entity. The certificate shall be substantially in such form as the director may prescribe. A seller may require that payments be made on an exempt entity's check, warrant, voucher or is charged to the entity's account shall relieve the seller from collecting and remitting the tax if it is taken in good faith as a condition for honoring the entity's exemption claim.

(g) It shall be the duty of every person who purchases tangible personal property or services that are taxable under this act to pay the full amount of tax that is lawfully due to the retailer making the sale. Any person who willfully and intentionally refuses to pay such tax to the retailer shall be guilty of a misdemeanor and upon conviction shall be punished and fined as provided by subsection (g) of K.S.A. 79-3615, and amendments thereto.

Sec. 15. K.S.A. 2009 Supp. 79-3666 is hereby amended to read as follows: 79-3666. State sales tax rate changes must take effect on the first day of a calendar quarter. The secretary shall make a reasonable effort to provide sellers with as much advance notice as practicable of any rate changes, legislative change in the tax base and amendments to sales and use tax rules and regulations. Failure of a seller to receive such notice or failure of the secretary to provide such notice to a seller or limit the effective date of a rate change shall not relieve the seller of its obligation to collect sales or use tax or otherwise comply with any such legislative, rule or regulatory changes. *Whenever there is less than 30 days between the effective date of any amendments to K.S.A. 79-3603 and 79-3703, which make a change in the retailers' sales tax or compensating use tax rate and the date such rate change takes effect as provided by this section, the seller shall be relieved from liability for failing to collect tax at the changed rate if:*

(a) *The seller collected tax at the immediately preceding rate during such time period; and*

(b) *the seller's failure to collect at the changed rate does not extend beyond 30 days after such effective date.*

*When the seller fraudulently failed to collect at the new sales tax rate or solicits purchasers based on the immediately preceding effective rate, such relief from liability does not apply to such seller.*

Sec. 16. K.S.A. 2009 Supp. 79-3672 is hereby amended to read as follows: 79-3672. (a) (1) Notwithstanding the provisions of K.S.A. 2009 Supp. 79-3670 and amendments thereto, a purchaser of direct mail that is not a holder of a direct pay permit shall provide to the seller in conjunction with the purchase either a direct mail form or information to show the jurisdictions to which the direct mail is delivered to recipients.

—(2) Upon receipt of the direct mail form, the seller is relieved of all obligations to collect, pay or remit the applicable tax and the purchaser is obligated to pay or remit the applicable tax on a direct pay basis. A direct mail form shall remain in effect for all future sales of direct mail by the seller to the purchaser until it is revoked in writing.

—(3) Upon receipt of information from the purchaser showing the jurisdictions to which the direct mail is delivered to recipients, the seller shall collect the tax according to the delivery information provided by the purchaser. In the absence of bad faith, the seller is relieved of any further obligation to collect tax on any transaction where the seller has collected tax pursuant to the delivery information provided by the purchaser.

—(b) If the purchaser of direct mail does not have a direct pay permit and does not provide the seller with either a direct mail form or delivery information, as required by subsection (a), the seller shall collect the tax according to subsection (a)(5) of K.S.A. 2009 Supp. 79-3670 and amendments thereto. Nothing in this subsection shall limit a purchaser's obligation for sales or use tax to any state to which the direct mail is delivered.

—(c) If a purchaser of direct mail provides the seller with documentation of direct pay authority, the purchaser shall not be required to provide a direct mail form or delivery information to the seller. The following provisions apply to sales of "advertising and promotional direct mail":

(1) A purchaser of "advertising and promotional direct mail" may provide the seller with either:

(A) A direct pay permit;

(B) an exemption certificate, or other statement approved, authorized or accepted by the secretary, claiming "direct mail"; or

(C) information showing the jurisdictions to which the "advertising and promotional direct mail" is to be delivered to recipients.

