Notice of Proposed Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. Notice of Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Tallgrass Interstate Gas Transmission, LLC – Lakin Station has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Tallgrass Interstate Gas Transmission, LLC – Lakin Station, 370 Van Gordon St., Lakewood, CO 80228, owns and operates a pipeline transportation and natural gas transmission facility located at 2089 Road 130, Lakin, Kearny County, KS 67860.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southwest District Office, 302 W. McArtor Rd., Dodge City, KS 67801. To obtain or review the proposed permit and supporting documentation, contact Emilee Agnew at the central office of KDHE at 785-296-1581, or Ethel Evans at the Southwest District Office at 620-356-1075. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Emilee Agnew, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, March 9, 2026.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Emilee Agnew, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, March 9, 2026, in order for the Secretary of Health and Environment to consider the request.

The United States Environmental Protection Agency (USEPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the USEPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the USEPA to review the permit. The 60-day public petition period will directly follow the USEPA 45-day review period.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, USEPA, Region 7, Air Permitting and Standards Branch, 11201 Renner Blvd., Lenexa, KS 66219, phone 913-551-7960, to determine when the 45-day USEPA review period ends and the 60-day petition period commences.

The preceding notice refers to the air permit for Tallgrass Interstate Gas Transmission, LLC – Lakin Station located at 2089 Road 130, Lakin, Kearny County, KS 67860. Aviso sobre una propuesta de Renovación de un permiso de funcionamiento Clase I con potencial impacto en la calidad del aire de Kansas

Por medio del presente aviso, se notifica que el Departamento de Salud y Medio Ambiente de Kansas (KDHE, por sus siglas en inglés) solicita comentarios con respecto a una propuesta de un permiso de funcionamiento con potencial impacto en la calidad del aire. 0930012 ha solicitado la renovación del permiso de funcionamiento Clase I de acuerdo a lo establecido en K.A.R. 28-19-510 y otros. El propósito de un permiso de Clase I es identificar las fuentes y los tipos de contaminantes del aire regulados que emite la instalación; las limitaciones, normas y requisitos de emisión aplicables a cada fuente; y los requisitos de control, mantenimiento de registros y presentación de informes aplicables a cada fuente a partir de la fecha de vigencia de la emisión del permiso.

0930012, 370 Van Gordon St., Lakewood, CO 80228, posee y opera transporte por ductos y transmisión de gas natural con domicilio en 2089 Road 130 Lakin, KS 67860.

El público podrá consultar una copia del permiso propuesto, de la solicitud del permiso, de toda la documentación de respaldo y de toda la información utilizada durante el proceso de revisión de la solicitud de permiso durante el horario de atención habitual (de 8:00 a. m. a 5:00 p. m.) en el Departamento de Salud y Medio Ambiente de Kansas (KDHE), Oficina de Calidad del Aire (Bureau of Air, BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, y en la KDHE Oficina de Distrito Suroeste, 302 W. McArtor Rd., Dodge City, KS 67801. Para obtener o revisar el permiso propuesto y la documentación de respaldo, comuníquese con Emilee Agnew al 785-296-1581, en la oficina central del KDHE o Ethel Evans 620-356-1075 en la KDHE Oficina de Distrito Suroeste. Se aplicará el costo departamental estándar para cualquier copia solicitada. La propuesta de permiso, junto con la información de respaldo, está disponible, de forma gratuita, en el sitio web de notificaciones públicas de KDHE BOA en <https://www.kdhe.ks.gov/413/Public-Notices>.

Dirija sus comentarios o preguntas por escrito sobre el permiso propuesto a Emilee Agnew, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. A fin de que se tengan en cuenta para la formulación de una decisión final sobre el permiso, los comentarios se deben presentar por escrito a más tardar al mediodía del lunes, 9 de marzo.

Una persona puede solicitar que se celebre una audiencia pública en relación con el permiso propuesto. La solicitud de audiencia pública deberá hacerse por escrito y expresar el fundamento de la solicitud. La solicitud por escrito debe presentarse a Emilee Agnew, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, a más tardar al mediodía del lunes, 9 de marzo para que la Secretaría de Salud y Medio Ambiente considere la solicitud.

