Notice of Requested Architectural Services**

Notice is hereby given of the commencement of the selection process for architectural services for the University of Kansas Medical Center. The University of Kansas Medical Center intends to raze the Olathe Pavilion and Student Center buildings as part of the University's goal to reduce deferred maintenance backlog and divest of buildings that are beyond useful life. This RFQ is to solicit design services for the demolition of both buildings as well as two underground tunnels on the site. One of the tunnels connects to Parking Garage 1 and the other to the Student Center. Final project approvals from the Kansas Board of Regents are pending. The project construction budget is \$5,419,252.

An architectural/engineering program is available at <http://admin.ks.gov/offices/ofpm/dcc/arch-eng-programs>. For more information contact AJ Woodworth at awoodworth@kumc.edu.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than 5 Mb and follow the current State Building Advisory Commission guidelines which can be found in Part B – Chapter 2 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/building-design-and-construction-manual-bdcm>. Paper copies and flash drives containing copies of the proposals are not required.

Proposals should be sent to professional.qualifications@ks.gov. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions about the proposal submissions, please contact Randy Riveland at randy.riveland@ks.gov or call 785-296-0749. The PDF proposal submissions shall be delivered to the attention of the State Building Advisory Commission by 2:00 p.m. on or before August 22, 2025.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, then the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Notice of Proposed Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. Legal Description: NE¼, NW¼, SW¼, Section 35, Township 6S, Range 11E, Pottawatomie County		
Location: 39.48607 , -96.16114		

The proposed action consists of reissuance of a Kansas/NPDES Water Pollution Control permit for an existing facility. The existing facility is a four-cell wastewater stabilization lagoon system with a minimum of 120 days detention time. The facility receives domestic wastewater from residential and commercial areas and industrial wastewater from local manufacturers. This permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, Ammonia, and E. coli. The permit contains monitoring for pH. This NPDES discharging lagoon wastewater treatment facility has been reviewed for eligibility for the MDV for ammonia and has been determined to be eligible. Eligibility was determined through analysis of the facility's highest attainable criteria (HAC) for ammonia. The ammonia effluent limit was determined on March 6, 2025, by calculating the 99th percentile ammonia value from the facility's discharge monitoring reports resulting in an ammonia limit of 10.6 mg/L for this facility. Due to a history of effluent limit failures for BOD and TSS, the permittee shall submit an operations review of the facility by June 30, 2026.

The proposed action consists of reissuance of a Kansas/NPDES Water Pollution Control permit for an existing facility. The existing facility is a three-cell wastewater stabilization lagoon system with a minimum of 120 days detention time. The facility receives domestic wastewater from residential and commercial areas. This permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, and Ammonia. The permit contains monitoring for pH, E. coli.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before September 6, 2025, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-25-215/221, KS-Q-25-138/139) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file

Department of Transportation

Notice to Bidders

The Kansas Department of Transportation's (KDOT) Office of Public Transportation announces that the Kansas Coordinated Transit District Council (KCTDC) is now accepting courtesy bids for Kansas' transit vehicles.

These courtesy bids will cover two types of 2025-2027 model-year transit vehicles, including full-size vans with optional wheelchair lifts and low-floor full-size vans with ramps. The transit vehicles will be funded by the Federal Transit Administration and the State of Kansas and must comply with all applicable federal (including FMVSS, Buy America, and ADA requirements) and state laws for passenger vehicles of this type. These vehicles will be used in the KDOT Public Transportation program to transport the elderly, persons with disabilities, and the general public.

The bid opening is scheduled for 9:15 a.m. August 12, 2025, in Wichita, Kansas. Inquiries or requests for bid information should be made directly to:

Request for Comments

In accordance with Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) requirements, the Kansas Department of Transportation (KDOT) requests comments on the draft Federal Fiscal Year (FFY) 2026-2029 Statewide Transportation Improvement Program (STIP) for Kansas.

The STIP is a project specific publication that lists KDOT administered projects, regardless of funding source, including projects for counties and cities as well as projects on the state highway system for a four-year period (October 1, 2025, to September 30, 2029). In addition, an index of projects being advance constructed, summarizing the conversion year(s) and conversion amount by phase as well as a total conversion amount for each project listed, is provided. Projects that are developed or revised after the preparation of this STIP document will use the STIP amendment process.

