#### Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking to secure ready availability of surveying services on an as-needed basis by entering into up to 8 contracts with qualified consulting engineering firms who may perform services, from time to time and on short notice, when KDOT does not have the personnel to perform the services. The services may require construction surveying, land surveying, and calculations based on those surveys as well as administration and recordkeeping associated with such services.

**Requirements:** Interested firms must: (a) be pre-qualified by KDOT in category 301 Land Surveying and 302 Engineering Surveying; (b) have employees who are licensed in Kansas as Professional Surveyors and experienced in surveying; and (c) submit a Letter of Interest on or before **August 3, 2017** to David Nagy, P.E., Assistant to the Director of Design/Contracts Engineer for KDOT by email to David.Nagy@ks.gov with the subject line reading "LOI As-Needed Surveying [Firm Name]". Letters of Interest in the form of a .pdf document (maximum size 4 pages) should express interest in performing services on an As-Needed basis and describe particular qualifications for the surveying services sought by KDOT, including any special expertise, certifications, training, skill, experience, or knowledge of the firm and its employees as well as the number of licensed professional surveyors employed by the firm. KDOT shall not consider the skills or expertise of sub-consultant personnel because consultant firms will be required to perform all services with their own employees. If a firm is not currently pre-qualified by KDOT but is interested in obtaining pre-qualification, then please view the requirements and categories at the website address of <http://www.ksdot.org/divengdes/prequal/default.asp>. For licensure and other requirements applicable to the practice of technical professions within the state of Kansas, please consult the website of the Kansas Board of Technical Professions at <http://www.ksbtp.ks.gov/>. All firms doing business with KDOT must be registered and in good standing under

the laws of the state of Kansas and comply with applicable state and federal laws, rules and regulations.

**Qualifications-Based Selection Process.** Based on the qualifications submitted in the Letter of Interest and other information available to KDOT, on or about **August 31, 2017**, KDOT will shortlist firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. At KDOT's option, shortlisted firms may be interviewed by telephone conference call or asked to attend meetings or participate in other discussions with KDOT. Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firms in order of preference. Evaluation factors: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant employees proposed for services; 3) past performance history; and 4) ability and availability to perform services on short notice in one or more regional areas of the state of Kansas. Up to 8 of the highest ranked firms will be asked to enter into negotiations with KDOT for an As-Needed Agreement for services under which KDOT may request surveying services via Task or Work Orders over a period of 4 years, subject to a maximum cumulative aggregate amount payable under the As-Needed Agreement. In the event KDOT cannot reach agreement with any of the highest ranked firms, it will terminate negotiations with such firms and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives. KDOT intends to conclude or terminate negotiations on or before **October 31, 2017**.

Please do not call or write KDOT staff for information regarding the services in this Request for Qualification. Email all inquiries/questions to David Nagy at David.Nagy@ks.gov.

The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 534 S. #### Notice of Hearing

Pursuant to K.S.A. 82a-1041, the Northwest Kansas Groundwater Management District No. 4 (GMD #4) has recommended the approval of a Local Enhanced Management Area (LEMA) Management Plan in a designated area in Cheyenne, Decatur, Rawlins, Gove, Graham, Lo-

*(continued)*

gan, Sheridan, Sherman, Thomas, and Wallace counties and comprising the entire area within the boundaries of GMD #4 (GMD #4 LEMA). The LEMA Management Plan was submitted to the chief engineer for review and found to be acceptable for consideration.

An initial public hearing has been scheduled at 9:00 a.m. (CDT) August 23, 2017 in the Cultural Arts Center at Colby Community College, 1255 S. Range Ave., Colby, Kansas, to determine if the plan satisfies the three initial requirements for approval as set forth in K.S.A. 82a-1041. Specifically, the hearing record will be used to determine (1) whether one or more of the circumstances specified in subsection (a) through (d) of K.S.A. 82a-1036, and amendments thereto, exist; (2) whether the public interest of K.S.A. 82a-1020, and amendments thereto, requires that one or more corrective control provisions be adopted; and (3) whether the geographic boundaries are reasonable. The hearing may continue as long as necessary for a full disclosure of relevant facts.

If the hearing officer's findings are favorable on all three issues of fact and an expansion of geographic boundaries is not recommended, a subsequent hearing will be held to determine whether the area should be designated and if proposed GMD #4 LEMA Management Plan should be adopted.

Anyone may submit written or oral statements to be included in the record of the initial hearing. Oral statements will be accepted only at the public hearing. Written statements may be submitted at the public hearing or sent to the GMD #4 LEMA; c/o Ronda Hutton; 1320 Research Park Drive, Manhattan, KS 66502, faxed to 785-564-6777, or emailed to ronda.hutton@ks.gov. (c) Upon placing an ante wager and x-tra bonus wager, a player may also place an optional same suit bonus wager by placing a wager on the designated wagering area of the layout. The same suit bonus wager is not required to be in the same amount as the ante and x-tra bonus wagers, but must be in an amount within the wager limits established for that table. The outcome of the same suit bonus wager shall have no bearing on any other wager made by the player.

(d) Only players who are seated at the table may place a wager at the game. Once a player has placed a wager

(continued)

and received cards, that player must remain seated until the completion of the game.

(e) A player shall not be permitted to wager on more than one player position at the table. (Authorized by K.S.A. 2016 Supp. 74-8710 and 74-8748; implementing K.S.A. 2016 Supp. 74-8710; effective, T-111-7-3-17, May 10, 2017.)

