Notice of Hearing Concerning Proposed Permanent Quarantine

Pursuant to K.S.A. 2-2117, a public hearing will be conducted at 10:00 a.m. February 6, 2020, in room 124, Kansas Department of Agriculture ("KDA"), 1320 Research Park Dr., Manhattan, KS 66502, regarding the issuance of a permanent quarantine of the Emerald Ash Borer (*Agrilus planipennis* [Coleoptera: Buprestidae]). The proposed quarantine would expand the current permanent Emerald Ash Borer quarantine to include Jackson and Miami Counties. It would prohibit movement of regulated items from the quarantined area, except under specific conditions, and would require the discovery of Emerald Ash Borer in an area not currently under quarantine to be reported to KDA within 72 hours.

(continued)

Regulated items under the quarantine would include:

- The Emerald Ash Borer, in any living stage of development;
- firewood of all hardwood (non-coniferous) species;
- nursery stock of the genus *Fraxinus* (Ash);
- green lumber of the genus *Fraxinus* (Ash);
- other material living, dead, cut, or fallen, including logs, stumps, roots, branches, and composted and uncomposted chips of the genus *Fraxinus* (Ash); and
- any other article, product, or means of conveyance that an inspector determines presents a risk of spreading Emerald Ash Borer, upon notice to the person in possession of the article, product, or means of conveyance that it is subject to the restrictions of the quarantine.

All interested persons may attend the hearing in person or appear by counsel and will have the opportunity to express comments orally, in writing, or both. Written comments and requests for information concerning the proposed quarantine should be directed to Jeff Vogel, Plant Protection and Weed Control Program Manager, Kansas Department of Agriculture, 1320 Research Park Dr., Manhattan, KS 66502, jeff.vogel@ks.gov, at or before the time of hearing. A copy of the proposed quarantine may be accessed on KDA's website at <https://agriculture.ks.gov/document-services/public-comment>. Comments may also be made on KDA's website. For persons intending to present oral comments at the hearing, prior notice to KDA would be helpful in arranging the agenda and may be provided using any of the contact information contained in this notice. In order to ensure all parties are able to comment, each participant's oral presentation may be limited to five minutes.

Anyone with a disability may request accommodation in order to participate in the public hearing and request a copy of the quarantine in an accessible format. Such requests should be made at least five working days in advance of the hearing by contacting Ronda Hutton at 785-564-6715 or fax 785-564-6777. Handicapped parking is located in the west parking lot and the building entrance is accessible to individuals with disabilities.

Wichita State University

Notice of Intent to Lease Land and/or Building Space

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university's educational mission and available

space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice President for Research & Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) intends to directly lease, and indirectly sublease through its affiliate corporation Wichita State Innovation Alliance, Inc., subject to all required state approvals, an approximate ground area consisting of 150,000 square feet or less with the potential for expansion for parking, for the private development of one or more partnership buildings. This private development shall be located west of Oliver, between 17th and 18th streets, on the Wichita State University main campus. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, and specifically an emphasis on supporting and growing advanced laboratories for research, testing, and innovation in data infrastructure/storage, video surveillance storage, IOT, security, analytics, visualization/modeling, and machine learning/AI. The university intends to lease such ground for any period of time up to sixty-five years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable based on term of lease and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers

will be considered until a selection is made or this notice is withdrawn. If interested, please contact Vice President for Research and Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or University Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) is interested in entering into a long-term ground lease, subject to all required state approvals, for approximately 1.4 acres of property located at 1741 and 1755 N. Hillside. The university is interested in leasing such property to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good and providing retail, restaurant, and service centers that would be desirable and beneficial to the international student community. The university intends to lease this property for any period of time up to 65 years, but extended terms and renewal options would be considered. Interested tenants must be willing to provide the university an option to lease back improved office/classroom/lab space up to 11,000 square feet. Interested tenants must be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: financial stability and strength, proposal terms, demonstrated benefit to WSU and the community, design concepts, and proposed use. Rental rate may be negotiated based on square foot of leased ground or leasable square foot of the building. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. Facility Description: The proposed action is to reissue six existing Class III Injection Well permits for the wells listed above. Injection of fresh water and unsaturated brine is to be made into the Hutchinson Salt member of the Wellington formation. Mining shall not extend into the upper 40 feet of the salt deposit. The maximum operational injection pressure is not to exceed 165 pounds per square inch at the well-head. The Wellington formation consists of inter-bedded salt and shale deposits with minor amounts of gypsum. The upper portion of the formation is primarily clayey shale with small amounts of gypsum present. The lower portion, which is known as the Hutchinson Salt member, is mainly salt with inter-bedded shale deposits. The salt deposits are first encountered about 713 feet below ground surface and extend to a depth of about 994 feet. All construction, monitoring, and operation of these wells shall meet the requirements that apply to Class III Injection wells under the Kansas UIC Regulations, K.A.R. 28-46-1 through 28-46-45 and other requirements of KDHE.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before February 1, 2020, will be considered in the formulation of the final determina-

tions regarding this public notice. Please refer to the appropriate Kansas document number (KS-Q-20-001/003, KS-EG-20-001/006) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. ANR Pipeline Company – Greensburg Compressor Station has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

ANR Pipeline Company, 13710 FNB Pkwy., Suite 300, Omaha, NE 68154, owns and operates a compressor station located at Section 16, Township 28 South, Range 19 West in Kiowa County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southwest District Office, 302 W. McArtor Rd., Dodge City, KS 67801-6098. To obtain or review the proposed permit and supporting documentation, contact Cathy Richardson, 785-296-1947, at the central office of the KDHE or Ethel Evans, 620-356-1075 at the Southwest District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit,

accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Cathy Richardson, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, February 3, 2020.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Cathy Richardson, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, February 3, 2020 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA’s 45-day review period. Interested parties may contact KDHE to determine if the EPA’s 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

To obtain or review the proposed permit and supporting documentation, contact Shelley Schupp, 785-368-7030 at the central office of the KDHE or Amanda Smyth or David Butler, 316-337-6020, at the South Central District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Shelley Schupp, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, January 27, 2020.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Shelley Schupp, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 or by fax at 785-559-4256, no later than 12:00 p.m. Monday, January 27, 2020. If a request is received, a public hearing is tentatively scheduled at the Civic Center Breakout Room, 201 E. Central, El Dorado, KS 67042, Wednesday, January 29, 2020 beginning at 2:00 p.m. and continue until audience members have an opportunity to submit comments. If no requests to hold the public hearing are received by 12:00 p.m. Monday, January 27, 2020, the public hearing will be cancelled. A notice of the cancellation will be posted at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

If a hearing is conducted, all interested parties will be given a reasonable opportunity to present their views orally or by submission of written materials during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to limit oral presentations to a specific time limit. Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed materials in an accessible format. Requests for accommodation must be made no later than Wednesday, January 15, 2020 by contacting the Bureau of Air at 785-368-7030.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with

the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

City of Olathe, Kansas

Notice to Bidders

Sealed bids will be received online at www.publicpurchase.com, until 10:00 a.m. (CST) February 4th, 2020, for the construction of City of Olathe 2019 Sidewalk Improvements Project, Project No. 3-C-072-19.

At said time and place, and promptly thereafter, all bids that have been duly received will be publicly opened online at www.publicpurchase.com.

The work consists of the following: New sidewalk and ramp installation, existing sidewalk and ramp replacement, and driveway replacements all following ADA requirements.

Bid documents including drawings and specifications are on file at the office of Public Works of Olathe, Kansas, and are open for public inspections. Bid documents and drawings may be downloaded free of charge from www.publicpurchase.com. Only bids submitted electronically at www.publicpurchase.com will be accepted.

A satisfactory bid bond executed by the bidder or an acceptable surety, in an amount equal to five percent (5%) of the total bid for work shall be submitted with each proposal. A scanned copy of the bid bond must be included with the online bid submitted at www.publicpurchase.com. The original copy of the bid bond form must be submitted to the engineer within 48-hours of bid opening. Failure to submit original copy of the bid bond will result in rejection of bid and owner’s selection of the next low qualified bidder.