La Agencia de Protección Medioambiental de los Estados Unidos (USEPA, por sus siglas en inglés) tiene un período de revisión de 45 días, que comenzará simultáneamente con el período de comentarios del público, dentro del cual puede objetar el permiso propuesto. Si la USEPA no ha objetado por escrito la emisión del permiso dentro del período de revisión de 45 días, cualquier persona puede solicitar al administrador de la USEPA que revise el permiso. El período de petición pública de 60 días seguirá directamente al período de revisión de 45 días de la USEPA.

Cualquier petición de este tipo se basará únicamente en objeciones al permiso que se hayan planteado con especificidad razonable durante el período de comentarios del público previsto en este aviso, a menos que el peticionario demuestre que era impracticable plantear dichas objeciones dentro de dicho período, o a menos que los motivos para tal objeción hayan surgido después de dicho período. Póngase en contacto con Ward Burns, USEPA, Región 7, Subdivisión de Autorizaciones y Normativa de la Legislación Atmosférica, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, para determinar cuándo finaliza el período de revisión de 45 días de la USEPA y comienza el período de petición de 60 días.

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in Table 1 below. Interested consultants must submit a proposal as laid out herein by 12:00 p.m. (Central Time) February 25, 2026, to be considered for selection.

Consultant Prequalification

Interested consulting firms must submit qualification in the following Right of Way Services requirements:

Right of Way Services former category 336, is no longer a prequalified category and not listed in the new blue book, this project however does require those services. Here are the qualifications that must be demonstrated to be considered qualified.

Right of Way Services

Development of the Existing Highway Right of Way Features and Preparation the proposed Highway Right of Way. The Bureau of Right of Way will assist in the activities between the consultant and the Bureau of Design to expedite the consultant's development of the existing highway right features and preparation of the legal description for the proposed highway right of way. The consultant shall use the electronic data processing techniques in design and plan preparation and said data files shall be organized as described in KDOT's Graphic Standards Manuals; delivered Intergraph's CADD files in the most current version of Microstation; and conform with the standard practices as described in the Bureau of Right of Way – Engineering Section Manual.

The Bureau of Right of Way will provide the consultant (if not turnkey) with the following items as they become available in the course of the project development: Field Survey notes; project plans; strip map with tracts enumerated; certificates of title; available graphic files in the form of an Intergraph CADD design file in the current version of Microstation; and at the proper time, coordination with the Bureau of Design for establishing final right of way.

Qualifications

The consultant must be staffed with a licensed land surveyor from the State of Kansas who is directly responsible for the services.

Firms will need to present their qualifications for this category on the two-page KDOT consultant qualification form, Included with this Request for Proposals.

If a firm is not currently prequalified by KDOT in any required categories, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this solicitation for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <https://www.ksdot.gov/doing-business/design-consultants/design-consultant-prequalification>. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Projects

With this single solicitation, KDOT is requesting consulting services for proposed right of way services on the projects listed in Table 1. This table provides summary information for each project. One consultant will be

Kansas Register

Volume 45 - Issue 6 - February 5, 2026

[Table of Contents](#)

selected to perform services associated with each project listed. Firms can express interest in the project for which they would like to be considered by submitting a response as indicated below. There is no guarantee that a firm which has expressed interest will be selected for any project(s).

Anticipated Consultant Scope

KDOT anticipates the following to be included in the consultant's scope.

Right of Way Services

The proposed right of way projects listed in Table 1 below provides general project information. See attachment on page 6, that includes the detailed scope for the projects. Also, see the attached 883's for each project for further reference.

