**Department of Transportation**

**Request for Comments**

In accordance with Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) requirements, the Kansas Department of Transportation (KDOT) requests comments on the draft Federal Fiscal Year (FFY) 2020-2023 Statewide Transportation Improvement Program (STIP) for Kansas.

The STIP is a project specific publication that lists KDOT administered projects, regardless of funding source, including projects for counties and cities as well as projects on the state highway system for a four-year period (October 1, 2019 to September 30, 2023). In addition, a list of projects being advance constructed, summarizing the conversion year(s) and conversion amount by phase for each project listed, is provided. Projects that are developed or revised after the preparation of this STIP document will use the STIP amendment process.

Supplementing the project information is a narrative that briefly describes KDOT's public involvement process, project selection process, program financing and fiscal constraint anticipated for the STIP, and an overview of KDOT's public transportation program. Also, included within the STIP narrative are brief descriptions of the programs administered by entities other than KDOT. These programs which are required by federal law to be included in the STIP are: the Federal Lands and Tribal Transportation programs administered by the Office of Federal Lands Highway and the Bureau of Indian Affairs; recreational trails, administered by Kansas Wildlife, Parks and Tourism; and by reference the Transportation Improvement Programs (TIPs) administered by each of the Metropolitan Planning Organizations for the six urbanized areas of Kansas. The six state Metropolitan Planning Organizations are: the Mid-America Regional Council (MARC) for the Kansas City area; the Lawrence-Douglas County Metropolitan Planning Office; the Wichita Area Metropolitan Planning Organization (WAMPO) that serves Sedgwick County and the cities of Andover and Mulvane; the Metropolitan Topeka Planning Organization, the Flint Hills Metropolitan Planning Organization that serves the cities of Manhattan, Ogden, Junction City and Wamego, and the St. Joseph Area Transportation Study Organization that serves Doniphan County-in the cities of Wathena and Ellwood.

The STIP is available for review at [www.ksdot.org/bureaus/burProgProjMgmt/stip/stip.asp](http://www.ksdot.org/bureaus/burProgProjMgmt/stip/stip.asp), select the draft FFY 2020-2023 STIP link. **State of Kansas****Department of Transportation****Notice to Consulting Firms**

The Kansas Department of Transportation (KDOT) is seeking qualified consulting firms prequalified in category 163 – Congestion Management/ITS for the project listed below. A pdf of the interest response must be emailed to David Lutgen, P.E., Contracts Engineer at [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov). Interest and experience responses are limited to four (4) total pages, the subject line of the reply email and the pdf file name must read "106 KA-1832-20 Wichita LOI- Firm Name". The letter of interest is required and must be received by 12:00 p.m. August 23, 2019 for the consulting firm to be considered.

**Project**

Project number 87 KA-1832-20 – Wichita Communication Integration Support

**Scope of Services**

The scope of services is to provide support on an as needed basis via phone, email, and on-site to troubleshoot problems with cameras, signs, detectors, modems, and radios that prevent communication with central software and operations of those devices for FY2020. This work may include installation of test devices, inspection of field locations, evaluation of products, configuration of existing devices, software performance monitoring and reporting, evaluation of interoperability needs, and other project support. Approximate annual budget is \$80,000. This contract may be for up to five years.

**Qualifications-Based Selection Process**

No cost or pricing information shall be submitted with the Letter of Interest and will not be considered in the selection process to shortlist or rank proposals. Based on the qualifications submitted in the Letter of Interest and other information available to KDOT on or about August 28, 2019, KDOT will shortlist up to five firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. At KDOT's option, shortlisted firms may be interviewed by telephone conference call or asked to attend meetings or participate in other discussions with KDOT. Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second and third: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed (typical and atypical) approach to performance, data gathering, as well as efficiency and accuracy of services; and 4) past performance history. The highest ranked firm will be asked to enter into negotiations with KDOT for a contract, with compensation provisions for payment of actual direct costs plus fixed fee, subject to an upper limit of compensation. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract.

- Valid, reliable, and current costs must be available within the system to support actual costs and pricing data.
- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable costs by contract or project records which will reconcile with the general ledger.
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

Questions can be directed to David Lutgen, P.E., Contracts Engineer at [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov).

