Notice of Hearing

The Kansas Department of Health and Environment (KDHE) announces a public hearing on the 2026 Kansas 303(d) List of Impaired Waters. Section 303(d) of the Clean Water Act requires States to biennially prepare a list of waters failing to meet state water quality standards. Such waters are required to have total maximum daily loads (TMDLs) prepared by the state to restore their water quality. A total maximum daily load is the maximum amount of the impairing pollutant that can enter the water without causing a violation of its water quality standards.

Since 1999, Kansas has developed TMDLs for impaired surface waters in each of the state's 12 river basins. KDHE develops and revises TMDLs for selected impairments identified in the current Section 303(d) list by prioritizing watersheds or waters for restoration and protection. The draft 2026 Kansas 303(d) List will emphasize nutrient reductions, including an initial designation of TMDLs to be developed over the next two years. The list and its methodology will be made available prior to the hearing at <https://www.kdhe.ks.gov/1219/303d-Methodology-List-of-Impaired-Waters>.

The public hearing will open with a brief summary of the list and its methodology as it pertains to the waters of the state. It is requested that each individual giving oral comments provide a written copy of the comment for the record by email or postal mailing address listed in this notice or by fax to the fax number also listed in this notice. In order to give each individual an opportunity to present their comment, it may be necessary for the hearing officer to request that each presenter limit an oral presentation of comment to an appropriate time frame. KDHE will prepare a response to all public comments and revise the draft list as necessary. KDHE will submit the list, the methodology, and any public comments with KDHE's response to Region 7 of the U.S. Environmental Protection Agency by April 1, 2026.

The public hearing will be held:

Date: March 25, 2026

Time: 10:00 a.m.

Register: https://us02web.zoom.us/webinar/register/WN_AKapsIBXTI6DwNQYwie2VQ

Any individual with a disability may request accommodation in order to participate in the public hearing process and may request the provided documents in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting KDHE. Requests, questions, or written comments should be directed to Ryan Brice, Policy Planning & Standards Unit Chief of the Bureau of Water at 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367; by email at ryan.brice@ks.gov; or by telephone at 785-296-0491.

El Departamento de Salud y Medio Ambiente de Kansas (Kansas Department of Health and Environment, KDHE) anuncia una audiencia pública sobre la Lista 303(d) de Aguas Dañadas de Kansas de 2026. La sección 303(d) de la Ley de Agua Limpia requiere que los Estados elaboren cada dos años una lista de las aguas que no cumplen con los Estándares Estatales de Calidad del Agua. Dichas aguas deben tener Cargas Diarias Máximas Totales (Total Maximum Daily Loads, TMDLs) preparadas por el Estado para restaurar la calidad del agua. Una Carga Diaria Máxima Total (Total Maximum Daily Load, TMDL) es la cantidad máxima de contaminante perjudicial que puede entrar en el agua sin causar una violación de sus estándares de calidad del agua.

Desde 1999, Kansas ha desarrollado TMDLs para aguas superficiales deterioradas en cada una de las 12 cuencas fluviales del Estado. KDHE desarrolla y revisa TMDLs para impedimentos seleccionados identificados en la lista actual de la Sección 303 (d) al priorizar las cuencas hidrográficas o las aguas para su restauración y protección. El proyecto de la Lista 303(d) de Kansas de 2026 enfatizará las reducciones de nutrientes, incluida una designación inicial de TMDLs que se desarrollará durante los próximos dos años. La lista y su metodología estarán disponibles antes de la audiencia aquí en <https://www.kdhe.ks.gov/1219/303d-Methodology-List-of-Impaired-Waters>.

La audiencia pública se abrirá con un breve resumen de la lista y su metodología en lo que respecta a las aguas del Estado. Se solicita que cada persona que haga un comentario oral proporcione una copia escrita del comentario para que conste en el registro por correo electrónico o dirección de correo postal que figura en este aviso o por fax al número de fax que también se indica en este aviso. Con el fin de dar a cada individuo la oportunidad de presentar su comentario, puede ser necesario que el funcionario de audiencias solicite que cada presentador limite la presentación oral de un comentario a un período de tiempo apropiado. KDHE preparará una respuesta a todos los comentarios públicos y revisará la lista de proyecto según sea necesario. KDHE enviará la lista, la metodología y cualquier comentario público con la respuesta del KDHE a la Región 7 de la Agencia de Protección Ambiental de Estados Unidos el 1 de abril de 2026.

