Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. **State of Kansas****Wichita State University****Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU) is interested in entering into a long-term ground lease, subject to all required state approvals, for approximately 1.4 acres of property located at 1741 and 1755 N. Hillside. The university is interested in leasing such property to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good and providing retail, restaurant, and service centers that would be desirable and beneficial to the international student community. The university intends to lease this property for any period of time up to 65 years, but extended terms and renewal options would be considered. Interested tenants must be willing to provide the university an option to lease back improved office/classroom/lab space up to 11,000 square feet. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. ### State of Kansas

### Office of the Governor

#### Executive Order 20-30 Displaying the Flag at Half-Staff

**WHEREAS**, Article 1 of the Kansas Constitution vests the executive power of the State of Kansas in the Governor;

**WHEREAS**, under Section 4 of Article VIII of the Kansas Constitution, the Governor is the commander-in-chief of Kansas' armed forces;

**WHEREAS**, under Section 7 of Chapter 1 of Title 4 of the United States Code, 4 U.S.C. § 7, by order of the President, the flag of the United States ("the flag") shall be displayed at half staff upon the death of principal figures of the United States and the governor of a state, territory or possession of the United States;

**WHEREAS**, in the event of the death of other officials or foreign dignitaries, the flag is to be displayed at half-staff according to Presidential instructions or orders, or in accordance with recognized customs or practices not inconsistent with the law;

**WHEREAS**, in the event of the death of a present or former official of the government of any state, territory, or possession of the United States, the governor of that state, territory, or possession may proclaim that the flag of the United States shall be displayed at half-staff;

**WHEREAS**, it is appropriate that the flag of the United States be displayed at half-staff on state buildings, grounds, and facilities as directed by the President or the Governor;

**WHEREAS**, it is particularly appropriate that the flag of the United States be displayed at half-staff throughout the State of Kansas as a mark of respect for the memory and in honor of the service of members of our Armed Forces killed in the line of duty and for first responders killed in the line of duty; and

(continued)

**WHEREAS**, it is desirable to provide direction for the uniform observance of this mark of respect to state departments and agencies and guidance to the people of the State of Kansas generally on such occasions.

**NOW, THEREFORE**, pursuant to the authority vested in me as Governor of the State of Kansas, I hereby order and direct:

1. DISPLAYING THE FLAG AT HALF-STAFF

- a. The flag of the United States shall be displayed at half-staff at state buildings, grounds, and facilities, as provided in this Order and as otherwise directed by the Governor.
- b. All requests to display the flag at half-staff at state buildings, grounds, and facilities and any questions from state departments or agencies relating to displaying the flag at half-staff shall be directed to legal counsel to the Governor.
- c. The Department of Administration shall assist the Office of the Governor with implementing this Order, communicating directions regarding displaying flags at half-staff, and assuring compliance by state departments and agencies.
- d. When this Order provides for the flag to be displayed at half-staff on a statewide basis, Kansas residents, businesses, schools, local governments, and other organizations also are urged to display the flag at half-staff.
- e. As provided by federal law, when displayed at half-staff, the flag of the United States should be first hoisted to the peak for an instant and then lowered to the half-staff position. The flag should be again raised to the peak before it is lowered for the day. On Memorial Day, the flag should be displayed at half-staff until noon only, then raised to the top of the staff.
- f. As provided by federal law, no other flag or pennant should be placed above or, if on the same level, to the right of the flag of the United States. No person shall display the flag of the United Nations or any other national or international flag equal, above, or in a position of superior prominence or honor to, or in place of, the flag of the United States. When flags of states, cities, or localities or pennants of societies are displayed on the same halyard with the flag of the United States, the flag of the United States should always be at peak. When flags are displayed from adjacent staffs, the flag of the United States should be hoisted first and lowered last. No flag of a state, city, locality, or pennant of a society may be placed above the flag of the United States or to the United States flag's right. When flags of two or more nations are displayed, they are to be displayed from separate staffs of the same height. The flags should be of approximately equal size. International usage forbids the display of the flag of one nation above that of another nation in time of peace. International usage also provides that the flag

of another nation should never be displayed at half-staff unless authorized by that nation.

- g. As used in this Order, the term "half-staff" means the position of the flag when it is one-half the distance between the top and bottom of the staff.