**State of Kansas****Wichita State University****Notice of Intent to Lease Land and/or Building Space**

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide

supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university's educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice President for Research & Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. **Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU) intends to directly lease, and indirectly sublease through its affiliate corporation Wichita State Innovation Alliance, Inc., subject to all required state approvals, an approximate ground area consisting of 150,000 square feet or less with the potential for expansion for parking, for the private development of one or more partnership buildings. This private development shall be located west of Oliver, between 17th and 18th streets, on the Wichita State University main campus. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, and specifically an emphasis on supporting and growing advanced laboratories for research, testing, and innovation in data infrastructure/storage, video surveillance storage, IOT, security, analytics, visualization/modeling, and machine learning/AI. The university intends to lease such ground for any period of time up to sixty-five years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable

based on term of lease and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. If interested, please contact Vice President for Research and Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or University Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. **Kansas Development Finance Authority**

**Notice of Hearing**

A public hearing will be conducted at 9:00 a.m. Thursday, August 22, 2019, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the KDFA to issue its Agricultural Development Revenue Bonds for the projects numbered below in the respective maximum principal amounts. The bonds will be issued to assist the borrowers named below (who will be the owners and operators of the projects) to finance the cost in the amount of the bonds, which are then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

**Project No. 001037 Maximum Principal Amount: \$250,000.** Owner/Operator: Garrett and Janna Schmitt; Description: Acquisition of 400 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Garrett and Janna Schmitt (the "Beginning Farmer") and is located at the Northwest Quarter of Section 16, and the Northeast Quarter, and the North Half of the Southeast Quarter of Section 20, Solomon Rapids Township, Mitchell County, Kansas, approximately 6 miles west and 3 and 4 miles north of Beloit, Kansas, both along 240 Road.

**Project No. 001038 Maximum Principal Amount: \$92,000.** Owner/Operator: Emily E. Winkler; Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Emily E. Winkler (the "Beginning Farmer") and is located at the South Half of the Northeast Quarter of Section 6, Township 7, Range 14, Jackson County, Kansas, approximately 7 miles west of Holton, Kansas on K-16 Hwy. and 1/2 mile north on I Road.

The bonds, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political sub-

*(continued)*

division thereof, including the KDFA, nor will they be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bonds will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bonds to finance the projects, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, KS 66603, will be considered. Additional information regarding the projects may be obtained by contacting the KDFA.

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Application for New or Expansion of Existing Swine Facilities

Name and Address of Applicant	Owner of Property Where Facility Will Be Located
Rolling Hills Pork, LLC Bradley Jones – Farm Manager 2530 Quivira Rd. Washington, KS 66968	Rolling Hills Pork, LLC 2530 Quivira Rd. Washington, KS 66968

Legal Description	Receiving Water
SW/4 of Section 25 T01S, R03E Washington County Kansas Permit No. A-BBWS-H008	Big Blue River Basin

This is an application for a permit for construction of an enclosed gilt developer building (~56' x 165') and install an underground waste pipeline to the existing earthen waste lagoon at this existing swine facility. The facility currently has a maximum capacity for a total of 1,607 animal units of swine. The proposed maximum facility capacity will be 3,580 head (1,432 animal units) of swine weighing greater than 55 pounds; and 5,360 head (536 animal units) of swine weighing 55 pounds or less; for a total of 1,968 animal units of swine. The facility is proposing to construct a diversion terrace and waste transfer pipe to control surface runoff from the composting area. A new or modified permit will not be issued without additional public notice.

Public Notice No. KS-Q-19-180/187

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Fairway, City of 5240 Belinder Fairway, KS 66205	Missouri River	Stormwater Point Source

Kansas Permit No. M-MO34-SU01  
Federal Permit No. KSR410005

The proposed action is to issue a new individual NPDES Municipal Separate Storm Sewer System (MS4) permit from an existing MS4 general permit. The proposed MS4 permit requires the permittee to develop, implement, and enforce a stormwater management program designed to reduce the discharge of pollutants from the MS4 to the maximum extent practicable, to protect water quality, and to satisfy the appropriate water quality requirements of the Clean Water Act and Kansas surface water quality statutes and regulations. The proposed permit requires the permittee to update the Stormwater Management Program document, implement six minimum control measures and implement best management practices to reduce identified total maximum daily load (TMDL) regulated pollutants. If there is an identified TMDL regulated pollutant, surface water monitoring is required on the impaired water body to evaluate performance of the best management practices. Monitoring of industrial stormwater discharges and oversight of construction activities within the MS4 may be required if it is applicable. The proposed permit requires the submittal of an annual report that addresses all compliance requirements for the previous year.

