Public Notice

The Kansas Department of Health and Environment, Division of Health Care Finance (DHCF), is making updates to the Medicaid Recovery Audit Contractor Program (RAC) State Plan. Under the state's predominately managed care delivery system, there is not sufficient fee-for-service claims volume to attract a RAC contractor. The State mitigated the need for the RAC contractor through the following agreements and processes:

- Credit Balance Audit: FFS and managed care audit.
- MCO's: Special Investigation Unit (SIU's)—managed care provider.
- Hewlett Packard Enterprise (HPE) Survey Utilization Review Subsystem (SURS): FFS provider reviews.
- Unified Program Integrity Contractor (UPIC): FFS or managed care.
- Evaluating accessing the Healthcare Fraud Prevention Partnership (HFPP)

The State requests an indefinite approval of this SPA based on the Kansas 1115(a) Medicaid demonstration waiver.

To obtain a copy of the proposed amendment or provide written comments, contact Kim Tjelmeland, KDHE, Division of Health Care Finance, Room 900-N, Landon State Office Building, 900 S.W. Jackson St., Topeka, KS 66612-1220 or email Kim.Tjelmeland@ks.gov.

The deadline for requests or comments is January 17, 2017.

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking the services of a qualified consulting engineering firm for KDOT Project 106-AV-0017-18 which is a two-phase study to update airport Pavement Management Plans (PMP) in accordance with the current version of Federal Aviation Administration (FAA) Advisory Circular 150/5380-7, Airport PMP regarding airfield pavement conditions at Kansas airports currently listed in the FAA's National Plan of Integrated Airport Systems (NPIAS). The two phases will encompass approximately seventy-nine (79) airports statewide (Phase 1 for the western half of the state and Phase 2 for the eastern half of the state) with each phase subject to receipt of federal funding from the FAA under the FAA Airport Improvement Program (AIP). Each phase is to be completed within one year upon the issuance of a Notice to Proceed. The services sought include on-site evaluation of pavement, completion of a pavement condition index (PCI) survey and revision/update to the PMP to address how the airfield pavement may be maintained or upgraded to acceptable PCI levels. The final deliverable is an updated PMP to be shared with each airport sponsor to assist airport sponsors in the continued development of airport capital improvement plans. Existing data and reports can be viewed at <http://www.ksaviationportal@ksdot.org>.

Requirements: Interested consulting engineering firms must: (a) be prequalified by KDOT in category 333— Geotechnical Specialty Services (preferably with pavement condition analysis/inventory experience) and (b) submit a Letter of Interest on or before **noon January 4, 2017**, to David Nagy, P.E., Assistant to the Director of Design/Contracts Engineer for KDOT by email to David.Nagy@ks.gov with the subject line reading "Airfield Pavement
(continued)

Management Study Update [Firm Name]." Letters of Interest in the form of a PDF document (maximum size 4 pages) should express interest in the project and describe particular qualifications for the professional services sought by KDOT, including any special expertise, skill, equipment, degree of accuracy, experience or knowledge of the firm, its employees and any sub-consultant the firm intends to utilize.

Note: Consultant firms must be capable of incurring, invoicing and accounting for costs in conformity with generally accepted principles established in the Federal-Aid Policy Guide and the Code of Federal Regulations, Title 48, Chapter 1, Subchapter E, Part 31 (48 CFR Section 31.000 et seq.). The contract for this project is subject to all applicable federal provisions, including:

- Title VI of the Civil Rights Act of 1964
- Section 520 of the Airport and Airway Improvement Act of 1982
- DOT Regulation 2 CFR Part 180 and 1200—Government-wide Debarment and Suspension
- DOT Regulation 49 CFR Part 18.36(i)—Access to Records
- DOT Regulation 49 CFR Part 20—Lobbying and Influencing Federal Employees
- DOT Regulation 49 CFR Part 26—Disadvantage Business Enterprises Participation
- DOT Regulation 49 CFR Part 30—Federal Trade Restriction Clause
- Regulation 48 CFR Part 22.17—Combating Trafficking in Persons

If a firm is not currently prequalified by KDOT but is interested in obtaining prequalification, then please view the requirements and categories at the website address of <http://www.ksdot.org/divengdes/prequal/default.asp>. For licensure and other requirements applicable to the practice of technical professions within the state of Kansas, please consult the website of the Kansas Board of Technical Professions at <http://www.ksbtp.ks.gov/>. All firms doing business with KDOT must be registered and in good standing under the laws of the state of Kansas and comply with applicable state and federal laws, rules and regulations.