Supplementing the project information is a narrative that briefly describes KDOT's public involvement process, project selection process, program financing, and fiscal constraint anticipated for the STIP, and an overview of KDOT's public transportation program. Also, included within the STIP narrative are brief descriptions of the programs administered by entities other than KDOT. These programs which are required by federal law to be included in the STIP are: Federal lands and tribal transportation programs administered by the Office of Federal Lands Highway and the Bureau of Indian Affairs; recreational trails, administered by Kansas Wildlife and Parks; and by reference the Transportation Improvement Programs (TIPs) administered by each of the Metropolitan Planning Organizations (MPO) for the six urbanized areas of Kansas. The six state MPOs are: the Mid-America Regional Council (MARC) for the Kansas City area; the Wichita Area Metropolitan Planning Organization (WAMPO) that serves Sedgwick County and the Cities of Andover and Mulvane; the Metropolitan Topeka Planning Organization; the Lawrence-Douglas County Metropolitan Planning Office; the Flint Hills Metropolitan Planning Organization that serves the Cities of Manhattan, Ogden, Junction City, and Wamego; and the St. Joseph Area Transportation Study Organization that serves Doniphan County in the Cities of Wathena and Ellwood.

The STIP is available for review on KDOT's website at <https://www.ksdot.gov/about/publications-and-reports/state-transportation-improvement-program-stip> – select the draft FFY 2026-2029 STIP link. To receive a print copy of the draft STIP or to comment on the contents of the STIP, contact Lisa Roth at 785-296-0892 or Gene Ingwersen at 785-296-2252, in the Kansas Department of Transportation, Division of Program and Project Management, 2nd Floor Tower, Eisenhower State Office Building, 700 SW Harrison St., Topeka, KS 66603-3745; fax 785-296-8168.

The comment period for the draft STIP concludes on September 5, 2025.

A draft print STIP document is, also, available for review at the following locations:

Request for Proposals

106 P-1773-26–Transportation Asset Management Plan update 2026

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in Table 1 below. Interested consultants must submit a proposal as laid out herein by 12:00 p.m. (Central Time) August 27, 2025, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in the following category(s):

- 162 – Long Range Planning

If a firm is not currently prequalified by KDOT in any of the required categories, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this solicitation for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <https://www.ksdot.gov/doing-business/design-consultants/design-consultant-prequalification>. Consultants may create a team to meet the pre-qualification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background of Project

Under the FAST Act, Congress specified that each state must prepare a risk-based Transportation Asset Management Plan (TAMP) covering, at a minimum, pavement and bridge assets on the national highway system. The Federal Highway Administration (FHWA) requires states to update their TAMP on a four-year cycle, with particular emphasis on updating the 10-year financial plan. The goal of this project is to update the 2022 TAMP, in advance of the March 28, 2027, deadline.

Anticipated Consultant Scope

Scope of Services to be Performed-Planning Study Services (Including: EA/EIS).

KDOT anticipates the following to be included in the consultant's scope. The TAMP should include the necessary components required by FHWA, including, but not limited to:

- An update on asset conditions.
- An updated risk register, developed with input from KDOT management.
- An updated 10-year financial plan.
- Investment strategies for pavement, bridge, and any other included assets.
- Address the FHWA critique of the current TAMP.

It is expected that local units of government owning and/or maintaining national highway system assets in Kansas, and the Kansas Turnpike Authority, will be included and consulted in the preparation of this TAMP.

The scope included herein may not be all-inclusive. A scoping meeting will take place after consultant selection is made.

Anticipated Schedule and Key Dates

- 1. Proposals are due by or before 12:00 p.m. (Central Time) August 27, 2025.
- 2. Ranking of proposals is expected to occur on or around August 29, 2025. Negotiations with the most highly ranked firm are expected to begin on or around September 5, 2025. An executed agreement is anticipated around September 26, 2025.
- 3. The program fiscal year for this project is FY2026 (July 2025 – June 2026).
- 4.

Instructions for Proposal

- 1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
- 2. The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
- 3. A single PDF (10 MB maximum size) of the proposal must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
- 4. The proposal PDF file name must read:
 - a. “P-1773-26–Transportation Asset Management Plan update 2026 FIRM NAME”
- 5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”), No. 10 (“Policy Regarding Sexual Harassment”), and No. 12 (“Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.
- 6. The outline in Table 1 below describes the expected proposal organization and content sections.
- 7. Depending on the number and quality of responses received, KDOT anticipates shortlisting (based on proposals) and holding interviews prior to final selection (which may be based on both proposal and interview content). If KDOT deems interviews to be necessary, interview details and requirements and evaluation criteria for the interview will be distributed to shortlisted consultant teams in advance.
- 8. Table 2 lists the evaluation criteria and associated weights which will be used to shortlist respondents and may be considered in final selection.