Proposed Action: The Kansas Department of Health and Environment (KDHE) issued Authorizations for stormwater discharges under of the Construction Stormwater General Permit for the above named projects. K.S.A. 65-166a requires the Secretary of KDHE to assess appropriate annual fees for Authorizations/Permits issued by the Department and provides that failure to pay the annual fee shall be cause for revocation/termination of the Authorization/Permit. The authorized entities named above have failed to comply with the requirement to pay the annual fee. Further, according to K.A.R. 28-16-62(f)-(g), the director has discretion to initiate termination of a permit. Therefore, pursuant to K.S.A. 65-166a, K.A.R. 28-16-60 and K.A.R. 28-16-62, KDHE is hereby providing notice of intent to terminate the Authorizations associated with the projects named herein. The entity may re-instate the Authorization by paying the appropriate annual fees. If you have any questions regarding the termination of your permit, please contact the Stormwater Coordinator.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered  
*(continued)*

ered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before September 7, 2019, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-19-255, KS-Q-19-180/187) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

A public hearing will be conducted on 10:30 a.m. Wednesday, October 16, 2019, in the board room at the Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level – Suite A, Topeka, Kansas, to consider amended regulations related to the practice by athletic trainers.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the regulations. All interested parties may submit comments prior to the hearing to Tucker Poling, General Counsel, at the Board of Healing Arts at the address above, or via email to [KSBHA\\_HealingArts@ks.gov](mailto:KSBHA_HealingArts@ks.gov). All interested parties will be given a reasonable opportunity to present their views, orally or in writing, concerning the amended regulations during the public hearing. In order to provide all parties with an opportunity to present their views, it may be necessary to request each participant limit any oral presentations to five minutes.

Copies of the amended regulations and the Economic Impact Statement for the amended regulations may be obtained from the Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level – Suite A, Topeka, KS 66612, on the agency website at <http://www.ksbha.org/publicinformation/publicinformation.shtml>, by contacting Jenne Cook at 785-296-2482, or by e-mailing the agency at [KSBHA\\_HealingArts@ks.gov](mailto:KSBHA_HealingArts@ks.gov).

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the amended regulations being considered and the economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Sheila Rice at 785-296-8558 or at [Sheila.Rice@ks.gov](mailto:Sheila.Rice@ks.gov). Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 800-766-3777 for communication accommodations. Handicapped parking is located on 8th Street and in the building's parking garage. From the street, both the west entrance to the building on Jackson Street and the north entrance on 8th Street are accessible.

A summary of the amended regulations and the economic impact follows:

#### K.A.R. 100-69-7. Unprofessional conduct; definitions

#### K.A.R. 100-69-10. License renewal; continuing education

The purpose of these regulation amendments is to update the definition of "unprofessional conduct" for athletic trainers, to clarify what is and is not considered legitimate continuing education for athletic trainers, to amend continuing education definitions to fit modern professional standards, and to amend the CPR certification requirement to include courses approved by additional nationally recognized bodies. There is no economic impact.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted on at 9:30 a.m. Wednesday, October 16, 2019, in the board room at the Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level – Suite A, Topeka, Kansas, to consider amended regulations related to the practice by physical therapists.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the regulations. All interested parties may submit comments prior to the hearing to Tucker Poling, General Counsel, at the Board of Healing Arts at the address above, or via email to [KSBHA\\_HealingArts@ks.gov](mailto:KSBHA_HealingArts@ks.gov). All interested parties will be given a reasonable opportunity to present their views, orally or in writing, concerning the amended regulations during the public hearing. In order to provide all parties with an opportunity to present their views, it may be necessary to request each participant limit any oral presentations to five minutes.

Copies of the amended regulations and the Economic Impact Statement for the amended regulations may be obtained from the Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level – Suite A, Topeka, KS 66612, on the agency website at <http://www.ksbha.org/publicinformation/publicinformation.shtml>, by contacting Jenne Cook at 785-296-2482, or by emailing the agency at [KSBHA\\_HealingArts@ks.gov](mailto:KSBHA_HealingArts@ks.gov).

Any individual with a disability may request accommodation in order to participate in the public hearing

and may request the amended regulations being considered and the economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Sheila Rice at 785-296-8558 or at [Sheila.Rice@ks.gov](mailto:Sheila.Rice@ks.gov). Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 800-766-3777 for communication accommodations. Handicapped parking is located on 8th Street and in the building’s parking garage. From the street, both the west entrance to the building on Jackson Street and the north entrance on 8th Street are accessible.

A summary of the amended regulations and the economic impact follows:

**K.A.R. 100-29-4. Examination**

K.A.R. 100-29-4 is revised to set a limit on the number of examination attempts permitted by a physical therapist (PT) or physical therapist assistant (PTA) applicant, and to remove the remediation requirement after three failed examination attempts. Additionally, it includes minor stylistic revisions. There is no economic impact.

**K.A.R. 100-29-9. License and certificate renewal; continuing education**

K.A.R. 100-29-9 is revised to add the Kansas Jurisprudence Assessment Module (JAM) as a component of the bi-annual continuing education requirement for PTs and PTAs. Additionally, it includes minor structural and stylistic revisions. There is no economic impact.