Qualifications-Based Selection Process. No cost or pricing information shall be submitted with the Letter of Interest and will not be considered in the selection process to shortlist or rank proposals. Based on the qualifications submitted in the Letter of Interest and other information available to KDOT, on or about January 13, 2017, KDOT will shortlist three firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. At KDOT's option, shortlisted firms may be interviewed by telephone conference call or asked to attend meetings or participate in other discussions with KDOT. Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second and third: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed (typical and atypical)

approach to performance, data gathering, as well as efficiency and accuracy of services; and 4) past performance history. Information relevant to the evaluation criteria include recent relevant experience in airport projects and aviation system-level studies, capability to perform all aspects of the project, ability to meet schedules within budget, experience with PAVER and knowledge of pertinent FAA/AIP standards. The highest ranked firm will be asked to enter into negotiations with KDOT for a contract, with compensation provisions for payment of actual direct costs plus fixed fee, subject to an upper limit of compensation. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Please do not call, write or otherwise contact KDOT staff for information regarding the services in this RFP. Email all inquiries or questions to David Nagy at David.Nagy@ks.gov.

Governmental Ethics Commission

Opinion No. 2016-02

Written November 30, 2016, to Sue Gamble, Information Resource Officer, Kansas State Schools for the Deaf and Blind, sgamble@kssdb.org.

Synopsis: employees of the Kansas State School for the Blind may solicit donations to KC Blind All-Stars, the school's non-profit, 501(c)(3) tax-exempt endowment association.

Cited herein: K.S.A. 46-217, 46-236, 2015 Supp. 46-237a, and K.A.R. 19-40-3a(b).

Dear Ms. Gamble:

We understand that, in your capacity as information resource officer for the Kansas State Schools for the Deaf and Blind (KSSDB), you request our opinion concerning application of the state governmental ethics law, K.S.A. 46-215 *et seq.* Our response to your request is limited to its applicability. This opinion does not address whether some other statutory system, common law theory, or agency rule or regulation applies to your inquiry.

Factual Statement

The KSSDB administers The Kansas School for the Deaf and the Kansas State School for the Blind (KSSB). Both educational institutions have respective endowment associations qualified as nonprofit organizations under paragraph (3) of subsection (c) of section 501 of the internal revenue code: *The Kansas School for the Deaf Endowment Fund* and *The KC Blind All-Stars Foundation* (The All-Stars).

The All-Stars is currently raising money to support Braille Challenge. This program brings students from across the state to the KSSB campus to participate in an all-day competition that demonstrates their Braille proficiency. Winners of this regional competition are eligible to attend a national Braille Challenge. The program does not receive state funding, yet participation and costs have grown. The All-Stars is currently raising money for the program and would like to have certain KSSB employees who work with vendors for a variety of services to solicit donations from those vendors to the All-Stars for Braille Challenge support.

Question

May KSSB employees solicit funding for The All-Stars, and, specifically, if: (1) they were involved in the selection of that vendor, (2) they are on The All-Stars' board of directors, and (3) they provide a vendor list to The All-Stars for solicitation purposes?

Analysis and Opinion

As employees of KSSB, solicitation or receipt of funds is governed by the state governmental ethics laws, which provide that:

- an "[e]conomic opportunity' means any purchase, sale, lease, contract, option, or other transaction or arrangement involving property or services wherein a state [...] employee [...] may gain a personal economic benefit, but not including any gift." K.S.A. 46-217; and,
- a "[g]ift' means the transfer of money or anything of value unless legal consideration of a reasonably equal or greater value is received in return." K.A.R. 19-40-3a(b).

Unless an exception allows, state employees may *not*, pursuant to K.S.A. 46-236, "solicit any economic opportunity, gift, loan, gratuity, special discount, favor, hospitality or service from any person known to have a special interest under circumstances where such [...] employee [...] knows or should know that a major purpose of the donor in granting the same could be to influence the performance of the official duties [...] of such [...] employee[.]" We find a specific exception, applicable to solicitation for The All-Stars, is provided by K.S.A. 46-236: "any solicitation [...] for the benefit of any educational institution or such institution's endowment association, if such association has qualified as a nonprofit organization under paragraph (3) of subsection (c) of section 501 of the internal revenue code of 1986, as amended[.]" It should be noted that this exception is available only if no particular course of official action is to be followed as a condition of any gift or economic opportunity so solicited. In other words, a vendor solicited to donate funds for The All-Stars may not condition a donation upon the state employee taking a specific action in the performance of their job.