La audiencia pública se llevará a cabo:

Fecha: 25 de marzo de 2026

Hora: 10:00 am

Regístrese: https://us02web.zoom.us/webinar/register/WN_AKapsIBXTI6DwNQYwie2VQ

Cualquier persona con una discapacidad puede solicitar adaptaciones para participar en el proceso de audiencia pública y podrá solicitar los documentos proporcionados en un formato accesible. Las solicitudes de adaptación para participar en el proceso de audiencia deben hacerse al menos cinco días hábiles antes de la audiencia, poniéndose en contacto con KDHE. Las solicitudes, preguntas o comentarios por escrito deben dirigirse a Ryan Bryce de la Unidad de Normas y Planificación de Políticas de la Oficina de Agua de KDHE en la siguiente dirección: 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367; Por correo electrónico en ryan.brice@ks.gov; Por teléfono en 785-296-0491.

To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

KDOT will only accept electronic internet proposals using the Bid Express website at <https://bidx.com/ks/main> until 1:00 p.m. (Central Time) on letting day. (2) The governmental entity subject to the complaint shall provide to the attorney general any information the attorney general requests in connection with the investigation of the complaint, including, but not limited to:

(A) Supporting documents related to the complaint; and

(B) a statement on whether the governmental entity has complied or intends to comply with this section.

(3) If the attorney general determines that legal action is warranted, the attorney general shall provide written notice to such governmental entity that:

(B) the amount of the proposed penalty for the violation; and

(C) the penalty may be avoided by curing the violation on or before the 15th day after the date the attorney general's notice is received.

(4) If a violation is not cured on or before the 15th day after the date the notice is received, the attorney general may bring an action to assess the civil penalty provided in subsection (d).

(g) (1) It shall be a violation of this section for an individual to enter a multiple-occupancy private space designated for use only by individuals of the opposite sex, except as permitted under subsection (b) or (c). Upon receipt of a complaint that an individual entered a multiple-occupancy private space in violation of this section, the governing body, or chief administrative officer if no governing body exists, shall investigate and, upon a finding that such individual violated this section, shall provide written notice of such violation to such individual. Such notice shall include:

(B) a statement that repeated violations may result in fines or criminal charges; and

(C) the procedure to administratively appeal the finding that such individual violated this section.

(2) Any individual who commits a second violation after being found to have violated this section pursuant to paragraph (1) shall be liable for a civil penalty of \$1,000. An action to assess such penalty may be brought by the attorney general if the violation occurred in a state building or by the county or district attorney for the county where the violation occurred if the violation occurred in a municipal building.

(3) Any individual who commits a third or subsequent violation shall be guilty of a class B misdemeanor.

(h) (1) Any individual who, while accessing a multiple-occupancy private space designated for use only by such individual's sex, is aggrieved by the invasion of such individual's personal privacy or is otherwise harmed by a violation of this section by an individual of the opposite sex may bring a cause of action against such individual of the opposite sex. In bringing such action, the individual may seek either actual damages or liquidated damages in the amount of \$1,000, as well as declaratory and injunctive relief.

(2) It shall be an affirmative defense to any claim brought pursuant to this subsection that the defendant did not know that the multiple-occupancy private space was designated for use only by individuals of the opposite sex to that of the defendant.

(3) All civil actions brought pursuant to this subsection shall be commenced within two years after the violation occurred. An individual bringing any such action who prevails shall recover reasonable attorney fees and costs.

(i) Any civil penalty collected by the attorney general pursuant to this section shall be deposited to the credit of the crime victims compensation fund established under K.S.A. 74-7317, and amendments thereto. Any civil penalty collected by a county or district attorney pursuant to this section shall be deposited to the credit of the general fund of the county where such action was brought.

Notwithstanding any provision of state law to the contrary, distinctions between the sexes with respect to athletics, prisons or other detention facilities, domestic violence shelters, rape crisis centers, locker rooms, restrooms and other areas where biology, safety or privacy are implicated that result in separate accommodations are substantially related to the important governmental objectives of protecting the health, safety and privacy of individuals in such circumstances.

Office of the Governor

Message from the Governor Regarding Veto of House Substitute for Senate Bill 244

This poorly drafted bill will have numerous and significant consequences far beyond the intent to limit the right for trans people to use the appropriate bathroom.

Under this bill:

If your grandfather is in a nursing home in a shared room, as a granddaughter, you would not be able to visit him.

If your wife is in a shared hospital room, as a husband, you would not be able to visit her.

If your sister is living in a dorm at K-State, as a brother, you would not be able to visit her in her room.

If you feel you have to accompany your nine-year-old daughter to the restroom at a sporting event, as a father, you would have to either enter the women's restroom with her or let her use the restroom alone.

I believe the Legislature should stay out of the business of telling Kansans how to go to the bathroom and instead stay focused on how to make life more affordable for Kansans.

Therefore, pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto House Substitute for Senate Bill 244.

Dated February 13, 2026.