2. ANNUAL DAYS TO DISPLAY FLAG AT HALF-STAFF

- a. Consistent with federal law, the flag of the United States shall be displayed at half-staff throughout the State of Kansas on the following days each year:
  - i. Peace Officers Memorial Day, May 15 (36 U.S.C. §§ 136-137; Executive Order 2006-7).
  - ii. Memorial Day, the last Monday in May, until noon only (4 U.S.C. § 7).
  - iii. Patriot Day, September 11 (36 U.S.C. § 144).
  - iv. Pearl Harbor Remembrance Day, December 7 (36 U.S.C. § 129; Executive Order 2005-27).
  - v. National Fallen Firefighters Memorial Day, October 3 (Public Law 107-51).

3. HONORING MEMBERS OF OUR ARMED FORCES

- a. Because members of our armed forces voluntarily forego comfort and wealth to face hardships and deployments away from family and loved ones while defending our nation's security, the State of Kansas recognizes the duty, honor, and selfless service of all military personnel and remembers those who have given the ultimate sacrifice by laying down their lives to defend the freedoms the United States of America holds so dear.
- b. The flag of the United States shall be displayed at half-staff throughout the State of Kansas on a day designated by the Governor when any of the following occurs:
  - i. A member of the Kansas National Guard is killed in the line of duty.
  - ii. A member of the Kansas Air National Guard is killed in the line of duty.
  - iii. A Kansas resident serving as a member of the United States Armed Forces is killed in the line of duty.

4. HONORING FIRST RESPONDERS

- a. Everyday, first responders selflessly risk their lives to protect Kansans. The families of first responders bear unique, heavy burdens as they deal with the difficult work, punishing schedules, and mortal dangers their loved ones face on the job. When a first responder is killed in the line of duty, the sacrifice of both the first responder and the sacrifice of the family should be honored by all Kansans.
- b. Accordingly, the flag of the United States shall be displayed at half-staff throughout the State of Kansas on a day designated by the Governor when a Kansas first responder is killed or dies in the line of duty.

- c. A “first responder” is anyone defined as a “public safety officer” under 34 U.S.C. § 10284, which includes law enforcement officers, firefighters, emergency medical technicians, paramedics, and other emergency response workers.

(2) If the secretary determines that the MCO failed to meet the requirements of paragraphs (f)(1)(A) through (C), then the provider who submitted the request for review shall automatically prevail in the review. Within five business days of receipt of the secretary's notification that the provider automatically prevails, the MCO shall issue an approval letter regarding the reversal of the MCO's appeal decision to the prevailing provider and the secretary. The MCO shall also issue an approval letter to the affected enrollee if the request for review is related to the denial of an authorization for a new healthcare service. The MCO shall not be required to reverse its decision for a request that does not include the information specified in paragraphs (e)(1) through (e)(3), is submitted by a provider who fails to complete the MCO's appeal process, is untimely, or does not involve a denied authorization for a new healthcare service or a claim for reimbursement.

(B) provide the MCO's designated contact information, including name, postal mailing address, telephone number, fax number, and electronic-mail address.

(2) If the secretary determines that the MCO failed to meet the requirements of paragraphs (g)(1)(A) and (B), then the provider who submitted the request for review shall automatically prevail in the review. Within five business days of receipt of the secretary's notification that the provider automatically prevails, the MCO shall issue an approval letter regarding the reversal of the MCO's appeal decision to the prevailing provider and the secretary. The MCO shall also issue an approval letter to the affected enrollee if the request for review is related to the denial of an authorization for a new healthcare service. (h) Each request for an external independent third-party review shall be approved or denied by the secretary. A request for an external independent third-party review that does not include the information specified in

paragraphs (e)(1) through (e)(3), is submitted by a provider who fails to complete the MCO's appeal process, is untimely, or does not involve a denied authorization for a new healthcare service or a claim for reimbursement shall be denied by the secretary. A letter regarding the denial of the request for an external independent third-party review shall be issued by the secretary to the requesting provider and the MCO. A denial letter shall also be issued to the affected enrollee if the request for review is related to the denial of an authorization for a new healthcare service.

(i) The decision by the external independent third-party reviewer shall be based solely upon the documentation submitted by the provider during the MCO's appeal process.

(j) The parties to each external independent third-party review shall be the following:

(1) A provider or the provider's authorized representative; and

(2) the MCO that made the decision involved in the review.

(k) Upon the request of a party, the external independent third-party reviewer may determine in one action multiple requests made to the reviewer regarding the same enrollee, a common question of fact, a common interpretation of applicable regulations, or a common reimbursement requirement. The provider shall complete the MCO's appeal process and submit a request for external review for each denial of an authorization for a new healthcare service or denial of a claim for reimbursement that the reviewer determines in one action.