Similarly, KSSB employees, acting within their official position, may not accept any economic opportunity or gift unless an exception applies. In Governmental Ethics Opinion 1999-50, the Commission determined that:

the term "official position" refers to an individual's particular position with the [s]tate and does not apply generally to a person because they are a [s]tate employee. For guidance, the Commission notes that a gift or discount which is provided to all [s]tate employees is not being provided to a person because of his or her "official position." On the other hand, a gift or discount which is provided to all purchasing agents, for example, or all employees of a particular agency, will be deemed to be provided because of such persons' "official position."

Applying this definition, soliciting funds from vendors for The All-Stars by KSSB employees falls within their official position. K.S.A. 46-237a(b) prohibits KSSB em-

ployees from soliciting or accepting any gift or economic opportunity. However, the statute does provide an applicable exception under the present facts in subparagraph (b)(4): "contributions solicited on behalf of a nonprofit organization which is exempt from taxation under paragraph (3) of subsection (c) of section 501 of the internal revenue code of 1986, as amended."

Conclusion

Under the provisions of the state governmental ethics laws, employees of the KSSB may solicit KSSB vendors for donations to The All-Stars, an endowment association for KSSB qualified under section 501(c)(3) as a tax exempt non-profit organization. Whether an employee participated in selecting a donor vendor, or if they serve as a member of The All-Stars' board of directors does not matter for solicitation or acceptance purposes. An employee of KSSB would not violate the state governmental ethics laws by providing The All-Stars with a KSSB vendor list.

By Direction of the Commission

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, December 29, 2016, in the offices of the Kansas Development Finance Authority (K DFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the K DFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the K DFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 00964—Maximum Principal Amount: \$73,600. Owner/Operator: Kurtis Duerksen; Description: Acquisition of 55 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Kurtis Duerksen and is located in the North Half (the East 55 acres) of the Northwest Quarter of Section 22, Township 21, Range 1 East, Marion County Kansas, approximately 2 miles south of Goessel, Kansas on Highway 15 and then east 1.25 miles on 100th Street.

The bond, when issued, will be a limited obligation of the K DFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the K DFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bonds will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bonds to finance the projects, and all written comments previously filed with the K DFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the K DFA.

111-5-224. Prize liability limits, prize payouts, and prize levels. (a) There are ten (10) prize levels in the game. The following rules pertain to each of said prize levels:

(1) Except as provided in these rules, the top prize (prize level number 1) shall be annuitized and based on a top prize liability that will be split equally among the number of winning game tickets. A top prize winner shall be informed of, and may request to be paid pursuant to the cash option. Notice of the amount of and changes to the cash option shall be posted on the Kansas Lottery's website. Under certain circumstances, as detailed in these rules, the top prize is required to be paid in a single lump sum cash payment and no annuitized payment

option is available. Depending upon the number of top prize winners per a drawing, the following rules apply:

(A) One (1) top prize winner. If there is one (1) top prize winner, the annuitized prize value will be seven thousand dollars (\$7,000.00) per week for life. As an alternative to the annuitized payment option, the top prize winner may request the top prize cash option;

(B) Two (2) to fourteen (14) top prize winners. If there are two (2) to fourteen (14) top prize winners, the annuitized payment option, based on an annuitized prize value of seven thousand dollars (\$7,000.00) per week, will be divided equally by the total number of top prize winners. The minimum annuitized prize value for this prize category will be five hundred dollars (\$500.00) a week for life. Any of these two (2) to fourteen (14) top prize winners may choose the cash option as an alternative to the annuitized payment option. The amount of the cash option for this category will be the amount of the top prize cash option as posted on the Kansas Lottery's website divided by the total number of top prize winners. The minimum cash option for this category will be the amount posted on the Kansas Lottery's website;