**111-301-62. Play and payouts.** (a) For the start of play, beginning with the player farthest to the dealer's left and continuing around the table in a clockwise manner, the dealer shall deal three cards at a time face down to each player who has placed an ante wager and x-tra bonus wager.

(b) After the dealing procedures specified above have been completed, each player shall examine his or her cards and replace the cards face down on the layout. Starting with the player farthest to the dealer's left and proceeding in a clockwise manner around the table, each player shall act by either checking or making an all in wager. If the player chooses to make an all in wager, the player must place chips equal to three (3) times the amount of the player's ante wager in the designated area of the layout. If a player checks, the player shall remain in the game and defer his or her decision to place a play wager to the next wagering opportunity.

(c) After all players have either made an all in wager or checked, the dealer shall deal the flop by placing the next two cards in the deck face up in the area designated on the layout for community cards.

(d) After the flop has been completed, for any player that has not yet made an all in wager and starting with the player farthest to the dealer's left and proceeding in a clockwise manner around the table, each player shall act by either checking or making an all in wager. If the player chooses to make an all in wager, the player must place chips equal to two (2) times the amount of the player's ante wager in the designated area of the layout. If a player checks, the player shall remain in the game and defer his or her decision to place a play wager to the next wagering opportunity.

(e) After all players have either made an all in wager or checked, the dealer shall deal the turn and river by placing the next two cards in the deck face up in the area designated on the layout for community cards.

(f) After the turn and river have been completed, for any player that has not yet made an all in wager and starting with the player farthest to the dealer's left and proceeding in a clockwise manner around the table, each player shall act by either folding or making an all in wager. If the player chooses to make an all in wager, the player must place chips equal to the amount of the player's ante wager in the designated area of the layout. If a player folds the player loses all wagers made.

(g) Once all players have either placed an all in wager or folded, the dealer shall then turn the dealer's three cards face up and announce the longest flush using the dealer's three cards and the four community cards.

(h) If the dealer's hand does not qualify, then:

(1) The ante wager of each player who did not fold is returned to the player;

(2) Each player's hand that beats the dealer's hand is paid for any all in wager and x-tra bonus wager; and,

(3) The dealer shall collect any all in wager and x-tra bonus wager of each player's hand that does not beat the dealer's hand. Even in the event the dealer and player both have non-qualifying hands, to win the player must still have a longer or higher ranking flush than the dealer;

(4) If a player and the dealer's hands tie, any all in wager and x-tra bonus wagers shall be returned to the player;

(5) If the player's hand beats the dealer's hand with four or more cards of the same suit, the player shall be paid for any x-tra bonus wager; and,

(6) If the player's hand beats the dealer's hand with fewer than four cards of the same suit, the x-tra bonus wager is a tie and the player's wager shall be returned to the player.

(i) If the dealer's hand qualifies, then:

(1) For each player who did not fold, starting with the player farthest to the dealer's right and proceeding in a counterclockwise manner around the table, the dealer shall combine each player's three cards with the community cards to determine that player's longest flush. If the dealer and the player both have the same number of cards in their flush, the winning hand is determined by the highest ranking card of the flush in each hand. If the highest ranking card is the same in both hands, the winning hand is determined by the second highest ranking card in each hand. The same rule is applied for each card thereafter until either a winner is determined or there is a tie between the hands;

(2) If the player's hand wins, any all in and ante wagers are paid at odds of one to one;

(3) If the player's hand loses to the dealer's hand, the ante and any all in and x-tra bonus wagers shall be collected by the dealer;

(4) If the player's hand and the dealer's hand tie, the ante and any all in and x-tra bonus wagers shall be returned to the player;

(5) If the player's hand beats the dealer's hand, any x-tra bonus wager by the player shall win and the dealer shall pay the player as follows:

(A) If the player has seven (7) cards of the same suit, the player shall be paid at odds of 250 to one (1);

(B) If the player has six (6) cards of the same suit, the player shall be paid at odds of 20 to one (1);

(C) If the player has five (5) cards of the same suit, the player shall be paid at odds of five (5) to one (1);

(D) If the player has four (4) cards of the same suit, the player shall be paid at odds of one (1) to one (1); and,

(E) If the player's winning hand has three (3) or fewer cards of the same suit, the player's hand is deemed a tie and the wager shall be returned to the player.

(6) Any same suit bonus wager shall win if the player has four or more cards of the same suit. It is irrelevant to the same suit bonus whether the player's hand beats the dealer's hand. A winning same suit bonus wager shall be paid as follows:

(A) If the player has a straight flush consisting of five (5), six (6) or seven (7) cards, the player shall be paid at odds of 500 to one (1);

(B) If the player has a flush consisting of seven (7) cards, the player shall be paid at odds of 400 to one (1);

(C) If the player has a flush consisting of six (6) cards, the player shall be paid at odds of 50 to one (1);

(D) If the player has a straight flush consisting of four (4) cards, the player shall be paid at odds of 20 to one (1);

(E) If the player has a flush consisting of five (5) cards, the player shall be paid at odds of five (5) to one (1);

(F) If the player has a flush consisting of four (4) cards, the player shall be paid at odds of one (1) to one (1); and,

(G) If the player has fewer than four (4) cards of the same suit, any same suit wager loses and the dealer shall collect the player's wager.

(j) If a player places a play wager, the wager shall be

placed in the designated play betting area on the gaming table.

(k) If a player folds, all wagers of the player shall be collected by the dealer. (Authorized by K.S.A. 2016 Supp. 74-8710 and 74-8748; implementing K.S.A. 2016 Supp. 74-8710; effective, T-111-7-3-17, May 10, 2017.)