(2) If the purchaser provides the permit, certificate or statement referred to in subsections (a)(1)(A) or (a)(1)(B), the seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any tax on any transaction involving "advertising and promotional direct mail" to which the permit, certificate or statement applies. The purchaser shall source the sale to the jurisdictions to which the "advertising and promotional direct mail" is to be delivered to recipients.

motional direct mail" is to be delivered to the recipients and shall report and pay any applicable tax due.

(3) If the purchaser provides the seller information showing the jurisdictions to which the "advertising and promotional direct mail" is to be delivered to recipients, the seller shall source the sale to the jurisdictions to which the "advertising and promotional direct mail" is to be delivered and shall collect and remit the applicable tax. In the absence of bad faith, the seller is relieved of any further obligation to collect any additional tax on the sale of "advertising and promotional direct mail" where the seller has sourced the sale according to the delivery information provided by the purchaser.

(4) If the purchaser does not provide the seller with any of the items listed in subsections (a)(1)(A), (a)(1)(B) or (a)(1)(C), the sale shall be sourced according to subsection (a)(5) of K.S.A. 2009 Supp. 79-3670, and amendments thereto.

(b) Notwithstanding the provisions of K.S.A. 2009 Supp. 79-3670, and amendments thereto, the following provisions apply to sales of "other direct mail":

(1) Except as otherwise provided in this subsection, sales of "other direct mail" are sourced in accordance with subsection (a)(3) of K.S.A. 2009 Supp. 79-3670, and amendments thereto.

(2) A purchaser of "other direct mail" may provide the seller with either:

(A) A direct pay permit; or

(B) an exemption certificate, or other statement approved, authorized or accepted by the secretary, claiming "direct mail."

(3) If the purchaser provides the permit, certificate or statement referred to in subsection (b)(2)(A) or (b)(2)(B), the seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any tax on any transaction involving "other direct mail" to which the permit, certificate or statement apply. Notwithstanding subsection (b)(1) the sale shall be sourced to the jurisdictions to which the "other direct mail" is to be delivered to the recipients and the purchaser shall report and pay any applicable tax due.

(c) For purposes of this section:

(1) "Advertising and promotional direct mail" means:

(A) Printed material that meets the definition of "direct mail"; and

(B) the primary purpose of which is to attract public attention to a product, person, business or organization, or to attempt to sell, popularize or secure financial support for a product, person, business or organization. As used in this subsection, the word "product" means tangible personal property, a product transferred electronically or a service;

(2) "other direct mail" means any direct mail that is not "advertising and promotional direct mail" regardless of whether "advertising and promotional direct mail" is included in the same mailing. The term includes, but is not limited to:

(A) Transactional direct mail that contains personal information specific to the addressee including, but not limited to, invoices, bills, statements of account and payroll advices;

(B) any legally required mailings including, but not limited to, privacy notices, tax reports and stockholder reports; and

(C) other non-promotional direct mail delivered to existing or former shareholders, customers, employees or agents including, but not limited to, newsletters and informational pieces.

"Other direct mail" does not include the development of billing information or the provision of any data processing service that is more than incidental.

(d) (1) (A) This section applies to a transaction characterized as the sale of services only if the service is an integral part of the production and distribution of printed material that meets the definition of "direct mail".

(B) This section does not apply to any transaction that includes the development of billing information or the provision of any data processing service that is more than incidental regardless of whether "advertising and promotional direct mail" is included in the same mailing.

(2) If a transaction is a "bundled transaction" that includes advertising and promotional direct mail, this section shall apply only if the primary purpose of the transaction is the sale of products or services that meet the definition of "advertising and promotional direct mail."

(3) Nothing in this section shall limit any purchaser's:

(A) Obligation for sales or use tax to any state to which the direct mail is delivered;

(B) right, if any, to a credit for sales or use taxes legally due and paid to other jurisdictions; or

(C) right, if any, to a refund of sales or use taxes overpaid to any jurisdiction.

(4) This section applies for purposes of uniformly sourcing direct mail transactions.