(C) Fifteen (15) or more top prize winners. If there are fifteen (15) or more top prize winners, except as otherwise set forth in these rules, the top prize liability shall be capped at seven million one hundred twenty-five thousand dollars (\$7,125,000.00), which amount shall be split equally among all top prize winners, and shall be paid in one (1) lump sum cash payment, without an annuitized payment option. The minimum prize value for this category shall not be less than any lower tier prize paid in that respective drawing;

(D) The winner(s) of the top prize who do not request the cash option shall be paid their appropriate top prize share on a weekly basis, or according to such other schedule of payments set at the discretion of the Kansas Lottery, as permitted in these rules, for a minimum period of twenty (20) years;

(E) For a single wager, the measuring life of a top prize winner used to determine the duration over which the top prize is paid, shall be the natural life of the person determined by the Kansas Lottery to be the top prize winner; and

(F) If paid in a lump sum cash payment, all top prize amounts will be rounded to the nearest whole dollar.

(2) Except as provided in these rules, the second prize (prize level number 2) winner will be paid twenty-five thousand dollars (\$25,000.00) a year for life. A second prize winner may request the cash option. Under certain circumstances, as detailed below, the second prize is required to be paid in a single lump sum cash payment and no annuitized payment option is available. Depending upon the number of second prize winners per a drawing, the following rules apply:

(A) One (1) to twenty (20) second prize winners. If there are one (1) to twenty (20) second prize winners, the annuitized prize value will be twenty-five thousand dollars (\$25,000.00) per year for life. Any of these one (1) to twenty (20) second prize winner(s) may choose the second prize cash option as an alternative to the annuitized payment option. The amount of the cash option for this category will be set forth on the Kansas Lottery's website;

(B) Twenty-one (21) or more second prize winners. If there are twenty-one (21) or more second prize winners, except as otherwise set forth in these rules, the second prize liability shall be capped at nine million four hundred thousand dollars (\$9,400,000.00) which amount shall be split equally among all second prize winners, and shall be paid in a single lump sum cash payment, without an annuitized payment option. The minimum prize paid to each winner in this category shall not be less than the highest cash prize paid in that respective drawing in prize category three (3) or lower, in which case the above-stated maximum may be exceeded;

(C) The winner(s) of the second prize who do not request the cash option shall be paid their appropriate second prize share on an annual basis for a minimum period of twenty (20) years;

(D) For a single wager, the measuring life of a second prize winner used to determine the duration over which the second prize is paid, shall be the natural life of the person determined by the Kansas Lottery to be the second prize winner; and

(E) If paid in a lump sum cash payment, second prize amounts will be rounded to the nearest whole dollar.

(3) Except as provided in these rules, the third prize level (prize level number 3) will be paid as a five thousand dollar (\$5,000.00) set prize. If there are more than one thousand (1,000) winners of this prize level in a single drawing, the total prize liability of five million dollars (\$5,000,000.00) will be split equally among the winners. Under no circumstances will the value of the third prize fall below a minimum prize value of two hundred dollars (\$200.00) per winner, regardless of the number of winners. Third prizes will be rounded to the nearest whole dollar and paid in a single cash payment.

(b) The holder of a winning game ticket shall be entitled only to the prize won by matching the winning numbers in the highest matching prize category.

(c) The Kansas Lottery shall withhold taxes and other required withholdings in accordance with applicable federal and state laws. To be a valid game ticket and eligible to receive a prize, a winning game ticket shall satisfy all the requirements established for the validation of winning game tickets sold through the Kansas Lottery's online gaming system. The Kansas Lottery shall not be responsible for game tickets that are fraudulently created, fraudulently obtained, or altered in any manner.

(d) The following rules apply only to top prize and second prize payments:

(1) The measuring life as defined in these rules shall be determined at the time the top prize or second prize is claimed. In the event annuitized prize payments are assigned, if allowable under Kansas law, or assigned by a court order, the measuring life at the time the top prize or second prize was claimed shall not change or limit or extend the number of annuitized payments due any assignee, whether court-ordered or otherwise. In the event of the death of a top prize or second prize winner during the annuity payment period, the Kansas Lottery may accelerate the payment of all the remaining lottery proceeds to the estate of the winner (the "Estate");

(2) If the annuitant dies during the annuity payment period but before the guaranteed prize amount has been

paid, the Estate shall receive the remaining payments equal to the minimum guaranteed prize amount; and

(3) If the annuitant dies during the annuity payment period but after the minimum guaranteed prize amount has been paid, all payments shall stop.