Table 1: Summary of Project Information

County	RT-CO	Project #	Project Type	Tracts	BROW Letting Date	KDOT Letting Date
Johnson	435-46	KA-6519-01	2 Bridge replacements/rehabilitation	4	April 9, 2026	February-2027
Clark	160-13	KA-7035-01	Single Bridge replacement/rehabilitation	4	July 8, 2026	May-2028
Shawnee	470-89	KA-7039-01	Multiple Bridge replacements/rehabilitation	24	December 28, 2026	April-2029

KDOT, at the Secretary's discretion, reserves the right to retain for subsequent consulting services the consultant selected to provide services associated with this RFP. The scope attached is not all inclusive.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) February 25, 2026.
2. Ranking of proposals is expected to occur on or around February 27, 2026. Negotiations with the most highly ranked firm are expected to begin on or around March 20, 2026. An executed agreement is anticipated around April 17, 2026.
3. The program fiscal year for this project is FY2026 (July 2025–June 2026).

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant's proposal must not exceed the page limit laid out in Table 3 below (including any cover letter, index, etc.). Page limit includes the requested Consultant Qualification Form for removed category(s). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (10 MB maximum size) of the proposal must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The proposal PDF file name must read:
 - a. "Proposed ROW Multiple Projects 2026.02_FIRM NAME"
5. The proposal must be accompanied by Special Attachments No. 8 ("Tax Clearance Certificate"), No. 10 ("Policy Regarding Sexual Harassment"), and No. 12 ("Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems"). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.

6. The outline in Table 2 below describes the expected proposal organization, content sections, and limits on number of pages.
 - a. Each team is limited to a single, one-page cover letter.
 - b. Consultants may indicate interest in any and all projects, indicate preference (s) for up to three projects, and shall both indicate interest and preferences on the "February 2026 Proposed Right of Way Services Interest & Preference Form that is provided on the Bid Express page to complete and upload. Also, consultants are to use the bottom of that form to indicate any capacity limitations that need to be taken into account when making selections.
 - c. Thereafter, each team is limited to two pages per project in which they express interest. In these pages, consultants shall:
 - i. Describe the approach they plan to execute to deliver success on the project, including approach to schedule.
 - ii. Present the relevant qualifications and experience of the people they are proposing will provide the services.
 - iii. Provide the firm's familiarity with KDOT and the project area.
 - d. Finally, consultants are limited to a single, on-page descriptions of general qualifications ("Past Performance" selection plus "Approach to Quality Control" section) regardless of the number of projects in which they are expressing interest.
7. Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Although not anticipated at this time, KDOT reserves the right to interview for the requested services associated with any of the listed projects prior to making final selections.
9. Table 4 lists the evaluation criteria and associated weights which will be used to shortlist respondents and may be considered in final selection.

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in Table 1 below. Interested consultants must submit a proposal as laid out herein by 12:00 p.m. (Central Time) February 25, 2026, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category(s):

- 211 – Highway Design–Major Facility
- 222 – Structural Design
- 231 – Traffic Control Analysis and Design
- 301 – Land Surveying
- 401 – Landscape Seeding and Erosion Control
- 411 – Pedestrian and Bicycle Facility Design

If a firm is not currently prequalified by KDOT in any of the required categories, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this solicitation for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <https://www.ksdot.gov/doing-business/design-consultants/design-consultant-prequalification>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Project

A US-69 Highway Corridor Study was done under project 69-19 KA-7212-01. The study was completed in the Fall of 2025.

View the study at <https://www.ksdot.gov/projects/southeast-kansas-projects/u-s-69-highway-study-in-crawford-county-2024>.

The scope of the study included:

- Traffic and safety analysis for the US-69 corridor including projections, modeling and crash data.
- Development and evaluation of improvement alternatives using traffic modeling, cost estimates, and environmental assessments.
- Public outreach efforts to gather input to support decision-making.
- Preparation of a final report summarizing all analyses, alternatives, public input, and recommended improvements for future implementation.

The scope of Project 69-19 KA-7212-05 is the preliminary design of Intersection and Corridor Improvements that were developed from the U.S. Highway Study in Crawford County. Below are the intersection and corridor locations:

1. West Atkinson Road and East Atkinson Road Intersection.

Multiple Projects: Construction Inspection Services; Released February 2026

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm, or team of firms, to perform construction inspection services on multiple projects in various counties. Summary information for each project is provided below in Table 1.

Interested consultants must upload a proposal by 12:00 p.m. (Central Time) February 25, 2026, to the Bid Express page to be considered for selection.