The successful bidder will be required to furnish and pay satisfactory performance and payment bond or bonds.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project, and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin. Contractors must comply with Title 29 relating to the employment of apprentices in accordance with requirements

published by the United States Department of Labor as contained in the contract documents.

Bidders are informed that the prime contractor and subcontractors are required to comply with Section 109 of the Housing and Community Development Act of 1974, Title VI of the Civil Rights Act of 1964, Executive Order 11246, and Section 3 of the Housing and Urban Development Act of 1968. Contractors responsibilities under these laws are outlined at Title 24, CFR Part 1 and Part 570 relating to non-discrimination in federally-assisted programs of the Department of Housing and Urban Development; Title 24, Part 130 relating to equal employment opportunity under HUD-assisted construction contract; and Title 24, Part 135 relating to employment opportunities for businesses and lower income persons in connection with assisted projects.

The prime general contractor, and subcontractors where appropriate, under the terms of the contract, shall be required to comply with the following requirements prior to issuance of a construction work order:

- A. Maintain an affirmative action file detailing efforts to meet affirmative action hiring responsibilities and utilize minority firms as subcontractors and supplier;
- B. Submit a copy of their affirmative action plan to the city for review and HUD concurrence;
- C. Provide a preliminary statement of work force needs by category for the project and goals for minorities; and
- D. Attend a scheduled pre-construction conference for orientation on HUD equal opportunity and labor standards requirements.

The City of Olathe, Kansas, reserves the right to reject any or all bids or to waive any informality in the bidding.

Bids may be held by the City of Olathe, Kansas, for a period not to exceed sixty (60) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of bidders, prior to awarding the contract.

Request for Proposals

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for project 435-46 KA 5500-01. The project is located on I-435 in Johnson County, beginning at Junction K-10/I-435 thence north to Midland Drive.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) January 10, 2020, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about January 29, 2020, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about February 5, 2020. An agreement should be in place on or about March 6, 2020.

The contractor should start on the project in June 2020 and the project has 100 working days. This work will be performed at night.

Scope of Services to be Performed

KDOT will provide most of the staff. KDOT needs a person capable of inspecting the PCCP plant and then the HMA plant, and CMS or AASHTOWare data entry for those work items. Project records and paperwork including but not limited to; diary, pay quantities, certifications, and sample identifications. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide one inspector to ensure inspection and material testing for this project are done correctly. KDOT may need an intermittent inspector if the PCCP and HMA plant operate at the same time. Submit the name and information of the project inspector and the intermittent inspector. Construction is scheduled to be completed within working days and cleanup days. Provide all the equipment necessary to inspect and test materials.

Instructions for Letter of Interest

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant's ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The RFP shall also include items such as:

- Project inspector
- Intermittent inspector
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project

Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. Employee names (project inspector and intermittent inspector), certifications, and qualifications proposed for services;
2. Proximity of inspectors to project;
3. Past performance history on similar projects (list project numbers) for KDOT;

4. Types of direct expenses anticipated (lodging, mileage, etc.).

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 (“Certificate of Final Indirect Costs”)
- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Contract Terms and Conditions

A standard KDOT project inspection agreement will be used for this project. Current rate factors will be used for compensation, and Special Attachments for the Kansas “Tax Clearance Certificate,” the “Certificate of Final Indirect Costs,” and the “Policy Regarding Sexual Harassment” will become attachments to the contract.

Questions about this request for proposals shall be sent via email to kdot.designcontracts@ks.gov.

Board of Nursing

Permanent Administrative Regulations

Article 16. — INTRAVENOUS FLUID THERAPY FOR LICENSED PRACTICAL NURSE

60-16-101. Definitions. Each of the following terms, as used in this article of the board’s regulations, shall have the meaning specified in this regulation:

(a) “Administration of intravenous (IV) fluid therapy” means utilization of the nursing process to deliver the therapeutic infusion or injection of substances through the venous system.