(e) All low-tier set prizes (all prizes except the top prize and second prize) shall be paid in one (1) single cash payment. Prizes shall be rounded to the nearest whole dollar. The Kansas Lottery may begin paying low-tier cash prizes after receiving authorization to pay from the Clearinghouse Lottery.

7	Stands	
8-9	Stands (natural, player cannot draw)	

*Unless player shows a natural 8 or 9 (a total of 8 or 9 points in the first two cards dealt).

If the player draws no cards, the banker must draw on hands having a total point count value of 0, 1, 2, 3, 4, and 5 and stand on hands having a total point count value of 6 or 7. (Authorized by K.S.A. 2016 Supp. 74-8710 and 74-8748; implementing K.S.A. 2016 Supp. 74-8710; effective, T-111-11-23-16, Oct. 12, 2016.)

111-301-52. Payout odds. (a) A winning wager made on the player's hand or banker's hand shall be paid at the odds of 1 to 1, except a winning three card 7 for the banker's hand shall be a push (tie).

(b) A winning tie wager shall be paid at the odds of 8 to 1.

(c) A winning Dragon 7 optional wager shall be paid at the odds of 40 to 1.

(d) A winning Panda 8 optional wager shall be paid at the odds of 25 to 1. (Authorized by K.S.A. 2016 Supp. 74-8710 and 74-8748; implementing K.S.A. 2016 Supp. 74-8710; effective, T-111-11-23-16, Oct. 12, 2016.)

111-301-53. Irregularities. During the course of a game, if a card is accidentally exposed, the following procedures must be observed:

(a) A card drawn and exposed before or after a completed hand is dealt will not be used in play of the game. At the direction of the table games floor supervisor or higher ranking casino official, the card drawn in error will be held aside. The current hand will continue to completion. The table games floor supervisor will announce to the players that the next hand will be a new no action hand and all bets will be removed from the betting areas. The new no action hand will proceed with the first player card (the exposed card from previous hand) being placed in the correct position for the player hand. Dealing will continue and be completed under the standard rules of Mini Baccarat. After completion of the no action hand, the table games floor supervisor or higher ranking casino official will ask for new bets to restart the game.

(b) A third card dealt to the players hand when no third card is authorized shall become the third card of the banker's hand if the banker's hand is required to draw. If the banker's hand is required to stay, the disclosed card will be utilized as the first card of a no action hand as described in subsection (a) above.

(c) Any excess card drawn from the shoe (a card not required to be used in the current hand in play), if not exposed, shall be used as the first card of the next hand in play. If the card has been exposed, the no action hand procedure as described in subsection (a) above shall be implemented.

(continued)

(d) Any cards found face up in the shoe shall not be used to start a new hand. The table games floor supervisor or higher ranking casino official will be called and a no action hand will be dealt as described in subsection (a) above. If any card is found face up in the shoe while a hand is in progress, the table games floor supervisor or above will be called to advise the players to remove bets from the betting area and complete the hand as a no action hand.

(e) When a new dealer begins dealing in a game already in progress, the table dealer will not burn (discard) a card. If a card is burned, that card will be used as the first card of a no action hand with no wagering as described in subsection (a) above.

(f) If there are insufficient cards remaining in the shoe to complete the round of play, that round shall be void and the table games dealer will announce the end of the shoe. (Authorized by K.S.A. 2016 Supp. 74-8710 and 74-8748; implementing K.S.A. 2016 Supp. 74-8710; effective, T-111-11-23-16, Oct. 12, 2016.)

111-301-54. Card shuffle. (a) A card shuffler machine and cut card shall be utilized for the game of MINI Baccarat, except as set forth in (b) and (c) below. All cards shall be shuffled and the cut card inserted before commencement of dealing the cards.

(b) When opening a game and/or replacing cards in a game, the new cards must be manually washed before insertion into a shuffle machine for the first load only.

(c) In the event that the shuffle machine is inoperable or otherwise unavailable, the cards will be shuffled manually.

(d) After the cards are placed into the shoe, the dealer will then draw the first card out of the shoe (the "burn card"), turn it face up on the table, and continue to draw from the shoe, face down, the number of cards equal to the point value of the burn. All cards so drawn are then discarded (burned). (Authorized by K.S.A. 2016 Supp. 74-8710 and 74-8748; implementing K.S.A. 2016 Supp. 74-8710; effective, T-111-11-23-16, Oct. 12, 2016.)