Multiple Projects: Construction Inspection Services; Released August 2025

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm, or team of firms, to perform construction inspection services on multiple projects in various counties. Summary information for each project is provided below in Table 1.

Interested consultants must upload a proposal by 12:00 p.m. (Central Time) August 27, 2025, to the Bid Express page to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in the following category(s):

- 241 – Construction Inspection and Testing

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <https://www.ksdot.gov/doing-business/design-consultants/design-consultant-prequalification>. Consultants may create a team to meet the pre-qualification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Projects

With this single solicitation, KDOT is requesting consulting services for construction inspections on the projects listed in Table 1. This table provides summary information for each project. One consultant will be selected to perform services associated with each group listed. Firms can express interest in the groups for which they would like to be considered by submitting a response as indicated below. There is no guarantee that a firm which has expressed interest will be selected for any project(s).

Table 1: Summary of Project Information

Group	RT-CO	Project #	Scope, County	Anticipated Start	Working Days or CCD	Office	Comments

25601	U083-028	KA-1008-04	Grading and Surfacing, Finney	October 6, 2025	December 31, 2027	Syracuse/ Garden City	Consultant will provide a lead inspector for the project, which includes some training of newer KDOT inspectors along with all final paperwork.

Additional project information including construction scope to be inspected, a detailed description of the project location, and resources and inspection scope specifically requested from consultants in this request can be viewed in an online table at <https://ike.ksdot.gov/about/construction-inspection-rfps>. Upon publication of this Request for Proposals, KDOT anticipates each of these inspection efforts will require full teams (project manager and inspectors, as opposed to single role staff augmentation as is occasionally request) for various types of construction inspection except as noted in the table. Watch the website linked above for updated information. Tabulated information (both in this Request for Proposals and on the website) shall not be relied upon during inspections. It is provided for the convenience of consultants, specifically to aid in making decisions about which projects they are interested in performing.

Specific project needs are subject to modification and/or cancellation at KDOT's discretion.

Anticipated Consultant Scope

The scope of construction inspection services and certifications required will vary for each project and are listed in the table available on the website noted above. Inspection efforts will be managed out of the offices listed. Also included for the convenience of consultants are indications of which grouped projects are currently slated to be performed by the same contractors.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) August 27, 2025.
2. Ranking of proposals is expected to occur on or around August 29, 2025. Negotiations with the most highly ranked firm are expected to begin on or around September 5, 2025. An executed agreement is anticipated shortly thereafter.
3. Anticipated scope starts dates and working days or anticipated calendar completion dates are shown in the table. All dates are subject to change.

Instructions for Proposal

- 1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
- 2. The consultant’s proposal must not exceed the page limit laid out in Table 2 below (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be counted as two or more pages depending on size.
- 3. A single PDF (10MB maximum size) of the proposal including all attachments must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
- 4. The proposal PDF file name must read:
 - a. “ConstInsp Multiple Projects_2025.08 Release FIRM NAME”
- 5. The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”); No. 10 (“Policy Regarding Sexual Harassment”) and No. 12 (“Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. All attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.
- 6. The outline in Table 2 below describes the expected proposal organization, content sections, and limits on number of pages.
 - a. Each team is limited to a single, one-page cover letter.
 - b. Consultants may indicate interest in any and all projects, indicate preference (s) for up to three projects, and shall both indicate interest and preferences on the “August 2025 Construction Inspections Interest & Preference Form is provided on the Bid Express page to complete and upload. Also, consultants are to use the bottom of that form to indicate any capacity limitations that need to be taken into account when making selections.
 - c. Thereafter, each team is limited to two pages per project in which they express interest. In these pages, consultants shall:
 - i. Describe the approach they plan to execute to deliver success on the project.
 - ii. Present the relevant qualifications and experience of the people they are proposing will provide the services.
 - iii. Provide the firm’s familiarity with KDOT and the project area.
 - d. Finally, consultants are limited to a single, on-page descriptions of general qualifications (“Past Performance” selection plus “Approach to Quality Control” section) regardless of the number of projects in which they are expressing interest.
- 7. Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.
- 8. Although not anticipated at this time, KDOT reserves the right to interview for the requested services associated with any of the listed projects prior to making final selections.

Request for Comments

The following Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF-IID) cost center limits are being set forth for public comment. Comments should be sent to Sheri Jurad, Director of Nursing Facility and Adult Care Home Programs at sheri.jurad@ks.gov, and Trescia Power, Program Finance Oversight Manager at trescia.power@ks.gov, or my mail to Kansas Department for Aging and Disability Services (KDADS), 503 Kansas Ave., Topeka, KS 66603. The comment period will expire 30 days from the publication of this notice.