(b) “Admixing” means the addition of a diluent to a medication or a medication to an intravenous solution.

(c) “Calculating” means mathematically determining the flow rate and medication dosages.

(d) “Clock-hour” means 60 continuous minutes.

(e) “Competency examination” means a written examination and demonstration of mastery of clinical components of IV fluid therapy.

(f) “Discontinuing” means stopping the intravenous flow or removing the intravenous access device, or both, based on an authorized order or nursing assessment.

(g) “Evaluating” means analyzing, on an ongoing basis, the monitored patient response to the prescribed IV fluid therapy.

(h) “Initiating” means starting IV fluid therapy based on an authorized order by a licensed individual. Initiating shall include the following:

- (1) Assessing the patient;
- (2) selecting and preparing materials;
- (3) calculating; and
- (4) inserting and stabilizing the cannula.

(i) “Intravenous push” means direct injection of medication into the venous circulation.

(j) “IV” means intravenous.

(k) “Maintaining” means adjusting the control device for continuance of the prescribed IV fluid therapy administration rate.

(l) “Monitoring” means, on an ongoing basis, assessing, observing, and communicating each patient’s response to prescribed IV fluid therapy. The infusion equipment, site, and flow rate shall be included in the monitoring process.

(m) “Stand-alone,” when used to describe a course, means an IV fluid therapy course offered by a provider that has been approved by the board to offer the course independently of an approved practical nursing program.

(n) “Titration of medication” means an adjustment of the dosage of a medication to the amount required to bring about a given reaction in the individual receiving the medication. (Authorized by and implementing K.S.A. 65-1136; effective Nov. 21, 1994; amended June 12, 1998; amended Oct. 29, 1999; amended June 14, 2002; amended Jan. 17, 2020.)

60-16-103. Stand-alone course approval procedure; competency examinations; recordkeeping. (a) Each person wanting approval to offer a stand-alone course shall submit a proposal to the board.

The proposal shall contain the following:

- (1) The name and qualifications of the coordinator;
- (2) the name and qualifications of each faculty member of the course;
- (3) the mechanism through which the provider will determine that each licensed practical nurse seeking to take the course meets the admission requirements;
- (4) a description of the educational and clinical facilities that will be utilized;
- (5) the outlines of the classroom curriculum and the skills curriculum, including time segments. These curricula shall meet the requirements of K.A.R. 60-16-104(b);

(6) the methods of student evaluation that will be used, including a copy of the final written competency examination and the final skills competency examination; and

(7) if applicable, a request for continuing education approval meeting the following requirements:

(A) For each long-term provider, the stand-alone course provider number shall be printed on the certificates and the course roster, along with the long-term provider number; and

(B) for each single program provider, the single program application shall be completed.

(b) To be eligible to enroll in a stand-alone course, the individual shall be a nurse with a current license.

(c)(1) Each stand-alone course shall meet both of the following requirements:

(A) Consist of at least 30 clock-hours of instruction; and

(B) require at least eight clock-hours of supervised clinical or skills lab practice, which shall include at least one successful peripheral venous access procedure and the initiation of an intravenous infusion treatment modality.

(2) Each stand-alone course, final written competency examination, and final clinical competency examination shall meet the board-approved curriculum requirements specified in K.A.R. 60-16-104 (b) (1)-(23).

(d)(1) Each stand-alone course coordinator shall meet the following requirements:

(A) Be licensed as a registered professional nurse;

(B) be responsible for the development and implementation of the course; and

(C) have experience in IV fluid therapy and knowledge of the IV fluid therapy standards.

(2) Each primary faculty member shall meet the following requirements:

(A) Be currently licensed to practice as a registered professional nurse in Kansas;

(B) have clinical experience that includes IV fluid therapy within the past five years; and

(C) maintain competency in IV fluid therapy.

(3) Each guest lecturer shall have professional preparation and qualifications for the specific subject in which that individual instructs.