New Sec. 17. For any tax established pursuant to law which is administered by the Kansas department of revenue, any taxpayer having a delinquent tax liability and entering into an agreement with the department providing for an installment payment plan allowing the pay off of such liability in a time period in excess of 90 days from the date when such agreement is entered into shall be assessed a service fee of \$10. The secretary of revenue shall remit all moneys received by or for the secretary from such fees and collected under this section to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the recovery fund for enforcement actions and attorney fees. The secretary of revenue shall remit the first \$350,000 of delinquent taxes, including penalties and interest, collected during any fiscal year for income tax or any other tax that would otherwise be deposited 100% in the state general fund, to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the recovery fund for enforcement actions and attorney fees. All expenditures from the recovery fund for enforcement actions and attorney fees shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of revenue or by a person or persons designated by the secretary.

Sec. 18. K.S.A. 12-1,104 and 79-32,107 and K.S.A. 2009 Supp. 74-50,154, 74-8133, 74-99c09, 79-2971, 79-3298, 79-32,100c, 79-32,211, 79-32,264, 79-3607, 79-3609, 79-3643, 79-3651, 79-3666 and 79-3672 are hereby repealed.

Sec. 19. This act shall take effect and be in force from and after its publication in the Kansas register.

## SENATE BILL No. 62

AN ACT concerning the department of health and environment; relating to screening of diseases; concerning licensure of audiologists; rules and regulations; amending K.S.A. 65-6504 and 65-6505 and K.S.A. 2009 Supp. 65-129e and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) A physician or other health care professional who is otherwise authorized by law to provide medical treatment to a pregnant woman shall take or cause to be taken, during the first trimester of pregnancy, a routine opt-out screening for HIV infection. When the physician or other health care professional determines certain pregnant women to be at high risk for acquiring HIV infection, such women shall be administered a repeat screening during the third trimester or at the time of labor and delivery. When a pregnant woman's HIV status is unknown for any reason at the time of labor and delivery, such woman shall be screened for HIV infection as soon as possible within medical standards. When an HIV rapid test kit is used for screening, a confirmatory sample shall be submitted for serological testing which meets the standards recognized by the United States public health service for the detection of HIV to a laboratory approved by the secretary of health and environment for such serological tests. A pregnant woman shall have the right to refuse screening under this subsection at any time. Before any screening is performed under this subsection, the pregnant woman shall be informed in writing of the provisions of this subsection and the purposes and benefits of the screening, and the pregnant woman shall sign a form provided by the department of health and environment to authorize or opt-out of the screening. The form shall contain the following wording: "I test all of my pregnant patients for HIV as part of the panel of routine tests to alert me to any conditions that can have a very serious effect on your pregnancy and your baby. You will be tested for HIV unless you tell me not to."

(continued)

(b) When the mother's HIV status is unknown because of refusal to take such screening during the pregnancy or any other reasons, such mother's newborn child shall be screened with an HIV test as soon as possible within medical standards to determine if prophylaxis is needed. A mother's or a guardian's consent is not required to screen such newborn child, except that this subsection shall not apply to any newborn child whose parents object to the test as being in conflict with their religious tenets and practices. Documentation of a mother's HIV status shall be recorded in both the mother's and newborn's medical records. The mother of the child shall be informed in writing of the provisions of this subsection and of the purposes and benefits of the screening and shall sign a form stating that the mother has received the information.

(c) The secretary of health and environment is hereby authorized to adopt rules and regulations, within six months from the effective date of this section, establishing guidelines for routine HIV infection screening for pregnant women and each newborn child where the HIV status of the mother is unknown at the time of birth. These rules and regulations shall be based on the recommendations and best practices established by the United States centers for disease control and prevention and public health service task force recommendations for use of antiretroviral drugs in pregnant HIV infected women for maternal health and interventions to reduce perinatal HIV transmission in the United States.

(d) As used in this section, physician, HIV and HIV infection have the meanings defined in K.S.A. 65-6001, and amendment thereto.

(e) This section shall be effective on and after July 1, 2010.