K.A.R. 30-10-214 provides for the annual review and adjustment of Class II ICF-IID cost center limits, approved by the secretary of KDADS or designee, based on current cost information supplied by the enrolled, licensed providers of ICF-IID services, and formula set forth in the Kansas State Medicaid Plan (Attachment 4.19-D, Part II, Subpart O, page 1). The formula is as follows: Total allowable costs, including an inflation factor, are compared to the amount to be reimbursed under the current limits.

The formula threshold requires that 60 percent of all ICF-IIDs are reimbursed 90 percent of their allowable costs. If less than 60 percent of the facilities are reimbursed at 90 percent of their allowable costs, then the cost center limits are adjusted until the threshold is met. The inflation factor is based on the IHS Global Insight, National Skilled Nursing Facility Market Basket Without Capital Index (IHS Index).

To determine where to make the adjustments, two major cost centers are analyzed according to the following prescription:

- Administrative costs are based on facility size.
- Habilitation costs are based on facility size and level of care (LOC).

The cost analysis for SFY2026 demonstrates 100 percent of the Class II ICF-IIDs are being reimbursed at 90 percent or more of their allowable costs. Per the state plan, the analysis indicates that adjustments are not required.

Recommendations

Based on cost report analysis, available funding and to incentivize providers that care for high acuity residents, seven Habilitation levels are used and cost center limits for Class II ICF-IIDs are as follows:

Levels	Converted DDP Scores
Level I	225-and up
Level II	200-224.99
Level III	175-199.99
Level IV	150-174.99
Level V	125-149.99
Level VI	100-124.99
Level VII	75-99.99

Facility

Size	Level I	Level II	Level III	Level IV	Level V	Level VI	Level VII
A. +16 beds	\$224.65	\$197.06	\$172.86	\$164.71	\$ 156.98	\$149.64	\$142.65

C. 4-8 beds	\$324.11	\$284.30	\$249.39	\$237.42	\$ 226.04	\$215.24	\$204.98

Administrative per diem limits are based on the size of the facility, using the same classes as referred to above.

Administrative Per Diem Limits

- A. \$26.92
- B. \$44.68
- C. \$50.18

Fiscal Impact

Due to changes to inflation factors and per diem limits, the estimated annual cost increase is \$19,585.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be held at 9:00 a.m. August 26, 2025, in the offices of Kansas Development Finance Authority, 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the Kansas Development Finance Authority to issue its Agricultural Development Revenue Bonds for the Project(s) numbered below, in the respective maximum principal amounts. The Bond(s) will be issued to assist the respective Borrower (the "Beginning Farmer") named below (who will be the owner and operator of the respective Project) to finance the cost in the amount of the Bond, which is then typically purchased by a lender bank ("Lender") who then through Kansas Development Finance Authority, loans the bond proceeds to the Borrower for the purposes of acquiring the respective Project(s) as described below. Each Project shall be located as shown:

Project No. 001176 Maximum Principal Amount: \$306,000. Owner/Operator: Eric Nolte; Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Eric Nolte (the "Beginning Farmer") and is located at the North Half of the Northeast Quarter of Section 22, Township 4, Range 12, Nemaha County, Kansas, approximately 2 miles north and 1 mile west of Corning, Kansas at the intersection of 72nd and K Road.

Project No. 001177 Maximum Principal Amount: \$175,329.94. Owner/Operator: Joseph and Taylor Kennedy; Description: Acquisition of 44.98 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Joseph and Taylor Kennedy (the "Beginning Farmer") and is located in Section 10, Township 7, Range 13 East, Jackson County, Kansas, near the intersection of K-16 Hwy. and E Road, Soldier, Kansas.

Each Bond when issued, will be a limited obligation of the Kansas Development Finance Authority and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, including the Authority, nor will it be an indebtedness for which the faith and credit and taxing powers of the State of Kansas are pledged, but each Bond will be payable solely and only from amounts received from the respective Borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on each Bond as and when it shall become due.

Interested individuals may participate in the public hearing in person or via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

At the time and place fixed for the hearings, all individuals who appear will be given an opportunity to express their views for or against the proposal to issue any specific Bond for the purpose of financing the respective Project, and all written comments previously filed with the Authority at its offices at Suite 800, 534 S. Kansas Ave., Topeka, KS 66603, will be considered. Additional information regarding any of the projects described above may be obtained by contacting the Authority at the address of its offices shown above.