(e)(1) The facility in which skills practice and the competency examination are conducted shall allow the students and faculty access to the IV fluid therapy equipment and IV fluid therapy recipients and to the pertinent records for the purpose of documentation. Each classroom shall contain sufficient space, equipment, and teaching aids to meet the course objectives.

(2) There shall be a signed, written agreement between the provider and each affiliating health care facility that specifies the roles, responsibilities, and liabilities of each party. This written agreement shall not be required if the only health care facility to be used is that of the provider.

(f)(1) The stand-alone course coordinator shall perform the following:

(A) Ensure that the clinical record sheet is complete, including competencies and scores;

(B) award a certificate to each licensed nurse documenting successful completion of both the final written competency examination and the final skills competency examination;

(C) submit to the board, within 15 days of course completion, a typed, alphabetized roster listing the name and license number of each individual who successfully completed the course and the date of completion. The coordinator shall ensure that each roster meets the following requirements:

(i) RN and LPN participants shall be listed on separate rosters; and

(ii) the roster shall include the provider name and address, the single or long-term provider number, the stand-alone course provider number, and the coordinator's signature; and

(D) maintain the records of each individual who has successfully completed the course for at least five years.

(g) Continuing education providers shall award at least 32 contact hours to each LPN who successfully completes the course according to K.A.R. 60-9-106. Continuing education providers shall award 20 contact hours, one time only, to each RN who successfully completes the course.

(h) After initial approval, each change in the stand-alone course shall be provided to the board for approval before the change is implemented.

(i)(1) Each stand-alone course provider shall submit to the board an annual report for the period of July 1 through June 30 of the respective year that includes the total number of licensees taking the course, the number passing the course, and the number of courses held.

(2) The single program providership shall be effective for two years and may be renewed by submitting the single offering provider application and by paying the fee specified in K.A.R. 60-4-103(a)(5). Each single program provider who chooses not to renew the providership shall notify the board in writing of the location at which the rosters and course materials will be accessible to the board for three years.

(3) Each long-term provider shall submit the materials outlined in subsection (a) with the five-year long-term provider renewal.

(j) If a course does not meet or continue to meet the requirements for approval established by the board or if there is a material misrepresentation of any fact with the information submitted to the board by a provider, approval may be withheld, made conditional, limited, or withdrawn by the board after giving the provider notice and an opportunity to be heard. (Authorized by and implementing K.S.A. 65-1136; effective Nov. 21, 1994; amended June 14, 2002; amended July 29, 2005; amended May 18, 2012; amended Jan. 17, 2020.)

60-16-104. Standards for course and program curriculum content. (a) The purpose of the intravenous fluid therapy content and stand-alone course shall be to prepare practical nursing students or licensed practical nurses to perform safely and competently the activities as defined in K.A.R. 60-16-102. The course shall be based on the nursing process and current intravenous nursing standards of practice.

(1) Intravenous fluid therapy content provided as part of a practical nursing program's curriculum as specified in K.A.R. 60-2-104 or as a stand-alone course offered by an approved provider shall meet the requirements of this regulation.

(continued)

(2) Each provider of a stand-alone course shall obtain approval from the board before offering an intravenous fluid therapy course as specified in K.A.R. 60-16-103.

(3) Each provider of a stand-alone course shall submit documentation of the use of the curriculum required in this regulation to the board.

(4) Each practical nursing program administrator wanting to implement the intravenous fluid therapy curriculum as required in this regulation shall submit a major curriculum change form as specified in K.A.R. 60-2-104(g).

(b) Each stand-alone course or practical nursing program curriculum in intravenous fluid therapy shall include instruction in the following topics:

- (1) Definition of intravenous fluid therapy and indications as specified in K.A.R. 60-16-101;
- (2) scope of practice as specified in K.A.R. 60-16-102;
- (3) types of vascular-access delivery devices;
- (4) age-related considerations;
- (5) legal implications for intravenous fluid therapy;
- (6) anatomy and physiology;