New Sec. 2. (a) The secretary of health and environment is hereby authorized and directed to adopt rules and regulations establishing guidelines for a tuberculosis prevention and control plan for any postsecondary educational institution. The tuberculosis prevention and control plan shall be designed to reduce the risk of tuberculosis transmission and shall be based on the recommendations by the American thoracic society, the centers for disease control and prevention and the infectious diseases society of America. These rules and regulations shall be in compliance with the best practice standards as recommended by the division of tuberculosis elimination of the centers for disease control and prevention.

(b) Each postsecondary educational institution shall develop and implement a tuberculosis prevention and control plan with assistance of the department of health and environment. Each postsecondary educational institution shall designate a person who is responsible for the oversight and implementation of the plan. Such person shall maintain the records created or collected in accordance with this section for at least five years and allow the department of health and environment to review and inspect the records upon request.

Sec. 3. K.S.A. 2009 Supp. 65-129e is hereby amended to read as follows: 65-129e. (a) The secretary of health and environment is hereby authorized and directed to adopt rules and regulations establishing tuberculosis evaluation requirements for certain students entering college or university classrooms of a postsecondary educational institution in Kansas ~~having been born in or lived or traveled in countries identified by the centers for disease control and prevention as areas where tuberculosis is a health risk. Compliance with these rules and regulations, including all cost associated with the evaluation, shall be the joint responsibility of the educational institutions and the student or the parents or guardians of the student, where applicable who are considered as high risk for tuberculosis as defined by the department of health and environment.~~ These rules and regulations shall establish evaluation criteria in compliance with best practice standards as recommended by the division of tuberculosis elimination of the centers for disease control and prevention.

(b) Each postsecondary educational institution shall develop and implement tuberculosis evaluation requirements with assistance of the department of health and environment. Each postsecondary educational institution shall designate a person who is responsible for the oversight and implementation of the requirements. Such person shall maintain the record for at least five years and the department of health and environment shall have the right to review and inspect the records upon request. Such person shall report immediately the positive findings of tuberculosis infection or disease to the department of health and environment.

(c) Each student entering classrooms of a postsecondary educational institution in Kansas shall comply with the tuberculosis evaluation requirements implemented by such institution where the student is en-

rolled by providing requested information in accordance with a screening and evaluation through an enrollment process. Any student who is not in compliance with the requirements shall not be attending classes or eligible to enroll for a subsequent semester or term or to obtain an official academic transcript or diploma until the student is compliant with the requirements.

(d) Nothing in this section and section 1, and amendments thereto, shall be construed as applying to individuals who are not attending the classes regularly but participating in the continuing education programs or any other seminar or function at the postsecondary educational institution.

(e) "Postsecondary educational institution" used in this section and section 1, and amendments thereto, means any public or private university, municipal university, community college or technical college.

(f) All costs associated with the evaluation requirements of the prevention and control plan shall be the responsibility of the student.

(g) Any person found to be infected with tuberculosis infection or tuberculosis disease will be provided treatment and ongoing monitoring in accordance with K.S.A. 65-116a to 65-116m, inclusive, and amendments thereto.

Sec. 4. On and after July 1, 2010, K.S.A. 65-6504 is hereby amended to read as follows: 65-6504. (a) On or after September 1, 1992, it shall be unlawful for any person to engage in the practice of speech-language pathology or audiology in the state of Kansas unless such person has been issued a valid license pursuant to this act or is specifically exempted from the provisions of this act. It shall be unlawful for any person to hold oneself out to the public as a "speech pathologist," "speech therapist," "speech correctionist," "speech clinician," "language pathologist," "voice therapist," "voice pathologist," "logopedist," "communicologist," "aphasiologist," "phoniatrist," "audiologist," "audiometrist," "hearing therapist," "hearing clinician," "hearing aid audiologist," or any variation, unless such person is licensed under this act as a speech-language pathologist or audiologist.

(b) No person licensed under this act shall be authorized to engage in the practice of dispensing and fitting hearing aids as defined under K.S.A. 74-5807 and amendments thereto unless such person is also licensed or holds a certificate of endorsement under the hearing aid act to engage in the practice of dispensing and fitting hearing aids.