(l) Any provider that initiated a request for an external independent third-party review, or one or more other providers, may add other initial denials of claims to the review before the reviewer's decision if the claims involve a common question of fact, a common interpretation of applicable regulations, or a common reimbursement requirement. The provider shall complete the MCO's appeal process for each denial of a claim for reimbursement reviewed by the reviewer. The provider shall submit a request for external independent third-party review to the MCO that denied the claim, for each additional claim.

(m) The external independent third-party reviewer shall conduct an external independent third-party review of any denial of authorization for a new healthcare service or denial of a claim for reimbursement submitted to the reviewer.

(n) The external independent third-party reviewer shall issue the reviewer's final decision in a letter to the provider's designated contact, the MCO's designated contact, and the department within 30 days from the date of receipt of the appeal documentation forwarded by the secretary. The reviewer may extend the time to issue a final decision by 14 days upon agreement of both parties to the review. The reviewer's letter shall include the following:

(1) The date of the reviewer's decision letter;

(2) the date of receipt of the provider's appeal documentation from the secretary;

(3) the date of the reviewer's decision and, if an extension was requested by the reviewer, the date of the extension request;

(4) the name and address of the requesting provider. If the reviewer determines in one action multiple provider requests or requests involving multiple claims, the reviewer shall issue a separate decision letter for each MCO, enrollee, and provider as required to protect health information;

(5) a summary statement of the reason the provider requested the external independent third-party review;

(6) the specialty or professional certification of each individual reviewing the provider appeal documentation;

(7) a summary statement of the reviewer's rationale for affirming or reversing the MCO's appeal decision. The statement shall include citation to the applicable policies, research articles, medical necessity criteria, or any other documentation relied upon by the reviewer in reaching its decision;

(8) the name of the medical director who reviewed and approved the reviewer's decision;

(9) a statement directing the losing party of the review to pay an amount equal to the costs of the review to the reviewer and the due date for payment. The statement shall include the following:

(A) A statement that if the decision of the external independent third-party reviewer is reviewed in a state fair hearing, the payment due to the reviewer under this subsection shall be delayed until the decision of the state fair hearing has been issued in the initial order;

(B) a statement that the losing party of the state fair hearing's initial order shall pay the costs of the review to the reviewer within 45 days of service of the initial order;

(C) a statement that if the decision in the initial order is reviewed by the state appeals committee, the payment due to the reviewer under this subsection shall be delayed until the decision by the state appeals committee has been issued in the final order; and

(D) a statement that the losing party of the state appeal committee's final order shall pay the costs of the review to the reviewer within 45 days of service of the final order;

(10) the unique number assigned by the MCO to each provider appeal;

(11) the unique number assigned by the reviewer to each request for external independent third-party review; and

(12) a statement that the provider will receive an additional notice from one or more MCOs that includes the right to request a state fair hearing regarding the reviewer's decision.

(o) Within 10 business days of the MCO's receipt of the external independent third-party reviewer's decision letter, the MCO shall issue a notice of the reviewer's decision to the provider and the department. The MCO shall also issue a notice of the reviewer's decision to the affected enrollee if the request for review is related to the denial of an authorization for a new healthcare service. The notice shall include the state fair hearing rights for the enrollee and the provider.

(p) Each request for an external independent third-party review shall automatically extend the deadline to request a state fair hearing pending the outcome of the review. Any party, including the affected enrollee, may request a state fair hearing within 30 days of the date of

*(continued)*

the MCO’s notice of the reviewer’s decision. Pursuant to K.S.A. 77-531 and amendments thereto, three days shall be added to the 30-day response period if the notice is served by U.S. mail or by electronic means.

(q) The decision of the external independent third-party reviewer shall be reviewed by the secretary or the secretary’s designee. If the MCO is the losing party of the review, a determination regarding a review by OAH of the reviewer’s decision shall be made by the secretary.

(r) The scheduling of any state fair hearing that involves a denial of an authorization for a new healthcare service or a claim for reimbursement for which the provider has requested an external independent third-party review shall be delayed until after the reviewer’s decision has been issued. The reviewer’s decision letter,

the documents relevant to the reviewer’s decision, and the MCO’s notice of the reviewer’s decision shall be included in the state fair hearing case file for consideration by the presiding officer, together with any other facts of the case.

(s) Any provider requesting an external independent third-party review may withdraw the request for review and request a state fair hearing within 123 days of the date of the MCO’s adequate notice of appeal resolution. (Authorized by and implementing K.S.A. 2019 Supp. 39-709i, K.S.A. 65-1,254, and K.S.A. 75-7403; effective, T-129-5-4-20, May 4, 2020.)