111-301-55. Dealing and calling the game. (a) At the commencement of each round of play, the dealer shall announce, "All bets down, no more bets, please" or words to like effect.

(b) The dealer will draw four cards from the shoe, face down, with his/her left hand. The first and third card shall represent the player's hand and will be placed in the appropriate box on the layout, being protected with the dealer's right hand. The second and fourth cards drawn shall represent the bank hand and shall be placed on the appropriate area of the layout.

(c) The dealer shall now turn over the cards with his or her right hand and call the player's hand announcing, "The player shows or the players show total of cards" or words to like effect.

(d) After calling the player's hand, the dealer, with his or her left hand will move the bank's hand to the appropriate box on the layout. At this time, the dealer will turn over and call the bank's hand, announcing, "The bank has total of cards" or words to like effect.

(e) If either the player's hand or the bank's hand shows a natural, 8 or 9, the dealer shall announce, "Player (or

bank) wins, natural 8 or 9 over (the losing total)" or words to like effect.

(f) In the event of a tie, the dealer will say, "It is a tie hand at total of cards," or words to like effect, then after paying tie bets, the dealer will say, "You may press or change your bets, bet the ties they pay 8 to 1" or words to like effect.

(g) If the player is to receive a third card according to the rules of MINI Baccarat, the dealer will announce, "Draw or card for the player" or words to like effect. The dealer then draws a card for the player's hand, turns it over and places it perpendicular and to the right of the player's previous cards. At this time, the dealer announces, "Players total of cards" or words to like effect.

(h) If the bank hand is entitled to a card according to the rules of MINI Baccarat, the dealer will announce, "Draw or card for the bank" or words of like effect. The dealer then draws a card for the bank, turns it over and places it perpendicular and to the left of the previous banker's cards. At this time the dealer says, "Banker (or player) wins" or words of like effect, announcing the winning total over the losing total.

(i) The dealer continues the game until the cut card appears, at which time it will be placed near the discard card/discard rack, as applicable.

(1) If the cut card is in the window and appears as the first card in the hand, the dealer will announce, "There are two hands left in the shoe" or words of like effect.

(2) When the cut card appears during a hand, the dealer will announce, "This is the next to the last hand" or words of like effect.

(3) After the last hand is completed, the dealer will announce to the players to take down all bets. (Authorized by K.S.A. 2016 Supp. 74-8710 and 74-8748; implementing K.S.A. 2016 Supp. 74-8710; effective, T-111-11-23-16, Oct. 12, 2016.)

111-301-56. Picking hands up. The dealer will pick up the player hand first, starting with the player hand's third card (if present), then pick up the bank hand last. This will allow the order of the cards drawn to be recreated in the order dealt, if necessary. (Authorized by K.S.A. 2016 Supp. 74-8710 and 74-8748; implementing K.S.A. 2016 Supp. 74-8710; effective, T-111-11-23-16, Oct. 12, 2016.)

111-301-57. Dealer tip policies. (a) A player may place a bet for the dealer on the player or banker of no more than 10 percent of the maximum table limit when the table maximum is bet. If the player is betting less than the table maximum, the player may bet any amount for the dealer as long as the total of both bets, player's and dealer's, does not exceed the maximum table limit. Tie bets made for the dealer combined with the player's bet may not exceed the maximum bet posted. If the player is at the maximum on the tie, the dealer can take 10 percent of the maximum bet.

(b) Winning tips may not be parlayed (bet on a subsequent wager).

(c) When a player bet loses, the tip bet also loses.

(d) When paying a winning tip bet, the player's bet will always be paid first.

(e) A winning tip bet can ride at the request of the player, but the winning half must be accepted

(f) All pushes (ties) will play again, unless the player decides otherwise.

(g) Dragon 7 bets and Panda 8 bets may be made for the dealer. If the player is at the maximum bet on any such bet, the dealer can only take 10 percent of the maximum bet.

(h) Dealer tips are placed directly in front of the player's wager. (Authorized by K.S.A. 2016 Supp. 74-8710

and 74-8748; implementing K.S.A. 2016 Supp. 74-8710; effective, T-111-11-23-16, Oct. 12, 2016.)