Consultant Prequalification

Consulting firms interested in providing service on any project listed below must be pre-qualified by KDOT in the following category(s):

- 241 – Construction Inspection and Testing

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <https://www.ksdot.gov/doing-business/design-consultants/design-consultant-prequalification>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Projects

With this single solicitation, KDOT is requesting consulting services for construction inspections on the projects listed in Table 1. This table provides summary information for each project. One consultant will be selected to perform services associated with each group listed. Firms can express interest in the groups for which they would like to be considered by submitting a response as indicated below. There is no guarantee that a firm which has expressed interest will be selected for any project(s).

Additional project information including construction scope to be inspected, a detailed description of the project location, and resources and inspection scope specifically requested from consultants in this request can be viewed in an online table at <https://ike.ksdot.gov/about/construction-inspection-rfps>. Upon publication of this Request for Proposals, KDOT anticipates each of these inspection efforts will require full teams (project manager and inspectors, as opposed to single role staff augmentation as is occasionally request) for various types of construction inspection except as noted in the table. Watch the website linked above for updated information. Tabulated information (both in this Request for Proposals and on the website) shall not be relied upon during inspections. It is provided for the convenience of consultants, specifically to aid in making decisions about which projects they are interested in performing.

Specific project needs are subject to modification and/or cancellation at KDOT's discretion.

Anticipated Consultant Scope

The scope of construction inspection services and certifications required will vary for each project and are listed in the table available on the website noted above. Inspection efforts will be managed out of the offices listed. Also included for the convenience of consultants are indications of which grouped projects are currently slated to be performed by the same contractors.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (Central Time) February 25, 2026.
2. Ranking of proposals is expected to occur on or around February 27, 2026. Negotiations with the most highly ranked firm are expected to begin on or around March 6, 2026. An executed agreement is anticipated shortly thereafter.
3. Anticipated scope starts dates and working days or anticipated calendar completion dates are shown in the table. All dates are subject to change.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant's proposal must not exceed the page limit laid out in Table 2 below (including any cover letter, index, etc.). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be counted as two or more pages depending on size.

Kansas Register

Volume 45 - Issue 6 - February 5, 2026

3. A single PDF (10MB maximum size) of the proposal including all attachments must be uploaded to the appropriate bid form on Bid Express by the proposal due date and time.
4. The proposal PDF file name must read:
 - a. "ConstInsp Multiple Projects_2026.02 Release FIRM NAME"
5. The proposal must be accompanied by Special Attachments No. 8 ("Tax Clearance Certificate"); No. 10 ("Policy Regarding Sexual Harassment") and No. 12 ("Certification of Company Not Currently Engaged in the Procurement or Obtainment of Certain Equipment, Services, or Systems"). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. All attachments are required for every firm involved in a multi-consultant team. Upload these files as instructed in Bid Express.
6. The outline in Table 2 below describes the expected proposal organization, content sections, and limits on number of pages:
 - a. Each team is limited to a single, one-page cover letter.
 - b. Consultants may indicate interest in any and all projects, indicate preference (s) for up to three projects, and shall indicate both interest and preferences on the "February 2026 Construction Inspections Interest & Preference Form" that is provided on the Bid Express page to complete and upload. Also, consultants are to use the bottom of that form to indicate any capacity limitations that need to be taken into account when making selections.
 - c. Thereafter, each team is limited to two pages per project in which they express interest. In these pages, consultants shall:
 - i. Describe the approach they plan to execute to deliver success on the project.
 - ii. Present the relevant qualifications and experience of the people they are proposing will provide the services.
 - iii. Provide the firm's familiarity with KDOT and the project area.
 - d. Finally, consultants are limited to a single, on-page descriptions of general qualifications ("Past Performance" selection plus "Approach to Quality Control" section) regardless of the number of projects in which they are expressing interest.
7. Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.
8. Although not anticipated at this time, KDOT reserves the right to interview for the requested services associated with any of the listed projects prior to making final selections.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be held at 9:00 a.m. February 24, 2026, in the offices of Kansas Development Finance Authority, 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the Kansas Development Finance Authority to issue its Agricultural Development Revenue Bonds for the Project(s) numbered below, in the respective maximum principal amounts. The Bond(s) will be issued to assist the respective Borrower (the "Beginning Farmer") named below (who will be the owner and operator of the respective Project) to finance the cost in the amount of the Bond, which is then typically purchased by a lender bank ("Lender") who then through Kansas Development Finance Authority, loans the bond proceeds to the Borrower for the purposes of acquiring the respective Project(s) as described below. Each Project shall be located as shown:

Project No. 001191 Maximum Principal Amount: \$402,310. Owner/Operator: Curtis A. Hansen; Description: Acquisition of 157 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Curtis A. Hansen (the "Beginning Farmer") and is located at the Northeast Quarter of Section 25, Township 2, Range 4, Republic County, Kansas, approximately 4 miles west and 2.5 miles north of the US-36 Highway and Main Street intersection in Belleville, Kansas.

Each Bond when issued, will be a limited obligation of the Kansas Development Finance Authority and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, including the Authority, nor will it be an indebtedness for which the faith and credit and taxing powers of the State of Kansas are pledged, but each Bond will be payable solely and only from amounts received from the respective Borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on each Bond as and when it shall become due.

Interested individuals may participate in the public hearing in person or via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

At the time and place fixed for the hearings, all individuals who appear will be given an opportunity to express their views for or against the proposal to issue any specific Bond for the purpose of financing the respective Project, and all written comments previously filed with the Authority at its offices at Suite 800, 534 S. Kansas Ave., Topeka, KS 66603, will be considered. Additional information regarding any of the projects described above may be obtained by contacting the Authority at the address of its offices shown above.

Kansas Wildlife and Parks Commission

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted by the Kansas Wildlife and Parks Commission (the Commission) at 12:00 p.m. Thursday, April 9, 2026, at the Docking State Office Building, 915 SW Harrison St., Room 360, Topeka, KS 66612, to consider the approval and adoption of proposed administrative regulations of the Kansas Department of Wildlife and Parks. Other Commission business will follow and will include general discussions, which may include educational presentations, workshop sessions, and public comment opportunity following the public hearing. The meeting will continue until all business is complete. The public hearing will be conducted in person and via video conferencing system.

This 60-day notice period prior to the hearing constitutes the public comment period for the purpose of receiving written public comments on the proposed administrative regulations. All interested parties may submit written comments prior to the hearing to the Chair of the Commission, Kansas Department of Wildlife and Parks, 1020 S. Kansas Ave., Suite 200, Topeka, KS 66612, or to megan.deters@ks.gov, if submitted electronically. All interested parties will be given a reasonable opportunity at the hearing to express their views orally regarding the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the Commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

Copies of the complete text of the regulations and economic impact statement may be obtained by writing the Chair of the Commission at the address above, may be accessed electronically on the Department's website at <http://www.ksoutdoors.gov>, or by calling 785-296-6373.

Any individual with a disability may request an accommodation to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least ten (10) business days in advance of the hearing by contacting Megan Deters at 785-296-6373. Anyone with a hearing impairment may call the Kansas Commission for the Deaf and Hard of Hearing at 800-432-0698 to request special accommodations.

Summaries of the proposed regulations and their economic impact follow. (Note: Statements indicating that "The proposed amendment/new regulation will have minor to no economic impact" are intended to indicate that no economic impact on the Commission, other state agencies, persons subject to the proposed regulations, or the general public have been identified.)

K.A.R. 115-7-1

This permanent regulation establishes the legal equipment and methods for taking fish. The regulation is being changed to provide anglers a new opportunity to snag invasive fish species, particularly Bighead and Silver Carp in the Kansas River. Other structural changes to the regulation are being made to make it more understandable to the public.

Economic Impact

No substantial negative economic impact to the department, other state agencies, small businesses, or individual members of the public is anticipated.

K.A.R. 115-7-4

This permanent regulation sets the legal methods for possessing and processing fish. The regulation is being changed to clarify that common carp and prohibited fish species may be returned dead to the water from which they were taken.
