Wichita State University

Notice of Intent to Lease Land and/or Building Space

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university's educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice

President for Research & Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

State of Kansas

Department of Transportation

Request for Letters of Interest

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide Construction Inspection Services for project 35-46 KA-5126-01. The project is located on I-35 in Johnson County.

Schedule/Deadlines

Letters of Interest (LOIs) are due on or before 12:00 p.m. (CST) January 25, 2019, to be delivered via email to Ron.Seitz@ks.gov. Evaluation and ranking of submissions will occur on or about February 8, 2019, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about February 15, 2019. An agreement should be in place on or about March 1, 2019. The contractor should start on the project sometime around May 2019.

Scope of Services to be Performed

The inspectors must be capable inspecting the whole project, which includes traffic control, HMA Patching, HMA Paving/HMA Plant operations, final paperwork, etc. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the project needs. Three main inspectors and one asphalt plant inspector will be required along with four more inspectors that can be supplemented as needed. Construction is anticipated to be completed within 120 working days. All work on I-35 is required to be performed between 7:00 p.m. and 5:00 a.m. Provide all the equipment necessary to inspect and test materials.

Instructions for Letter of Interest

No costs shall be contained in the LOI. The LOI must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. LOIs submitted will consist of the letter of interest and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the four page technical proposal submission. All these forms are attached to the original email announcement.

LOIs shall indicate the consultant's ability to meet the project inspection needs described above. LOIs shall de-

scribe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The LOI shall also include items such as:

- Project Manager/Engineer in charge.
- History of providing inspection services on similar projects.
- Availability of staff.
- Familiarity with KDOT Standards and Specifications
- Any Subconsultant and their role in performing the Services on the Project
- Names, certifications, and experience of all inspectors that will be assigned to the project.

Evaluation Factors

LOIs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection need of the project;
2. Employee names (3 full time, 1 asphalt plant inspector and 4 intermittent inspectors), certifications and qualifications proposed for services;
3. Proximity of inspectors to project;
4. Past performance history on similar projects (list project #'s) for KDOT;
5. Types of direct expenses anticipated (lodging, mileage, etc.);
6. Anticipated time to close out project paperwork.

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A project inspection Agreement will be written based on the present "on-call" inspection agreements. Current rate factors will be used for compensation, and special attachments for the Kansas "Tax Clearance Certificate," the "Certification of Final Indirect Costs" will become attachments to the contract.

Questions about this request for letters of interest shall be sent to KDOT by proposers via email to Ron.Seitz@ks.gov.

Doc. No. 046852

State of Kansas**Department of Transportation****Request for Letters of Interest****Background and Purpose of Project**

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide Construction Inspection Services for projects 69-46 KA-5001-01 and 69-46 KA-5002-01. The projects are located on U.S. 69 in Johnson County.

Schedule/Deadlines

Letters of Interest (LOIs) are due on or before 12:00 p.m. (CST) January 25, 2019, to be delivered via email to Ron.Seitz@ks.gov. Evaluation and ranking of submissions will occur on or about February 8, 2019, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about February 15, 2019. An agreement should be in place on or about March 1, 2019. The contractor should start on the project sometime between April and early May 2019.

Scope of Services to be Performed

The inspectors must be capable inspecting the whole project, which includes paver bricks, concrete, pavement patching, traffic control, PCC Paving/PCC Plant operations, HMA Paving/HMA Plant operations, final paperwork, etc. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the project needs. Three main inspectors and one asphalt plant inspector will be required along with four more inspectors that can be supplemented as needed. Construction is anticipated to be completed within 95 working days. All work on U.S. 69 is required to be performed between 7:30 p.m. and 5:30 a.m. Provide all the equipment necessary to inspect and test materials.

Instructions for Letter of Interest

No costs shall be contained in the LOIs. The LOI must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. LOIs submitted will consist of the letter of interest and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the four page technical proposal submission. All these forms are attached to the original email announcement.

LOIs shall indicate the consultant's ability to meet the project inspection needs described above. LOIs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The LOI shall also include items such as:

- Project Manager/Engineer in charge.
- History of providing inspection services on similar projects.

- Availability of staff.
- Familiarity with KDOT Standards and Specifications
- Any Subconsultant and their role in performing the Services on the Project
- Names, certifications, and experience of all inspectors that will be assigned to the project.

Evaluation Factors

LOIs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection need of the project;
2. Employee names (3 full time, 1 asphalt plant inspector and 4 intermittent inspectors), certifications and qualifications proposed for services;
3. Proximity of inspectors to project;
4. Past performance history on similar projects (list project #'s) for KDOT;
5. Types of direct expenses anticipated (lodging, mileage, etc.);
6. Anticipated time to close out project paperwork.

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A project inspection agreement will be written based on the present "on-call" inspection agreements. Current rate factors will be used for compensation, and special attachments for the Kansas "Tax Clearance Certificate," the "Certification of Final Indirect Costs" will become attachments to the contract.

Questions about this request for letters of interest shall be sent to KDOT by proposers via email to Ron.Seitz@ks.gov.
