Notice of Hearing

The Kansas Department of Health and Environment (KDHE) announces a public hearing on the 2020 Kansas 303(d) List of Impaired Waters. Section 303(d) of the Clean Water Act requires states to biennially prepare a list of waters failing to meet State Water Quality Standards. Such waters are required to have Total Maximum Daily Loads (TMDLs) prepared by the state to restore their water quality. A TMDL is the maximum amount of the impairing pollutant that can enter the water without causing a violation of its water quality standards.

Since 1999, Kansas has developed TMDLs for impaired surface waters in each of the state’s 12 river basins. KDHE develops and revises TMDLs for selected impairments identified in the current Section 303(d) list by prioritizing watersheds or waters for restoration and protection. In accordance with the Kansas TMDL development cycle, TMDLs will be developed for the Lower Arkansas River during this listing cycle. The draft 2020 Kansas 303(d) list will emphasize waters in these basins, including an initial designation of TMDLs to be developed over the next two years. The list and its methodology will be made available prior to the hearing at http://www.kdheks.gov/tmdl/methodology.htm.

The public hearing will open with a brief summary of the list and its methodology as it pertains to the waters of the state. Public testimony will then be taken after the presentation. Please provide a written copy of any testimony at the hearing. Written testimony will be accepted by KDHE any time between the original posting of this hearing in the Kansas Register on February 27, 2020 through the close of business on March 27, 2020. KDHE will prepare a response to all public comments and revise the draft list as necessary. KDHE will submit the list, the methodology, and any public comments with KDHE’s response to Region 7 of the U.S. Environmental Protection Agency on March 30, 2020.

The public hearing will take place from 11:00 a.m. to 12:00 p.m. Tuesday, March 10, 2020, in the Curtis State Office Building, Room 530, 1000 SW Jackson St., Topeka, KS 66612-1367.

Any individual with a disability may request accommodation in order to participate in the public hearing process. Requests for accommodation to participate in the hearing process should be made at least five working days in advance of the hearing by calling 785-296-8229. Other inquiries regarding this notice should be directed to Michelle Probasco at michelle.probasco@ks.gov or 785-296-8229.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Friday, March 27, 2020, in the offices of Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bonds for the Projects numbered below, in the respective maximum principal amounts. The bonds will be issued to assist the borrowers named below (who will be the owners and operators of the projects) to finance the cost in the amount of the bonds, which are then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

Project No. 001056 Maximum Principal Amount: $106,200. Owner/Operator: Jaylen and Natasha Koehn; Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the “Project”). The Project is being financed by the Lender for Jaylen and Natasha Koehn (the “Beginning Farmer”) and is located at the North Half of the Northeast Quarter of Section 4, Township 22 South, Range 2 West, Harvey County, Kansas, at the corner of Apache and North Old Settlers Road, Moundridge, Kansas.

Project No. 001057 Maximum Principal Amount: $487,500. Owner/Operator: Corey Holthaus; Description: Acquisition of 242 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the “Project”). The Project is being financed by the Lender for Corey Holthaus (the “Beginning Farmer”) and is located at Section 27, Gilman Township, Nemaha County, Kansas, approximately 1/2 mile south of Oneida, Kansas on 236 Highway. The bonds, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will they be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bonds will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bonds to finance the projects, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, KS 66603, will be considered. Additional information regarding the projects may be obtained by contacting the KDFA.
